Advising Notes: (*) Indicates that coursework will be evaluated for applicable equivalency upon transfer at the university. If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. ¹ University of Akron does not currently have an approved course match for TMM011 Quantitative Reasoning. However, transfer credit will be awarded for the Ohio Transfer 36 Math, Statistics, and Logic area. ² "To be submitted" indicates that the course does not currently carry the statewide course equivalency guarantee. However, the institution is working toward this goal and will act in good faith to ensure the appropriate equivalency is given that counts toward the degree.		

The following additional coursework will be required to complete the Bachelor of Arts in Philosophy degree at University of Akron after a student has completed their Associate of Arts Ohio Guaranteed Philosophy Transfer Pathway degree. Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.
