Advising Notes: <sup>1</sup> Students must complete the Bowling Green Perspective (BGP) requirements, which include select courses that meet the International Perspective (satisfied by completion of OAH005) and the Cultural Diversity in the United States requirements at BGSU. These can often be fulfilled as part of the associate degree with careful course selection. Please work with your advisor to identify appropriate courses. <sup>2</sup> Assumes the student has completed the first two semesters of the foreign language sequence prior to entering BGSU. <sup>3</sup> The College of Arts and Sciences at BGSU requires a four-course Multidisciplinary Component (MDC). This pathway assumes the student has completed the first two courses of the MDC prior to entering BGSU. The four courses selected for the MDC may be closely related to the major, sample the diverse domains of the arts, humanities, natural sciences, and social sciences, or be interdisciplinary in nature. Each course must have a different prefix; at least two courses must be at 3000- or 4000-level; and course applied to the MDC will not fulfill other Arts and Sciences degree requirements, not will MDC courses fulfill the major, minor, BGP, or other program requirements. <sup>4</sup> Assumes the student selects a 21 semester hour minor and completes at least two courses in the minor discipline prior to entering BGSU. <sup>5</sup> BGSU requires a total of 122 credit hours for degree completion. The total number of hours in the third and fourth years represent a range of hours that may be needed depending on the individual course selections made during the first two years.
