

If a student is interested in a Business Economics (Bachelor of Business Administration/Bachelor of Science in Business/etc.) degree, then the student should follow the Statewide Guaranteed Business Transfer Pathway. This Associate of Arts or Associate of Science pathway in Economics is intended for students who would like to pursue a Bachelor of Arts, or at some institutions a Bachelor of Science, in Economics.

The following table outlines how transfer credits will be applied to the Bachelor of Arts in Economics degree at Kent State University for students who completed an Associate of Arts or Associate of Science degree via the Ohio Guaranteed Economics Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.
