

The following table outlines how transfer credits will be applied to the Bachelor of Arts in Anthropology degree at Ohio University for students who completed an Associate of Arts degree via the Ohio Guaranteed Anthropology Transfer Pathway. The OGTP designation guarantees the transfer and applicability of credits, but does not guarantee admission to a program. Some bachelor-degree granting programs may be competitive, and students should check with individual institutions for their program admission requirements.

If a Transfer Assurance Guide (TAG) course is taken, the approved course equivalency will be awarded. <sup>1</sup> OHIO recommends students complete an Ohio Transfer 36 approved TMOE Oral Communication course, which would be equivalent to COMS 1030. Additional general education coursework will be required if not completed as part of the associate degree program. <sup>2</sup> Students who complete the minimum requirements of the Ohio Transfer 36, as included within the above pathway, prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of TME 002 Second Writing), Pillars, and Arches.		

The following additional coursework will be required to complete the Bachelor of Arts in Anthropology degree at Ohio University after a student has completed an Associate of Arts Ohio Guaranteed Anthropology Transfer Pathway degree. Some bachelor-degree granting programs may be competitive and admission into the program is not guaranteed. Students should check with individual institutions for their program admission requirements.
