

Ohio Residential Care Facility COVID-19 Reporting Schedule

Effective May 4, 2021, all residential care facilities (RCF) are subject to the Ohio Department of Health (ODH) Amended [Director's Order](#).

Each facility is required to report the results of weekly testing efforts using the online [reporting tool](#). Reporting is required regardless of whether a facility is utilizing state-supported testing or chooses to use another laboratory. All questions in the reporting tool must be fully and accurately reported within each reporting period. The [reporting tool](#) will be accessible from 12:00 am on the first reporting date until 11:59 pm on the last date of each reporting period below.
