

OHIO CASINO CONTROL COMMISSION

RESOLUTION 2023-23

CONSIDERATION OF 2,061 STANDARD SPORTS GAMING EMPLOYEE LICENSE APPLICATIONS

WHEREAS, Article XV, Section 6(C) of the Ohio Constitution created the Ohio Casino Control Commission (“Commission”);

WHEREAS, R.C. 3775.02 grants the Commission jurisdiction over all persons conducting or participating in the conduct of sports gaming authorized by R.C. Chapters 3770, 3772, and 3775;

WHEREAS, R.C. 3775.03 prohibits any person from operating, conducting or assisting in operating or conducting sports gaming without first being licensed by the Commission;

WHEREAS, R.C. 3775.02, 3775.03, 3775.06, and 3775.09, as well as Ohio Adm.Code 3775-4-01 and 3775-4-09 describe the requirements for persons seeking a sports gaming occupational license and the criteria the Commission uses when evaluating those applicants for licensure;

WHEREAS, R.C. 3775.06 and Ohio Adm.Code 3772-4-09 defines standard sports gaming employees as those occupational employees who have the ability to alter material aspects of sports gaming, including performing such duties as accepting wagers, handling money, and providing security, among others;

WHEREAS, R.C. 3775.06 and Ohio Adm.Code 3772-4-09 require any standard sports employee seeking licensure to submit a Standard Sports Gaming Employee License Application (“Application”);

WHEREAS, R.C. 3775.09 and Ohio Adm.Code 3775-4-09 require standard sports gaming employees seeking licensure under R.C. Chapter 3775 to establish their suitability by clear and convincing evidence;

WHEREAS, R.C. 3775.06 and Ohio Adm.Code 3775-4-09 further require that standard sports gaming employees be afforded with the benefit of reciprocal licensure if they hold an active license issued under Chapters 3775 or 3770;

WHEREAS, the 2,061 individuals listed on the attached Exhibit A (“Standard Sports Gaming Employees”) submitted their Applications in accordance with R.C. 3775.06 and Ohio Adm.Code 3775-4-09 and paid the nonrefundable application and criminal-background check fees in compliance with the requirements under R.C. 3775 and the rules adopted thereunder;

WHEREAS, the Commission’s Division of Licensing and Investigations (“Division”) reviewed the Applications and other materials and information and conducted thorough investigations of the Standard Sports Gaming Employees, identifying those individuals that were qualified and eligible for reciprocity;

WHEREAS, the Division has prepared a memorandum to the members of the Commission, dated April 12, 2023, captioned *Recommendation to Approve 2,061 Standard Sports Gaming Employee Licenses* (“Memorandum”);

WHEREAS, the Memorandum concludes that the Division’s investigations did not uncover any material derogatory information that adversely impacts the suitability or eligibility of the Standard Sports Gaming Employees;

WHEREAS, based on this conclusion, the Division recommends that the Commission grant the initial standard sports gaming employee licenses; and

WHEREAS, the Commission has reviewed the Memorandum and considered the matter at its public meeting held on April 19, 2023.

NOW, THEREFORE, BE IT RESOLVED by the Commission that the Standard Sports Gaming Employees are **SUITABLE** and **ELIGIBLE** for licensure.

BE IT FURTHER RESOLVED that the Standard Sports Gaming Employees’ Applications are **APPROVED** and their initial standard sports gaming employee licenses are **GRANTED** for a period of 3 years, subject to continued compliance with R.C. Chapter 3775 and the rules adopted thereunder, including the payment of the nonrefundable license fee of \$50, as required by R.C. 3775.06 and Ohio Adm.Code 3775-4-09, for each of them.

BE IT FURTHER RESOLVED that Resolution 2023-23 does not in any way affect, negate, or otherwise absolve the Standard Sports Gaming Employees of their duties to update information in accordance with R.C. 3775.03 and Ohio Adm.Code 3775-4-01.

BE IT FURTHER RESOLVED that Resolution 2023-23 does not restrict or limit the Commission’s future exercise of authority and discretion with respect to imposing additional conditions or taking further action upon the Standard Sports Gaming Employees under R.C. Chapter 3775 and the rules adopted thereunder.
