Triple P Program - Positive Parenting Program

Triple P is a research-based parenting program that equips parents and caregivers with a set of strategies and tools to help strengthen parent-child relationships and encourage positive behavior through individual, group, and online programming. Triple P Online is a self-paced course available for parents 24/7 to learn strategies through interactive videos and exercises and is available in English and Spanish.

AUDIENCE

Parents and caregivers looking for proven, easy-to-use, parenting strategies can benefit from Triple P. Caregivers will learn ways to encourage the behavior they like, promote skill development in their children and prevent misbehavior. Triple P has programming available to meet the needs of parents of younger children, ages birth -12, and those of older children up to 16.

ELIGIBILITY CRITERIA

Every parent and caregiver in Ohio with a child from birth – 16 years old is eligible for Triple P offerings.
