

# Expanded ASQ Online Service Available for Children Through Age 5

**Ohio's Help Me Grow program invites you to learn about Sparkler,  
a new platform coming in September that makes it easy for....**

1. Providers to become a program partner with Help Me Grow. They get a free, web-based dashboard where they can track ASQ activity for children in their care.
2. Parents to access, complete, and share results from free ASQ screenings via their mobile device.

**To learn more, register for an upcoming webinar:**

- Friday, September 6th @ 10 a.m. for Child Care Resource & Referral agencies. [Register here](#).
- Tuesday, September 10th @ noon for early care and education providers. [Register here](#).
- Thursday, September 12th @ 9:30 a.m. for early care and education providers. [Register here](#).

**Everyone is welcome to attend. We look forward to seeing you at one of these sessions.**
