

# Motivational Interviewing Training

We are excited to announce a series of specialized Motivational Interviewing (MI) training sessions designed to enhance your skills and effectiveness in your vital role. These sessions are tailored specifically for Ohio Home Visiting Professionals, and we highly encourage you to enroll to learn valuable tools and techniques that will assist you in your daily interactions with the families you serve.

## Why Enroll in MI Training?

- ◆ Address burnout and emotional strain
- ◆ Learn how to engage with families effectively
- ◆ Manage behavior issues in children
- ◆ Gain professional development hours

## How to Enroll

You can choose to participate in one, two, or all three courses based on your interests, needs, and role in your program. Click on the individual links below each course description to view the available dates and to register.
