- Information about relevant laws and updated non-regulatory guidance that can support vulnerable students.
- A discussion of the successes and barriers with the partnership between local education agencies and public children service agencies in Ohio.
- Opportunity to network between education and child welfare professionals.

A collaboration brought to you by Ohio Department of Education and Workforce and
Department of Children and Youth.

Contact fostercare@education.ohio.gov or jennifer.miller@childrenandyouth.ohio.gov with any questions.
