- West End Ciderhouse Tavern**
234 W Washington St, Athens

Welcome to the Ohio Hard Cider Trail!

Raise a glass and explore Ohio's deep rooted cider tradition, stretching back to the days of Johnny Appleseed. In honor of America's 250th birthday, we're celebrating the flavors, farms, and craftsmanship that make Ohio apples legendary. From small batch gems to bold, flavor packed pours, Ohio cideries are ready to welcome you.

Collect a stamp at each stop by asking your server. Visit at least six cideries and you'll earn a limited edition commemorative bottle-opener coin—a patriotic keepsake for this milestone year! Just submit your completed passport using the instructions on the back.

Can't hit all six? Snap a photo of your passport with at least one stamp and use the QR code on the back to enter a drawing for cider themed swag.

The trail runs May through December 1, and passports can be redeemed through 2026, while supplies last. Grab your passport and discover the spirited flavors that make Ohio shine. Cheers to adventure, cheers to Ohio, and cheers to 250 years! Please enjoy the trail responsibly.
