APPRAISER LICENSE, CERTIFICATE, AND REGISTERED ASSISTANT RENEWAL APPLICATION FILING INSTRUCTIONS

This is your renewal application. Ohio Revised Code Section 4763.06 requires all state-certified appraisers, state-licensed appraisers, and all state-registered real estate appraiser assistants file a renewal application in order for a certificate, license, or registration to remain in effect. Complete and return the renewal application, the continuing education form, along with proof of completion course certificates, and the appropriate fees as described on the renewal application, including any late filing fees to the Ohio Division of Real Estate and Professional Licensing 6606 Tussing Rd., PO Box 4008, Reynoldsburg, OH 43068, at least thirty (30) days prior to the expiration of the certificate/license/registration. Acceptable forms of payment are check, certified check, or money order made payable to the Division of Real Estate. The renewal application must be signed by the appraiser whose certificate, license, or registration is being renewed. If courses are taken out-of-state or have not been approved this Division, refer to the A-92 compliance form for further instructions. To check if a course has been approved, visit the Division's Continuing Education Course Lookup page at www.com.ohio.gov/real.

After the Division completes the processing of this renewal application, you will be issued an appraiser credential with a two-year term. Your renewal requirements in two years will consist of payment of your renewal application fee and completion of twenty-eight (28) hours of approved continuing education, including the 7-hour, AQB-approved National Uniform Standards of Professional Appraisal Practice (USPAP) course. Please note the change in the continuing education requirement for your next renewal application.

Certified Residential and General Appraisers, Licensed Real Estate Appraisers, and Registered Appraiser Assistants:

For this renewal application only, fourteen (14) hours of continuing education credits must be submitted with this application. The Division must receive a 7-hour, AQB-approved USPAP course once every two (2) years as part of the 14-hour CE requirement. (Note: Effective 1/1/05, the 15-hour USPAP course will not be accepted to satisfy this requirement.)

Please review the information contained on the renewal application for accuracy, including your name, addresses and phone number. Note any corrections on the form. Draw a line through any inaccuracies.

A certificate holder, licensee or registrant who fails to renew their credential prior to its expiration or within three (3) months after its expiration is ineligible to obtain a renewal certificate, license, or registration and must comply with section 4763.05 of the Ohio Revised Code in order to regain a certificate, license or registration. All credentials that are not renewed must be returned to the Division immediately.
