INSTRUCTIONS FOR COMPLETING OHIO APPLICATION FOR BUILDING PLAN APPROVAL

Application Directions: Complete page one of the application and attached worksheets as outlined below. All boxes, 1 through 14, must be completed in full or the application will be returned. Send this completed form along with all required documents to "Ohio Department of Commerce, Division of Industrial Compliance, Bureau of Building Code Compliance, 6606 Tussing Road, Reynoldsburg, Ohio 43068-9009"

- SCOPE OF PROJECT:** Check all the boxes that apply to the scope of work proposed in this project. Every scope of work checked must be accompanied with the appropriate fees. Without establishing the proper scope of work, the division will be unable to establish the inspection schedule for the project. Please note that "**Building General**" refers to **all "general trade" work** in the building including ceiling panels/grids, non-loadbearing partitions, flooring, etc.; NOT just structural loadbearing components of the building. Requesting walk-in plan review appointment must first fax (614) 644-3145 or e-mail (BDCCPlans@com.state.oh.us) this completed application to our office for review and consideration. By checking this request on the form does not guarantee a plan review appointment. Effective January 1, 2019, an additional fee of \$275.00 per scope of work will be charged in addition to the regular building permit fees for all walk-in plan review appointment.
- TYPE OF PROJECT:** Check one of the types of projects from the list.
- PHASED PLAN REVIEW:** If you are applying for a phased plan approval, check all phases of the plan reviews that are applicable to this project. The plans examiner will review your plans according to the phased schedule. If you are not applying for a phased plan review, leave all boxes blank.
- APPLICATION RELATED INFORMATION:** Answer each of the questions in this block and provide additional information accordingly. Complete answers to the questions will help the division process and review the project accurately.
- PROJECT/BUILDING LOCATION:** Please provide complete information identifying the location of the building where the construction or renovation will occur. This will help the division determine the proper jurisdiction for the project.
- BRIEF DESCRIPTION OF THE SCOPE OF WORK COVERED UNDER THIS APPLICATION:** Please provide a brief description of the scope of work. Please include the names of the areas or rooms affected by the construction when only a portion of building is covered under the permit application. The description provided will be shown on your certificate of use and occupancy.
- BUILDING OWNER INFORMATION:** Please provide complete answers to each item. If the building is owned by a corporation, please provide the name of the corporation and identify a contact person in the section called "Attention."

8. **APPLICANT INFORMATION:** Provide complete information. All project correspondences will be directed to the project applicant.
9. **DESIGNER INFORMATION:** Section 106.2 of the Ohio Building Code requires that the design professional be identified including the design professional's Ohio registration number.
10. **GENERAL BUILDING INFORMATION:** The information provided applies to the entire building and is not limited to the construction area. Even when the proposed project is a partial building renovation or a building addition, the information for the entire building is required. The information provided will be shown on your certificate of use and occupancy in accordance with section 111 of the Ohio Building Code.
11. **APPLICATION FEES:** Please check one of the preferred payment methods and provide the square footage or linear footage of the areas affected by the construction. Please refer to the Fees Worksheet in this package for more details.
12. **CERTIFICATION:** The application cannot be processed if this section is not complete.
13. **OFFICE USE ONLY:** This section is reserved for our office use only. Please do not mark in this area.

Once the plans have been examined and approved, a Certificate of Plan Approval will be issued to the owner along with two sets of construction documents. One of the sets of construction documents must remain at the job site at all times during construction pursuant to Section 107.7 Ohio Building Code. Inspections can be obtained from the Division of Construction Compliance by calling the dispatch center at least one day prior to the inspection. The dispatch phone number is (800) 822-3208. Once all inspections have been obtained a final Certificate of Occupancy will be issued pursuant to Section 111 Ohio Building Code.

INSTRUCTIONS FOR APPLICATION FEE WORKSHEET

- *Fees are due when plans are submitted. Please make check payable to Treasurer, State of Ohio. If you have fee related questions when completing this worksheet, call 1-800-523-3581.*
- *Effective January 1, 2019, the Ohio Board of Building Standards (BBS) fee of \$5.00 will be charged to each scope of work applicable to each permit application except plumbing scope of work (Section 4101:7-7-01 OAC).*
- *Effective January 1, 2019, a fee of \$275.00 per scope of work will be charged in addition to the regular application fees if expedited plan review is requested and accepted for the project. Please be aware that the expedited plan review process is reserved for small project submissions that the plan review for the project can be completed with two hours. Please see bureau policy for expedited plan review project qualification. (Section 4101:7-7-01 OAC).*
- *Building general linear footage fee applies to fences and/or retaining walls, etc.*
- *Mechanical linear footage fee and/or electrical linear footage fee apply to projects containing mechanical and/or electrical works where square footages are difficult to calculate; such as HVAC ductwork only, electrical wiring only, etc. If the work can be covered under the square footage fee calculation; no need to provide linear footage fee again.*
