

QUEST PATIENT SERVICE CENTERS

Schedule a convenient 15-minute biometric screening appointment at one of several Quest Patient Service Centers in Ohio to get your key health measures taken such as blood pressure, cholesterol, blood sugar, height and weight. A biometric screening will provide you with important information you can use to manage your health. There is no fee for this service.

Important: Should a patient service center facility be marked as, "Walk-in only," you will still need to register as a walk-in on the Quest portal to prove eligibility in the Take Charge | Live Well program.
