

The State of Ohio

And

OCSEA/AFSCME Local 11

Joint Annotated Contract

2000 – 2003

"PREAMBLE"

The language in the Preamble continues unchanged from the previous Contract.

This Agreement, is hereby entered into by and between the State of Ohio, hereinafter referred to as the "Employer", and the Ohio Civil Service Employees Association, AFSCME, Local 11, AFL-CIO, hereinafter referred to as the "Union", has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of wages, hours, and other terms and conditions of employment.

Attention: *Agency Labor Relations Officers.*

Instructions: *Labor relations personnel should be aware of the language in the Preamble as several grievances filed during prior contracts have included failure to adhere to the Preamble as an alleged violation of the contract. Reference to the Preamble may indicate lack of evidence of a more specific violation, or may be an attempt to bring a non-grievable issue, such as an oral or written reprimand, to arbitration. Other articles and sections cited will be the principal basis for answering the grievance and should be listed on the grievance data forms, with reference to the Preamble as a secondary issue.*

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 1 - RECOGNITION

The language in this Article continues unchanged from the previous Contract.

1.01 - Exclusive Representation

The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages, hours, and other terms and conditions of employment for all full and part-time employees (excluding temporary, interim, intermittent and seasonal employees, except bargaining unit employees serving in an interim position) in the classifications included in certifications of the State Employment Relations Board (SERB).

These classifications include those listed in Appendices A-H (bargaining units 3, 4, 5, 6, 7, 9, 13 and 14). Any classifications added to the units shall be added to the appendices as though originally included.

The Employer will not negotiate with any other union or employee organization on matters pertaining to wages, hours and other terms or conditions of employment. Nor shall the Employer permit dues deduction for another organization purporting to represent employees on these matters or negotiate with employees over wages, hours and other terms and conditions of employment.

1.02 - Inclusion/Exclusion of Existing Classifications

If it is believed that the bargaining unit status of a position has changed for a reason other than fiduciary relation, the Office of Collective Bargaining or the Union, whichever is proposing the change, shall notify the other. Following such notice, a joint or single-party petition may be filed with the State Employment Relations Board (SERB). No change in bargaining unit status shall be effective prior to a final determination by SERB.

1.03 - Fiduciary Positions

The Employer will notify the Union when it plans to declare a bargaining unit position as fiduciary. The Union shall inform the Employer of its position in writing within forty-five (45) days of receipt of such notification. In the event the Union fails to respond within forty-five (45) days, the Employer's proposal will be deemed rejected and the matter will be scheduled for arbitration. When a dispute occurs over the designation of a position as fiduciary under the provisions of Section 124.11 of the Ohio Revised Code, the matter shall be resolved through discussion between the Deputy Director of the Office of Collective Bargaining and the Executive Director of the Union. If such discussion does not resolve the matter, either party may submit the issue to a mutually agreed upon arbitrator. No change in bargaining unit status shall be effective until formal written agreement is executed between OCB and the Union or a final determination is issued by the arbitrator. Once the matter has been resolved through this Section, a joint Petition for Amendment of Certification shall be filed before SERB within thirty (30) days.

Explanation:

The Union has forty-five (45) days to respond to a request to obtain a fiduciary exemption.

Attention:

*Agency Labor Relations Officers and Personnel Officers, Legal Counsels;
DAS Human Resources Division.*

Instructions: *The rationale for any proposed change of a position to fiduciary status and exclusion from the bargaining unit must be submitted in writing to the Deputy Director of the Office of Collective Bargaining.*

1.04 - Inclusion/Exclusion of New Classifications

The Employer will promptly notify the Union of its decision to establish all new classifications. If a new classification is a successor title to a classification covered by this Agreement with no substantial change in duties, the new classification shall automatically become a part of this Agreement.

If a new classification contains a significant part of the work now done by any classifications in these bargaining units or shares a community of interest with classifications in one of the bargaining units, the Union may notify the Employer that it believes the classification should be in the bargaining unit within thirty (30) days of its receipt of the Employer's notice. The parties will then meet within twenty-one (21) days of such notice to review the classification specifications. Where agreement is reached, the parties will file a joint Petition for Amendment of Certification before SERB to include the new classification. If unable to agree as to its inclusion or exclusion, the parties shall submit the question to the SERB for resolution.

Explanation: *Parties must file a joint petition when classifications are developed for the bargaining unit covered by this Agreement.*

Attention: *Agency Labor Relations, and Personnel, Human Resources.*

Instructions: *Although individual agencies will work through local committees to establish new classifications, the DAS, Human Resources Division through the Classification and Compensation Section and OCB, is responsible for the final negotiation of new or revised classifications.*

1.05 - Bargaining Unit Work

Supervisors shall not increase, and the Employer shall make every reasonable effort to decrease the amount of bargaining unit work done by supervisors.

Supervisors shall only perform bargaining unit work to the extent that they have previously performed such work. During the life of this Agreement, the amount of bargaining unit work done by supervisors shall not increase, and the Employer shall make every reasonable effort to decrease the amount of bargaining unit work done by supervisors.

In addition, supervisory employees shall only do bargaining unit work under the following circumstances: in cases of emergency; when necessary to provide break and/or lunch relief; to instruct or train employees; to demonstrate the proper method of accomplishing the tasks assigned; to avoid mandatory overtime; to allow the release of employees for union or other approved activities; to provide coverage for no shows or when the classification specification provides that the supervisor does, as a part of his/her job, some of the same duties as bargaining unit employees.

Except in emergency circumstances, overtime opportunities for work normally performed by bargaining unit employees shall first be offered to those unit employees who normally perform the work before it may be offered to non-bargaining unit employees.

The Employer recognizes the integrity of the bargaining units and will not take action for the purpose of eroding the bargaining units.

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 2 - NON-DISCRIMINATION

2.01 - Non-Discrimination

Neither the Employer nor the Union shall discriminate in a way inconsistent with the laws of the United States or the State of Ohio ~~or Executive Order 83-64, 87-30, or 92-287V, of the State of Ohio~~ on the basis of race, sex, creed, color, religion, age, national origin, political affiliation, disability, sexual orientation, or veteran status. Except for rules governing nepotism, neither party shall discriminate on the basis of family relationship. The Employer shall prohibit sexual harassment and take action to eliminate sexual harassment in accordance with ~~Executive Order, 87-30~~ Section 4112 of the Ohio Revised Code, and Section 703 of Title VII of the Civil Rights Act of 1964 (as amended).

The Employer may also undertake reasonable accommodation to fulfill or ensure compliance with the Americans with Disabilities Act of 1990 (ADA) and corresponding provisions of Chapter 4112 of the Ohio Revised Code. Prior to establishing reasonable accommodation which adversely affects rights established under this Agreement, the Employer will discuss the matter with a Union representative designated by the Executive Director.

The Employer shall not solicit bargaining unit employees to make political contributions or to support any political candidate, party or issue.

Arbitration Awards:

OCB #826 *Arbitrator Nelson: Class Action on Grooming Policy; DR&C, 11/20/92.*
OCSEA # 474 *Arbitrator Nelson held that DR&C's grooming policy, which provided for different rules for male and female employees, was not discriminatory.*

OCB #1090 *Arbitrator Pincus: Grievant Perez Garner; Youth Services, 11/13/95.*
OCSEA # 590 *Arbitrator Pincus determined that there was just cause to terminate the employee. In order to qualify for FMLA, ADA, or any leave under the collective bargaining Agreement, the employee had an obligation to notify the employer. Because the Grievant failed to meet the requisite notification requirements, he did not qualify for any of the leaves. In the absence of a contractual requirement for the Employer to provide leave, the Arbitrator stated that he was without authority to go outside the provisions set forth in the collective bargaining Agreement and order the Employer to grant leave to the Grievant to cover his absence. Therefore, the Grievant abandoned his job.*

Explanation: *The changes to this Section eliminate references to outdated executive orders.*

Attention: *Staff Representatives, Union Officials; Agency Directors; Agency Labor Relations, Personnel, Human Resources and Legal Divisions.*

Instructions: *Agency LRO's must provide notice of accommodation where such accommodation for a disabled employee has an effect on another bargaining*

unit employee's possible right to a position. The language requires that the Union be informed of accommodations. It does not require that formal negotiations be conducted to resolve issues. Management's role is to decide whether or not to make an accommodation and what the accommodation should be. Initially it is recommended that all reasonable accommodation requests by bargaining unit members and requests by non-bargaining unit members which may affect a bargaining unit position be brought to the attention of the Agency's OCB Labor Relations Specialist.

Effective Date: March 1, 2000 – February 28, 2003

2.02 - Agreement Rights

No employee shall be discriminated against, intimidated, restrained, harassed or coerced in the exercise of rights granted by this Agreement, nor shall reassignments be made for these purposes.

2.03 - Equal Employment Opportunity/Affirmative Action

The Employer and the Union agree to work jointly to implement positive and aggressive equal employment opportunity/affirmative action programs ~~in order to redress the effects of past discrimination, whether intentional or not, to eliminate current discrimination, if any, to prevent further discrimination, and~~ to prevent discrimination and to ensure equal employment opportunity in the application of this Agreement.

The Agencies covered by this Agreement will provide the Union with copies of ~~their~~ equal employment opportunity/affirmative action plans and programs upon request. Progress toward ~~their~~ equal employment opportunity/affirmative action goals shall also be an appropriate subject for Labor-Management Committees.

Explanation:

Factfinder Harry Graham recommended the above changes to address the State's concern that the contract alluded to "past discrimination," when, in fact, the State has never been found guilty of systemic discrimination. However, because the term "affirmative action" has been used in the Agreement for many years, the Factfinder recommended that this term not be struck from the language.

Attention:

Agency Directors; Agency Labor Relations, Personnel, Human Resources and Legal Divisions; Staff Representatives, Union Officials.

Effective Date: March 1, 2000 – February 28, 2003

ARTICLE 3 - UNION RIGHTS

3.01 - Access

It is agreed that the Agencies covered by this Agreement shall grant reasonable access to stewards, professional union representatives and chapter officers, defined to include President and Vice President, for the purpose of administering this Agreement. The Employer may provide a representative to accompany a non-employee union representative where security or treatment considerations do not allow non-employee access.

The Union shall furnish to the Employer in writing the names of the union representatives and their respective jurisdictional areas as soon as they are designated. Any changes shall be forwarded to the Employer by the Union as soon as changes are made.

3.02 - Stewards

The Employer agrees to recognize a reasonable number of local stewards as designated by the Union. Stewards and chapter officers as defined above shall be allowed a reasonable amount of time away from their regular duties to administer the Agreement at the facility where they work only within their own Agency unless the Agencies involved agree to representation across agency lines. In situations where there are only a few employees of one Agency working at the facility of another Agency, agreement to such representation shall not be unreasonably withheld. In situations where there are only a few employees of one Agency in a county, the Employer agrees that the right of stewards from one Agency to represent bargaining unit employees from other Agencies shall not be unreasonably denied. The Employer recognizes that to ensure adequate union representation, in occasional or unusual circumstances limited travel time for stewards may be necessary. The Union will notify the Agency in writing of the stewards designated prior to the steward assuming any duties.

It is understood that the release of stewards is for contract administration purposes. Reasonable diligence will be exercised by stewards in performing their duties so that they do not interfere with the operational needs of the Employer. Stewards and/or union representatives requiring release time for contract administration purposes, shall follow procedures outlined in Section 25.06 of the Agreement before leaving their work location. Stewards shall contact the supervisor or designee of an area to be visited and shall secure the signature of that supervisor or designee.

There shall be no cross-agency representation except as follows: a chapter president shall be allowed to cross Agency lines to represent employees covered by this Agreement in other Agencies when those Agencies' stewards are not available. The Agencies must be housed in the same building or facility ("facility" as used in this Article is defined to mean an institution or a complex of buildings in close physical proximity to one another). Agreement to such representation shall not be unreasonably denied.

3.03 - Union Activities

Employees who are members of a Labor-Management Committee, Health and Safety Committee or other committees established in this Agreement shall, after giving reasonable notice to their supervisor, be permitted to attend such meetings. Unless mutually agreed otherwise, such meetings will be held during normal working hours. Time off shall include any time needed to travel to the committee meeting except that no overtime will be paid if the travel time extends beyond the normal work day. Reasonable time, not to exceed one (1) hour, shall be allowed during work hours of members of any committee established by this Agreement to caucus immediately before the meeting. Employee participation in grievance meetings shall be pursuant to Article 25.

3.04 - Meeting Space

The Union may request use of State property to hold meetings. Where feasible, the Employer will provide such space. Such meetings will not interrupt state work and will not involve employees who are working. Such requests will not be unreasonably denied.

3.05 - Bulletin Boards

The Employer shall provide a reasonable number of bulletin boards for the use of the Union. When a bulletin board exists in a State owned trailer the Union will be provided space on the bulletin board. In locations where locked bulletin boards exist, the Union shall be responsible for the key. In Mental Health, Mental Retardation and Corrections locked bulletin boards shall be provided in the institutions. The items posted shall not be political, partisan or defamatory. The Employer shall not remove materials from union bulletin boards.

3.06 - Mail Service

The Union shall be permitted to use the State inter and intra-office paper mail system. This usage shall be limited to matters that involve the Union and the Employer. It is not to be used for the purpose of mass mailings to membership and/or bargaining unit employees. The Employer agrees not to open employee union mail when clearly marked as such. Where security is of concern, the mail shall be opened in the presence of the addressee.

When feasible, and where equipment is currently available, Union stewards and/or officers may utilize electronic mail and/or facsimile equipment solely for contract enforcement and interpretation and grievance processing matters. Such transmissions will be primarily to expedite communication regarding such matters, will be reasonable with respect to time and volume, and limited to communications with the grievant, if any, appropriate supervisors and employee's staff representatives. Long distance charges which may be incurred must be approved prior to transmission.

Explanation:

This language clarifies the use of certain technologies for the purpose of conducting Union business in the area of contract administration and grievance processing matters.

Attention

Agency Labor Relations Officers.

Instructions

Please note that the use of these technologies is limited to certain persons as well as in the scope of activities that can be carried out in this manner. ONLY contract enforcement and interpretation and grievance processing may be addressed by the Union when using these technologies.

3.07 - Union Orientation

Where the Employer has a structured employee orientation program, the Union shall be permitted to make a presentation not to exceed fifteen (15) minutes in duration regarding the Union. The Employer will notify the Union of newly hired employees at reasonable intervals, but no later than before a scheduled orientation session.

3.08 - Information Provided to the Union

The Employer will provide to the Union monthly a listing of all approved personnel actions involving bargaining unit employees.

The Employer will provide the Union with a list of employees who have paid union dues and fair share fees. The list will accompany the transmittal of money.

The Employer will furnish tables of organization as prepared from time to time by the agencies covered by this Agreement.

3.09 - Printing of Agreement

The parties will mutually share the cost of printing this Agreement.

3.10 - Union Leave

A reasonable number of local union representatives at any one time shall be allowed time off without pay for union business such as state or area-wide meetings called by OCSEA, AFSCME Local 11 or its affiliates or state conventions or conferences called by OCSEA, AFSCME Local 11 or AFSCME and the state AFL-CIO annual convention or AFSCME international conventions, provided such representative shall give reasonable notice to his/her supervisor prior to such absence. The Union shall provide five (5) calendar days advance written notice to the Office of Collective Bargaining of such absences, except where circumstances make such notice impossible, in which case the Union shall provide as much advance notice as practicable.

The President of OCSEA, AFSCME Local 11, may be placed on administrative leave pay to conduct union business. The Union shall reimburse the Employer for all costs associated with placing him/her on administrative leave with pay. Further, members of the Union's executive board, not to exceed twenty-eight (28) employees, shall be placed on administrative leave with pay for one (1) meeting every other month, not to exceed eight (8) hours. The Union shall reimburse the Employer for all costs associated with placing the employees on administrative leave with pay.

Employees on approved leave of five (5) consecutive days or less shall receive leave accruals and other benefits as if they were in an active pay status.

Explanation: *This language provides for five (5) days notice to allow for agency planning.*

Attention: *Agency Directors; Labor Relations, Personnel, and Payroll Officers; and DAS Human Resources Division, Office of Personnel Services.*

Instructions: *All requests under this Article will be requested through OCB. The information will be forwarded to the agency labor relations department.
Please continue to code leave requests for five (5) days or less so leave accrual is not interrupted.*

3.11 – Union Requests for Time Off

All requests for any form of time off from work pursuant to this Article must be made by completing a form or log provided by the Employer. No employee will be granted any time off pursuant to this Article, without completing the form or log prior to the utilization of such time, and securing of permission to utilize such time. The employee shall enter on the form the time the leave commences, and upon returning the employee shall enter the return time. Employees who do not return to their worksite prior to the end of the employees' workday shall complete the form at the beginning of the employees' next workday. Employees who normally work out of the office, will work out an acceptable alternative union leave request

procedure with their supervisor. In the absence of a mutually agreed to form the employee shall use state leave forms.

The Union shall provide a list of attendees and the hours released for relevant release time requested pursuant to Section 3.10 and Article 43. However, this requirement is not applicable to joint committee meetings with labor and management attendees; e.g., RWAC, Benefits Trust, Workforce Development and JHCC.

Explanation: *This language requires the Union to submit requests for time off on the form provided by the Employer and indicates when the employee shall complete the form.*

Attention: *Agency Directors; Labor Relations, Personnel, and Payroll Officers; and DAS Human Resources Division, Office of Personnel Services.*

Instructions: *The form to be used by employees seeking release time is attached. If you have any questions about the use of this form, please contact your Labor Relations Specialist. This form should be submitted to OCB quarterly. (??)*

3.11 2 - Union Offices

Where the Union currently has **designated** offices in any facilities or institutions, such practice will continue during the term of this Agreement. No new or additional union offices will be provided to the Union at any other state facilities.

At those facilities at which the Union does not currently have an office, the Employer will provide space for a lockable filing cabinet for the use of the Union. When available, the Union shall have access to a private area to process grievances.

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 4 - CHECKOFF

The language in this Article continues unchanged from the previous Contract.

4.01 - Dues Deduction

The Employer will deduct bi-weekly membership dues payable to the Union, upon receipt of a voluntary written individual authorization from any bargaining unit employee on a form mutually agreed to by the Union and the Employer.

The Employer will also deduct bi-weekly voluntary contributions to the Union's political action committee (P.E.O.P.L.E.), upon receipt of a voluntary written individual authorization from any bargaining unit employee on a form mutually agreed to by the Union and the Employer.

During the term of this Agreement the Union may, from time to time, request to deduct union fees or contributions to union-sponsored benefit programs. The Employer will not unreasonably withhold approval.

Employees recalled from temporary or seasonal layoff or returning from leave of absence shall resume payroll deduction of dues or fair share fees, whichever was in effect prior to the interruption of payroll status, commencing the first pay period of work.

Except for established payroll deductions for programs and organizations in effect on the effective date of this Agreement, along with any deductions for Employer sponsored programs and organizations, no additional payroll deductions for dues, fees or contributions shall be provided to any individual or organization without the prior written consent of the Union and the Employer.

Attention: *Agency Labor Relations Officers, Agency Legal Counsels; Department of Administrative, Human Resources Division, Payroll.*

Instructions: *Attempts by employee organizations or requests by providers to solicit bargaining unit members for dues, fees or contributions must be referred through OCB.*

4.02 - Fair Share Fee

Any bargaining unit employee who has served sixty (60) days and who has not submitted a voluntary membership dues deduction authorization form to the Employer shall, within thirty (30) calendar days following the effective date of this Agreement as a condition of continuing employment, tender to the Union a representation service fee. The amount shall not exceed the dues paid by similarly situated members of the employee organization who are in the bargaining unit. The Union shall continue to provide an internal rebate procedure which provides for a rebate of expenditures in support of partisan politics or ideological causes not germane to the work of employee organizations in the realm of collective bargaining.

When an employee enters the bargaining unit for any reason, the Employer shall notify the employee of this Article and provide the employee the appropriate deduction forms. Fair share fee deductions shall begin after sixty (60) days of service.

4.03 - Maintenance of Membership

All employees in the bargaining units who, on the effective date of this Agreement, are members of the Union and all employees who thereafter become members shall, as a condition of employment, remain members of the Union for the duration of this Agreement. Employees who wish to terminate their membership may do so by providing written notice to the Union at its principal offices during a thirty (30) day period commencing sixty (60) days prior to the expiration date of this Agreement.

4.04 - Indemnification

The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken as a result of the Union under the provisions of this Article.

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 5 - MANAGEMENT RIGHTS

The language in this Article continues unchanged from the previous Contract.

Except to the extent expressly abridged only by the specific articles and sections of this Agreement, the Employer reserves, retains and possesses, solely and exclusively, all the inherent rights and authority to manage and operate its facilities and programs. Such rights shall be exercised in a manner which is not inconsistent with this Agreement. The sole and exclusive rights and authority of the Employer include specifically, but are not limited to, the rights listed in The Ohio Revised Code, Section 4117.08 (C), Numbers 1-9.

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 6 - PROBATIONARY EMPLOYEES

6.01 - Probationary Periods

All newly hired, promoted and laterally transferred employees shall serve a probationary period. The probationary period shall be one hundred twenty (120) days for classifications paid at grades 1 to 7 and grades 23 to 28 or one hundred eighty (180) days for classifications paid at grades 8 to 12 and grades 29 to 36. However, the Disability Claims Adjudicator 1, Reclamation Inspector 1, and all Attorney classifications, shall have a probationary period of twelve (12) months from the effective date of hire, lateral transfer or promotion.

Probationary periods for Correction Officers (CO) and Juvenile Correctional Officers (JCO) shall be for a period of three hundred sixty five (365) days. Employees who have served a probationary period in another classification shall have the length of the probationary period, up to a maximum of six months, credited toward the Correction Officer and Juvenile Correctional Officer probationary period. Following the completion of six months of the probationary period, COs and JCOs shall be given the opportunity to select work assignments under the institution's pick-a-post agreement.

The probationary period for all other employees of the Department of Rehabilitation and Correction and Department of Youth Services shall be one hundred eighty (180) days. The probationary period will commence when the employee completes the initial period of training at the Correction Training Academy or the Department of Youth Services Training Academy. Periods worked by such employees prior to attending such training shall be credited toward the probationary period. Employees who are laterally transferred or promoted shall begin their probationary period on the effective date of the lateral transfer or promotion.

The performance of each employee within the Department of Rehabilitation and Correction and the Department of Youth Services shall be reviewed at least every two (2) months during the probationary period.

A probationary period for an employee may be extended by mutual agreement between the Union and Management.

During a lateral transfer or promotional probationary period, the Employer maintains the right to place the employee back in the classification that the employee held previously if the employee fails to perform the job requirements of the new position to the Employer's satisfaction.

During an initial probationary period, the Employer shall have the sole discretion to discipline or discharge probationary employee(s) and any such probationary action shall not be appealable through any grievance or appeal procedure contained herein or to the State Personnel Board of Review.

An employee's probationary period may be extended by a period equal to employee leaves of fourteen (14) consecutive days or longer, except for approved periods of vacation leave. **E.g. disability leave, adoption/childbirth, or any other leaves of fourteen (14) consecutive days or longer shall not be counted toward the employee's original or promotional probationary period.**

The Employer will not modify the duration of a probationary period of a classification(s) without the agreement of the Union.

Explanation:

This language establishes a probationary period for JCOs and CO's of one (1) year and clarifies when the probationary period begins.

Additionally, all other employees within DYS and DR&C will be given a 180-day probationary period. (Please note that step increases continue at 120 or 180 days under Section 36.06.) It also establishes in the Department of Rehabilitation and Correction and the Department of Youth Services that probationary employees will be reviewed every two (2) months.

New language establishes that JCOs, as well as COs, shall be credited with time served in a probationary period of another classification. This credit shall not be for more than six months.

New language clarifies that an employee's probationary period shall be extended for the period of time the employee is on one of the listed types of leave.

Attention: *DYS and DR&C Labor Relations, Human Resources and Personnel Officers; Department of Administrative Services, Human Resources Division.*

Arbitration Awards:

#1357 *Arbitrator David M. Pincus: Grievant Carolyn Detty; DR&C; 3/29/99. Grievant was removed on the last day of her probationary period. Grievant was required to remain one-half hour after her last shift to receive her termination notice. Grievant's termination notice stated her removal would be effective on the day after the probationary period ended. Arbitrator Pincus held that the clear language of the contract defined the probationary period in terms of **days** rather than shifts. Arbitrator Pincus also held that the Grievant had notice that she was being removed on the last day of her probationary period, notwithstanding the information contained in her termination notice.*

6.02 - Promotional/Lateral Transfers Probationary Period

Employees who are promoted or laterally transferred to a different classification shall serve a probationary period pursuant to Section 6.01.

Where a single classification involves work which varies substantially among different positions within the classification, the Employer may require employees who are laterally transferred in the same classification to serve a trial period equal to one-half of the regular probationary period for the classification, during a lateral transfer trial period, the employee may elect to return to his/her previous position or, if the employee fails to perform the job requirements of the new position to the Employer's satisfaction, the Employer may place the employee back in the position the employee previously held.

The Employer may require employees who are demoted pursuant to Article 17.04 to serve a trial period equal to one-half of the regular probationary period for the classification, during a trial period, the employee may elect to return to his/her previous position or, if the employee fails to perform the job requirements of the new position to the Employer's satisfaction, the Employer may place the employee back in the position the employee previously held.

Explanation: *The third paragraph of this language establishes a probationary period for employees demoted pursuant to Section 17.04.*

Attention: *Agency Labor Relations, Human Resources and Personnel Officers.
Department of Administrative Services, Human Resources Division.*

Instructions: *As there are several different examples under which probationary periods may be assigned, Labor Relations and Personnel Officers should apprise supervisors of the probationary periods at the time that the position is awarded.*

Employees who are promoted or laterally transferred to a different classification shall serve a probationary period pursuant to Section 6.01.

When employees are laterally transferred within the same classification and the individual positions have substantially different work as evidenced by the position description, they may be required to serve a trial period of one-half of the regular probation period. (E.g. A Secretary in a Central Office location who laterally transfers to a field office may have substantially different duties and will probably be required to serve a probationary period. A Painter or Carpenter who changes building assignments, will not be required to serve a probationary period.) This is solely at the Employer's option.

During a lateral transfer trial period, an employee may decide to return to his previous position, or the Employer may choose to return the employee to his previous position if the employee does not perform his job duties to the Employer's satisfaction. In either case, the moving party must notify the other of the intent to return the employee to the previously occupied position.

When an employee returns to a previous position, either by his choice or the Employer's, the employee's work schedule should be the same as it was previously, if at all possible.

6.03 - Conversion of Temporary, Intermittent, Interim, Welfare to Work Initiative or Seasonal Employees

A temporary, intermittent, interim, funded position under a Welfare to Work Initiative or seasonal employee who becomes a permanent employee in the same agency, classification and job duties will be credited with their time served, but no more than one-half (1/2) the length of the probationary period for that classification.

~~A probationary employee shall have no seniority until he/she completes the probationary period. Upon the completion of probation he/she will acquire seniority from his/her date of hire. An employee who has a continuous period of temporary, interim, intermittent or seasonal employment prior to receiving a permanent appointment shall acquire seniority for such time only if that permanent appointment occurred prior to July 1, 1989. NOTE: moved to Article 16.~~

Explanation: *The last paragraph of this Section has been moved to Article 16 – Seniority.*

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 7 - OTHER THAN PERMANENT POSITIONS

7.01 - Temporary Positions

Temporary positions are those positions in which work is of a temporary nature and a specified duration, not to exceed ~~thirty (30)~~ sixty (60) days. The Employer agrees not to use temporary positions to avoid filling permanent full-time positions.

Explanation:

New language was proposed by the Employer to expand the days the Employer is permitted to use temporary employees.

Attention:

Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions:

Agencies should not use temporary positions to avoid filling permanent full-time or permanent part-time positions. The expansion from thirty to sixty days was agreed to so agencies will have sufficient time to move through the posting and selection process. It is not an excuse to abuse the use of temporary appointment types.

Effective Date:

March 1, 2000

7.02 - Interim Positions

A. Interim positions are those positions in which the work is of a temporary nature and the duration is fixed by the length of absence of an employee on an approved leave of absence. The duration of interim positions shall not exceed thirty (30) days plus the length of the leave of absence. **Current bargaining unit employees may receive internal interim appointments to another position within a bargaining unit covered by the terms of this Agreement; and shall be compensated as a temporary working level (TWL) pay supplement.**

B. Internal Interim Appointments to Non-Bargaining Unit Positions
Bargaining unit employees may receive internal interim appointments to positions that are not covered by this Agreement; and shall be compensated as a temporary working level. Such employees will be considered members of the bargaining unit for the duration of the interim assignment, but shall not represent either the Employer or the Union in labor-management issues or the administration of this Agreement while holding the interim appointment. [moved from §13.18]

Explanation:

New language was proposed by the Employer to clarify existing practices of the state. Internal interim appointments are paid as a TWL. Section (B) was moved from §13.18 as it fits better within Article 7.

Attention: *Agency Directors, Labor Relations, Personnel and Payroll Officers.*

Instructions: *Employees serving internal interim assignments in other bargaining units or as exempts are not to administer the labor agreement on behalf of the Employer. This means that they may not conduct investigatory interviews, pre-disciplinary meetings, employee evaluations, grievance meetings, respond to grievances or other duties normally accomplished by a supervisor. They may give limited directions to other employees such as would a lead worker. They may also make written reports and recommendations to a supervisor regarding the conduct of other bargaining unit employees.*

External interim appointments may perform all duties normally performed by a regular permanent employee.

Effective Date: *Immediate as this is only a clarification of an existing method.*

7.03 - Intermittent Positions

Intermittent positions are those positions in which work is of an irregular and unpredictable nature and which do not exceed one thousand (1000) hours per employee in any twelve (12) month period. The Employer agrees not to use intermittent positions to avoid filling permanent full-time positions. The allocation and use of intermittent positions shall be an appropriate subject for the Labor-Management Committee.

Attention: *Labor Relations, Personnel and Payroll Officers.*

Instructions: *An intermittent employee, upon completion of the probationary period, is eligible for and will receive a step increase. If, after receiving the step increase as in intermittent, the employee is changed to permanent status, the employee must serve up to one-half (1/2) of the probationary period. The employee will not be eligible for an additional step at the end of this probationary period. The employee will receive the next step increase upon completion of twenty-six (26) pay periods from the original probationary step increase as an intermittent employee.*

If the intermittent employee has not received a probationary step increase when he/she is changed to permanent status, the employee must complete probation and will receive the step increase at the end of probation. The next step increase will be granted twenty-six pay periods later.

7.04 - Seasonal Employees

A seasonal employee is one that works a certain regular season or period of the year performing some work or activity limited to that season or period of the year not to exceed fourteen (14) consecutive weeks, except that Golf Course Workers and Lifeguards may work beyond 14 weeks. The Employer agrees not to abuse the designation of seasonal status.

7.05 - Salaries of Temporary, Intermittent, Interim Positions and 1,000 Hour Assignments Positions

Salaries for temporary, intermittent, ~~and~~ interim positions and 1,000 hour assignments positions shall be equal to the ~~hourly step rate in the pay range of the classification~~ received by permanent employees ~~in the same job classification with the same~~ an equivalent length of service.

Explanation:

New language was proposed by the Employer to clarify. Previous language was confusing and misleading.

Attention:

Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions:

Employees serving in non-permanent appointment types are to be paid at the step rate of the classification as though he/she were a permanent employee. For example, when such an employee has sufficient service credit to be equal to having passed probation, the employee should receive a step increase. When such an employee has sufficient service credit to equal one year additional year of service from the first step increase the employee should receive a second step increase.

Effective Date:

Immediate as this is only a clarification of an existing method.

7.06 - Seasonal, Intermittent, Interim, Temporary Overtime

Overtime that is available when seasonal, intermittent, temporary and interim employees are on staff shall first be offered to permanent employees.

7.07 - Welfare to Work Initiative Participants

Welfare to Work participants shall not displace full/part-time permanent bargaining unit employees. In the event that there is a recall list within an Agency, Welfare to Work participants will not be utilized in the same classification within the geographic jurisdiction where the recall list exists. In the event the program covering the participant requires wage rates and benefits different than those provided by the Employer, the Employer shall provide the wage rates and benefits pursuant to the program. Where the program does not specify wage rates or benefits, the Employer will provide the applicable wage rates and benefits as enumerated in this Agreement.

7.08 - Work Scheduling

Except at the request of an affected employee, no employee shall have the number of hours they are normally scheduled to work reduced as the result of the use of non-permanent employees such as, but not limited to: seasonal, intermittent, student interns, interns, interim, established term, or temporary employees, due to the performance of such employee's duties by the non-permanent employee.

7.09 – Project Employees

Project Employees are an appropriate topic for labor/management committees.

Explanation:

The Employer proposed extensive language describing a new appointment type to be entitled "project employee." The Union would not agree to the inclusion of the language in the Agreement. However, the above language does permit agencies to explore with the Union the use of such an appointment type.

Attention:

Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions:

Agencies MUST CONTACT OCB for assistance before entering into discussions regarding the use of "project employees." OCB will provide model language to be used.

Effective Date:

March 1, 2000.

7.10 – Temporary Working Level Pay Supplements [moved from §13.17 with modifications]

The Employer may temporarily assign an employee to replace an absent employee, or to fill a vacant position during the posting and selection process. All temporary working level assignments used to fill a vacant position during the posting and selection process shall not exceed one-hundred twenty (120) days unless mutually agreed to between by the parties. If the temporary assignment is to a classification with a higher pay range, and is in excess of four (4) working days, the affected employee shall receive a pay adjustment which increases his/her step rate of pay to the (a) classification salary base of the higher level position or (b) a rate of pay approximately four percent (4%) above his/her current step rate of compensation, not to exceed the top step in the pay range assigned.

Explanation:

New language was proposed by the Employer to clarify existing practices of the state. This section was moved from §13.17 as it fits better within Article 7.

Attention:

Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions:

Employees receiving TWL pay supplements may not be paid higher than the top step of any pay range.

Effective Date:

Immediate as this is only a clarification of an existing method.

ARTICLE 8 - LABOR-MANAGEMENT COMMITTEES

The language in this Article continues unchanged from the previous Contract.

8.01 - Agency Committees

In each agency, there shall be a statewide committee consisting of an equal number of Union and Employer representatives. In each agency that operates with institutions/geographic districts or regions, there shall be a committee consisting of an equal number of Union and Employer representatives per institution/geographic district or region unless otherwise mutually agreed upon by the parties. The statewide agency committee will meet at least two (2) times per year but shall receive, upon request, quarterly progress reports. The institution/geographic district or region committee shall meet at least four (4) times per year.

8.02 - Committee Purpose and Agenda

The purpose of these committees is to provide a means for continuing communication between the parties and to promote a climate of constructive employee-employer relations. This would include, but is not limited to, such activities as to:

- A. Discuss the administration of this Agreement;
- B. Notify the Union of changes contemplated by the Employer which may affect bargaining unit employees;
- C. discuss the future needs and programs of the Employer;
- D. Disseminate general information of interest to the parties;
- E. Give the union representatives the opportunity to discuss the views of bargaining unit employees and/or make suggestions on subjects affecting those employees;
- F. Give the parties the opportunity to discuss the problems that give rise to outstanding grievances and to discuss ways of preventing contract violations and other workplace conflicts from occurring. (the parties agree that the discussion of individual grievances is not an appropriate topic for Labor/Management committees);
- G. Proposed work rules will be an appropriate subject for discussion; and
- H. Such other items as the parties may mutually agree to discuss. All committees will be co-chaired by a Union and an Employer representative. The agenda for each meeting shall be jointly prepared by the co-chairpersons in advance of the meeting. The parties are committed to a timely completion and distribution of the minutes. The minutes shall not be construed as constituting a binding agreement or negotiations between the parties.

8.03 - Time Off

Unless mutually agreed otherwise, such meetings shall be held during normal work hours. Agencies which have provided the use of agency vehicles or which have paid mileage reimbursement shall continue the practice.

8.04 - Labor-Management Relations

The Employer and the Union recognize that the character and quality of the Union-Management relationship in each agency has an impact upon productivity and quality services. Accordingly, the parties agree to support joint labor-management training in skills and concepts which may contribute to increased Union-Management understanding and cooperative relationships.

ARTICLE 9 - OHIO EMPLOYEE ASSISTANCE PROGRAM

9.01 - Joint Promotion

The Employer and the Union recognize the value of counseling and assistance programs to those employees who have personal problems which interfere with their job duties and responsibilities. Therefore, in all agencies covered by this Agreement, the Union and the Employer agree to continue the existing Ohio Employee Assistance Program, including its referral and counseling services for employees and members of the employee's immediate family, and to work jointly to promote the program.

Attention: Agency Labor Relations, Personnel Officers; EAP Coordinators.

Instructions: Agency personnel should be aware, if they are not already, that family members of bargaining unit employees are entitled to the counseling and referral services of the Ohio Employee Assistance Program. The telephone numbers of the Ohio EAP are 644-8545 and 1-800-221-6327.

Ohio EAP will be the primary program used in agencies covered by this Agreement.

9.02 - Ohio EAP Advisory Committee

The parties agree that there will be a committee composed of nine (9) union representatives that will meet with and advise the Director of the Ohio EAP. This committee will review the program and discuss specific strategies for improving access for employees. Additional meetings will be held to follow up and evaluate the strategies. The Ohio EAP shall also be an appropriate topic for Labor-Management Committees.

9.03 - Ohio EAP Steward Training

The Employer agrees to provide orientation and training about the Ohio EAP to union stewards. To the extent practical, the Ohio EAP shall conduct such training in all agencies at least once every twenty-four (24) months, and the training will be conducted jointly with exempt employees. All new stewards shall receive Ohio EAP training within a reasonable time of their designation. Such training shall deal with the central office operation and community referral procedures. Such training will be held during regular working hours. Whenever possible, training will be held for stewards working second and third shifts during their working time.

Attention: Agency Directors; Agency Labor Relations, Personnel Officers; and EAP Coordinators.

Instructions: Ohio EAP training will be conducted on an as-needed basis. Some Agencies and facilities will need the training more than others depending on the number of new Stewards.

9.04 - Employee Participation in Ohio EAP

A. Records regarding treatment and participation in the Ohio EAP shall be confidential. No records shall be maintained in the employee's personnel file except those that relate to the job or are provided for in Article 23. In cases where the employee and the Employer have entered into a voluntary EAP Participation Agreement in which the Employer agrees to defer discipline as a result of employee participation in the Ohio EAP treatment program, the employee shall be required to ~~waive confidentiality by~~ signing appropriate releases of information to the extent required to enable the Ohio EAP staff to provide the Employer with reports regarding compliance or non-compliance with the Ohio EAP treatment program.

B. If an employee has exhausted all available leave and requests time off to have an initial appointment with a community agency, the Agency shall provide such time off without pay.

C. The Employer or its representative shall not direct an employee to participate in the Ohio EAP. Such participation shall be strictly voluntary.

D. Seeking and/or accepting assistance to alleviate an alcohol, other drug, behavioral or emotional problem will not in and of itself jeopardize an employee's job security or consideration for advancement.

Explanation:

New language requires employees to sign appropriate releases of information when the Employer agrees to defer discipline. This should eliminate the problem of employees refusing to provide the Employer with information regarding their compliance or non-compliance with the Program.

Attention:

Agency Labor Relations, Personnel Officers; EAP Coordinators.

Instructions:

Ohio EAP information, including an EAP Agreement form, follows this Article. Be sure that this is the form that is used if entering into an EAP Agreement with a bargaining unit employee. Questions concerning the use of an EAP Agreement should be directed to the agency OCB Labor Relations Specialist.

Arbitration Award:

#1376 Arbitrator Craig A. Allen: Grievant Dan Gelfius; OBES; 6/24/99. Grievant was disciplined after he refused to conduct a test using a chemical hood that he believed was not operating safely. The Grievant performed the test using another chemical hood. Arbitrator Allen granted the grievance stating that Article 11.03 provides that the Agency/Facility safety designee shall be notified and inspection made to determine if the equipment was safe. The test in this case occurred after the Grievant had been disciplined. "The fact that a subsequent test by OBES showed the equipment was all right does not necessarily make the Grievant's fear unreasonable.

All employees who are injured or who are involved in an accident/incident during the course of their employment shall file an accident/incident report, on forms furnished by the Employer, no matter how slight the accident/incident.

11.15 - Vehicle Inspection

All state vehicles which are operated by employees shall be inspected annually by the Agency. The State shall maintain a program to certify qualified inspectors who shall make a comprehensive inspection. Any deficiencies revealed by such inspection shall be promptly corrected by the Agency.

11.16 - Water and Restroom Facilities

Safe, chilled drinking water will be provided to all employees. Employees shall have access to restroom facilities in close proximity to their place of employment except for road or field crews. Road or field crews working at a fixed location such as a construction site shall have access to a port-a-john. Whenever restroom facilities are not available, the Employer will make a good faith effort to provide transportation for employees to travel to a restroom upon request. In institutions, employees' restrooms shall be separate from those used by residents or inmates whenever practical.

The discussion of separate restrooms shall be an appropriate topic for labor/management meetings.

Explanation:

The new language of this Section was added to address both the Employer's and employees' concerns about shared restrooms in MR/DD facilities.

11.17 - Personal Property

Employees shall receive reasonable reimbursement for the cost of any personal property worn by the employee destroyed or damaged in the line of duty providing there is no finding of negligence on the part of the employee.

11.18 - Lounge Areas

Existing lounges shall be maintained by the Employer.

11.19 - Emergency Phone Use

Employees shall promptly be notified of and permitted to answer incoming emergency phone calls and make return emergency calls on a state phone.

ARTICLE 12 - STAFFING CONCERNS

The language in this Article continues unchanged from the previous Contract.

The Union and the State mutually desire that staffing levels in State institutions are sufficient to insure safe, high quality, effective delivery of institutional services, and desire as well that staffing levels in non-institutional State agencies are sufficient to insure timely, high quality, effective provision of services to the public.

Effective Date: *March 1, 2000 – February 28, 2003*

ARTICLE 13 - WORK WEEK, SCHEDULES AND OVERTIME

13.01 - Standard Work Week

The standard work week for full-time employees covered by this Agreement shall be forty (40) hours, exclusive of the time allotted for meal periods, consisting of five (5) consecutive work days followed by two (2) consecutive days off.

Work days and days off for full-time employees who work non-standard work weeks shall be scheduled according to current practice or so that each employee shall have at least two (2) days off in any nine (9) day period. In addition, the Employer agrees to schedule each full-time employee with at least seventeen (17) weekends off per year in the Department of Mental Health, the Department of Mental Retardation and Developmental Disabilities and the Ohio Veterans Home. The parties may mutually agree to other scheduling arrangements than those specified in this Section.

The week shall commence with the shift that includes 12:01 A.M. Sunday of each calendar week and end at the start of the shift that includes 12:00 midnight the following Saturday.

The Employer and the Union may discuss alternate work schedule arrangements as reflected in Section 13.13.

Part-time employees shall be surveyed to determine the number of hours they would like to work. The Employer shall attempt to schedule each part-time employee for his/her preferred number of hours in seniority order. Part-time employees shall receive posted schedules showing the days and number of hours they shall work.

13.02 - Work Schedules

It is understood that the Employer reserves the right to limit the number of persons to be scheduled off work at any one time, including persons on leave (excluding disability leave).

For purposes of this Agreement, "work schedules" are defined as an employee's assigned work shift (i.e., hours of the day) and days of the week and work area. Work areas, for the Departments of Mental Health, Mental Retardation, , Youth Services and the Ohio Veterans Home are governed by the August 31, 1987 Memorandum of Understanding between the Employer and the Union as set forth in Appendix N. Pick-A-Post Agreements shall remain in effect for the duration of this Agreement, unless otherwise mutually agreed **and/or as modified in the agency specific agreements.** It is agreed that work area schedules established under Pick-A-Post Agreements do not preclude the incidental, short-term assignment of an employee out of the work area to meet unforeseen circumstances, provided such assignments are not inconsistent with the provisions of Section 13.05.

Work schedules for employees who work in five (5) day operations need not be posted. However, where the work hours of such employees are determined by schedules established by parties other than the Employer, the Employer shall notify employees of any changes in their work hours as soon as it is aware of such.

Work schedules for employees who work in seven (7) day operations shall be posted at least fourteen (14) calendar days in advance of the effective date. The work schedule shall be for a period of at least twenty-eight (28) days and shall not be changed ~~within that period~~ **without a fourteen (14) day notice.** except in accordance with reassignment as provided for in Section 13.05.

The parties recognize that there are certain jobs which require non-standard work schedules. Such work schedules shall be for operational needs. The Employer shall notify the Union prior to the creation of any new non-standard work schedules. The Union may request a meeting with the

Employer to discuss the impact of such schedules. Non-standard work schedule assignments shall not be arbitrary or capricious.

Explanation: *New language regarding a change of a posted schedule was proposed by the Employer to add flexibility in scheduling.*

Attention: *Agency Directors, Labor Relations, Personnel and Payroll Officers.*

Instructions: *The Employer may now modify a 28 day schedule within the 28 day period with a fourteen day notice.*

Effective Date: *March 1, 2000*

13.03 - Meal Periods

Employees (including but not limited to Correction Officers, Juvenile Correctional Officers, and MCE Investigators and Load Limit Inspectors in the Department of Public Safety) who currently work eight (8) hours straight without a meal period shall continue to do so, except as otherwise mutually agreed. No other employee shall be required to take less than thirty (30) minutes or more than one (1) hour for a meal period. Meal periods will usually be scheduled near the midpoint of a shift.

Employees shall not normally be required to work during their meal period. Those employees who by the nature of their work are required by their supervisor to remain in a duty status during their meal period may, with the approval of their supervisor, either shorten their workday by the length of the meal period or else have their meal period counted as time worked and be paid at the appropriate straight time or overtime rate, whichever is applicable. A supervisor will honor an employee's choice where reasonably possible.

13.04 - Rest Periods

Those agencies that presently have rest periods shall maintain the current practices in effect as of the effective date of this Agreement.

13.05 - Reassignments Within Institutions

A. Temporary reassignments, within institutions, may be required:

1. To meet abnormal work loads;
2. In the temporary absence of an employee where delay of the performance of duties would be unreasonable;
3. Pending recruitment.

Temporary reassignments under this Section shall ~~in no case~~ **not normally** exceed eighteen (18) work days **but under no circumstances exceed sixty (60) work days where it is in the best interest of the youth, client, resident, patient or inmate population not withstanding provisions of Section 24.05 or pending recruitment** (unless mutually agreed to by the Union and the Agency). Reassignment shall be on a seniority basis within the work area within the classification needed to provide the temporary coverage. Should more than one employee desire the available temporary reassignment, such reassignment shall be awarded on the basis of seniority, with the most senior employee being given first choice. Should no employee desire the reassignment, the least senior employee shall be reassigned first.

- B. An emergency reassignment may be required. An emergency is defined as an infrequent, unexpected, rare occurrence; not an everyday event. In no event shall an emergency reassignment of any employee exceed eight (8) work days. Emergency reassignments shall be on a seniority basis within the classification needed within the work area most able to provide the emergency coverage. Should no employee desire the reassignment, the least senior qualified employee shall be reassigned first.
- C. If a specific certificate, license, training and/or immunization is required for the reassignment, the Employer shall canvass those employees within the classification who meet these criteria in the order specified above.
- D. When the Employer has advance knowledge of planned absences that will result in the reassignment of employees, then it will notify the affected employees of the reassignment as soon as possible.
- E. The creation of additional float or relief positions is an appropriate topic for Labor/Management Committee meetings.

Explanation: *New language clarifies that this section applies only to institutions. New language expand the Employer's ability to make reassignments beyond 18 days where it is in the best interest of the customers served by institutional agencies. A second appropriate reason is during a pending recruitment of a new employee. This is despite the provisions of §24.05 to the contrary. This section controls over §24.05 when applied for the stated purpose.*

Attention: *Agency Directors, Labor Relations, Personnel and Payroll Officers.*

Instructions: *Agencies should not confuse this ability to reassign with the provisions of §24.05, which continues to prohibit reassignments for other reasons.*

Effective Date: *March 1, 2000*

13.06 - Report-In Locations

All employees covered under the terms of this Agreement shall be at their report-in locations ready to commence work at their starting time. For all employees, extenuating and mitigating circumstances surrounding tardiness shall be taken into consideration by the Employer in dispensing discipline.

Employees who must report to work at some site other than their normal report-in location, which is farther from home than their normal report-in location, shall have any additional travel time counted as hours worked.

Employees who work from their homes, shall have their homes as a report-in location. For all other employees, the report-in location shall be the facility to which they are assigned.

13.07 - Overtime

Employees shall be canvassed quarterly as to whether they would like to be offered overtime opportunities. Employees who wish to be called back for overtime outside of their regular hours shall have a residence telephone and shall provide their phone number to their supervisor.

Insofar as practicable, overtime shall be equitably distributed on a rotating basis by seniority among those who normally perform the work. Specific arrangements for implementation of these overtime provisions shall be worked out at the Agency level. Absent mutual agreement to the contrary, overtime rosters will be purged at least every twelve (12) months. Such arrangements shall recognize that in the event the Employer has determined the need for overtime, and if a sufficient number of employees is not secured through the above provisions, the Employer shall have the right to require the least senior employee(s) who normally performs the work to perform said overtime. **Assignment of mandated overtime hours is an appropriate topic for each Agency's Health and Safety Committee.** The overtime policy shall not apply to overtime work which is specific to a particular employee's claim load or specialized work assignment or when the incumbent is required to finish a work assignment.

The Agency agrees to post and maintain overtime rosters which shall be provided to the steward, within a reasonable time, if so requested. The rosters shall be updated every pay period in which any affected employee earned overtime.

Employees who accept overtime following their regular shift shall be granted a ten (10) minute rest period between the shift and the overtime or as soon as operationally possible. In addition, the Employer will make every reasonable effort to furnish a meal to those employees who work four (4) or more hours of mandatory or emergency overtime and cannot be released from their jobs to obtain a meal.

An employee who is offered but refuses an overtime assignment shall be credited on the roster with the amount of overtime refused. An employee who agrees to work overtime and then fails to report for said overtime shall be credited with double the amount of overtime accepted unless extenuating circumstances arose which prevented him/her from reporting. In such cases, the employee will be credited as if he/she had refused the overtime.

An employee who is transferred or promoted to an area with a different overtime roster shall be credited with his/her aggregate overtime hours.

Except as otherwise established by the Employer an employee's posted regular schedule shall not be established in such a manner to require the Employer to pay overtime. An employee's posted regular schedule shall not be changed **solely** to avoid the payment of overtime **within a single workweek or pay period.**

Emergency Overtime

In the event of an emergency as defined in Section 13.15 notwithstanding the terms of this Article, the Agency Head or designee may assign someone to temporarily meet the emergency requirements, regardless of the overtime distribution.

Explanation:

New language allows the Union and the Employer to discuss mandatory overtime at the agency level Health and Safety Committees. The Employer has been disadvantaged for years when the least senior employee attempts to avoid mandatory overtime.

New language provides that the Employer is not forced to establish schedules for employees that result in a continual need for overtime. In exchange the Employer acknowledges that it will not change an employee's regular schedule during a payperiod "solely" to avoid the payment of overtime.

Attention: Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions: Agencies are not permitted to change an employee's regular schedule when the only purpose is to avoid paying overtime during a single week or payperiod. Agencies may place an employee on notice that an existing schedule of being change either permanently or for a period greater than one payperiod, even when the purpose of the change is to avoid paying overtime.

Effective Date: March 1, 2000

13.08 - Call-Back Pay

Employees who are called to report to work and do report outside their regularly-scheduled shift will be paid a minimum of four (4) hours at the straight time regular rate of pay or actual hours worked at the overtime rate, whichever is greater providing such time does not abut the employee's regular shift. Call-back pay at straight time is excluded from the overtime calculation. **Work which is to be performed at the employee's residence shall not be subject to call-back pay, but shall be paid at the applicable regular or overtime rate for the time worked.**

An employee called back to take care of an emergency shall not be required to work for the entire four (4) hour period by being assigned non-emergency work.

Explanation: New language was purposed by the Employer to clarify that employee's working from home are not subject to call-back pay when they do not leave their home to return to a worksite to accomplish work.

Attention: Agency Directors, Labor Relations, Personnel and Payroll Officers.

Instructions: Employees called upon to accomplish tasks by telephone, fax, or computer, and who do so from their residence are not entitled to call-back pay. However, time worked shall be counted as hours in active pay status for the calculation of overtime per §13.10.

Effective Date: Immediately, as this clarifies the state's existing practice.

13.09 - Report Pay

Employees who report to work as scheduled and are then informed that they are not needed will receive their full day's pay at regular rate.

13.10 - Payment for Overtime

All employees, except those in the classifications of Utility Attorney, Utility Attorney Examiner 1 and Utility Attorney Examiner 2, shall be compensated for overtime work as follows:

1. Hours in an active pay status more than forty (40) hours in any calendar week shall be compensated at the rate of one and one-half (1 1/2) times the ~~regular~~ **employee's total** rate of pay for each hour of such time over forty (40) hours;

2. For purposes of this Article, active pay status is defined as the conditions under which an employee is eligible to receive pay and includes, but is not limited to, vacation leave, and personal leave. Sick leave shall not be considered as active pay status for purposes of this Article.

Compensatory Time

The employee may elect to accrue compensatory time off in lieu of cash overtime payment for hours in an active pay status more than forty (40) hours worked in any calendar week. Compensatory time off will be earned on a time and one-half (1 1/2) basis. The maximum accrual of compensatory time shall be two hundred forty (240) hours. When the maximum hours of compensatory time accrual is rendered, payment for overtime work shall be made. Compensatory time must be used within two hundred seventy (270) days from when it was earned. Compensatory time not used within two hundred seventy (270) days shall be paid to the employee at the employee's current regular rate of pay. Any employee who has accrued compensatory time off and requests use of this compensatory time shall be permitted to use such time off within a reasonable period after making the request or, if such use is denied, the compensatory time requested shall be paid to the employee at his/her option to a maximum of eighty (80) hours in any pay period.

Upon termination of employment, an employee shall be paid for unused compensatory time at a rate which is the higher of:

1. The final regular rate received by the employee; or
2. The average regular rate received by the employee during the last three years of employment.

Explanation: *New language was purposed by the Employer to clarify that employee's working from home are not subject to call-back pay when they do not leave their home to return to a worksite to accomplish work.*

Attention: *Agency Directors, Labor Relations, Personnel and Payroll Officers.*

Instructions: *Employees called upon to accomplish tasks by telephone, fax, or computer, and who do so from their residence are not entitled to call-back pay. However, time worked shall be counted as hours in active pay status for the calculation of overtime per §13.10.*

Effective Date: *Immediately, as this clarifies the state's existing practice.*

13.11 - Wash-Up Time

Employees whose jobs require it will be permitted a reasonable paid wash-up period before the end of the shift. The Labor-Management Committees may recommend to the Agency those positions which qualify for wash-up time.

13.12 - Stand-By Pay

An employee is entitled to stand-by pay if he/she is required by the Agency in writing to be on stand-by, that is, to be available for possible call to work. If it is not practical to notify an employee in writing regarding stand-by status, the Employer may utilize oral or telephone means. Stand-by status may be canceled by telephone, providing written notice of such cancellation is provided to the employee within forty-eight (48) hours. An employee entitled to stand-by pay shall receive

twenty-five percent (25%) of his/her base rate of pay for each hour he/she is in stand-by status. Stand-by time will be excluded from overtime calculation.

13.13 - Flextime/Four Day Work Week

Where practical and feasible, hours and schedules for bargaining unit employees may include:

1. Variable starting and ending times;
2. Compressed work week, such as four 10-hour days;
3. Other flexible hour concepts.
4. **Schedule adjustments for pre-scheduled medical appointments shall be made only by mutual agreement. It is understood that the Employer's refusal is not grievable.**
5. **The trading of shifts for pre-scheduled medical appointments shall be by mutual agreement. The refusal of the Employer is not grievable.**

Explanation: New language permits employees to adjust their schedule or trade shifts for pre-scheduled medical appointments. The employee must obtain the Employer's consent before adjusting his/her schedule or trading shifts. When a shift trade is made, the employee and the person trading the shift are responsible for attending the shift to which they traded and may be disciplined for failing to attend the traded shift.

Attention: Agency Directors, Labor Relations, Personnel and Payroll Officers, Supervisors.

13.14 - Shift Rotation Swing Shifts and Split Shifts

There shall be no rotating shifts in Rehabilitation and Correction. In other agencies with rotating shifts, the Agency Labor-Management Committee shall review the practice and recommend change if desired and operationally feasible.

Where swing shifts currently exist and are necessary to provide coverage for an employee's day off in continuous operations, they shall continue.

~~Work schedules for Youth Leaders in the Department of Youth Services now in effect shall be continued except as mutually agreed otherwise.~~

There shall be no split shifts for full-time employees.

13.15 - Emergency Leave

Employees directed not to report to work or sent home due to weather conditions or another emergency shall be granted leave with pay at regular rate for their scheduled work hours during the duration of the emergency. Employees required to report to work or required to stay at work during such emergency shall receive pay at time and one-half (1 1/2) for hours worked during the emergency. Any overtime worked during an emergency shall be paid at double time.

An emergency shall be considered to exist when declared by the Employer, for the county, area or facility where an employee lives or works.

For the purpose of this Section, an emergency shall not be considered to be an occurrence which is normal or reasonably foreseeable to the place of employment and/or position description of the employee.

Essential employees shall be required to work during emergencies. Essential employees who do not report as required during an emergency must show cause that they were prevented from reporting because of the emergency.

13.16 - Time Clocks

~~Beginning ninety (90) days after the effective date of this Agreement, t~~ The Employer shall not add time clocks, **unless the Union has been served notice and the agency has engaged in discussions with the Union.** ~~except as mutually agreed otherwise by the parties.~~ During the term of this Agreement, **upon request of either party,** the parties agree to establish a joint labor-management committee for the purpose of examining the impact of an automated state payroll system upon this Agreement and developing recommendations for the implementation of such a system.

~~13.17 - Temporary Working Level [moved to Article 7 with modifications]~~

~~The Employer may temporarily assign an employee to replace an absent employee, or to fill a vacant position during the posting and selection process. All temporary working level assignments that are used to fill a vacant position during the posting and selection process shall not exceed one hundred twenty (120) days unless mutually agreed to between the parties. If the temporary assignment is to a classification with a higher pay range and is in excess of four (4) working days the affected employee shall receive a pay adjustment, which increases his/her step rate of pay to the (a) classification salary base of the higher level position or (b) a rate of pay approximately four percent (4%) above his/her current step rate of compensation.~~

~~13.18 - Internal Interim Appointments to Non-Bargaining Unit Positions [moved to Article 7 with modifications]~~

~~Bargaining unit employees who are appointed to internal interim positions which are not covered by this Agreement will be compensated as if in a temporary working level pursuant to Section 13.17. Such employees will be considered a member of the bargaining unit for the duration of such interim assignment; but shall not represent either the Employer or the Union in labor management issues or the administration of this Agreement while holding the interim appointment.~~

ARTICLE 14 - QUALITY SERVICES THROUGH PARTNERSHIP

The parties agreed to move QStP from Article 21 to Article 14. The substantive language of this Article continues unchanged from the previous Contract.

14.01 (~~21.01~~) - Statement of Principle

The Employer and the Union are mutually committed to continual improvement of quality state provided services through a joint partnership involving union leaders and staff and the bargaining unit members they represent, agency directors and their agency management staff at all levels of their organizations. This partnership of union and management shall be known as the Quality Services through Partnership (QStP). The principles of this Article shall apply in all quality improvement processes utilized in agencies with OCSEA bargaining unit employees. QStP will be jointly developed, implemented and monitored. It is recognized by the parties that QStP is a separate process from the normal collective bargaining and contract administration procedures. The purpose of QStP program will be to establish a quality work culture and environment which allows for a collaboration of management and bargaining unit talents through use of the quality processes and procedures to develop and deliver quality services through union and management teamwork and employee involvement and empowerment. As a result of their mutual commitment to improving quality services, the parties agree that quality outcomes and improvements resulting from QStP will not be used as the basis or rationale for layoffs.

14.02 (~~21.02~~) - Scope of Activities

No QStP or Problem Solving Team will have authority to discuss, change, modify or infringe upon issues which are related to wages, hours and terms and conditions of employment. Whenever a matter covered by a collective bargaining agreement is raised in a QStP Quality Improvement Process Team (QIP) or Problem Solving Process Team (PSP), the matter shall be suspended until the members of the Statewide Steering Committee have expressly agreed to continued involvement by the QIP or PSP Team. The following represent general examples of items or issues which may or may not be worked on by QStP teams:

Off Limit Activities	Acceptable Activities
Salaries	Agency Quality Service or
Grievances	Agency Product
Union Contract	Work Environment Safety
Interpretations	Reduction in Paperwork
Benefits	Savings in Time, Effort or the
State Policy and	the Handling of Materials
Working Conditions	Improvement in Process,
Classification	Methods or Systems
Discipline	Improvement in Facilities,
Working Hours	Tools or Equipment
	Elimination of Waste of Materials

and Supplies
Reductions in Hazards to People
or Property

Whenever there is discussion over off-limit activities as stated above, or other matters which are normally reserved to the collective bargaining process, no final decision or action shall be taken except through the grievance or collective bargaining process as agreed to by the parties.

Explanation: *Language of this Article was unchanged with the understanding that the QStP process can be used with any Article.*

Attention: *Agency Director, Agency Labor Relations Officers, Agency QStP Coordinators, Agency QStP Steering Committees, Statewide Steering Committee, and QIP and PSP teams.*

Instructions: *The guidelines must be carefully administered. The Agency QStP Coordinator may require some assistance from Agency Labor Relations Officers in the application of these guidelines.*

The Governor will appoint the management representatives of the Joint State Steering Committee on QStP. Each Agency must have a Joint Agency Steering Committee, the formulation of which is established by the Joint State Steering Committee. The Union will determine which union representatives will be on both the State and Agency Committees. Management must designate its own representatives.

It is the responsibility of each Agency's Steering Committee to develop plans and activities to meet the needs and mission of the particular agencies. Agency Steering Committees have the discretion, within their Steering Committee Guidelines, to establish QIP or PSP work teams.

Any employee, bargaining unit or exempt, may request that a QStP work group or the Agency Steering Committee discuss a topic or issue. That request should be made to a member of the Agency Steering Committee or designated work group. The Agency Steering Committee or work group is then obligated to discuss the topic or issue at their regularly scheduled meeting. The Agency Steering Committee or work group shall report back to the individual who suggested the topic or issue to inform him/her of the results of the discussion.

If the topic is covered by the collective bargaining agreement, the discussion of the issue shall be suspended until the topic or issue has been brought before the Statewide Steering Committee and it expressly agrees to the continued discussion.

Any work group or committee set up under the auspices of QStP shall operate by a consensus of votes unless it determines otherwise. If a designated work group cannot determine whether or not an issue or topic should be discussed, or cannot reach consensus on an issue, the issue should be raised to the Agency Steering Committee. Similarly, if the Agency Steering Committee cannot make a determination for the work group, or

cannot determine on its own whether or not an issue should be discussed, the Agency Steering Committee should raise the issue for the Statewide Steering Committee.

The Management co-chair of the Agency Steering Committee, or any duly authorized work group, has the responsibility of informing the appropriate persons of when release time is needed for bargaining unit employees to participate in any meetings, discussions, planning or activities which are a part of the QStP process. Such time spent shall be paid time.

The details of how each Steering Committee or designated work group operates should be left to the Agency's QStP coordinator. The QStP coordinator should take direction from the Statewide Steering Committee.

14.03 (21.03) - Steering Committees

Quality Services through Partnership will be directed by a Joint State Steering Committee composed of an equal number of management appointees and representatives of each of the unions representing State employees which choose to participate. The parties may mutually agree to add members to the committee. Each agency shall also have a Joint Agency Steering Committee. The number and composition of the committee will be determined by consensus of the State Steering Committee membership. Each party shall determine its own representatives to serve on the statewide, agency and other QStP Committees. Time spent on authorized QStP matters shall be considered time worked. Whenever possible, state and agency steering committee meetings will be held between the hours of 8:00 a.m. - 5:00 p.m., Monday through Friday, and employees will have their regular schedule adjusted to coincide with such meetings.

Steering Committees at each level will have the responsibility for the development of plans and activities for the implementation of principles and processes described in Section 14 21.01, as well as the review of plans developed by subordinate steering committees and the oversight of QStP activities within their jurisdiction. QStP issues and matters which are not resolved at the steering committee level may be referred to the next higher steering committee level for assistance and advice.

Attention: *Agency Directors; Agency Labor Relations Officers; Agency QStP Management Coordinators.*

Instructions: *The Steering Committees should be provided with a contact person in labor relations at each agency. The labor relations contact should refer problems to the OCB Labor Relations Specialists.*

14.04 (21.04) - Training

Training for all managers, supervisors, employees and union leaders and staff in the concepts, skills and techniques of the QStP processes and procedures will be conducted at the Employer's expense. It is the intent of this agreement that insofar as it is practical, bargaining unit leadership and their exempt counterparts (e.g., local union president and officers and Agency CEO or Director

or Assistant Director and Deputies will attend the same training). Whenever possible, the training in QStP matters will be presented by a joint union/management team, members of which will be designated by each party. The training will consist of the training offered or authorized through the State Office of Quality, as authorized by the Joint Steering Committee.

Attention: *Agency Directors; Agency Labor Relation Officers; State Office of Quality, and Joint Steering Committee.*

Instructions: *Future training sessions should be scheduled and conducted as specified. Any problems, questions or concerns, or implementations of this section should be directed to an OCB Labor Relations Specialist.*

14.05 (21.05) - Employment Security Assurances

Quality outcomes and improvements resulting from QStP will not be used as the basis or rationale for layoffs. If, as the result of QStP actions or recommendations, classifications are changed or altered, jobs are abolished, or positions eliminated, management shall attempt to find other suitable employment within the employee's office, institution or county, or geographical jurisdiction, in that order for those employees affected; and if necessary, their pay shall be set in accordance with Article 38. Employees shall not be subjected to loss of pay or layoff pending suitable placement under this Section.

Attention: *Agency Directors; Agency Labor Relations Officers; Department of Administrative Services, Human Resources Division.*

Instructions: *It is important to take note of this provision when considering a reduction in force. Any layoff rationale should not be based on actions or recommendations that had their origin in the QStP process.*

ARTICLE 15 - EMPLOYMENT SECURITY

As a product of the joint efforts of the State and OCSEA, the following advisory groups will operate to address matters of mutual concern regarding employment security and/or assistance to dislocated or disabled workers:

A. Joint Statewide Employment Security Committee

The Joint Statewide Employment Security Committee shall continue to function as an oversight committee on the following matters:

1. Providing assistance to dislocated State employees;
2. Exploring alternate employment opportunities within each agency for employees, from that agency or other agencies, who are disabled as a result of performance of their duties.

The Joint State/OCSEA Committee on Employment Security shall consist of not more than five (5) representatives from the Union and not more than five (5) representatives from the State. The committee will meet as needed and members will be released with pay, to include travel time, from their regularly scheduled work hours.

B. Dislocated Worker Programs

To the extent that funding through ~~JTPA~~ Rapid Response, or other funding source, is sufficient to support such efforts worker adjustment committees and regional worker adjustment committees shall continue.

1. Worker Adjustment Committees

In the event of an anticipated layoff at a workplace, institution or single agency where the number of employees displaced will exceed fifty (50), the State and OCSEA will jointly establish a Worker Adjustment Committee which will operate consistent with any applicable federal laws. The purpose of this committee will be to develop and implement assistance programs for displaced State employees including, but not limited to, career counseling, resume writing, job search skills development and assistance, job retraining, planning and preparation for employability, especially with other State agencies. The committees shall be composed of an equal number of representatives from the Union and the Employer and members will be released with pay, to include travel time, from their regularly scheduled work hours.

2. Regional Worker Adjustment Committees

The six (6) Regional Worker Adjustment Committees (RWAC) shall continue to function with the goal of assisting those state employees who are displaced and are not covered by a Worker Adjustment Committee as described above, (i.e. the number of employees to be displaced does not reach the threshold of fifty (50) employees in a single agency, work place or institution). The purpose of these committees will be to develop and implement assistance programs for displaced State employees within the region, including but not limited to, career counseling, resume writing, job search skills development and assistance, job retraining, planning and preparation for employability, especially with other State agencies. Each committee shall be made up of an equal number of representatives from the Union and the Employer and members will be released with pay, to include travel time, from their regularly scheduled work hours.

C. Transitional Work Programs

Each agency may elect to form a joint committee (or to utilize its health and safety committee) to explore alternative employment opportunities within that agency, or other agencies, for employees who are disabled. These committees shall have the authority to discuss only those matters contained in this Article. These committees shall have no authority to amend or negotiate any matter, but may make recommendations regarding such matters. Each committee shall be made up

of an equal number of representatives from the Union and the Employer and members will be released with pay, to include travel time, from their regularly scheduled work hours.

Explanation: *The new language changes the funding source from JTPA to RAPID RESPONSE.*

Attention: *Agency Directors, Agency Labor Relations/Human Resources, Personnel Officers, Supervisors.*

Instructions: *Note that participation in any of the joint committees requires release, with pay, to include travel time, from regularly scheduled work hours.*

*Note that the existing Regional Worker Adjustment Committees (RWAC) will continue to assist **fifty (50) or fewer employees** of a single agency, workplace or institution. In circumstances where anticipated displaced employees will **exceed 50** from a single agency, workplace or institution, a central Worker Adjustment Committee will be established to develop assistance programs.*

Under Section C., each agency may elect to form a joint committee to explore alternatives for employees who are disabled as a result of performance of their duties.

Explanation: *A Transitional Work Program is defined as an individualized and progressive program that is part of a joint labor-management venture. It is an interim step in the physical conditioning and recovery of an employee, with temporary restrictions toward the goal of returning the employee to his/her original job.*

Transitional work allows the employee to resume his/her work functions and work lifestyle with minimal time off the job. Temporary work assignments allow employees with temporary work restrictions to return to a work environment that allows them to gradually transition into performing an expanded range of essential job tasks.

Returning an injured employee to work as soon as possible is one of the surest ways to reduce workers' compensation and disability insurance costs. Transitional work also reduces time lost, decreases the disabled worker's disability experience, maintains the employer/employee work experience, and improves employee morale.

Assistance in developing a Transitional Work Program is available through the Department of Administrative Services, Human Resources Division, Benefits Administration Services ("BAS"). BAS will assist you in the development and implementation of programs. Please contact: BAS at (614) 752-8252, or write: The Office of Benefits Administration, 106 N. High Street, Columbus, Ohio 43215-3009.

Employees should be instructed to contact their Union Stewards or Personnel Office for assistance with Transitional Work Programs.

ARTICLE 16 - SENIORITY

16.01 - Definitions

For purposes of this Agreement, the various forms of seniority shall be defined as follows:

- A. "State seniority" - the total OCSEA bargaining unit seniority credits accrued since the employee's last date of hire with the state, except as modified by Section 16.02.
- B. "Institutional seniority" - the total seniority credits accrued since the employee's last date of hire or transfer into the specific institution where the employee is currently employed; except that in the Department of Rehabilitation and Correction and the Department of Youth Services transfer of institutional seniority credits into newly activated institutions shall be as follows:
 1. Bargaining unit employees who are transferred through the 30th day after the first youth or inmate (other than cadre) arrives shall carry with them their institution seniority credits;
 2. Bargaining unit employees who are transferred after the 30th day from the time the first youth or inmate (other than cadre) arrives shall not be permitted to transfer institution seniority credits.
- C. "Seniority credit" - the total number of pay periods during which an employee held or had a right to return to a bargaining unit position, including periods of absence resulting from suspension, leaves of absence whether paid or unpaid, disability leave, leave for periods of workers' compensation (up to three years), and layoff (for as long as the employee remains on the recall list). Part-time employees experiencing similar periods of absence shall be credited with seniority at a rate determined by the average hours in active pay status during their last six (6) full pay periods.

Except as provided under section 16.02, continuous service will be interrupted only by resignation, discharge for just cause, disability separation, failure to return from a leave of absence or failure to respond to a recall from layoff. An employee who resigns to take a position with another State agency, board or commission in a higher, same, or lower pay range and is hired within sixty (60) days has not experienced a break in seniority and service credits during the sixty (60) days.

Each full-time employee shall be credited with one seniority credit for each pay period of continuous service. Part-time and fixed-term seasonal employees will be credited with .0125 seniority credit for each non-premium hour of compensation in each pay period not to exceed one (1) seniority credit in a pay period. Service credit shall be computed in years and days as is the past practice and shall be credited for all periods for which "seniority credits" are granted.

Arbitration Awards:

#747

Arbitrator Anna Smith: Grievant Rae Jacobozzi; OBES, 2/11/92. This decision determined that persons hired, but not recalled or reemployed, while on a recall or reemployment list, do not have a break in service. This led to the language "the total number of pay periods during which an employee held or had a right to return to a bargaining unit position."

Explanation:

New language clarifies the provisions of §16.02. Only time spent in a classification that is in a bargaining unit covered by this Agreement counts toward seniority credits for OCSEA members. New language also clarifies that there will be no break in service when an employee is required to resign to go to a new Agency provided the employee is hired within sixty days.

The language of this section provides the method under which the Department of Youth Services and Department of Rehabilitation and Corrections employees carry institutional seniority when transferred into a newly activated institution.

Language in paragraph C should reflect the established method for crediting part-time employees with seniority credits upon return to work from a period of absence in which the employee held or had a right to return to a bargaining unit position.

Attention:

Agency Labor Relations and Personnel Officers, Supervisors; Department of Administrative Services, Human Resources Division Payroll Administration.

Instructions:

Non-institutional agencies will only need to maintain state seniority. Institutional agencies will maintain both state seniority and institutional seniority. For example, state seniority would be applicable to promotions and layoffs while institutional seniority may be applicable to work area bids, reassignments, leave requests, overtime, etc.

While the language in paragraph C is intended to reflect current practice it is important for Personnel and Payroll Officer to understand its application. After a part-time employee has returned to work from an unpaid leave of absence, it is the responsibility of the agency/facility Personnel Office to determine the number of seniority credits the employee would have earned during the absence and enter the credits into the PAYU file on CICS. The calculation is made by determining the average non-premium hours worked during the six (6) pay periods immediately preceding the leave of absence and multiplying those hours by .0125. The Department of Administrative Services, Human Resources Division Payroll Administration and Office of Personnel Services will not calculate or enter such seniority credits.

16.02 - Exceptions

A. Return from disability separation/disability retirement

An employee who makes **application** for reinstatement within three years from the date of disability separation or five years from the date of disability retirement and is properly reinstated shall receive seniority credits and service credits for the period of disability separation/or disability retirement.

B. Non-bargaining unit service

Except for classifications subsequently accreted to a bargaining unit covered by this Agreement, time spent in a non-unit position subsequent to July 1, 1986, other than temporary working level assignments and assignments to interim positions, by employees who were not covered by this

agreement on January 1, 1992, shall not be included in the determination of seniority credits but shall be counted for service credits. For employees covered by the Agreement on January 1, 1992, time spent in a non-unit position subsequent to January 1, 1992 - other than classifications subsequently accreted to a bargaining unit covered by this Agreement, temporary working level assignments and assignments to interim positions - shall not be included in the determination of seniority credits but shall be counted for service credits.

C. Initial Probationary Period

An employee in an initial probationary period shall have no seniority until completion of his/her probationary period. Upon the completion of said probation, the employee will acquire seniority from his/her original date of hire. An employee who has a continuous period of temporary, interim, intermittent or seasonal employment prior to receiving permanent appointment shall acquire seniority for such time only if that permanent appointment occurred prior to July 1, 1989. [Moved From Article 6]

Explanation

Employees in their initial probationary period will have no seniority until probation is completed. Section C was moved from Article 6.

16.03 - Ties

Ties in State seniority shall be broken in the descending numeric order of the last four digits of the employee's social security number. The highest number will be 9999 and the lowest will be 0000. Any remaining ties will be broken by lot. Ties in Institutional seniority shall be broken in the order of State seniority.

Where the relative ranking of seniority has been previously established by the time stamped on the employee Personnel Action by the Department of Administrative Services and then by comparison of the last four digits of the employee's social security number, such relative ranking shall not be changed.

Explanation:

The second paragraph maintains the current relative ranking of employees with otherwise same seniority dates.

Attention:

Agency Labor Relations and Personnel Officers, Supervisors; Department of Administrative Services, Human Resources Division Office of Personnel Services.

Instructions:

If a tie had previously been broken, the current order of seniority shall remain. Persons with the same number of seniority credits, hired during the same pay period will be ranked first by date of hire and then by SSN. As noted previous rankings must be maintained by using the RANK field in the PAYU screen of CICS.

16.04 - Seniority Rosters

Quarterly, the Employer shall prepare a roster of all bargaining unit employees in an institution, geographic jurisdiction or agency as appropriate. The roster will list employees in descending order of State seniority credits and will contain each employee's name, State seniority credits, and Institutional seniority credits if applicable. Seniority rosters will be provided to the chapter president or assembly president and posted in the work areas of affected employees. Each employee's individual employee seniority credits will be displayed on the employee's earnings statement.

Attention: *Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.*

Instructions: *HRD, Office of Payroll Administration has established a system for recording seniority credits. Agency Payroll personnel are responsible for making changes in the seniority roster. A copy of the roster is to be provided to the Union chapter or assembly president and posted in each work area quarterly. HRD/OCB sends the Union's copies of the seniority lists directly to OCSEA central office.*

16.05 - Conversion

The following principles and procedures shall apply to the conversion from a date-based seniority system to a system based upon seniority credits:

- A. Principles, methods or understandings used to determine seniority standing or to resolve disputes over relative seniority ranking under prior agreements will not be altered by the provisions of this Agreement. That is, if a seniority dispute has previously been raised and resolved, the prior resolution of that matter will stand.
 - B. Effective September 1, 1994, seniority credits shall replace seniority dates as the basis for determining relative seniority standing or seniority rights under this Agreement.
 - C. In the event that non-bargaining unit employees enter the bargaining unit, the Union shall have the opportunity to contact OCB to review and verify those employees' seniority credits. This review is to be initiated within six (6) pay periods of the pay period in which the Union is notified of the personnel action.
-

Attention: *Agency Labor Relations and Personnel Officers, Supervisors; Department of Administrative Services, Human Resources Division Office of Personnel Services.*

Instructions: *HRD, Office of Payroll Administration will supply OCSEA with a list of exempt employees entering the bargaining unit each pay period. The Union must raise any challenge directly to HRD/OCB, which will coordinate any needed changes with agencies.*

ARTICLE 17 - PROMOTIONS, TRANSFERS, AND RELOCATIONS

Arbitration Awards:

#730 *Arbitrator Rivera: Grievant Steve Williams; EPA, 12/9/91. An EPA employee was reclassified from an Environmental Engineer 2 to Geologist 4. The Agency did not post the Geologist 4 position as a vacancy. The Grievant, who was senior to the incumbent employee grieved this action. Arbitrator Rivera held that the Employer violated Article 17 when it "placed an employee in a job simultaneously with the job appearing in that location." This should have been declared a vacancy and posted according to Article 17.*

#767 *Arbitrator Graham: Grievant Mary L. Babb; BWC, 5/8/92. Arbitrator Graham held that Article 17 requires that bidders for promotions must "possess" and be "proficient" in the minimum qualifications. Because the Grievant claimed only a "brief knowledge of the word processing techniques and procedures," the Arbitrator found she did not meet the minimum qualifications for the position.*

17.01 - Policy

The Employer retains the right to determine which vacancies to fill by either permanent transfer or promotion, lateral transfer or demotion. The Employer has the right to move employees and positions through relocations pursuant to Section 17.07.

The determination of an excess is a management right per Article 5 and is non-grievable and shall not be used to dispute the rationale for job abolishments and/or layoffs in Article 18.

17.02 - Definitions

- A. "Permanent transfer" is the movement of an employee in the same classification, to a posted vacancy within the same agency from either one county to another or from one institution to another.
- B. "Promotion" is the movement of an employee to a posted vacancy in a classification with a higher pay range. A higher pay range is defined as a pay range in which the first step or the last step has a higher pay rate than the first or last step of the pay range to which the employee is currently assigned.
- C. "Permanent relocation" is the movement of an employee and his/her position to another location within the same headquarters county. Relocations do not constitute the filling of a vacancy.
- D. "Headquarters county" is the county in which the employee is employed.
- E. "Vacancy is an opening in a permanent full-time or permanent part-time position within a specified bargaining unit covered by this Agreement which the agency determines to fill and does not include those positions identified through mutual agreement between the Union and the Agency as being subject to reorganization, changes in appointment category (type), or a movement that constitutes a demotion.

Vacancies shall be filled by adhering to the following processes in the order set forth:

1. Permanent transfer as set forth in Section 17.07 ~~8~~;
 2. Bumping or displacement as set forth in Article 18;
 3. Recall as set forth in Article 18;
 4. Reemployment as set forth in Section 18.13;
 5. Cross geographical jurisdiction bidding as set forth in Section 18.14 ~~12~~;
 - 6 Promotion as set forth in Article 17;
 7. Lateral transfer as set forth in Article 17 and;
 8. Demotions as set forth in Article 17.
- F. "Lateral transfer" is defined as an employee-requested movement to a posted vacancy within the same agency which is in the same pay range as the classification the employee currently holds.
- G. "Demotion" is defined as the movement of an employee to a position in a classification with a lower pay range. A lower pay range is defined as a pay range in which the first or last step has a lower rate of pay than the first or last step of the pay range to which the employee is currently assigned.

Arbitration Awards:

#598 *Arbitrator Graham: Grievant, Haberny; OBES;. A vacancy is not defined by a Position Control Number; a lateral transfer to another office constitutes filling a vacancy.*

Explanation: *The definitions of promotion and demotion have been clarified. Demotions have been added as the last step in the selection procedure.*

Attention: *Agency Labor Relations and Personnel Officers.*

Instructions: *When a vacancy exists, the following list shall be used to determine the method for filling the position:*

1. *permanent transfer as set forth in Section 17.08;*
2. *bumping or displacement as set forth in Article 18;*
3. *re-call as set forth in Section 18.11;*
4. *re-employment as set forth in Section 18.12;*
5. *cross geographical jurisdiction bidding, i.e., a one time agency bid as set forth in Section 18.13;*
6. *promotion as set forth in Article 17;*
7. *lateral transfer as set forth in Article 17.*
8. *demotions as set forth in Article 18.*

17.03 - Posting

All vacancies within the bargaining units that the Agency intends to fill shall be posted in a conspicuous manner throughout the region, district or state as defined in Appendix J. In cases of vacancies that are to be filled by permanent transfer(s), the vacancies shall be posted only in areas

of declared excess. The agencies shall declare on the vacancy posting its intent to fill by permanent transfer or by promotion. Further, vacancy notices will list the deadline for application, pay range, class title and shift where applicable, the knowledge, abilities, skills, and duties as specified by the position description. Vacancy notices shall be posted for at least ten (10) days. Posted vacancies shall not be withdrawn to circumvent the Agreement.

The Employer will cooperate with the Union to make job vacancies known beyond the required areas of posting. The Employer is currently developing a process to permit individuals to file an electronic application for a posted vacancy. The Employer may implement this process in addition to the current process during the term of this Agreement. The Union will be provided a reasonable notice and an opportunity to comment prior to the implementation of such a program. Application processes shall not be changed without mutual agreement.

Explanation: This language allows the Employer to develop a process for the electronic filing of applications.

Attention: Agency Labor Relations, Personnel, Human Resources Officers; Department of Administrative Services, Human Resources Division.

Instructions: None, at this time. As the means for electronic filing of applications are developed, meeting will be held with the Union to work out specific processes.

17.04 - Applications

Employees may file timely applications for permanent transfers, promotions, lateral transfers or demotions. Upon receipt of all bids the Agency shall divide them as follows:

A. For the vacancies that the Employer intends to fill by promotion the applications shall be divided as follows:

1. All employees in the office (or offices if there is more than one office in the county), "institution" or county where the vacancy is located, who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.
2. All employees within the geographic district of the Agency (see Appendix J) where the vacancy is located, who presently hold a position in the same, similar or related class series (see Appendix I), and who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.
3. All other employees within the geographic district of the Agency (see Appendix J) where the vacancy is located, who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.
4. All other employees of the Agency.
5. All other employees of the State.

ODOT positions designated as district-wide positions shall be reviewed pursuant to (2) and (3) above.

Employees serving either in an initial probationary period, ~~or a~~ promotional probationary period, **a lateral transfer probationary period, or a trial period,** shall not be permitted to bid on job vacancies.

An employee shall be permitted to bid on a job vacancy while receiving disability leave benefits, but shall not be eligible to fill the vacancy unless the date for the employee's return to duty is prior to or coincides with the date the job is to be filled. (TA)

B. For vacancies that the Employer intends to fill by permanent transfer, the applications shall be listed according to those in the same classification who possess and are proficient in the minimum qualifications of the classification specification and position description of the posted position in descending order of the most senior to the least senior.

Arbitration Awards:

#848 *Arbitrator Loeb: Grievant Suzanne Jackson; PUCO, 1/28/93. This case supports the concept of position specific qualifications and provides positive language concerning conflicts between the contract and federal law.*

#984 *Arbitrator Rivera: Grievant Roger Adkins; Rehabilitation & Correction, 7/6/94. The Arbitrator found that because the Grievant was never officially informed by the Personnel Officer that his application was not accepted by the Warden, it was reasonable for the Grievant to believe that the problem had been rectified. The Arbitrator also noted that it is the Employer's responsibility to establish procedures that protect the security of the application procedure. In this instance that Employer had no safeguards. The Arbitrator found that the Grievant's testimony was credible in that he filed a timely application.*

Explanation: *Employees may bid on job vacancies while on disability leave. However, if the employee will not be able to return to duty prior to the date the job is to be filled, the employee shall not be eligible to fill the vacancy.*

Attention: *Agency Labor Relations, Personnel and Human Resources Officers.*

Instructions: *It is important for Personnel Officers to included demotions in the selection process.*

17.05- Selection

~~A. 1. The Agency shall first review the bids of the applicants from within the office (or offices if there is more than one office in the county), county or "institution."~~ If the position is in a classification which is assigned to pay range ~~thirty (30)~~ **twenty-seven (27)** or lower, the job shall be awarded to the qualified employee with the most State seniority unless the Agency can show that a junior employee is demonstrably superior to the senior employee. If the position is in a classification which is assigned to pay range ~~thirty-one (31)~~ **twenty-eight (28)** or higher, the job shall be awarded to an eligible bargaining unit employee on the basis of qualifications,

experience and education. When these factors are substantially equal, State seniority shall be the determining factor. ~~Affirmative action shall be a valid criterion for determining demonstrably superior.~~ Interviews may be scheduled at the discretion of the Agency. Such interviews may cease when an applicant is selected for the position.

A. 1. The Agency shall first review the bids of the applicants from within the office, county or "institution."

2. If no selection is made in accordance with the above, then the Agency will first consider those employees filing bids under Sections 17.04(A)(2) and 17.04(A)(3). Employees bidding under Sections 17.04(A)(3) shall have grievance rights through Step Four (4) to grieve non-selection. Employees bidding under Sections 17.04(A)(4) or (A)(5) shall have no rights to grieve non-selection.

3. If a vacancy is not filled as a promotion pursuant to Sections 17.04 and 17.05, bids for a lateral transfer shall be considered. Consideration of lateral transfers shall be pursuant to the criteria set forth herein. The Agency shall consider requests for lateral transfers before considering external applications. Denial of such lateral transfer request(s) are grievable. The successful applicant shall possess and be proficient in the minimum qualifications of the position description and the classification specification. If there are multiple applicants, the selection will be made from the most senior applicant that meets minimum qualifications as stated above.

3. If a vacancy is not filled as a promotion pursuant to Sections 17.04 and 17.05 or by lateral transfer, bids for demotions shall be considered. Denial of such demotion requests are grievable.

B. In institutions lateral transfers shall be accomplished as follows:

1. No more than ten percent (10%) of the bargaining unit employees in an institution, as determined by the table of organization, may make lateral transfers out of that institution in a calendar year.

2. The number of bargaining unit vacancies in an institution during the previous calendar year shall be determined in the first week of January of each year. Ten percent (10%) of that number shall be determined by rounding up, and that number plus ten percent (10%) of any new vacant positions added to the Table of Organization, shall be used to determine the maximum number of vacancies that the institution shall be required to accept by lateral transfer during the ensuing year.

3. In the Department of Rehabilitation and Correction during the first twelve (12) months of operation, each newly activated institution will be required to fill the first twenty-five percent (25%) of their posted vacancies through lateral transfers from other institutions. (Additional vacancies may be filled by lateral transfers at management's discretion.) Thereafter, such institution shall accept lateral transfers in the same manner as all other institutions.

4. This Section shall not modify work areas or the application of pick-a-post agreements.

C. In cases of permanent transfer the applicant who possesses and is proficient in the minimum qualifications of the classification specification and position description and has the most seniority shall be selected.

Arbitration Awards:

- #675 *Arbitrator Graham: Grievant Karen Castle; Employment Services, 9/15/91. This decision set the parameters for proving "demonstrably superior."*
- #690 *Arbitrator Graham: Grievant Mark Bundsen; Health, 10/19/91. This case sets forth guidelines for the review and application of minimum qualifications as well as the parameters for the establishment of minimum qualifications.*
- #703 *Arbitrator Graham: Grievant Antoinette Savage; Aging, 9/19/91. This case more clearly defined when the demonstrably superior criterion can be utilized as to order of selection.*
- #729 *Arbitrator Graham: Grievant Laurie Stelts et.al.; MR/DD, 1/22/92. This case established that an employee cannot be required to meet a requirement that can be met after employment.*
- #793 *Arbitrator Anna Duval Smith: Grievant Kathleen Stewart; DAS, 5/20/92. This case supports the State's position that the Union carries the burden of establishing that someone meets minimum qualifications who the Agency determines does not. It also supports the position that the State carries the burden to prove that a junior applicant is demonstrably superior to a senior applicant.*
- #848 *Arbitrator Loeb: Grievant Suzanne Jackson; PUCO, 1/28/93. This case supports the concept of position specific qualifications and provides positive language concerning conflicts between the contract and federal law.*
- #975 *Arbitrator Nelson: Grievant Elaine Blaum; Mental Retardation, 6/6/94. The Arbitrator found that although the Grievant's experience included exposure to Medicaid, her experience did not indicate proficiency in Medicaid auditing, cost reporting and/or reimbursement. With this in mind, the Arbitrator found that the employee who was awarded the position was demonstrably superior to the Grievant. The Arbitrator pointed out that socializing and working with an applicant does not establish discrimination nor does adding position specific minimum qualifications to the requirements of the position.*

Explanation:

*Agencies may now award positions based on qualifications, experience and education for pay ranges **twenty-eight (28) and above**, rather than thirty-one (31) and above. Affirmative action has been eliminated as a valid criterion for determining when an employee is demonstrably superior.*

Attention:

Agency Labor Relations and Personnel Officers.

Instructions:

The first sort is opened to bids from all employees for whom the position will be a promotion. All such bids of qualified employees will be reviewed so long as the bid is within an Institution, an Office which has historically been established as a separate office, or the Agency in the county of posting. Demotions should be added as the last level for consideration.

Agency Personnel and Labor Relations staff are instructed to use discretion in the application of the pay range twenty-eight (28) and above provision for promotion, since the Union believes that Management will abuse its discretion. When a vacancy is posted for a position in pay range twenty-eight (28) or higher (this includes classifications assigned to pay ranges eight (8) through twelve (12)), Management will make a selection for promotion based on qualifications, experience and education. In instances where qualifications, experience and education are substantially equal, seniority will be used to make the selection.

"Substantially equal" is a term of art which provides for the application of a qualifications test before seniority is used to determine which employee will be selected for promotion. This concept generally shifts the burden of proof onto the Union to establish that Management did not select the most qualified candidate; however, actions for which there is evidence of bad faith on Management's part will cause most arbitrators to rule on behalf of the Union. The addition of this term to the selection clause provides the State with the ability to compare candidates for positions in classifications at pay range twenty-eight (28) or higher, or eight (8) through twelve (12), and it provides management with the ability to select the more qualified candidate. However, the contract is clear that only three criteria can be evaluated: qualifications, experience and education. The State has taken a conservative approach in applying this provision to the extent that minor differences in the three criteria should not disqualify the more senior applicant.

In all instances where there are only minor differences in qualifications, a conservative approach must be used. The Office of Collective Bargaining will review the first several decisions of each agency where a less senior employee is selected based on qualifications. This review will be performed in the same manner as termination reviews to assure that the best case possible is being built to defend any grievance which may be filed.

Where the vacancy is for a position which have a pay ranges of twenty-three (23) through twenty-seven (27), or seven (7) or below, the determination of which employee is to be selected will operate as it has under the previous Contract. Unless there is a candidate who is demonstrably superior, the selection shall be made from the most senior qualified candidate. The test for positions in classifications in pay range twenty-seven(27) and below remains a minimum qualification or relative ability test. This test is predicated on the fact that the minimally qualified senior employee must be selected. In a grievance, the Union must only prove that the bypassed senior employee is qualified. The burden of proof then falls to the Employer who must prove that the junior employee was "demonstrably superior". In OCB Arbitration Award Nos. 253, 675, 749,

767, 793, 848, and 902, the concept of demonstrably superior is fleshed out. The cases referenced above set forth a standard which requires the State to prove that the junior employee is superior. This standard, however, is preceded by the Union's burden of proving that the senior employee was minimally qualified. Thus, a detailed analysis must be completed of the essential duties of the position involved in the decision and any position specific minimum qualifications must be developed prior to the writing of the position description and the posting of the vacancy. To prove that a less senior candidate is "demonstratively superior" when both candidates are minimally qualified the Employer must show that the comparison of employees is substantively lopsided in favor of the junior employee. The comparison should weigh seniority, affirmative action, related education and related work experience (these four criteria have been validated; seniority and affirmative action are provided for in the agreement and arbitrators awards give credence to related work experience and education).

Selections shall be made in the following order:

1. All employees in the office, "institution" or county where the vacancy is located, who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.

2. All employees within the geographic district of the Agency (see Appendix J) where the vacancy is located, who presently hold a position in the same, similar or related class series (see Appendix I), and who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.

3. All other employees within the geographic district of the Agency (see Appendix J) where the vacancy is located, who possess and are proficient in the minimum qualifications contained in the classification specification and the position description.

4. All other employees of the Agency.

5. All other employees of the State.

In institutional agencies, the provision which allows for lateral transfers will be applied.

17.06 - Proficiency Instruments

The Employer may use proficiency testing to determine if an applicant meets minimum qualifications. Proficiency testing shall be used only to determine whether or not a candidate meets the minimum qualifications of the classification specification or position description and shall not be used for purpose of determining relative skills and ability.

Explanation:

The language regarding proficiency testing clarifies the intended use for this type of testing. The purpose of a proficiency test is to determine whether or not an applicant can perform the duties of a position/classification. It is not to be used to determine which applicant is the most qualified for the position. The simple question of whether or not an applicant can or cannot

perform the duties of a position/classification must be answered when developing a proficiency test.

Attention: *Agency Labor Relations and Personnel Officers.*

Instructions: *A classification specification and/or a position description may require the use of a proficiency test to determine whether or not an applicant meets minimum qualifications. All candidates who pass the test are determined to have met the minimum qualifications for a particular position. There is to be no gradation of how well an applicant meets the minimum qualifications under this provision.*

17.07 - Permanent Transfers

A. When it is determined by the Employer that a vacancy exists in a classification for which there are excessive employees located in an institution or in counties other than the headquarters county of the vacant position, then the permanent transfer vacancy posting process may be utilized. In this case, only employees in the same classification as the posted vacancy located in the declared areas of excess shall be eligible to apply for the vacancy. Only provisions of Section 17.0 5 (C) apply for the selection of that vacancy.

B. The successful applicant(s) for all permanent transfers shall serve a trial period equivalent to one half (1/2) the probationary period that corresponds to the classification of the vacancy as listed in Section 6.01. During this trial period, the Employer maintains the right to place the employee back in the previous site prior to the transfer if the employee fails to perform the job requirement of the new position to the Employer's satisfaction.

C. Each agency will identify the areas deemed to be in excess and will notify the Union of excesses as soon as practicable. Notices to the Union of a layoff or job abolishment shall be considered adequate notice of an excess.

Explanation: *Currently Agencies provide notification as soon practicable which eliminates the need for quarterly reporting.*

Attention: *Agency Labor Relations, Personnel and Human Resources Officers.*

Instructions: *Agencies must notify the Union of excess as soon as practicable.*

17.08 - Permanent Relocation

Permanent relocations do not apply where there are pick-a-post and/or work area agreements.

Due to shifts and changes in operational need, scope, and/or mission of an agency, the Employer maintains the right to permanently relocate an employee and his/her position to another location within the same headquarters county.

Permanent relocations shall function as follows:

- A. The agency shall canvass the areas of excess for volunteers to move to the area of need. This canvass shall be accomplished by a posting of the relocation opportunity for three (3) workdays.
- B. The agency shall relocate the volunteer that possesses and is proficient in the minimum qualifications and has the most seniority.
- C. If there are no volunteers in the area(s), the agency may relocate the employee with the least seniority who possesses and is proficient in the minimum qualifications of the classification specification in the position description, to the area of need.
- D. In cases of involuntary relocation, the employee has a preferential right to return to the previous job site from which he/she was relocated for up to one year, provided that there is a need or a posted vacancy in the same classification as the relocated employee.
- E. The permanently relocated employee shall only be relocated to perform duties appropriate to the same classification which he/she holds. Such relocation(s) do not constitute the creation or filling of a vacancy pursuant to Section 17.02.

Each agency, with the Office of Collective Bargaining's approval, may negotiate with the Union to establish a procedure for the relocation of positions and personnel within the same county to other counties.

Explanation: *This language expands the availability and applicability of permanent relocations when a layoff is not the reason for the relocation.*

Attention: *Agency Labor Relations and Personnel Officers.*

Instructions: *When an agency has a need or desire to relocate employees to another location outside the headquarters county, the agency shall meet with the local union leadership to discuss the rationale for the change. The Office of Collective Bargaining should be made aware of any documentation supporting the need for relocation, and will review the material and work with the agency and Union to institute the relocation.*

17.09 - Nepotism

No employee shall be directly supervised by a member of his/her immediate family. "Immediate family" is defined for the purposes of this Section to include: spouse or significant other ("significant other" as used in this Agreement is defined to mean one who stands in place of a spouse and who resides with the employee), child, step-child, grandchild, parent, step-parent, grandparent, great-grandparent, brother, sister, step-sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or legal guardian or other person who stands in the place of a parent.

Attention: *Agency Labor Relations and Personnel Officers, Agency Supervisors.*

Instructions: *Under contract, it remains inappropriate for an exempt employee to supervise a member of his immediate family. The issue of whether or not the*

exempt employee should be moved when a bargaining unit member bids into the work unit of an immediate family member, or whether the bargaining unit member is barred from making such a bid is still unresolved. Do not permit a supervisor to directly supervise an employee who is an immediate family member.

17.10 - 1000 Hour Transfer

Nothing herein will circumvent provisions of the 1000 hour transfer for ODOT.

- #1029 *Arbitrator Bowers: Grievant Diane DiBianca; Mental Health, 1/17/95. The Arbitrator found no violation of Article 18 based on the fact that the Grievant's work at the time of the abolishment and layoff consisted of newspaper activities and non-training printing shop activities. These duties were not set forth in the position description for the position occupied by the Grievant prior to the abolishment. The Arbitrator also found that the Employer had not eroded the bargaining unit.*

NOTE: *There are additional layoff cases on file. Please call OCB Dispute Resolution for additional information.*

18.01 - Layoffs

Layoffs of employees covered by this Agreement shall be made pursuant to ORC 124.321-.327 and Administrative Rule 123:1-41-01 through 22, except for the modifications enumerated in this Article.

Arbitration Award:

#937

Arbitrator Graham: Grievant George Mychkovsky; Natural Resources, 12/28/93. The Arbitrator found that the Grievant was qualified based upon his education and previous experience. The Arbitrator pointed out that the Grievant possesses a Master's degree while the incumbent has only a Bachelor's Degree. The Grievant also has a longer work history than the incumbent. The Arbitrator added that the requirement to have had four courses in hydrogeology was not met by the incumbent let alone the Grievant. Finally, the Arbitrator added that the Grievant cannot be expected to know all of the intricacies of the position immediately after bumping into the position. There must be some sort of informal learning period.

18.02 - Guidelines

Retention points shall not be considered or utilized in layoffs. Performance evaluations shall not be a factor in layoffs. Layoffs shall be on the basis of inverse order of state seniority.

Arbitration Awards:

#914

Arbitrator Loeb: Grievant Randy McAtee; Mental Health, 10/18/93. The Union was not able to challenge the State's decision to alter the method of operation. The savings realized by eliminating an employees salary and benefits was not, in and of itself, sufficient economic reason to justify abolishment. The State failed to show documentation to support its claims that there were economic benefits resulting from the decision to alter the method of operation. Without this evidence, the only benefit the Employer could show from the abolishment was the savings of wages and benefits. With this in mind, the Arbitrator found that the Employer then must show a lack of work in order to uphold the abolishment. The Union was able to show through testimony that the Food Consultant and the Food Service Manager had been performing the Grievant's duties in his absence. Management failed to show through a preponderance of evidence that there was such a lack of work to justify the abolishment.

#994

Arbitrator Loeb: Grievant Stephen Thompson; Mental Health, 8/9/94. The Arbitrator agreed with the State's argument that only individuals who could challenge the rationale are those employees first effected by the

abolishment; however the Arbitrator also agreed with the Union's claim that the grievance is their responsibility and thus the rationale of the abolishment could be challenged by the Union.

#1029

Arbitrator Bowers: Grievant Diane DiBianca; Mental Health, 1/17/95. The Arbitrator found no violation of Article 18 based on the fact that the Grievant's work at the time of the abolishment and layoff consisted of newspaper activities and non-training printing shop activities. These duties were not set forth in the position description for the position occupied by the Grievant prior to the abolishment. The Arbitrator also found that the Employer had not eroded the bargaining unit.

18.03 - Implementation of Layoff Procedure

The Employer shall conduct a "paper layoff" except where agencies are funded by multiple funding sources where a reduction in a funding source requires the agency to reduce positions immediately. In such situations, the Employer may implement the first round of reductions without conducting a "paper layoff". In this instance, where the resulting bumping requires a second round of layoffs, the Employer will then conduct a "paper layoff".

The agency shall submit notice of a layoff to the Union no later than the time at which the agency submits its rationale to DAS/Division of Personnel. The Union shall be provided an opportunity to discuss the layoff with the Employer prior to the date of the "paper layoff".

Paper Layoff

The Employer shall execute a layoff by identifying a time period when all potentially affected employees can exercise their bumping options before implementation of the "paper layoff". All affected employees shall exercise their bumping options in writing or by confirmed telephone communication, so that once the "paper layoff" is implemented, employees that have bumping rights shall assume their new positions or be placed on the recall list.

The parties agree to establish an operations area that can be used to coordinate the layoff and related personnel transactions during the time period when employees will be exercising their options. This operations area will include necessary management and the union representatives. OCSEA staff representatives may also be in attendance.

This procedure shall provide for the following:

- A. The Employer and the Union will share all information about employee electives and will make all reasonable efforts to assure that each employee receives notice and forwards a written selection of their electives.
- B. All potentially affected employees will be given a bumping selection form that identifies potential options. Each employee will select options available to them and will list them in the order of their priority. Employees will be given five (5) working days to complete and return the forms. Copies of the forms will be sent by the Employer to the Union.
- C. All operations areas will have a specific schedule that will be made known to all representatives and employees.
- D. Work shall be divided by classification groups to limit the number of people that need to be contacted in a time period. All employees will be advised that they will receive written notice of their final status when the displacement process is completed.

E. If an employee has not completed the "displacement selection form" and cannot be reached within fifteen (15) minutes, a union designee will make a selection on the employee's behalf. The selection will be to the least senior person in the same classification. If the employee is unable to utilize this right, the employee will be placed in the least senior position in the same or similar class grouping (Appendix I) in descending order. This choice will be final.

NOTE: *There are additional layoff cases on file. Please call OCB/Dispute Resolution for additional information.*

18.04 - Bumping in the Same Office, Institution or County

The affected employee may bump any less senior employee in an equal or lower position in the same, similar or related class series within the same office, institution or county (see Appendix I) provided that the affected employee is qualified to perform the duties.

Arbitration Awards:

#990

Arbitrator Nelson: Grievant Betty Jarvis; Transportation, 7/23/94. The Arbitrator found that the Grievant had 30 days from when he or she "became or reasonably should have become aware of the occurrence giving rise to the grievance." The grievance was filed timely because the event that started the time clock was the date that the first employee was restored to her position by the previous arbitration decision. The Arbitrator then ruled that the Grievant should be restored to her position as an Administrative Assistant I.

18.05 - Bumping in the Agency Geographic Jurisdiction

If the affected employee is unable to bump within the office, institution or county, then the affected employee shall have the option to bump a less senior employee in accordance with Section 18.03 within the appropriate geographic jurisdiction of their Agency (see Appendix J) provided that the affected employee is qualified to perform the duties.

Explanation:

Employees exercising bumping rights within the agency geographic jurisdiction under Appendix J, are now subject to a determination by management as to whether or not they are qualified to perform the duties of the position for which they possess displacement rights.

Attention:

Agency Labor Relations, Personnel Officers; and Department of Administrative Services, Human Resources Division.

Instructions:

Agencies should only raise a challenge to an employee's bumping rights when there is evidence the employee lacks the necessary skills, knowledge and/or experience.

Management may raise the question of an employee's qualification to perform the duties of a position, as early as the paper layoff, but must raise such question prior to the date of layoff.

18.06 - Previously Held Classifications

If the affected employee has exhausted all of his/her bumping rights as set forth in Sections 18.04 and 18.05, then the affected employee shall have the option to bump the least senior employee in the classification, within the geographic jurisdiction as defined by Appendix J, which the affected

employee had most recently held within the five (5) year period in the chronological order that other classifications were previously held.

Arbitration Awards:

#785 *Arbitrator Rivera: Department of Administrative Services grievance; 5/21/92. This decision provides an interpretation of the applicability of the "five year" rule specified in the ORC/OAC.*

Attention: *Agency Labor Relations and Personnel Officers, Department of Administrative Services, Human Resources Division.*

Instructions: *An employee's options under the five-year rule should be placed on the written selection of electives given to each employee affected by the layoff. The Agency shall notify the employee into which groupings he/she is permitted to bump; if the employee's grouping is not listed on the selection list, the employee needs to notify the designated management representative before the date of the paper layoff.*

18.07 - Bumping Outside the Unit

A. Bargaining unit employees shall first exhaust all bumping rights under Sections 18.04, 18.05 and 18.06. If no bumps are available, they may bump outside the bargaining unit into exempt classifications with lesser appointment category (type) according to the order of layoff provisions found in the Revised Code and Administrative Code and incorporated by reference into this Article.

Bargaining Unit employees who bump exempt positions in lesser appointment categories (types) that are outside the bargaining unit shall be given the maximum retention points available for their performance evaluations. This award of retention points is to be done under the Code provisions that state if a performance evaluation is not completed, the employee receives the maximum points available [123:1-41-09(B)(3)]. The remainder of the employee's retention points shall be calculated according to the Code provisions. (See 123:1-41-09)

B. Once bargaining unit employees bump an exempt position outside the bargaining unit, subsequent displacements shall occur according to the appropriate provisions of the Revised Code and the Administrative Code, and the bargaining unit employees shall have no further rights except those rights set forth in Sections 18.11, 18.12 and 18.13.

Arbitration Awards:

#818 *Arbitrator Rivera: Grievant Barbara A. Northup; Employment Services, 10/19/92. The decision provides an interpretation regarding the ability of bargaining unit employees to bump/displace employees outside the bargaining unit. The language change incorporates the effects of this decision.*

Explanation: *This Section provides that bargaining unit members may bump into an exempt classification; however, once the employee has bumped into the exempt position he/she has no further rights except as set forth in Sections 18.11, 18.12, and 18.13.*

Attention: *Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.*

Instructions: *Personnel working with layoffs shall first provide a list of all options in the bargaining unit: 1) within with same office, institution or county (18.04); 2) in the same agency geographic jurisdiction (18.05; 3) in a previously held classification (new 18.06). If there are no bumping rights available under those Sections a list should be provided from the Ohio Revised Code and the Ohio Administrative Code of exempt classifications with a lesser appointment category (type) into which the employee may bump. Bumping into an exempt position is not mandatory as the employee will lose all Contractual rights except as specified in Sections 18.11, 18.12 and 18.13.*

If the employee chooses to bump into an exempt position he/she will be given the maximum retention point available for his/her performance evaluation, following the Ohio Administrative Code. Any bumping done after becoming an exempt employee will be done under the Ohio Revised Code and the Administrative Code, thus utilizing the jurisdictions embodied therein.

18.08 - Limits

There shall be no inter-agency bumping. There shall be no inter-unit bumping except in those cases allowed by current administrative rule or where a class series overlaps more than one unit.

Explanation: *The removal of language prohibiting bumping for Unit 3 employees in the Department of Rehabilitation and Correction allows those employees to bump within the layoff jurisdictions set forth in Appendix J.*

Attention: *Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division.*

Instructions: *The Department of Rehabilitation and Correction; will now, in the event of a layoff, conduct a paper layoff and bumping for Correction Officers.*

18.09 - Geographic Divisions

The jurisdictional layoff areas shall not be utilized. Instead, the geographic divisions of each agency shall be used (see Appendix J).

18.10 - Classification Groupings

For the purposes of this Article, Appendix I shall be changed as follows: In Unit 4 groupings 3 and 4 shall be combined.

18.11 - Recall

When it is determined by the Agency to fill a vacancy or to recall employees in a classification where the layoff occurred, the following procedure shall be adhered to:

The laid-off employee with the most state seniority from the same, similar or related classification series for whom the position does not constitute a promotion as defined in Article 17, and who prior to his/her layoff, held a classification which carried with it the same or higher pay range as the vacancy, shall be recalled first (see Appendix I). All employees who are laid-off or displaced out of their classification shall be placed on the recall list by the effective date of their layoff. An employee shall be recalled to a position provided the affected employee is qualified to perform the duties. Any employee recalled under this Article shall not serve a new probationary period, except for any employee laid off who was serving an original or promotional probationary period which shall be completed. Employees shall have recall rights for a period of twenty-four (24) months.

Notification of recall shall be by certified mail to the employee's last known address or hand delivered to the employee with proof of receipt. Employees shall maintain a current address on file with the Agency. Recall rights shall be within the Agency and within recall jurisdictions as outlined in Appendix J. If the employee fails to notify the Agency of his/her intent to report to work within seven (7) days of receipt of the notice of recall, he/she shall forfeit recall rights. Likewise, if the recalled employee does not actually return to work within thirty (30) days, recall rights shall be forfeited.

Any employee accepting or declining recall to the same, similar or related classification series and the same appointment category (type) from which the employee was laid-off or displaced shall be removed from the recall and reemployment list if recalled to his/her original classification and appointment category (type). Except that any employee declining recall to a different appointment category (type) than that from which he/she was laid-off or displaced shall be removed from the recall list for that appointment category (type).

Explanation:

Employees should not just meet minimum qualifications to be recalled to a position, but should be qualified to perform the duties of the position. The language also incorporates the use of appointment type in recall and reemployment. An employee is only removed from the recall list for their original classification when the employee has been offered a recall opportunity to the same appointment category within that classification.

This Section prohibits recalled employees from being recalled into a higher pay range, thus preventing a promotion on recall. An employee's recall rights are limited to the same pay range or lower.

In addition, due to the extreme length of time it takes to send recall letters and receive return receipts, the Employer is now able under the Contract to hand deliver recall letters.

Attention:

Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division.

Instructions:

All laid off employees and employees displaced out of their classification shall be placed on a recall list which must be provided to DAS/HRD before the effective date of the layoff. Employees may not be recalled to a promotion.

If hand delivering a recall notice, have a witness present and have the employee sign a receipt for the notice.

All Agencies should train those persons responsible for the development and maintenance of recall lists regarding the change incorporating appointment category.

18.12 - Bidding Rights for Employees on Layoff

Notwithstanding the provisions of Article 17 and the other provisions of this Article a laid-off employee may submit an application for any posted vacancy outside of his/her geographic area in the same, similar or related classification series from which he/she was laid-off or displaced. However, this opportunity is limited to lateral transfer and demotion. This opportunity shall be offered only in the agency from which the employee was laid-off. Applications from such laid-off employees shall be sorted and considered before any other applications pursuant to the provisions of Article 17. Among such employees submitting applications who meet the minimum qualifications as stated in the Position Description and Classification Specification the most senior applicant shall be awarded the vacancy. A laid-off employee who is offered a position and declines shall not be automatically awarded other positions for which he/she applies in the classification from which he/she was laid-off.

Explanation:

This Section expands the bidding right of laid-off employees to vacancies within their agency in the same similar or related classification series occupied by the employee. The Section also provides that a laid-off employee cannot gain a promotion under this language.

Attention:

Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division.

Instructions:

This Section is applicable only to the Agency from which the employee was laid-off. Positions posted on or after the effective date of this Agreement must be filled pursuant to the provision of this Section.

18.13 - Reemployment

If the vacancy is not filled pursuant to Section 18.14, then the Employer must offer reemployment rights to the classification from which an employee was laid-off or displaced provided the employee is qualified to perform the duties. Such rights shall be for twenty-four (24) months.

Any employee accepting or declining reemployment to the same classification and same appointment category (type) from which the employee was laid-off or displaced shall be removed

from the recall and reemployment list if reemployed to his/her original classification and appointment category (type). Except that any employee declining reemployment to a different appointment category (type) than that from which he/she was laid-off or displaced shall be removed from the recall list for that appointment category (type).

Reemployment rights shall not exist for employees assigned to holding classifications as a result of the deletion of a classification from the classification plan.

Employees who were assigned to a holding classification because they were not performing duties consistent with their classification at the time of the Classification Modernization Study and whose classification held prior to the Classification Modernization Study still exists, will have reemployment rights to the last classification held prior to assignment to the holding classification.

Employees whose classification prior to the Classification Modernization Study was retitled or allocated to a new classification will also have reemployment rights to the retitled classification or to the classification to which their former classification was allocated.

Explanation:

Specific reemployment language was removed which referenced the ORC. The ORC is generally referenced in 18.01. This Section provides that employees must be qualified to perform the duties of the position in his/her classification to which he/she is reemployed.

This Section also specifies how/why a laid-off employee is removed from the reemployment list. Employees who decline reemployment to a different appointment category (type) are removed from the recall list for only that appointment type.

Attention:

Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division.

Instructions:

DAS/HRD must establish a process for maintaining reemployment lists in accordance with this Section.

18.14 - Placement

Notwithstanding any other provisions of Article 17, the Union and the agency or agencies may agree, in writing, to place an employee to be laid off in an existing vacancy which may not be otherwise available. Such agreement shall take precedence over any other Section/Article of this Agreement. However, such placement shall not result in the promotion of the affected employee. All employees placed into existing vacancies under this Section shall retain recall and reemployment rights pursuant to the provisions of this Article.

Explanation:

This Section extends recall and reemployment rights to laid-off employees who accept placement into an existing vacancy.

Attention:

Agency Labor Relation Officers and Department of Administrative Services, Human Resources Division.

Instructions:

Agencies should consider the availability of placement in its own and other agencies to retain laid-off employees where feasible. This Section is permissive and not mandatory.

An employee cannot be promoted as result of placement.

An agreement must be executed and signed by the affected agencies, the Union and OCB.

When filling a vacancy, other than as a placement under this Section, use the order of filling a vacancy as specified below:

See Section 17.05 also

18.11 Recall

18.13 Reemployment

13.13 Cross-geographic jurisdictional bidding

Article 17 - Promotion, Lateral Transfer and Demotion

18.15 - Service Credits

An employee who is laid off and reemployed, i.e., not recalled by any State agency but is hired by any State agency within twenty-four (24) months, shall continue to earn service credits while on layoff.

18.16 – Inter-Agency Merger

The State agrees that the Union shall be included in discussions of inter-agency mergers. The Union will have a role in discussing bargaining unit members' continued employment and other affects on their membership. This paragraph shall not constitute a waiver of any rights.

ARTICLE 19 - WORKING OUT OF CLASS

19.01 - Position Descriptions

New employees shall be provided a copy of their position descriptions. When position descriptions are changed, employees shall be furnished a copy. Any employee may request a copy of his/her current position description and classification specification.

19.02 - Grievance Steps

Step One (1) - Filing the Grievance With the Agency Director or Designee

If an employee or the Union believes that he/she has been assigned duties not within his/her current classification, the employee or the Union may file a grievance with the Agency Director or designee. The Agency Director or designee shall investigate and issue a decision after review and approval by the Office of Collective Bargaining, within thirty-five (35) calendar days. A copy of the Director's or designee's decision and a legible copy of the grievance form shall be provided to the grievant and OCSEA Central Office. If the parties mutually agree, a meeting to attempt to resolve the grievance may be held at the grievant's work site prior to the issuance of the decision of the Director or designee. A request by the Office of Collective Bargaining to discuss the resolution of the grievance shall not extend the twenty (20) day period within which the Union has a right to appeal the matter to arbitration under Step Two (2). If the Director or designee determines that the employee is performing duties which meet the classification concept and which constitute a substantial portion of the duties (i.e., 20% or more of the employee's time **if to a higher classification or eighty percent 80% of the employee's time if to a lower classification**) specified in another classification specification, the Director shall order the immediate discontinuance of the inappropriate duties being performed by the employee, unless the parties agree to the reclassification of the person and position pursuant to the provisions of this Article. If the duties are determined to be those contained in a classification with a lower pay range than the employee's current classification, no monetary award will be issued.

If the duties are determined to be those contained in a classification with a higher pay range than that of the employee's current classification, the Director or designee shall issue an award of monetary relief, provided that the employee has performed the duties as previously specified for a period of four (4) or more working days. The amount of the monetary award shall be the difference between the employee's regular hourly rate of pay, and the hourly rate of pay at the applicable step of the higher pay range for the new classification. The applicable step shall be the step in the higher pay range which is approximately four percent (4%) higher than the current step rate of the employee. If a step does not exist in the higher pay range that guarantees the employee approximately a four percent (4%) increase, the employee will be placed in the last step of the higher pay range. The placement into the last step does not necessarily guarantee a four percent (4%) increase. If the higher level duties are of a permanent nature as agreed to by the Union and the Employer, the employee shall be reclassified to the higher classification.

If the duties are determined to be those contained in a classification with a lower pay range eighty percent (80%) or more of the time than that of the employee's current classification: 1.) the Director or designee shall issue an award to cease the assignment of the lower level duties, and take appropriate action to assign duties consistent with the employee's current classification; or 2.) the parties mutually agree to reclassify the employee to the lower level classification, the employee may be reassigned to the appropriate classification; or 3.) if the duties cannot be assigned by the Employer, other actions, as appropriate, may be initiated under this Agreement. Management shall discuss options with the Union.

In no event shall the monetary award be retroactive to a date earlier than four (4) working days prior to the date of the filing of the original grievance. The date of the filing of the grievance shall be determined by the postmark or other evidence of delivery, whichever is earlier, to the agency.

Step Two (2) - Appeal to Arbitration

Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by the Union by providing a written appeal and a legible copy of the Working Out of Class grievance form to the Deputy Director of the Office of Collective Bargaining within twenty (20) days of the Step One (1) answer or the date such answer was due. If the Employer fails to issue the answer and legible copy of the grievance form to the Central Office, the Union may appeal the grievance to arbitration at such time as it discovers such failure to timely answer, but not more than one-hundred twenty (120) days from the original filing of the grievance.

The parties shall schedule an arbitrator to determine if an employee was performing the duties which meet the classification concept and consist of a substantial portion of the duties (i.e., 20% or more of the employee's time **if to a higher classification or eighty percent (80%) of the employee's time if to a lower classification**) as specified in the classification specification other than the one to which the employee is currently assigned and for what period of time.

Present at the hearing shall be a union representative, the grievant or the employee whose duties are being challenged, and a management representative and agency designee who will present their arguments to the arbitrator. The employee's position description will be admitted into evidence at the hearing. If the Union disagrees with the accuracy of the position description, it may file objections with the Management advocate accompanied by its version of what actual duties were performed at least two (2) days in advance of the arbitration hearing. The objections filed by the Union will be admitted into evidence. The arbitrator will issue a binding bench decision at the conclusion of the hearing, which will identify if the employee was working out of classification and for what period of time. If the arbitrator determines that the employee is performing duties in a classification which carries a higher pay range than the employee's current classification, the arbitrator shall order the Employer to immediately discontinue such assigned duties. **If the arbitrator determines the duties of the position to be of a lower classification, the arbitrator shall order the Employer to immediately discontinue such assigned duties. The arbitrator's decision concerning a lower classification is restricted to determining whether duties are performed for a substantial portion of time. Only when the employee is performing duties inconsistent with the employee's original classification assignment more than eighty percent (80%) of the employee's time will a determination be made to instruct the Employer to discontinue the assigned duties.**

The determination of a monetary award shall be in accordance with Section 19.02 Step One (1) above. However, if the Union and the Office of Collective Bargaining agree that the higher level duties are of a permanent nature and that the situation is otherwise in compliance with the provisions of this Article, they may mutually agree to reclassify the employee to the higher level classification. **Likewise, the parties mutually agree to reclassify the employee to a lower classification.**

The remedy ordered at any step of the grievance procedure, including a monetary award, shall be in accordance with Section 19.02 - Step One (1), above.

The expenses of the arbitrator shall be borne equally by the parties.

Arbitration Awards:

#1112

Arbitrator Graham: Grievant Working out of Class; Administrative Services, 2/8/96. The Arbitrator found that Section 19.02 Step 1 provides for monetary relief in circumstances when state employees perform duties of a classification assigned to a higher pay range; even if that classification is represented by another exclusive bargaining agent or exempt from collective bargaining.

Explanation:

New language gives the Union the right to grieve when an employee is working in a lower classification 80% or more of his/her time. If the Arbitrator finds the employee is performing duties inconsistent with the employee's original classification assignment more than 80% of his/her time, the Arbitrator will order the Employer to discontinue the assigned duties. The parties may mutually agree to reclassify the employee to a lower classification.

Attention:

Agency Labor Relations and Personnel Officers; Agency Management Personnel and Department of Administrative Services, Human Resources Division.

Instructions:

Responses should be mailed to OCSEA Central Office.

19.03 - Holding Classes

Grievances may be filed and processed pursuant to this Article with respect to those alleged duties performed by an individual in a holding classification which are contained in a classification which carries a higher pay range than the employee's current classification. The documents for comparison by the arbitrator shall be:

- A. The employee's current position description;
- B. The classification specification in effect at the time of the appeal, which is the non-holding equivalent to the employee's current classification; and
- C. Current classification specification containing the duties the employee or Union alleges are those of the higher classification.

At no time will an employee in a holding classification suffer a loss of their rights and benefits under this Agreement.

The remedy ordered at any step of the grievance, including a monetary award, shall be in accordance with Section 19.02 - Step One (1) above.

19.04 - No Pre-positioning

Article 19 shall not be used to pre-position employees. The parties recognize that some jobs change over time. Normal changes in job duties are not to be considered pre-positioning.

Attention:

Agency Labor Relations Officers, Agency Management Personnel.

Instructions:

Agencies should inform all supervisory personnel that it is prohibited to work employees outside of their job classification. This does not prohibit the normal growth which occurs as employee's duties are normally expanded. Management should ensure that preferential duties are not assigned to favorite employees outside of the bidding process.

"Region" is defined in Appendix R of this Agreement. In order to be offered in a region, a health plan service area must include 80 percent (80%) or more of the counties identified in Appendix R as part of the region. Health plans which provide services~~

~~to employees within a region will also, at the Employer's option, make service available to all employees in any of the counties they serve which would otherwise have fewer than two health plans. - D. Health plans offering to cover regions of the State including significant numbers of non-metropolitan counties may receive a bonus in the evaluation and selection process.
- ~~E. In the event that there are one or more counties which no health plan proposes to service, the Employer may designate one or more of the proposing health plans to serve such county or counties as a condition of the award of a contract.~~
- ~~F.~~ E. At any time during this Agreement, the Employer may also conduct rate negotiations with health plans. Negotiations shall only be concerning rates, and once begun, the Employer shall not accept new health plan proposals to amend their schedule of benefits, co-payments, deductibles, or out-of-pocket maximum. The Employer shall consult with the JHCC about the rate negotiations and inform the JHCC on the progress and results of said rate negotiations. If negotiations with a particular health plan do not result in rates which are satisfactory to the Employer, the Employer may, after providing notice to the JHCC refuse to permit any new enrollment in said health plan or cancel the health plan contract.
- ~~G.~~ F. A consultant with expertise in large group purchasing strategies and quality measurement will be retained to assist in the development and implementation of the health plan selection process, and may be retained to assist with rate negotiations. - ~~H.~~ G. Where it is advantageous to the Employer and its employees, DAS may execute multi-year contracts or contract extensions with health plans.
- ~~H.~~ H. ~~The JHCC will be consulted in the selection of the consultant and in the development and implementation of the health plan selection process.~~ **Commencing no later than May 1, 2000, the State, in conjunction with the JHCC, will explore the possibility and impact of implementing a self-funded health plan that is similar in design to an HMO for the benefit period beginning July 1, 2001. This plan may be in addition to the self-funded PPO. In the event such a plan is implemented the JHCC will recommend to the Director of DAS if any other HMO products will be offered to employees.**

20.05 - Employee Costs

- A. Regardless of plan, employees will pay ~~40~~ **ten** percent (10%) of the premium, provided however, that for an HMO health plan the Employer will pay no greater than ~~90~~ **ninety** percent (90%) of the statewide HMO single and family average rates.
- B. The Employer's premium share of ~~90~~ **ninety** per cent (90%) shall be paid only on behalf of the following employees:
- (1) Full-time employees.
 - (2) For part-time employees (including ~~fixed~~ **established** term regular and ~~fixed~~ **established** term irregular employees), ~~who were employed prior to March 1, 1997 and were in active pay status for more than five hundred (500) hours in calendar year 1996; and~~ according to the schedule in 20.05(C), provided that all part-time employees who were grandparented under the provisions of the previous Agreements shall continue to have premiums paid pursuant to those provisions.

Explanation:

The change to “established term” is housekeeping. The proper name of the appointment type is “established term” not “fixed term” which refers to elected officials.

The strike of the March 1997 language corrects a typographical error in the previous Agreement. It was never the intent nor the agreement of the parties to cause the program of pro-rated premiums for part-time employees to begin again in March, 1997. The correct provision is that “provided that all part-time employees who were grandparented under the provisions of the previous Agreements shall continue to have premiums paid pursuant to those provisions.”

Attention:

Agency Personnel Officers, Agency Labor Relations Officers; Staff Representatives, Union Officials.

Instructions:

Personnel and Payroll Officers should refer to Payroll Letter 768 which corrects an error in Payroll Letter 658, issued in 1994. Payroll Letter 658 incorrectly advised that full-time employees who later became part-time employees should continue to have the employer contribute the full 90% of the health care premium. This was not correct. It was never the intention of the parties.

*Rather, it was the intention of the parties in 1994, that all full-time employees who choose to become part-time employees would have the employer's share of the health care premium pro-rated. **THOSE EMPLOYEES WHO MOVED FROM FULL-TIME TO PART-TIME PRIOR TO FEBRUARY 13, 2000, AND WHERE GRANDPARENTED, SHALL CONTINUE TO BE. ALL EMPLOYEES WHO MOVE FROM FULL-TIME***

TO PART-TIME ON OR AFTER FEBRUARY 13, 2000, SHALL HAVE HEALTH CARE PREMIUMS PRORATED.

Effective Date: *March 1, 2000 – February 28, 2003*

C. The Employer's premium share for all part-time employees shall be paid as follows:

- (1) The Employer shall pay no share of the premium for part-time employees who are in active pay status an average of less than forty (40) hours in a bi-weekly pay period. However, such employees shall have the option of self-paying the entire health plan premium.
- (2) The Employer shall pay fifty per cent (50%) of the premium for part-time employees who are in active pay status an average of forty (40) hours or more but less than sixty (60) hours in a bi-weekly pay period.
- (3) The Employer shall pay seventy per cent (70%) of the premium for part-time employees who are in active pay status an average of sixty (60) hours or more but less than seventy (70) hours in a bi-weekly pay period.
- (4) The Employer shall pay ninety percent (90%) of the premium for part-time employees who are in active pay status an average of seventy (70) hours or more in a bi-weekly pay period.

Average hours in active pay status beginning with the pay period shall be calculated quarterly on the basis of the prior six (6) pay periods, including January 1, April 1, July 1, or October 1 respectively.

For newly hired part-time employees, estimated scheduled hours shall determine the Employer contribution toward the premium cost for the first three (3) months of employment. However, if an employee has been in active pay status during at least three bi-weekly pay periods at the time that a pay period including January 1, April 1, July 1, or October 1 commences, calculations for the Employer contribution toward the premium cost shall be based upon the employee's average hours in active pay status for the number of weeks the employee worked.

Employees subject to the pro-rated Employer health plan premium share under this subsection shall be advised in writing regarding the amount of the Employer's share which applies to them. Such information shall be provided to said employees as soon as practicable after the pay periods including January 1, April 1, July 1 and October 1 of each year.

An Employee who declined enrollment in a health plan because he/she was not eligible to receive any Employer contribution pursuant to this Section, and who after a quarterly calculation of average hours would otherwise become eligible to receive some Employer contribution, may enroll in a health plan within forty-five (45) days from the quarterly calculation date.

Employer payments for premium costs under this Article shall continue during unpaid family leaves granted pursuant to Section 31.01, provided the employee continues to contribute his/her share of the premium. [Moved from above.]

D. Regardless of plan, employee co-payments shall not exceed ten percent (10%) of the paid charges for network services. In health plans which offer to employees the option of using a network or a non-network provider or facility, employee co-payments when using a non-

network provider or facility shall not exceed thirty percent (30%) of paid charges. In health plans which do not have network providers and/or network facilities, employee co-payments shall not exceed twenty percent (20%) of paid charges when using a service type (i.e., providers or facilities) for which a network option does not exist.

- E. Regardless of plan, employee out-of-pocket maximums for a benefit period shall not exceed \$750.00 for single coverage and \$1,500.00 for family coverage ~~for~~ when using network services. In health plans which offer to employees the option of using a network or non-network, provider or facility, employee out-of-pocket maximums for a benefit period shall not exceed a combined total of \$1,500.00 for single coverage and \$2,500.00 for family coverage in any instance. In health plans which do not have network providers and/or network facilities, employee out-of-pocket maximums for a benefit period shall not exceed \$750.00 for a single coverage and \$1,500.00 for family coverage for use of a service type (i.e., providers or facilities) for which a network option does not exist.

20.06 - Ohio Med PPO And Other Self-Insured Health Plans

Except as modified by the Director of Department of Administrative Services (DAS), who may revise or add to the requirements in this ~~Appendix~~ **section** if such revisions and/or additions are recommended by the JHCC, the following features will apply to ~~Article 35 of this Agreement~~ **this section**.

Explanation: Section 20.06 was formerly Appendix R.

Effective Date: March 1, 2000 – February 28, 2003

~~A. Self-insured or otherwise Unregulated Health Plans~~

Unless otherwise mutually agreed to by the JHCC ~~All~~ self-insured or ~~otherwise unregulated~~ **unlicensed** health plans offered to State employees shall have benefits comparable to those of the **current** Ohio Med plan ~~in effect as of January 1, 1997~~ **and those benefit changes agreed to thereafter**. In addition, such plans shall also have at least the following features **unless otherwise mutually agreed to by the JHCC**.

~~≠~~ **A. Employee Deductibles and Out-of-Pocket Maximum (OPM)**

The individual deductible is \$125, and the family deductible is \$250. The family deductible must be satisfied by two individuals each meeting the individual deductible, whether in-network or out-of-network. As soon as any individual in the family meets the deductible, that person shall be covered immediately even though the full family deductible has not been met.

Expenses which are applied towards meeting the individual or family deductible must be incurred during the benefit period.

As soon as any individual in the family meets the single coverage OPM, further expenditures on behalf of that individual shall be covered in full except as indicated below. All employee expenditures on behalf of the employee and his/her dependents shall count toward satisfying the individual and/or family OPM, except that any penalties paid shall not count toward satisfying the OPM. After employee expenditures have reached the OPM, benefits are covered in full except where non-network non-participating (non-PAR) providers engage in balance billing.

B. Medical Necessity and Preventive Services

Health plans pay only for those covered services, supplies, and hospital admissions which are medically necessary or are classified as preventive services covered under the plan. Network providers and facilities are responsible for insuring that services, supplies, and admissions are medically necessary or preventive as defined by a plan. The fact that a non-network provider may prescribe, order, recommend, guarantee, or approve a service, supply, or admission does not guarantee medical necessity or make such charges an allowable expense, even though they are not specifically listed as exclusions.

C. Reimbursement, Paperwork, Balance Billing, and UCR/Allowed Amount Fees

Under the Ohio Med PPO there are different levels of reimbursement rates depending on the provider's contractual relationship with the Ohio Med Administrator. Those levels are as follows:

Network provider's accept the administrator's reimbursement rate as payment in full for their services. The plan will pay one hundred percent (100%) of those procedures done in a network doctor's office. It pays ninety percent (90%) for those procedures done by network providers outside of the doctor's office. In those instances the employee pays ten percent (10%) of the administrator's reimbursement rate up to the out of pocket maximum as defined in Section 20.05(e).

Non-network providers may or may not accept the administrator's payment as payment in full depending on whether or not they are participating (PAR) providers (see explanation below). The plan will pay seventy percent (70%) of the administrator's reimbursement rate for non-network providers. The employee pays thirty per cent (30%).

Some non-network providers may have contractual arrangements with the administrator, which makes them participating providers. PAR providers will accept the administrator's reimbursement rate as payment in full. Employees will pay only thirty percent (30%) of the administrator's reimbursement rate up to the out of pocket maximum as defined in Section 20.05(e).

Non-PAR providers may not accept the administrator's reimbursement rate as payment in full and may bill enrollees for the difference between what the administrator pays and what is charged (balance-billing). Employees receiving services from non-network, non-PAR providers will pay thirty percent (30%) of the administrator's reimbursement rate and may be balanced billed for the difference between the administrator's reimbursement rate and the provider's charge. Any amount above the administrator's usual reimbursement rate is not applied to the out of pocket maximum as defined in Section 20.05(e).

Network providers and hospitals and "PAR" (~~physicians who have a contractual relationship with the health plan~~) (~~or equivalent~~) providers shall accept the negotiated reimbursement amount as payment in full, except for applicable deductibles, co-pays, or penalties. They shall be prohibited from balance billing, that is, from charging any state employee or his/her dependents any additional amount other than co-pays or deductibles. Providers shall submit bills and other required paperwork on behalf of the state employee.

Reimbursement to non-network providers shall be at a level no greater than the Usual, Customary, and Reasonable fee/Allowed Amount which has been established by the plan administrator for that service or supply.

~~4~~ **D. Coordination of Benefits**

If a health plan which is self-insured or otherwise unregulated is the secondary payer, the amount which the plan will pay shall be limited to an amount that will yield a benefit no greater than what would have been paid if the plan were the primary payer. The primary plan's benefit is subtracted from the amount the plan normally pays.

~~5~~ **E. Exclusions and Limitations**

Exclusions and limitations shall be as follows:

- ~~a~~ **1.** Services which would be provided free of charge in the absence of insurance.

If there is no generic drug equivalent for the prescribed drug, the copay is \$15. If the prescription is for a brand-name drug, or the prescription is written "dispense as written" and a generic equivalent exists, the copay is \$22.50. From July 1, 2001, the following copays for mail order prescriptions of ninety (90) days shall apply. For a generic drug the copay is \$10. If there is no generic drug equivalent for the prescribed drug, the copay is \$20. If the prescription is for a brand-name drug, or the prescription is written "dispense as written" and a generic equivalent exists, the copay is \$30. An employee must pay the full price for a prescription when the employee chooses not to use the mail order program as appropriate.**

ARTICLE 21 - OCSEA BENEFITS TRUST
~~QUALITY SERVICES THROUGH PARTNERSHIP~~

*The parties mutually agreed to move Quality Services Through Partnership to Article 14
OCSEA Benefits Trust has been moved and renumbered from Section 35.06
[Renumbering from Article 35 not shown as a change,
only additions or deletions shown as changes]*

21.01 Trust Governance

The OCSEA Benefits Trust (Trust) established on January 27, 1993, shall remain in effect for the duration of this Agreement for the purpose of offering dental, life, vision and other designated benefits to State Of Ohio bargaining unit employees and their dependents. With the concurrence of the State Trustee the Trust may also offer and administer benefits for non-state public sector employee participants provided that the Employer incurs no expense or liability as a result of such action.

The OCSEA Benefits Trust shall be governed by a Board of Trustees selected in accordance with the Trust Agreement executed on January 27, 1993, as amended from time to time. Trustees who are State employees in active pay status will receive time off with pay at their regular rate to participate in Trust meetings and conferences. The Management co-chair of the JHCC established pursuant to ~~this~~ Article 20, or an alternate designated by OCB, shall serve as a member of the Board of Trustees.

The Trustees shall be responsible for establishing rules, regulations, and definitions of eligibility concerning Trust-provided benefits for its participants and shall have fiduciary responsibility for the administration of the Trust pursuant to the Trust Agreement and the laws of the State of Ohio. The Trust shall have the right to establish contracts with administrators and carriers for benefits and other business purposes.

21.02 Trust Benefits for State Employees

The Trust shall offer dental, life, and vision benefits to eligible **full-time and part-time** employees upon an employee's completion of one (1) year of continuous State service. **Except as otherwise provided for in an agency specific agreement, beginning with the effective date of this Agreement all established term employees whose total state service from the employee's original date of hire is 26 pay periods or greater, will be eligible for benefits provided by the Trust. The Employer's contribution will cease on the employee's interruption date or termination date.** Trust dental benefits plans which are self-insured shall have the same coordination of benefits (COB) as applied to the Employer's self-insured health plan ~~as these provisions are described in Appendix R (A)(4) of the Agreement.~~

Explanation:

New language provides that established term employees may now be eligible for Trust benefits. In the past, because these employees had an annual interruption of service, the Employer did not consider them to have "one (1) year of continuous State service" as required to be eligible.

Where an agency specific agreement provides that certain established term employees received a reduced level of benefits, that agency specific agreement prevails over this language.

Attention: Agency Payroll & Personnel Officers and Agency Fiscal Officers; Staff Representatives, Union Officials.

Instructions: The payroll system will allow these employees to be eligible for Trust benefits once the employee has reached 366 days of service credit. For these employees total service will equal continuous service for Trust benefit eligibility. This does not convey continuous service for any other purpose.

Effective Date: March 1, 2000 – February 28, 2003

In the event a bargaining unit employee goes on extended medical disability or is receiving Workers' Compensation benefits, the Employer shall continue payments to the Trust pursuant to paragraph D below for the period of such disability, but not beyond ~~three (3)~~ **two (2)** years.

The Trust may provide other supplemental benefits to employees and their dependents at no direct cost to the Employer. **In no event shall the Trust provide Disability Gap Insurance designed to enhance the Disability Program agreed to in this Agreement.**

21.03 Payroll Deductions

~~To the extent feasible, the~~ Employer shall provide payroll deduction of premiums or fees for ~~supplemental~~ **voluntary** life insurance or other ~~supplemental~~ **voluntary** benefit programs established by the Trust.

21.04 Administrative Agreement Between the OCSEA Benefits Trust and the Employer

The July 1, 1993, implementation agreement between the Ohio Department of Administrative Services and the Trust, as amended effective March 1, ~~1997~~ **2000**, shall remain in effect unless and until the agreement is altered by mutual agreement between the Trust and the Employer. ~~The parties agree to explore the potential for jointly selecting and contracting with a vendor to provide administration of the respective COBRA programs, and may mutually agree to do so during the term of this Agreement. It is agreed that any decision regarding such COBRA arrangement will be reached by October 1, 1997.~~

21.05 Payments

Effective March 1, ~~1997~~ **2000, through June 30, 2001** and each month thereafter, the Employer shall transmit to the Trust an amount equal to \$41.50 ~~\$46.00 per~~ **\$46.00 per** for each bargaining unit ~~employee eligible to receive dental, life and vision benefits during that month plus~~ **employee, per month. Thereafter, on July 1, 2001, the amount transmitted per month per employee shall equal \$48.00. This amount shall continue until July 1, 2002, when the amount shall increase to the amount of \$50.00 continuing until further modification. The fund transmissions will include** the aggregate amount of the payroll deductions for voluntary programs administered by the Trust.

If financial analysis and projections reveal that the Trust will not be able to fund basic dental, life and vision benefits in effect ~~in December, 1997~~ **March 1, 2000**, at existing levels of Employer contribution, the parties shall re-open this Section of the Agreement upon thirty (30)

days written notice and meet and negotiate the level of Employer contribution to be effective not earlier than July 1, ~~1998~~ 2001.

Explanation: *New language reflects the increase in monthly benefit amounts to be paid to the Trust by the Employer for each employee.*

Attention: *Staff Representatives, Union Officials; Fiscal Officers.*

Instructions: *New amounts will be taken out for each bargaining unit employee automatically by the State Payroll Department. Please note: effective March 1, 2000, the amount transmitted to the Trust shall be \$46.00. Effective July 1, 2001, the amount transmitted to the Trust shall be \$48.00. Effective July 1, 2002, the amount transmitted shall be \$50.00.*

21.06 Non-Bargaining Unit Coverages for State Employees

The Employer may determine to place non-bargaining unit employees of the State in the Trust for purpose of dental, life, vision and other benefits administered by the Trust by providing not less than ninety (90) days advance written notice to the Trust . In the event such employees are placed in the Trust, they shall not be withdrawn for a period of two (2) years, and only upon not less than ninety (90) days advance written notice of such withdrawal. Non-bargaining unit employees shall not be placed in the Trust until the Employer and the Trust have agreed upon Employer contributions to the Trust for such non-bargaining unit employees and applicable administrative procedures for such transition and reasonable administrative fees to be paid to the Trust.

In order to minimize the administrative inconvenience to the Employer and such employees as a result of the employees being required to change insurance carriers and benefits administrators due to transition in or out of bargaining unit through promotion, transfer or otherwise, the Employer shall, to the extent possible, utilize the same vendors as are selected by the Trust for such benefits, providing such vendors provide services to the Employer on terms no less favorable than for the Trust. The Trust will cooperate with the Employer to the extent feasible in this regard.

ARTICLE 22 - PERFORMANCE EVALUATION

22.01 - Use

The Employer may use performance evaluations pursuant to the Ohio Administrative Code Chapter 123:1-29, except as modified by this Article. All Agencies shall use the performance evaluation form developed in January of 1988, which may be revised periodically after consultation with the Union. If an Agency chooses to use a performance evaluation instrument different than that utilized by the Department of Administrative Services, it shall consult with the Union prior to implementing the new instrument.

Effective July 1, 2001, all non-probationary employees shall be given an employee performance evaluation during the sixty (60) day period immediately preceding the employee's next step increase. Those employees who are at top step shall be evaluated annually, thereafter.

Employee performance evaluations shall be used for all purposes for which employee evaluations are normally used, including but not limited to, merit based incentive programs designed to award employees for specific form of job performance. The performance evaluation shall include a summary conclusion section for the supervisor to rate the employee's overall performance as either "satisfactory" or "unsatisfactory".

Explanation:

The new language was recommended by the Factfinder to address the Employer's concern that unsatisfactory employees are rewarded for service just the same as satisfactory employees are rewarded. This section should be read in conjunction with §36.03 which allows the Employer to deny a step increase to an employee who's overall rating is unsatisfactory. A step increase may not be denied if the performance evaluation is not completed on time.

Attention:

Agency Directors, Supervisors and Managers; Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.

Instruction:

Supervisors must complete employee performance evaluations on time. If an Agency wishes to deviate from the standard performance evaluation form provided by DAS, the Agency should prepare and process a new instrument using the same procedures as those utilized to promulgate a new work rule. The Union should be given notice of the change, furnished with a copy of the change and be provided an opportunity to provide input on the proposed change. It is not necessary to negotiate such a change, nor is it necessary to gain agreement or concurrence.

22.02 - Limits

Measures of employee performance obtained through production and/or numerical quotas shall be a criterion applied in evaluating performance. Numerical quotas or production standards, when used, shall be reasonable and not arbitrary or capricious.

Performance evaluations shall not be a factor in layoffs.

Employees shall receive and sign a copy of their evaluation forms after all comments, remarks and changes have been noted. A statement of the employee's objection to an evaluation or comment may be attached and put in the personnel file. **Employee are not entitled to union representation during performance reviews.**

Explanation: *The new language recognizes the fact that "performance reviews are performance reviews, not discipline."*

Attention: *Agency Directors, Supervisors and Managers; Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.*

Instruction: *The Employer may conduct a performance review without the presence of a union representative. If the employee refuses to attend the review without a union representative, the Employer should have another employee witness the fact that the employee refuses to conduct the review without a Union representative. The second employee should write a statement to this effect. The Employer representative should then attach the witness' statement and his/her own statement to the review.*

22.03 - Appeals

An employee may appeal his/her performance evaluation, by submitting a "Performance Evaluation Review Request" to the ~~Agency~~ **Management** designee (other than the Employer representative who performed the evaluation) within seven (7) days after the employee received the completed form for signature. A conference shall be scheduled within seven (7) working days and a written response submitted within seven (7) working days after the conference.

~~In agencies with multiple Appointing Authorities, the employee may request an additional review with the Agency Head or designee. The conference must be held within seven (7) days of the request and the Agency's written reply shall be completed within seven (7) days of the conference.~~

If the employee is still not satisfied with the response, the employee may appeal his/her performance evaluation to the Agency designee (e.g., Human Resources, Labor Relations).

This level of appeal shall not be available to any employee who has received a rating of "Meets" or "Above", in all categories.

The appeal shall contain a reason and/or documents to identify why the performance evaluation is not accurate. Any documents used by the Employer in evaluating an employee's performance shall be furnished by the Employer to the employee upon request. The Agency designee may hold a conference or do a paper review of the performance evaluation. A written response will be issued within fourteen (14) calendar days after the appeal is requested. The performance evaluation appeal process is not grievable, except as outlined below:

If an employee is denied a step increase because his/her overall performance is rated "unsatisfactory," the employee may appeal such action directly to Step Three (3) of the Grievance Procedure. If the grievance is unresolved at Step Three

(3), appeal may be taken to Step Four (4) of the Grievance Procedure, The Office of Collective Bargaining. No further appeal may be taken. Should the appeal be successful, the step increase shall be retroactive to the date on which it was due.

Explanation:

The new language was recommended by the Factfinder to clarify the performance evaluation appeal process. There are three tracks to the performance evaluation appeal process:

A) Employee receives an overall performance rating of “satisfactory,” receives “Meets” or “Above” ratings in all categories, but is still dissatisfied with his/her performance evaluation.

Steps:

1) Employee appeals the performance review to the Management Designee within seven (7) working days of receiving the evaluation.

2) A conference is scheduled to be held within seven (7) working days of Management’s receipt of the appeal.

3) Management submits its response to the employee within seven (7) days of the appeal conference. Management’s response is final. This decision is not grievable.

B) Employee receives an overall rating of “satisfactory,” but receives one or more “Below” ratings on the evaluation.

Steps 1 – 3 are the same as above.

4) The employee may file an appeal with the Agency designee, complete with a reason and/or documents outlining why the performance evaluation is not correct.

5) The Agency designee may hold a conference or do a paper review of the information submitted with the appeal.

6) The Agency designee shall issue a written decision within fourteen (14) days after the appeal is made. This decision is not grievable.

C) Employee receives an overall rating of “unsatisfactory” on his performance evaluation and is denied a Step Increase.

Steps:

1) Employee may file a grievance directly at Step Three (3) of the Grievance Procedure. Timelines and procedures for responding to the grievance are as outlined in Article 25.

2) If the grievance is unresolved at Step Three (3), the Union may appeal the grievance to Step Four (4), the Office of Collective Bargaining. Timelines and procedures for responding to the grievance are as outlined in Article 25. The decision of the Office of Collective Bargaining shall be final.

3) If the appeal is successful and the employee’s overall rating is changed to “satisfactory,” the employee shall be granted the Step Increase retroactive to the date it was due.

Attention:

Agency Directors, Supervisors and Managers; Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.

ARTICLE 23 - PERSONNEL RECORDS

23.01 - Personnel Files

~~An employee's official personnel file will contain all matters required by the Ohio Revised Code and will be maintained within the Division of Personnel of the Department of Administrative Services in Columbus.~~ **The Department of Administrative Services shall retain only such records it deems necessary for auditing purposes in order to support payroll and personnel actions.** All other matters pertaining to an employee will be retained within the Agency for which the employee works. In the case of employees working for the Department of Administrative Services, all other matters pertaining to an employee will be retained within ~~the Division of Personnel~~ **Employee Services** of the Department of Administrative Services.

~~Except as may be specifically provided otherwise by law, only materials maintained in an employee's official personnel file shall be available to the public.~~

~~Inmates, clients, residents, and youth shall not have access to employee personnel files, disciplinary records and grievance records located at the institutions.~~

Employee personnel files, disciplinary records, and grievance records located at institutions shall be maintained in a manner that does not provide access to inmates, residents and youths.

Explanation:

New language requires the Department of Administrative Services to retain records for auditing purposes. New language also requires institution to maintain certain files in a manner that prevents inmates, residents and youths from having access to the files.

Attention:

Agency Labor Relations Officers; Agency Legal Counsel; Department of Administrative Services, Human Resources Division.

Instructions:

Confer with Agency Legal Counsel and/or DAS Legal Counsel through the OCB Labor Relations Specialist if a question of confidentiality of personnel file information arises for bargaining unit personnel.

23.02 - Review of Personnel Files

Employees and/or their authorized union representatives shall have the reasonable right to review the contents of their personnel files. Employees shall have access to all materials in their files except those prohibited by ORC Section 1347.08 (C). Such review may be made during normal working hours. Employees who are not normally scheduled to work when the Personnel Office is open may request to review their files through their supervisor. The supervisor will make the file available in a reasonable amount of time. Reasonable requests to provide one copy of documents in the files shall be honored at no charge.

~~No persons except those authorized by the employee and those whose job entails access to personnel files shall be permitted to review employees' personnel files, except as required by the Ohio Revised Code.~~

The employee's personnel file shall not be made available to any organization or person other than the Employer or its agents, without the employee's written authorization unless

pursuant to court order, subpoena, or request made pursuant to the Ohio Public Records Act.

Explanation: *New language clarifies that records will not be made available to any organization or persons without the employee's written authorization unless the request is made pursuant to a court order, subpoena or Ohio Public Records Act.*

Attention: *Agency Personnel; Agency Labor Relations Officers; Department of Administrative Services, Human Resources Division.*

Instructions: *Contact OCB Labor Relations Specialist for assistance if needed.
NOTE: One copy of documents for the employee is free of charge. Other copies should be charged per agency policy.*

23.03 - Employee Notification

A copy of any material to be placed in an employee's personnel file that might lead to disciplinary action or negatively affect an employee's job security or advancement shall be provided to the employee. If material is placed in an employee's personnel file without following this procedure, the material will be removed from the file ~~and returned to the employee~~ at his/her request. Such material cannot be used in any disciplinary proceeding. An employee can place documents relevant to his/her work performance in his/her personnel file.

Explanation: *Deleted language required that negative material placed in an employee's personnel file without the employee's knowledge be returned to the employee. This change simply requires that the negative material be removed from the file; the material does not have to be returned to the employee.*

Attention: *Agency Personnel; Agency Labor Relations Officers; Department of Administrative Services, Human Resources Division.*

ARTICLE 24 – DISCIPLINE

24.01 - Standard

Disciplinary action shall not be imposed upon an employee except for just cause. The Employer has the burden of proof to establish just cause for any disciplinary action. In cases involving termination, if the arbitrator finds that there has been an abuse of a patient or another in the care or custody of the State of Ohio, the arbitrator does not have authority to modify the termination of an employee committing such abuse. Abuse cases which are processed through the Arbitration step of Article 25 shall be heard by an arbitrator selected from the separate panel of abuse case arbitrators established pursuant to Section 25.04. Employees of the Lottery Commission shall be governed by O.R.C. Section 3770.02(1).

24.02 - Progressive Discipline

The Employer will follow the principles of progressive discipline. Disciplinary action shall be commensurate with the offense.

Disciplinary action shall include:

A. one or more oral reprimand(s) (with appropriate notation in employee's file);

B. one or more written reprimand(s);

C. **working suspension;**

~~D.~~ **a one or more fines in an amount not to exceed of one (1) to five (5) days, the first fine for an employee shall not exceed three (3) days pay; for any form of discipline; to be implemented only after approval from OCB;**

~~E.~~ one or more day(s) suspension(s);

F. termination

~~Disciplinary action taken may not be referred to in an employee's performance evaluation report. The event or action giving rise to the disciplinary action may be referred to in an performance evaluation report without indicating the fact that disciplinary action was taken. Disciplinary action shall be initiated as soon as reasonably possible consistent with the requirements of the other provisions of this Article. An arbitrator deciding a discipline grievance must consider the timeliness of the Employer's decision to begin the disciplinary process.~~

The deduction of fines from an employee's wages shall not require the employee's authorization for withholding of fines.

If a bargaining unit employee receives discipline which includes lost wages or fines, the Employer may offer the following forms or corrective action:

- 1. Actually having the employee serve the designated number of days suspended without pay; or pay the designated fine or;**
- 2. Having the employee deplete his/her accrued personal leave, vacation, or compensatory leave banks of hours, or a combination of any of these banks under such terms as may be mutually agreed to between the Employer, employee, and the Union.**

Explanation:

Working suspensions have been added to the list of types of discipline. A working suspension is noted as a suspension on the employee's discipline record, but the employee does not miss work and receives pay for the time worked. For purposes of progressive discipline, a working suspension shall be treated the same as a suspension in which the employee does not work or receive pay.

Disciplinary fines of one (1) to five (5) days pay may be issued as a method of imposing discipline for any type of infraction. Fines may not be imposed in increments of less than one (1) day. An employee may not be fined more than three (3) days' pay for his/her first fine. Changes to this section eliminate the OCB review of fines.

New language in this section gives the Employer the option to offer alternatives to an employee in lieu of the employee's paying a fine or serving a suspension without pay. The Employer may allow the employee the option of having his/her leave banks depleted the number of hours equal to the fine or suspension. The fact that the Employer offers and/or the employee accepts the offer to use one of these alternatives does not alter the record of discipline. For example, if the employee was given a five-day fine and chooses to forfeit five (5) days of vacation rather than forfeit the pay, the employee's discipline record shall still reflect a five-day fine. The option of whether to offer one of these alternatives is solely within the Employer's discretion.

Attention: Agency Directors; Agency Labor Relations and Personnel Officers.

Instructions: Agencies will conduct a pre-disciplinary conference and will have to meet the same burden of proof as in any other discipline when imposing a fine or working suspension.

Effective Date:

24.03 - Supervisory Intimidation

An Employer representative shall not use the knowledge of an event giving rise to the imposition of discipline to intimidate, harass or coerce an employee.

In those instances where an employee believes this section has been violated, he/she may file a grievance, including an anonymous grievance filed by and processed by the Union in which the employee's name shall not be disclosed to the Employer representative allegedly violating this section, unless the Employer determines that the Employer representative is to be disciplined.

The Employer reserves the right to reassign or discipline Employer representatives who violate this section.

Knowingly making a false statement alleging patient abuse when the statement is made with the purpose of incriminating another will subject the person making such an allegation to possible disciplinary action.

24.04 - Pre-Discipline

An employee shall be entitled to the presence of a union steward at an investigatory interview upon request and if he/she has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her.

An employee has the right to a meeting prior to the imposition of a suspension, a fine, **leave, reduction, working suspension, demotion** or termination. The employee may waive this meeting, which shall be scheduled no earlier than three (3) days following the notification to the employee. Absent any extenuating circumstances, failure to appear at the meeting will result in a waiver of the

right to a meeting. An employee who is charged, or his/her representative, may make a written request for a continuance of up to 48 hours. Such continuance shall not be unreasonably denied. A continuance may be longer than 48 hours if mutually agreed to by the parties. Prior to the meeting, the employee and his/her representative shall be informed in writing of the reasons for the contemplated discipline and the possible form of discipline. When the pre-disciplinary notice is sent, the Employer will provide a list of witnesses to the event or act known of at that time and documents known of at that time used to support the possible disciplinary action. If the Employer becomes aware of additional witnesses or documents that will be relied upon in imposing discipline, they shall also be provided to the Union and the employee. The Employer representative recommending discipline shall be present at the meeting unless inappropriate or if he/she is legitimately unable to attend. The Appointing Authority's designee shall conduct the meeting. The Union and/or the employee shall be given the opportunity to ask questions, comment, refute or rebut.

At the discretion of the Employer, in cases where a criminal investigation may occur, the pre-discipline meeting may be delayed until after disposition of the criminal charges.

24.05 - Imposition of Discipline

The Agency Head or designated Deputy Director or equivalent shall make a final decision on the recommended disciplinary action as soon as reasonably possible but no more than forty-five (45) days after the conclusion of the pre-discipline meeting. At the discretion of the Employer, the forty-five (45) day requirement will not apply in cases where a criminal investigation may occur and the Employer decides not to make a decision on the discipline until after disposition of the criminal charges.

The employee and/or union representative may submit a written presentation to the Agency Head or Acting Agency Head.

If a final decision is made to impose discipline, the employee and Union shall be notified in writing. The OCSEA Chapter President shall notify the agency head in writing of the name and address of the Union representative to receive such notice. Once the employee has received written notification of the final decision to impose discipline, the disciplinary action shall not be increased.

Disciplinary measures imposed shall be reasonable and commensurate with the offense and shall not be used solely for punishment.

The Employer will not impose discipline in the presence of other employees, clients, residents, inmates or the public except in extraordinary situations which pose a serious, immediate threat to the safety, health or well-being of others.

An employee may be placed on administrative leave or reassigned while an investigation is being conducted except that in cases of alleged abuse of patients or others in the care or custody of the State of Ohio, the employee may be reassigned only if he/she agrees to the reassignment.

Arbitration Awards:

#658

Arbitrator Smith: Grievant Rand Speer; DR&C, 8/30/91. In examining procedural issues, the Arbitrator ruled that a final decision had to be made within 45 days, not that discipline had to be imposed within that time. There are other decisions regarding this matter and at least one states the discipline must be issued within the specified time frame. However, OCB holds the position espoused by Arbitrator Smith.

#670 *Arbitrator Smith: Grievant Michael Ward; DR&C, 9/17/91. In examining procedural issues the Arbitrator held that the Grievant's failure to appear during the pre-disciplinary hearing did not deprive him of a fair consideration of his case.*

#1416 *Arbitrator Brookins: Grievant Shelli Jackson; DYS, 12/19/99. Arbitrator Brookins held that the Employer's violation of the 45-day time limit required that the discipline be reduced. He reduced the grievant's fifteen (15) day suspension to an eleven (11) day suspension.*

#1417 *Arbitrator Stein: Grievant George Motley; OCRC, 01/03/00. Arbitrator Stein held that the Employer's violation of the 45-day time limit completely negated the Employer's ability to terminate the grievant. He ordered that the grievant be reinstated with full back-pay and benefits.*

Explanation: *Allows the Agency Head to delegate the responsibility for signing disciplinary action.*

Attention: *Agency Directors; Agency Labor Relations, Personnel and Human Resources Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.*

Instructions: *Each Agency should identify those persons designated by the Director as being delegated the authority to sign disciplinary action. Each agency must inform the Union of the designee.*

24.06 - Prior Disciplinary Actions

All records relating to oral and/or written reprimands will cease to have any force and effect and will be removed from an employee's personnel file twelve (12) months after the date of the oral and/or written reprimand if there has been no other discipline imposed during the past twelve (12) months.

Records of other disciplinary action will be removed from an employee's file under the same conditions as oral/written reprimands after twenty-four (24) months if there has been no other discipline imposed during the past twenty-four (24) months.

The retention period may be extended by a period equal to employee leaves of fourteen (14) consecutive days or longer, except for approved periods of vacation leave.

24.07 - Polygraph Stress Tests

No employee shall be required to take a polygraph, voice stress or psychological stress examination as a condition of retaining employment, nor shall an employee be subject to discipline for the refusal to take such a test.

24.08 - Drug Testing

The Employer may randomly test, for drugs and alcohol, employees who have direct contact with inmates or youths, in the Departments of Rehabilitation and Correction and Youth Services **and for all employees in classifications listed in Appendix M.**

Unless mandated by federal law or regulation, there will be no random drug testing of employees covered by this Agreement, except as otherwise specified in this Agreement. A listing of PCNs and the names of employees shall be provided to the Union one (1) month after this Agreement is effective. Thereafter, the list shall be provided to the Union representative designated by the Executive Director, two (2) times each year. Any drug or alcohol testing shall be conducted pursuant to Appendix M.

Explanation: *This section establishes a random drug testing program for certain employees of DR&C and DYS, and employees in Safety Sensitive Positions as listed in Appendix M. The list of PCN's and names of employees to be randomly tested shall be provided to the Union twice each year.*

Attention: *Agency Directors; Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Personnel Services.*

Instructions: *Questions regarding random drug testing for bargaining unit employees should be submitted to of the DAS/HRD Office of Policy Development.*

Effective Date: *Testing of employees in Safety Sensitive Positions shall not begin until such time as these employees are notified of this contract provision and are trained on random drug testing procedures.*

24.09 - Employee Assistance Program

In cases where disciplinary action is contemplated and the affected employee elects to participate in an Employee Assistance Program, the disciplinary action may be delayed until completion of the program. Upon notification by the Ohio EAP case monitor of successful completion of the program under the provisions of an Ohio EAP Participation Agreement, the Employer will meet and give serious consideration to modifying the contemplated disciplinary action. Participation in an EAP program by an employee may be considered in mitigating disciplinary action only if such participation commenced within five (5) days of a pre-disciplinary meeting or prior to the imposition of discipline, whichever is later. Separate disciplinary action may be instituted for offenses committed after the commencement of an EAP program.

ARTICLE 25 - GRIEVANCE PROCEDURE

25.01 - Process

- A. A grievance is defined as any difference, complaint or dispute between the Employer and the Union or any employee regarding the application, meaning or interpretation of this Agreement. The grievance procedure shall be the exclusive method of resolving grievances. No employee who has rights to final and binding arbitration of grievances, including disciplinary actions, may file any appeal with the State Personnel Board of Review nor may such Board receive any such appeal.
- B. Grievances may be processed by the Union on behalf of a grievant or on behalf of a group of grievants or itself setting forth the name(s) or group(s) of the grievant(s). The Union shall define the members of a group grievance by the Step Three (3) grievance meeting, unless the Union provides evidence that specific and relevant information has been denied which prevents them from defining the group. Either party may have the grievant (or one grievant representing group grievants) present at any step of the grievance procedure and the grievant is entitled to union representation at every step of the grievance procedure.
- Probationary employees shall have access to this grievance procedure except those who are in their initial probationary period shall not be able to grieve disciplinary actions or removals.
- C. The word "day" as used in this article means calendar day and days shall be counted by excluding the first and including the last day. When the last day falls on a Saturday, Sunday or holiday, the last day shall be the next day which is not a Saturday, Sunday or holiday.
- D. When different work locations are involved, transmittal of grievance appeals and responses shall be by U.S. mail. The mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period. The Employer will make a good faith effort to insure confidentiality.
- E. Grievances shall be presented on forms mutually agreed upon by the Employer and the Union and furnished by the Employer to the Union in sufficient quantity for distribution to all stewards. Forms shall also be available from the Employer.
- F. It is the goal of the parties to resolve grievances at the earliest possible time and the lowest level of the grievance procedure. Where the parties mutually agree, telephone and/or teleconferencing is an acceptable option for the purpose of conducting grievance meetings.
- G. Oral reprimands shall be grievable through Step Two (2) Written reprimands shall be grievable through Step Three (3). If an oral or written reprimand becomes a factor in **the first subsequent** disciplinary grievance that goes to arbitration, the arbitrator may consider evidence regarding the merits of the oral or written reprimand. **Any grievance of which an oral or written reprimand is an element of the claim shall not be arbitrable in accordance with this subsection.**

Explanation:

The new language clarifies that the merits of an oral and/or written reprimand may only be addressed during the arbitration of the first disciplinary grievance that is subsequent to the oral and/or written reprimand. If the oral and/or written reprimand is not grieved at the time it is issued, the Grievant may not raise the merits of the reprimand at any subsequent disciplinary grievance proceeding. For example: Grievant is

issued a written reprimand for tardiness. He files a grievance on the written reprimand that is denied through Step 3. Grievant then receives a three-day suspension for tardiness. Grievant may raise the merits of the written reprimand at the arbitration of his three-day suspension. Grievance is then denied. Grievant receives a five-day suspension for tardiness. Grievant MAY NOT raise the merits of the written reprimand during the arbitration of the five-day suspension.

Attention: Agency Labor Relations Officers, Arbitration Advocates, Supervisors, Managers.

H. ~~As~~ Settlement agreements that require payment or other compensation shall be initiated for payment within two payroll periods following the date the settlement agreement is fully executed. **If payment is not received within three (3) pay periods, interest at the rate of one percent (1%) shall accrue commencing the first day after the payment was due, and on the same date of subsequent months.**

Explanation: The new language allows the Grievant to collect interest on payments of settlement agreements which are not received within three (3) pay periods of when the payment was due.

Attention: Agency Labor Relations Officers, Fiscal Officers, Personnel Officers, Payroll Officers

Instructions: The Union and the Employer may mutually agree to eliminate the accrual of interest to settle a grievance when unusual circumstances might prevent the settlement payment being paid within three (3) pay periods. One unusual circumstance might be if the Employer must seek approval from its controlling board for a large settlement. To eliminate the accrual of interest, the parties should specifically waive the interest provision in the settlement agreement.

I. The receipt of a grievance form or the numbering of a grievance does not constitute a waiver of a claim of a procedural defect.

25.02 - Grievance Steps

NOTE: MOVED FROM BELOW

~~Suspension, Discharge and Other~~ **Layoff, Discipline and Other Advance-Step Grievances**

Certain issues which by their nature cannot be settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps may by mutual agreement be filed at the appropriate advance step where the action giving rise to the grievance was initiated. A grievance involving a ~~suspension or a discharge~~ **layoff**

or a discipline shall be initiated at Step Three (3) of the grievance procedure within fourteen (14) days of notification of such action.

Discharge Grievances

The Agency shall forward a copy of the grievance with the grievance number to the Office of Collective Bargaining at the time the grievance is filed at Step Three (3). The Agency shall conduct a meeting and respond within sixty (60) days of the date the grievance was filed at Step Three (3). If the grievance is not resolved at Step Three (3), the parties shall conduct a mediation within sixty (60) days of the due date of the Step Three (3) response. Nothing in this Section precludes either party from waiving mediation and proceeding directly to arbitration. The Union may request arbitration of the grievance within sixty (60) days of the date of the mediation, but no more than one hundred eighty (180) days from the filing of the grievance. The parties shall conduct an arbitration within sixty (60) days of the date of the arbitration request. The parties agree that there shall be no more than one thirty (30) day continuance requested for arbitration. If a cancellation is initiated by an arbitrator, the arbitration shall be conducted within thirty (30) days of the date of the cancellation. However, grievances involving criminal charges of on duty actions of the employee, grievants who are unable to attend due to a disability, or grievances that involve an unfair labor practice charge, may exceed the time limits prescribed herein.

This process shall be utilized for all discharge grievances filed on or after July 1, 2000. In January of 2002, the Employer may request a hearing with Fact-Finder Harry Graham to determine whether mitigation of back pay is warranted.

The parties are committed to resolve all discharge grievances filed prior to July 1, 2000, by April 2001.

Explanation:

The new language provides for a separate procedure to be followed for all discharge grievances filed after July 1, 2000. The parties shall have eighteen (18) months from July 1, 2000, to bring their procedures in compliance with the new timelines. If the Union consistently fails to meet the timelines during this period, thus causing the Employer to incur more backpay liability, the Employer may request an interest arbitration with Factfinder Graham to determine whether pack-pay should cease after the 240th day after removal.

Attention:

Agency Labor Relations Officers, Office of Collective Bargaining, Dispute Resolution Schedulers, Labor Relations Specialists.

Instructions:

Agency Labor Relations Officers must forward a copy of a discharge grievance to OCB as soon as the grievance is filed.

Agency Labor Relations Officers have sixty (60) days within which to hold and respond to a Step 3 appeal.

Discharge grievances shall be automatically mediated within 120 days of the date the grievance was filed. Either party may waive mediation.

The Union must make a Request for Arbitration within 60 days after mediation, but no later than 180 days after the filing of the grievance. Grievances not appealed to arbitration within this time frame shall be treated as withdrawn.

The parties will arbitrate discharge grievances within 60 days of the Request for Arbitration.

Only one 30-day extension shall be granted for arbitration.

Agencies should conduct a thorough investigation prior to terminating an employee. Because of the reduced timeline for termination grievances, the Agency should prepare the termination as if it were preparing for arbitration.

The Employer and the Union have agreed to a deadline of April 1, 2001, to resolve the backlog of grievances filed prior to July 1, 2000.

The OCB Dispute Resolution section will keep track of all delays in processing discharge grievances to determine whether or not the Union consistently fails to meet the new timelines. Please notify your OCB Labor Relations Specialist of all delays and/or continuances.

Step One (1) - Immediate Supervisor

The grievant and/or the Union shall orally raise the grievance with the grievant's supervisor who is outside of the bargaining unit. The supervisor shall be informed that this discussion constitutes the first step of the grievance procedure. All grievances must be presented not later than ten (10) working days from the date the grievant became or reasonably should have become aware of the occurrence giving rise to the grievance not to exceed a total of thirty (30) days after the event. If being on approved paid leave prevents a grievant from having knowledge of an occurrence, then the time lines shall be extended by the number of days the employee was on such leave except that in no case will the extension exceed sixty (60) days after the event. The immediate supervisor shall render an oral response to the grievance within three (3) working days after the grievance is presented. If the oral grievance is not resolved at Step One (1), the immediate supervisor shall prepare and sign a written statement acknowledging discussion of the grievance, and provide a copy to the Union and the grievant.

NOTE: MOVED TO ABOVE

~~Suspension, Discharge and Other Advance Step Grievances~~

~~Certain issues which by their nature cannot be settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps may by mutual agreement be filed at the appropriate advance step where the action giving rise to the grievance was initiated. A grievance involving a suspension or a discharge shall be initiated at Step Three (3) of the grievance procedure within fourteen (14) days of notification of such action.~~

Step Two (2) - Intermediate Administrator

In the event the grievance is not resolved at Step One (1), a legible copy of the grievance form shall be presented in writing by the Union to the intermediate administrator or his/her designee within five (5) days of the receipt of the Step One (1) answer or the date such answer was due, whichever is earlier. The written grievance shall contain a statement of the grievant's complaint, the section(s) of the Agreement allegedly violated, if applicable, the date of the alleged violation and the relief sought. The form shall be signed and dated by the grievant. Within seven (7) days after the grievance is presented at Step Two (2), the intermediate administrator shall discuss the grievance with the Union and the grievant. The intermediate administrator shall render a written answer to the grievance within eight (8) days after such a discussion is held and provide a copy of

such answer and return a legible copy of the grievance form to the grievant and a copy to one representative designated by the Union.

Step Three (3) - Agency Head or Designee

If the grievance is still unresolved, a legible copy of the grievance form shall be presented by the Union to the Agency Head or designee in writing within ten (10) days after receipt of the Step Two (2) response or after the date such response was due, whichever is earlier. Within fifteen (15) days after the receipt of the written grievance, the parties shall meet in an attempt to resolve the grievance unless the parties mutually agree otherwise. By mutual agreement of the parties, agencies may schedule Step Three (3) meetings on a monthly basis, by geographic areas, so that all grievances that have been newly filed, that have been advanced to Step Three (3) or that have been continued since the previous month, can be heard on a regular basis.

At the Step Three (3) meeting the grievance may be settled or withdrawn, or a response shall be prepared and issued by the Agency Head or designee, within thirty-five (35) days of the meeting. The response will include a description of the events giving rise to the grievance, the rationale upon which the decision is rendered. The Agency may grant, modify or deny the remedy requested by the Union. Any grievances resolved at Step Three (3) or at earlier steps shall not be precedent setting at other institutions or agencies unless otherwise agreed to in the settlement. The response shall be forwarded to the grievant and a copy will be provided to the Union representative who was at the meeting or one who is designated by the Local Chapter. Additionally, a copy of the answer will be forwarded to the Union's Central Office. This response shall be accompanied by a legible copy of the grievance form.

Step Four (4) - Mediation/Office of Collective Bargaining

If the Agency is untimely with its response to the grievance at Step Three (3), absent a mutually agreed to time extension, the Union may appeal the grievance to Step Four (4) requesting a meeting by filing a written appeal and a legible copy of the grievance form to the Deputy Director of the Office of Collective Bargaining within fifteen (15) days of the date of the due date of the Step Three (3) answer. Upon receipt of a grievance, as a result of a failure to meet time limits-by the agency, OCB shall schedule a meeting with the Staff representative and a Chapter representative within thirty (30) days of receipt of the grievance appeal in an attempt to resolve the grievance unless the parties mutually agree otherwise. Within thirty-five (35) days of the OCB meeting, OCB shall provide a written response which may grant, modify or deny the remedy being sought by the Union. The response will include the rationale upon which the decision is rendered and will be forwarded to the grievant, the Union's Step Three (3) representative(s) who attend the meeting and the OCSEA Central Office. ~~(NOTE: This was previously the second paragraph.)~~

If the grievance is not resolved at Step Three (3), or if the Agency is untimely with its response to the grievance at Step Three (3), absent any mutually agreed to time extension, the Union may appeal the grievance to mediation by filing a written appeal and a legible copy of the grievance form to the Deputy Director of the Office of Collective Bargaining within fifteen (15) days of the receipt of the answer at Step Three (3) or the due date of the answer if no answer was given, whichever is earlier. OCB shall have sole management authority to grant, modify or deny the grievance at Steps Four (4) and Five (5).

Either the Office of Collective Bargaining or the Union may advance a grievance directly from Step ~~Three (3)~~ Four (4) to Step Five (5) if that party believes that mediation would not be useful in resolving the dispute.

The parties shall mutually agree to a panel of at least five (5) persons to serve in the capacity of grievance mediators. The procedure for selecting this panel shall be the same as set forth in Section

25.04 for the selection of arbitrators. No mediator/arbitrator shall hear a case at both mediation and arbitration. The fees and expenses of the mediator shall be shared equally by the parties.

The mediator(s) may employ all of the techniques commonly associated with mediation, including private caucuses with the parties. The taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation is to reach a mutually agreeable resolution of the dispute where possible and there will be no procedural constraints regarding the review of facts and arguments. Written material presented to the mediator will be returned to the party at the conclusion of the mediation meeting. The comments and opinions of the mediator, and any settlement offers put forth by either party shall not be admissible in subsequent arbitration of the grievance nor be introduced in any future arbitration proceedings.

If a grievance remains unresolved at the end of the mediation meeting, the mediator will provide an oral statement regarding how he/she would rule in the case based on the facts presented to him/her.

The disposition of grievances discussed during the mediation meeting will be listed by the representative from the Office of Collective Bargaining on a form mutually agreed to by the parties. A copy of the summary shall be provided to the Union within five (5) days.

The parties will consolidate cases for mediation and, whenever possible, schedule the mediation meetings at decentralized locations. A Union staff representative, grievant and a steward or chapter president as designated by the Union may be present at the mediation of a grievance. No more than two (2) of the Union representatives present including the grievant may be on paid leave by the Employer. Each party may have no more than three (3) representatives present at the mediation of a grievance.

Explanation: *The changes to this section clarify that OCB has sole authority to grant, modify, or deny a grievance at Steps 4 and 5. The Union or OCB may move a grievance from Step 4 to Step 5 without mediation.*

Attention: *Agency Labor Relations Officers, Office of Collective Bargaining.*

Step Five (5) - Arbitration

Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by the Union by providing written notice to the Deputy Director of the Office of Collective Bargaining within sixty (60) days of the mediation meeting or the postmarked date of the mediation waiver **but no longer than ninety (90) days from the Step Three (3) response. The agencies shall send a copy of the Step Three (3) responses to the OCSEA central office and to the union representative who was at the Step Three (3) meeting or one who is designated by the local chapter.**

Explanation: *The new language requires the Union to make a Request for Arbitration within sixty (60) days of mediation, but no longer than ninety (90) days from the Step Three (3) response. The parties are forced to take action on grievances that have not been mediated.*

New language clarifies that the Agency is required to forward a copy of the Step Three (3) response to the OCSEA central office and to the union representative who was present at the Step Three (3) meeting.

Attention: *Agency Labor Relations Officers, Office of Collective Bargaining.*

25.03 - Arbitration Procedures

The parties agree to attempt to arrive at a joint stipulation of the facts and issues to be submitted to the arbitrator.

The Union and/or Employer may make requests for specific documents, books, papers or witnesses reasonably available from the other party and relevant to the grievance under consideration. Such requests will not be unreasonably denied.

The Employer or Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Such requests shall be made no later than three work days prior to the start of the arbitration hearing, except under unusual circumstances where the Union or the Employer has been unaware of the need for subpoena of such witnesses or documents, in which case the request shall be made as soon as practicable. Each party shall bear the expense of its own witnesses who are not employees of the Employer.

Questions of arbitrability shall be decided by the arbitrator. Once a determination is made that a matter is arbitrable, or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The expenses and fees of the arbitrator shall be shared equally by the parties.

The decision and award of the arbitrator shall be final and binding on the parties. The arbitrator shall render his/her decision in writing as soon as possible, but no later than ~~thirty (30)~~ **forty-five (45)** days after the conclusion of the hearing, unless the parties agree otherwise.

Only disputes involving the interpretation, application or alleged violation of a provision of the Agreement shall be subject to arbitration. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, nor shall he/she impose on either party a limitation or obligation not specifically required by the expressed language of this Agreement.

If either party desires a verbatim record of the proceeding, it may cause such a record to be made provided it pays for the record. If the other party desires a copy, the cost shall be shared.

Explanation: *The time limit in which an arbitrator may render a decision was extended to coincide with the time limits outlined in Arbitrators' personal services contracts.*

Attention: *Agency Labor Relations Officers, Office of Collective Bargaining, Arbitration Advocates, Dispute Resolution Schedulers.*

Instructions: *Advocates should inform the Dispute Resolution Schedulers of due dates for briefs so that the Scheduler can calculate the deadline for the decision.*

25.04 - Arbitration/Mediation Panels

The parties agree that a panel of no less than ten (10) arbitrators shall be selected to hear arbitration cases covered under this Agreement, except that all disciplinary grievances in which the discipline is the result of alleged abuse of a patient or another in the care or custody of the State of Ohio shall be submitted to a separate panel of five (5) arbitrators selected from the main arbitration panel.

The procedure for selecting the panels shall be as follows:

1. The parties will make an attempt to mutually agree on panel members.
2. If mutual agreement cannot be reached on the required number of arbitrators and mediators, then the remaining number will be selected by the following procedure: The parties shall request from the American Arbitration Association a list of at least twice plus one the number of arbitrators needed. The parties shall then alternately strike names until the proper number remains.
3. Either party may eliminate up to two (2) arbitrators or two (2) mediators from the respective panels during each year of the Agreement.
4. In replacing the arbitrators that were eliminated from the panel, the procedure enumerated in (1) and (2) above shall be used. Any arbitrator or mediator eliminated may not be placed back on the panel. The panel shall expire upon expiration of this Agreement, provided that any scheduled arbitration shall proceed without regard to such expiration. It is understood that members of an expired panel may be appointed to the successor panel upon mutual agreement of the parties.

25.05 - Time Limits

Grievances may be withdrawn at any step of the grievance procedure. Grievances not appealed within the designated time limits will be treated as withdrawn grievances.

The time limits at any step may be extended by mutual agreement of the parties involved at that particular step. Such extension(s) shall be in writing.

In the absence of such extensions at any step where a grievance response of the Employer has not been received by the grievant and the Union representative within the specified time limits, the grievant may file the grievance to the next successive step in the grievance procedure.

25.06 - Time Off, Meeting Space and Telephone Use

The grievant(s) and/or union steward will be permitted reasonable time off without loss of pay during their working hours to file or appeal grievances and to attend grievance step meetings. The steward shall be given reasonable time off without loss of pay during his/her working hours to investigate grievances. Witnesses whose testimony is relevant to the Union's presentation or argument will be permitted reasonable time off without loss of pay to attend a grievance meeting and/or respond to the Union's investigation. The steward shall not leave his/her work to investigate, file or process grievances without first notifying and making mutual arrangements with his/her supervisor or designee as well as the supervisor of any unit to be visited. Such arrangements shall not be unreasonably denied.

Upon request, the grievant and Union shall be allowed the use of an available, appropriate room, and copier, where available, for the purpose of copying the grievance trail while processing a grievance. The Union shall be permitted the reasonable use of telephone facilities for investigating or processing grievances. Any telephone tolls shall be paid by the Union.

25.07 - Other Grievance Resolution Methods

The parties agree that during the term of this Agreement each party will review the grievance history including but not limited to grievances arising from suspensions, for the purpose of

developing agency specific agreements that will be designed to expedite the final resolution of grievances. Such agreements will consider effective use of existing staff resources.

25.08 - Relevant Witnesses and Information

The Union may request specific documents, books, papers or witnesses reasonably available from the Employer and relevant to the grievance under consideration. Such request shall not be unreasonably denied.

This section applies to all steps of the grievance procedure: The employer shall provide copies of documents, books and papers relevant to the grievance without charge to the Union, unless the request requires more than ninety (90) minutes of employee time to produce and/or copy, at which time the Union will be charged \$0.10 per page.

Arbitration Awards:

#1347

Arbitrator Graham: Grievant Jerry Burlingame; Rehabilitation Services Commission and Public Utilities Commission, 2/17/99. Arbitrator Graham held that the Employer is obligated to provide “specific documents, books, papers or witnesses” at every step of the grievance procedure. The Arbitrator held that in the normal course of events, the Employer is required to provide copies to the Union without charge. However, in cases where complying with the Union’s request requires over 90 minutes of the Employer’s time, the Employer may charge \$.10 per page.

Explanation:

The new language implements the above decision by Arbitrator Graham on the sharing of information at all Steps of the Grievance procedure. The new language also provides for a copying charge of \$.10 per page when the Union’s information request requires more than 90 minutes of employee time to produce and copy.

Attention:

Agency Labor Relations Officers, Personnel Officers, Supervisors and Managers.

Instructions:

Employees searching for and copying information pursuant to a Union information request should document the time spent in complying with the request. If the time exceeds 90 minutes, the Union shall be charged \$.10 per page.

25.09 - Expedited Arbitration Procedure

In the interest of achieving a more efficient handling of disciplinary grievances, the parties agree to the following expedited arbitration procedure. This procedure is intended to replace the procedure in Section 25.02, Step Five (5), for the resolution of grievances as set forth below. The procedure will operate in the following manner:

- A. A special list of arbitrators will be chosen by the parties to hear all expedited arbitrations during the term of this Agreement.

- B. The grievances presented to the arbitrator under this section will consist of disciplinary actions ~~of thirty (30) days or less~~ without pay **of more than three (3) days**. Either party may elect to take suspensions of ~~six (6)~~ **five (5)** days or more to the procedure in Section 25.02, Step Five (5), by formal notice to the other party. The parties may submit other issues by mutual agreement.
- C. Only matters of procedural arbitrability may be addressed in this expedited procedure. Grievances where there is an issue of substantive arbitrability may only be dealt with in accordance with Section 25.02, Step Five (5).
- D. The arbitrator will normally hear at least four (4) grievances at each session unless mutually agreed otherwise. The grievances will be grouped by institution and/or geographic area and heard in that area. The parties will endeavor to develop and maintain a regular schedule for the handling of expedited arbitrations at each department or agency.
- E. Grievance presentation will be limited to a preliminary introduction, a short reiteration of facts and a brief oral argument. No briefs or transcripts shall be made. If witnesses are used to present facts, there will be no more than three (3) per side including the grievant. In cases where there is an issue of procedural arbitrability, each party will be permitted two (2) additional witnesses.
- F. The arbitrator will either give a bench decision or issue a decision within five (5) calendar days. The arbitrator can either uphold or deny the grievance or modify the relief sought. All decisions will be final and binding. Decisions issued pursuant to this procedure shall have no precedence unless mutually agreed otherwise by the parties.
- G. The cost of the arbitrator and the expenses of the hearing will be shared equally by the parties.

Explanation: *The new language clarifies that suspension of more than three days shall be taken to expedited arbitration. The parties may elect to take suspension of five days or more to main panel arbitration.*

Attention: *Agency Labor Relations Officers, Arbitration Advocates.*

25.10 - Non-Traditional Arbitration

The parties agree to utilize a variety of non-traditional arbitration mechanisms. Such mechanisms may include but not be limited to, presentation of argument based on factual stipulations, presentation of argument without factual stipulations, and presentation of more than one case on a given day with decisions being orally rendered by the arbitrator. These decisions will then be codified as a withdrawal of the grievance or as a settlement agreement.

Where the parties mutually agree, grievances may be identified as being ripe for resolution through such arbitration mechanisms and may be scheduled accordingly. Since the vehicle for resolution is non-traditional in nature and the traditional notions of proof may not apply, the Union shall present to the Employer a signed waiver by each grievant in disciplinary grievances or more than three (3) days whereby the grievant agrees to be bound by the decision. In disciplinary grievances of three (3) days or less, non-traditional arbitration is mandatory. In disciplinary grievances adjudicated in this forum, the Employer and the Union are limited to one (1) witness each. The grievant, chapter representative and staff representative are all parties to the proceeding; however, testimony will be limited to either

the grievant or the union witness. The arbitrator may ask questions of the witness and/or the grievant.

The Union and Office of Collective Bargaining may jointly decide to take issue grievances to non-traditional arbitration.

Explanation: *This new section requires disciplinary actions of three days or less to be heard at Non-Traditional Arbitration (“NTA”). The parties may choose to have disciplinary actions of more than three days heard at Non-Traditional Arbitration, but only if the grievant signs a waiver. OCB and the Union may jointly agree to take issue grievances to NTA. The contract does not require a waiver for an issue case.*

Attention: *Agency Labor Relations Officers, Arbitration Advocates, Office of Collective Bargaining.*

Instructions: *The Employer and the Union are limited to one witness each. For the Union, testimony is limited to the witness or the grievant. The Arbitrator may ask questions of both the witness and the grievant.
To ensure that the NTA process remains cost-effective, witnesses should be used only under certain circumstances, e.g. where there is a discrepancy of fact.*

25.11 – Joint Training

In an effort to reduce and resolve disputes, the parties are committed to joint training(s) for union officials, staff representatives, human resources and labor relations personnel. The parties will conduct a conference regarding contract interpretation by September, 2000.

25.12 (10) - Miscellaneous

The parties may, by mutual agreement, alter any procedure or provision outlined herein so long as the mutual agreement does not differ from the spirit of this Article. ~~A special joint committee shall be established by OCSEA and OCB not later than July 1, 1997, to examine labor relations and grievance dispute resolution data and systems for OCSEA represented units, including options and procedures. The committee shall submit written reports to the OCSEA Executive Director and the OCB Deputy Director regarding its activities and findings not less frequently than once each six (6) months. In consultation with Agency, Union and Management leadership, the special committee may initiate pilot programs for improving the quality and timeliness of such dispute resolution systems. The joint committee is also authorized to initiate formal evaluation of new or changed dispute resolution programs by such person(s) or organization(s) as are mutually agreed to by the OCB Deputy Director and OCSEA Executive Director.~~ **The parties may examine procedures** for the electronic filing and processing of grievances.

ARTICLE 26 - HOLIDAYS

26.01 - Observance

The following holidays will be observed:

New Year's Day - First Day in January;

Martin Luther King, Jr.'s Birthday - Third Monday in January;

President's Day - Third Monday in February;

Memorial Day - Last Monday in May;

Independence Day - Fourth day of July;

Labor Day - First Monday in September;

Columbus Day - Second Monday in October;

Veterans' Day - Eleventh day of November;

Thanksgiving Day - Fourth Thursday in November;

Christmas Day - Twenty-fifth day of December;

Any other day proclaimed by the Governor of the State of Ohio or the President of the United States.

When a holiday falls on a Sunday, the holiday is observed on the following Monday. When a holiday falls on a Saturday, the holiday is observed on the preceding Friday. For employees whose work assignment is to a seven (7) day operation, the holiday shall be celebrated on the day it actually falls. A holiday shall start at 12:01 A.M. or with the work shift that includes 12:01 A.M.

Employees who are scheduled to work more than eight (8) hours in a day, will receive the holiday pay for the hours they are normally scheduled to work. For example, employees who work a ten (10) hour day will receive ten (10) hours of holiday pay for the holiday. Employees on such alternative schedules whose day off falls on the recognized holiday shall have their next scheduled work day designated as the holiday for purposes of this Article.

Upon request, an employee may observe a religious holiday provided that the time off is charged to vacation, compensatory time, personal leave or leave without pay.

An employee on an alternate work schedule is entitled to the same number of holidays and paid holiday hours as regularly scheduled employees. Employees who are scheduled to work more than eight (8) hours in a day, will receive the holiday pay for the hours they are normally scheduled to work. For example, employees who work a ten (10) hour day will receive ten (10) hours of holiday pay for the holiday. Employees on such alternative schedules whose day off falls on the recognized holiday shall have their next scheduled work day designated as the holiday for purposes of this Article.

Upon request, an employee may observe a religious holiday provided that the time off is charged to vacation, compensatory time, personal leave or leave without pay.

An employee on an alternate work schedule is entitled to the same number of holidays and paid holiday hours as regularly scheduled employees.

26.02 - Work on Holidays

Employees required to work on a holiday will be compensated at their discretion either at the rate of one and one-half (1 1/2) times their regular rate of pay, or granted compensatory time at the rate of one and one-half (1 1/2) times, plus straight time pay for the holiday. The choice of compensatory time or wages will be made by the employee.

Holiday work beyond regularly scheduled work shall be distributed among employees by the provisions covered in Article 13. No employees' posted regular schedule or days off shall be changed to avoid holiday premium pay. Once posted, the employee's schedule shall not be changed, except that an employee who is scheduled to work on the holiday may be directed not to

report to work on the holiday. The Agency reserves the right to determine the number of employees needed to work the holiday.

Explanation: *This language prohibits the Employer from changing an employees' work schedule after it is posted, but allows an exception which permits the Employer to direct an employee who was scheduled to work the holiday, not to report to work on the holiday.*

Attention: *Agency Directors; Labor Relations, Human Resources Officers; and Supervisors.*

Instructions: *The Employer may inform an employee previously scheduled to observe the holiday rather than report. Employees should be provided with a reasonable notice when the Employer utilizes this option.*

26.03 - Eligibility for Holiday Pay

An employee whose scheduled work day off falls on a holiday will receive holiday pay for that day.

An employee on vacation or **scheduled** sick leave during a holiday will not be charged vacation or sick leave for the holiday. **Employees who are scheduled to work on a holiday and call off sick the day of a holiday shall forfeit their right to holiday pay for that day.**

Explanation: *The new language was added by Factfinder Graham to address the problem of employees calling off sick when they are scheduled to work a holiday. Under the new language, an employee who calls off sick on a holiday will not receive holiday and will be charged the appropriate number of hours sick leave. This provision does not apply to an employee who has scheduled sick leave over a holiday. For example, if an employee schedules sick leave over a holiday to have surgery, the employee would receive holiday pay for the holiday, and would be charged sick leave for the other days off.*

Attention: *Agency Directors; Labor Relations, Human Resources Officers; and Supervisors.*

Instructions: *The Employer should request physician's verification for scheduled sick leave.*

ARTICLE 27 - PERSONAL LEAVE

27.01 - Eligibility for Personal Leave

Each employee shall be eligible for personal leave at his/her base rate of pay.

27.02 - Personal Leave Accrual

Employees shall be entitled to four (4) personal leave days each year. Eight hours of personal leave shall be credited to each employee at the end of the pay period which includes the first day of January, April, July and October of each year. Full-time employees who are hired after the start of a calendar quarter shall be credited with personal leave on a prorated basis. Part-time employees shall accrue personal leave on a prorated basis. Proration shall be based upon a formula of .015 hours per hour of non-overtime work.

This method of accrual shall take effect April 1, 1992. Prior to that time, employees will continue to accrue personal leave pursuant to the provisions of the 1989 Agreement. Employees that are on approved paid leave of absence, union leave or receiving Workers' Compensation benefits shall be credited with those personal leave hours which they normally would have accrued upon their approved return to work.

27.03 - Charge of Personal Leave

Personal leave which is used by an employee shall be charged in minimum units of ~~one-half~~ ~~(1/2)~~ one/tenth (1/10) hour.

27.04 - Notification and Approval of Use of Personal Leave

Personal leave shall be granted if an employee makes the request with a forty-eight (48) hour notice. In an emergency the request shall be made as soon as possible and the supervisor will respond promptly. The leave shall not be unreasonably denied.

When any bargaining unit, not covered by this Agreement, has filed a Notice of intent to strike or engages in a wildcat strike, the Employer reserves the right to cancel or deny all personal leave requests.

Personal leave shall not be taken on a holiday.

Arbitration Awards:

#1350

Arbitrator Harry Graham; Grievant Jerry Burlingame, et. al.; DAS, 03/05/99. When Local 1199 filed its notice of intent to strike in August of 1997, the State received information that other Unions would participate in the strike by using personal leave. The State directed agencies to deny all discretionary leave. Arbitrator Graham held the [previous] language of §27.04 was mandatory and that the Employer had no discretion to deny personal leave. However, if other Unions had engaged in a bona fide wildcat strike, the Employer would have been justified in denying all personal leave requests.

Explanation:

Factfinder Graham recommended the addition of this new to address the problem as described in the above arbitration award. The Factfinder reasoned that the State has an obligation to provide services to people who are institutionalized. These services shall not be interrupted by employees who might engage in a "sympathy strike."

Attention: *Agency Directors; Agency Labor Relations, Personnel, and Human Resources Officers and Agency Supervisors; Department of Administrative Services, Office of Collective Bargaining.*

Instructions: *The Employer may now deny or cancel personal leave requests when a Union files a notice of intent to strike. The Office of Collective Bargaining will notify all Agencies in the event that a strike occurs. All Agencies should have its' strike plan on file with the Office of Collective Bargaining. Employees may NOT take personal leave on a holiday.*

27.05 - Prohibitions

Personal leave may not be used to extend an employee's date of resignation or date of retirement.

27.06 - Conversion or Carry Forward of Personal Leave Credit at Year's End

Personal leave not used may be carried forward or paid at the employee's option. Payment to be made in the first pay received in December. Maximum accrual of personal leave shall be forty (40) hours.

27.07 - Conversion of Personal Leave Credit Upon Separation from Service

An employee who is separated from state service shall be entitled to convert the unused earned amount of personal leave. This payoff shall be at the employee's regular rate of pay. Upon the death of a permanent employee, unused earned personal leave shall be converted to cash and credited to his/her estate.

27.08 - Transfer of Personal Leave Credit

An employee who transfers from one bargaining unit to another shall be credited with the unused balance of his/her personal leave credit up to the maximum personal leave accumulation permitted in the bargaining unit to which the employee transfers.

Arbitration Awards:

#828 *Arbitrator Bowers: Grievant Bruce Raines; DR&C, 9/15/91. The State has received adverse decisions with regard to the "shall" in personal leave for the language in both the 1986 and 1989 contracts. The award referenced is the decision on the 1989 language. This decision sets forth a narrow set of circumstances in which the Employer can deny personal leave which has been requested in accordance with the notice requirement set forth in Section 27.04.*

Explanation:

Agencies should continue to grant or deny the request based on only SOUND operational needs. When citing staffing needs and work load please be cautious. If staffing and work load reasons are related to a continuous staff shortage it will be nearly impossible to defend the denial. Staffing levels should be identified PRIOR to the receipt of a request which is subsequently denied. It may be possible to grant the request by shifting personnel, or depending upon the situation, by using overtime. It is imperative that

overtime utilization and temporary staff reassignments be employed prior to the denial of personal leave. Please see clarification letter NO. 99-03-06 for detailed information on this topic.

ARTICLE 28 - VACATIONS

The language in this Article continues unchanged from the previous Contract.

28.01 - Rate of Accrual

Permanent employees shall be granted vacation leave with pay at regular rate as follows, except that those employees who have less than 80 hours in an active pay status in a pay period shall be credited with a prorated amount of leave according to the following schedule:

Length of State Service	Accrual Rate	
	Hours Earned Per 80 Hours in Active Pay Status Per Pay Period	Annual Amount Per 2080 Hours in Active Pay Status
Less than 1 year	3.1 hours	80 hours (<i>upon completion one year of service</i>)
1 year or more	3.1 hours	80 hours
5 years or more	4.6 hours	120 hours
10 years or more	6.2 hours	160 hours
15 years or more	6.9 hours	180 hours
20 years or more	7.7 hours	200 hours
25 years or more	9.2 hours	240 hours

Effective July 1, 1986, only service with state agencies, i.e. agencies whose employees are paid by the Auditor of State, will be computed for the purpose of determining the rate of accrual for new employees. Service time for vacation accrual for employees employed on that date will not be modified by the preceding sentence. An employee who has retired accordance with the provisions of any retirement plan offered by the state and who is employed by the state or any political subdivision of the state on or after June 24, 1987, shall not have his/her prior service with the state or any political subdivision of the state counted for the purpose of computing vacation leave. The accrual rate for any employee who is currently receiving a higher rate of vacation accrual will not be retroactively adjusted. All previously accrued vacation will remain to the employee's credit. The prospective accrual rate will be adjusted effective with the pay period that begins June 26, 1994.

Explanation:

The new language clarifies the standard for vacation accrual at eighty (80) hours per pay period and 2080 hours per year.

Vacation accrual is prorated for permanent employees, who work less than eighty (80) hours per pay period or less than 2080 hours per year.

Attention:

Agency Directors; Agency Labor Relations, Personnel, Human Resources and Payroll Officers.

Instructions:

This accrual is automatically calculated in the payroll system.

28.02 - Maximum Accrual

Vacation credit may be accumulated to a maximum that can be earned in three (3) years. Further accumulation will not continue when the maximum is reached. When an employee's vacation reaches the maximum level, and if the employee has been denied vacation during the past twelve (12) months, the employee will be paid for the time denied but no more than 80 hours in a pay period.

Annual Rate of Vacation	Maximum Accumulation
80 hours	240 hours
120 hours	360 hours
160 hours	480 hours
180 hours	540 hours
200 hours	600 hours
240 hours	720 hours

Explanation: *This language caps the amount of accrued vacation an employee can be paid for when maximum accrual is reached and vacation has been denied, to no more than eighty (80) hours in a pay period. This reflects the current practice.*

Attention: *Agency Labor Relations, Personnel, Human Resources and Payroll Officers.*

Instructions: *The changes simply clarify current practice.*

28.03 - Procedure

Vacation leave shall be taken only at times mutually agreed to by the Agency and the employee and shall be used and charged in units of one-tenth (1/10) hour. The Agency may establish minimum staffing levels for a facility which could restrict the number of concurrent vacation leave requests which may be granted.

Employees who work in seven (7) day operations shall be given the opportunity to request vacations by a specified date each year. Employees shall be notified of this opportunity one (1) month in advance of the date. If more employees request vacation at a particular time than can be released, requests will be granted in seniority order.

Employees in seven (7) day operations can also request vacations at other times of the year. If more employees request vacation than can be released, requests will be granted on a first come/first serve basis with seniority governing if requests are made simultaneously.

Emergency vacation requests for periods of three (3) days or less may be made by employees in seven (7) day operations as soon as they are aware of the emergency. An employee shall provide the Employer with verification of the emergency upon return to work.

Other employees shall request vacation according to agency policy (work rules) unless the Employer and the Union mutually agree otherwise. The Employer shall not deny a vacation request unless the vacation would work a hardship on other employees or the Agency. The Employer shall promptly notify employees of the disposition of their vacation requests. Unless the Employer agrees otherwise, an employee's vacation will not exceed one (1) year's accrual.

If an employee going on vacation desires that his/her pay check be mailed to a given address during the vacation, he/she may make a written request to this effect. Such requests shall be honored.

When an emergency exists as defined in Section 13.15, all vacation leave requests may be denied, including those requests already approved. If an employee is called to work from a scheduled vacation leave period, the employee will have the right to take the vacation leave at a later time and will be paid at time and one-half (1/2) for the time the employee is in on-duty status. The employee shall also be reimbursed for any costs incurred as a result of canceling or returning from his/her vacation upon submission of appropriate evidence.

Attention: *Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division.*

Instructions: *Agency policies should reflect what procedures are to be followed for vacation requests. Please note: work rule changes must be submitted to the Union for comment prior to implementation pursuant to Section 44.03.*

28.04 - Payment Upon Separation

An employee or an employee's estate will be paid for accrued vacation upon termination of state service at the time that the employee receives his/her pay check for the final period of work. Employees separating from employment with less than six (6) months total service will not be paid for any accrued vacation.

28.05 - Disposition of Work During Vacation

Insofar as practicable, during an employee's vacation the Employer shall assign non-individual work to other employees. Upon return from vacation, an employee shall be allowed reasonable time to review work done in his/her absence.

ARTICLE 29 - SICK LEAVE

29.01 - Definitions: Sick Leave for State Employees

A. "Active pay status" means the conditions under which an employee is eligible to receive pay, and includes, but is not limited to, vacation leave, sick leave, and personal leave.

B. "No pay status" means the conditions under which an employee is ineligible to receive pay and includes, but is not limited to, leave without pay, leave of absence, and disability leave.

C. "Full-time employee" means an employee whose regular hours of duty total eighty in a pay period in a state agency, and whose appointment is not for a limited period of time.

29.02 - Sick Leave Accrual

All employees shall accrue sick leave at the rate of 3.1 hours for each eighty (80) hours in active pay status, excluding overtime hours, not to exceed eighty (80) hours in one year.

Less than full-time employees shall receive 3.1 hours of sick leave for each eighty (80) hours of completed service, not to exceed eighty (80) hours in one year.

Employees that are on approved leave of absence or receiving Workers' Compensation benefits shall be credited with those sick leave hours which they normally would have accrued upon their approved return to work.

Sick leave shall be granted to employees who are unable to work because of illness or injury of the employee or a member of his/her immediate family living in the employee's household or because of medical appointments or other ongoing treatment. The definition of "immediate family" for purposes of this Article shall be: spouse, significant other ("significant other" as used in this Agreement, is defined to mean one who stands in place of a spouse, and who resides with the employee), child, step-child, grandchild, parents, step-parents, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, great grandparents, brother, sister, step-siblings, brother-in-law, sister-in-law or legal guardian or other person who stands in the place of a parent. Sick leave may be granted to care for an employee's child/parent(s) regardless of whether or not the child/parent(s) is currently living in the same household, but in cases in which both parents are employed by the State, only one parent may be granted sick leave to care for a child at home on the same day.

A period of up to ten (10) working days of sick leave will be allowed for parenting during the postnatal period or following an adoption.

The amount of sick leave charged against an employee's accrual shall be the amount used, charged in units of one-tenth (1/10) hour. Employees shall be paid for sick leave at the rates specified below with the effective date of this Agreement through the pay period ending November 22, 1997. A new usage period will begin with the pay period effective November 23, 1997. A new usage period will begin each year of the Agreement.

Hours Used	Percent of Regular Rate
1-40 sick leave	100%
40.1 plus sick leave*	70%

*Any sick leave utilized in excess of eighty (80) hours in any usage period shall be paid at one hundred percent (100%).

Employees may elect to utilize sick leave to supplement an approved Disability Leave, Workers Compensation Claim or Childbirth Adoption Leave pursuant to Articles 35A .04, 34.03 and 30.08 C. Sick leave used for these supplements shall be paid at a rate of one hundred percent (100%) notwithstanding the schedule previously specified. After employees have used all of their accrued sick leave, they may, at the Employer's discretion, use accrued vacation, compensatory time or

personal days or may be granted leave without pay.

Explanation: *Sick leave usage continues to be paid at differing rates based on the number of hours used. Leave used in lieu of sick leave is granted **at the Employer's discretion** rather than the employee's choice.*

Attention: *Agency Labor Relations, Personnel and Payroll Officers; Department of Administrative Services, Human Resources Division.*

Instructions: *Consider the following when determining whether to approve leave used in lieu of sick leave:*

- 1. Whether the leave is requested pursuant to the FMLA. The employee may choose to request other forms of leave and the Employer must grant the request. If the employee does not request other forms of leave for an FMLA qualifying event, the Employer may force the employee to use all accrued sick, vacation, and personal leave balances prior to going on unpaid leave. However, the Employer may not force an employee to use compensatory time before going on unpaid leave. See the FMLA regulations at 29 CFR Part 825, Section 207(i).*
 - 2. If the leave is requested in advance. ???*
 - 3. When there is medical justification (e.g. doctor's statement). ???*
-

29.03 - Notification

When an employee is sick and unable to report for work, he/she will notify his/her immediate supervisor or designee no later than one half (1/2) hour after starting time, unless circumstances preclude this notification. The Employer may request a statement, from a physician who has examined the employee or the member of the employee's immediate family, be submitted within a reasonable period of time. Such physician's statement must be signed by the physician or his/her designee. In institutional agencies or in agencies where staffing requires advance notice, the call must be made at least ninety (90) minutes prior to the start of the shift or in accordance with current practice, whichever period is less. Failure to notify the Employer in accordance with the provisions of this paragraph shall result in the employee forfeiting any rights to pay for the time period which elapsed prior to notification unless unusual extenuating circumstances existed to prevent such notification.

If sick leave continues past the first day, the employee will notify his/her supervisor or designee of the anticipated duration of the absence. The employee is responsible for establishing a report-in schedule that is acceptable to the supervisor for the anticipated duration of the absence. If an acceptable schedule is not established the employee will notify his/her supervisor every day pursuant to agency reporting procedures.

Explanation: *The section clarifies the process to be utilized by employees on extended leaves related to illness or injury.*

Attention: Agency Directors; Agency Labor Relations, Personnel and Fiscal Officers, Department of Administrative Services, Human Resources Division; Agency Supervisors.

Instructions: All supervisors should be informed and provided with guidelines for establishing report in schedules. Agencies should develop standardized questions for supervisors/employees accepting call offs.

29.04 - Sick Leave Policy

It is the policy of the State of Ohio to not unreasonably deny sick leave to employees when requested. It is also the policy of the State to take corrective action for unauthorized use of sick leave and/or abuse of sick leave. It is further the policy of the State that when corrective and/or disciplinary action is taken, it will be applied progressively and consistently.

It is the desire of the State of Ohio that when discipline is applied it will serve the purpose of correcting the performance of the employee.

Sick Leave Policy

I. Purpose

The purpose of this policy is to establish a consistent method of authorizing employee sick leave, defining inappropriate use of sick leave and outlining the discipline and corrective action for inappropriate use. The policy provides for the equitable treatment of employees without being arbitrary and capricious, while allowing management the ability to exercise its administrative discretion fairly and consistently.

II. Definition

A. Sick Leave:

Absence granted per negotiated contract for medical reasons.

B. Unauthorized use of sick leave:

1. Failure to notify supervisor of medical absence;
2. Failure to complete standard sick leave form;
3. Failure to provide physician's verification when required;
4. Fraudulent physician verification.

C. Misuse of sick leave:

Use of sick leave for that which it was not intended or provided.

D. Pattern abuse:

Consistent periods of sick leave usage, for example:

1. Before, and/or after holidays;
2. Before, and/or after weekends or regular days off;
3. After pay days;
4. Any one specific day;
5. Absence following overtime worked;
6. Half days;
7. Continued pattern of maintaining zero or near zero leave balances;
8. Excessive absenteeism;

III. Procedure

A. Physician's verification

At the Agency Head or designee's discretion, in consultation with the Labor Relations Officer,

the employee may be required to provide a statement, from a physician, who has examined the employee or the member of the employee's immediate family, for all future illness. The physician's statement shall be signed by the physician or his/her designee. This requirement shall be in effect until such time as the employee has accrued a reasonable sick leave balance. However, if the Agency Head or designee finds mitigating or extenuating circumstances surrounding the employee's use of sick leave, then the physician's verification need not be required.

Should the Agency Head or designee find it necessary to require the employee to provide the physician's verification for future illnesses, the order will be made in writing using the "Physician's Verification" form with a copy to the employee's personnel file.

Those employees who have been required to provide a physician's verification will be considered for approval only if the physician's verification is provided within three (3) days after returning to work.

B. Unauthorized use or abuse of sick leave

When unauthorized use, or abuse of sick leave is substantiated, the Agency Head or designee will effect corrective and progressive discipline, keeping in mind any extenuating or mitigating circumstances.

When progressive discipline reaches the first suspension, under this policy, a corrective counseling session will be conducted with the employee. The Agency Head or designee and Labor Relations Officer will jointly explain the serious consequences of continued unauthorized use or abuse of sick leave. The Agency Head or designee shall be available and receptive to a request for an Employee Assistance Program in accordance with Article 9 (EAP). If the above does not produce the desired positive change in performance, the Agency Head or designee will proceed with progressive discipline up to and including termination.

C. Pattern abuse

If an employee abuses sick leave in a pattern, per examples noted in the section under definitions (not limited to those listed), the Agency Head or designee may reasonably suspect pattern abuse. If it is suspected, the Agency Head or designee will notify the employee in writing that pattern abuse is suspected. The Agency Head or designee will use the "Pattern Abuse" form for notification. The notice will also invite the employee to explain, rebut, or refute the pattern abuse claim. Use of sick leave for valid reasons shall not be considered for pattern abuse.

Explanation:

Sick leave may not be unreasonably denied. Sick leave may be denied when an employee improperly calls off, engages in a pattern of abuse of sick leave, or fails to provide physician's verification of sick leave use when requested.

If an employee has an FMLA qualifying condition, Agencies may require employees to provide recertification of the medical necessity for intermittent leave no more than once every thirty (30) days in conjunction with an employee's absence. If the minimum period specified on the medical certification is more than thirty (30) days, the Employer may not request recertification until the minimum period has passed unless: 1) the employee requests an extension of leave; 2) circumstances described by the previous certification have changed significantly; or 3) the Agency receives information that casts doubt upon the continuing validity of the certification. See FMLA regulations at 29 CFR Part 825, Section 305.

Attention: Agency Directors; Agency Labor Relations, Personnel and Payroll Officers; Agency Supervisors; Department of Administrative Services, Human Resources Division.

Instructions: Care must be taken to exercise sound judgment in the denial of sick leave. Supervisors should consult with Labor Relations Officers concerning denials to ensure consistency. Denial of sick leave should be based on fact patterns such as improper call off, patterns of abuse, etc.

29.05 - Carry-Over and Conversion

Employees will be offered the opportunity to convert to cash any part of their sick leave accrued in the period beginning ~~November 24, 1996, through November 22, 1997,~~ **November 5, 2000, through November 18, 2000,** and in each subsequent usage period of this Agreement to be paid in the first pay received in December. The cash conversion of the sick leave accrued and not used for each usage period of this Agreement shall be at the following rates:

Number of Hours Subject to Percent of Regular Rate

Cash Conversion

80	75% <u>80%</u>
72 to 79.9	70% <u>75%</u>
64 to 71.9	65% <u>70%</u>
56 to 63.9	60% <u>65%</u>
48 to 55.9	55% <u>60%</u>
47.9 and less	50% <u>55%</u>

An employee not exercising a choice will automatically have the hours carried forward. An employee who has a minimum of five (5) years of state service with the State of Ohio who terminates state service or retires, shall convert to cash any sick leave accrued at the employee's regular rate of pay earned at the time of separation within three (3) years of separation at the rate of ~~fifty percent (50%)~~ **fifty-five percent (55%) for retirement separation and fifty percent (50%) for all other separations.** If an employee dies, the converted sick leave shall be credited to his/her estate. An employee who is granted military leave or leave without pay may be paid for accrued sick leave or may keep it in reserve for use upon return at his/her discretion. An employee who is re-employed, reinstated or recalled from lay off and who received a lump sum payment for unused sick leave may have such days restored by returning the amount paid by the Employer for the number of days to be restored.

Employees hired after July 1, 1986, who have previous service with political subdivisions of the State may use sick leave accrued with such prior employers but shall not be permitted to convert such sick leave to cash.

An employee who transfers from one bargaining unit to another shall be credited with the unused balance of his/her sick leave balance up to the maximum sick leave accumulation permitted in the bargaining unit to which the employee transfers.

Explanation: Cash conversion rates have been increased by five percent (5%), except for separations other than retirement, which remains at fifty percent (50%)

The increase for separations at retirement begins with retirements effective June 30, 2000, and thereafter. (FY2001)

29.06 - Leave Donation Program

Employees may donate paid leave to a fellow employee who is otherwise eligible to accrue and use sick leave and is employed by the same Agency. The intent of the leave donation program is to allow employees to voluntarily provide assistance to their co-workers who are in critical need of leave due to the serious illness or injury of the employee or a member of the employee's immediate family. The definition of immediate family as provided in rule 123:1-47-01 of the Administrative Code shall apply for the leave donation program.

- A. An employee may receive donated leave, up to the number of hours the employee is scheduled to work each pay period, if the employee who is to receive donated leave:
 - 1. Or a member of the employee's immediate family has a serious illness or injury;
 - 2. Has no accrued leave or has not been approved to receive other state-paid benefits; and
 - 3. Has applied for any paid leave, workers' compensation, or benefits program for which the employee is eligible. Employees who have applied for these programs may use donated leave to satisfy the waiting period for such benefits where applicable, and donated leave may be used following a waiting period, if one exists, in an amount equal to the benefit provided by the program, i.e. fifty six hours (56) pay period may be utilized by an employee who has satisfied the disability waiting period and is pending approval, this is equal to the seventy percent (70%) benefit provided by disability.
- B. Employees may donate leave if the donating employee:
 - 1. Voluntarily elects to donate leave and does so with the understanding that donated leave will not be returned;
 - 2. Donates a minimum of eight hours; and
 - 3. Retains a combined leave balance of at least eighty hours. Leave shall be donated in the same manner in which it would otherwise be used except that compensatory time is not eligible for donation.
- C. The leave donation program shall be administered on a pay period by pay period basis. Employees using donated leave shall be considered in active pay status and shall accrue leave and be entitled to any benefits to which they would otherwise be entitled. Leave accrued by an employee while using donated leave shall be used, if necessary, in the following pay period before additional donated leave may be received. Donated leave shall not count toward the probationary period of an employee who receives donated leave during his or her probationary period. Donated leave shall be considered sick leave, but shall never be converted into a cash benefit.
- D. Employees who wish to donate leave shall certify:
 - 1. The name of the employee for whom the donated leave is intended;
 - 2. The type of leave and number of hours to be donated;
 - 3. That the employee will have a minimum combined leave balance of at least eighty hours; and
 - 4. That the leave is donated voluntarily and the employee understands that the donated

leave will not be returned.

- E. Appointing authorities shall ensure that no employees are forced to donate leave. Appointing authorities shall respect an employee's right to privacy, however appointing authorities may, with the permission of the employee who is in need of leave or a member of the employee's immediate family, inform employees of their co-worker's critical need for leave. Appointing authorities shall not directly solicit leave donations from employees. The donation of leave shall occur on a strictly voluntary basis.

29.07 – Sick Leave Pilot Programs

The parties may, by mutual agreement, enter into a joint study(s) and pilot(s) that will explore alternate sick leave provisions that could modify provisions of Article 29 and be implemented by an institution or agency or as otherwise mutually agreed to by the parties. A special joint committee will be established by OCSEA and OCB to jointly examine sick leave concepts, study sick leave use practices and design alternate sick leave program(s) that can be piloted in state agencies jointly selected by the parties. Such programs would be designed to improve sick leave practices and could include but not be limited to concepts that include gain sharing where savings are realized, paid time off (PTO) type programs or use of time and attendance umpires. OCB is authorized to receive up to \$25,000 to initiate a study or to hire a consultant, as it deems appropriate, to assist the committee with the design and implementation of a program. No pilot can be implemented or charged without the mutual agreement of the parties.

Explanation:

This new section was added on the recommendation of Factfinder Harry Graham. The parties engaged in discussions of Sick Leave Pilot Programs during negotiations and mediation, but were unable to develop a program within the time allotted. This provision establishes a joint committee to examine sick leave concepts, use and alternate programs.

30.08 - Paid Adoption/Childbirth Leave

A. Eligibility

All employees who work thirty (30) or more hours per week are eligible for paid Adoption/Childbirth leave upon the birth or adoption of a child for care, bonding and/or acclimation of the child. Leave under this Section shall be limited to six (6) weeks, the first two (2) of which shall be the unpaid waiting period, and the remaining four (4) weeks shall be paid at seventy (70%) percent of the employee's regular rate of pay. ~~(NOTE: previous sentence moved from C.)~~ No minimum **length of service time** is necessary to establish eligibility for this leave. Eligibility for leave is established on the day of the birth of a child or the day upon which custody of a child is taken for adoption placement by the prospective parents. The To be eligible for leave an employee must be the biological parent; or in the case of adoption the employee must be the legal guardian of and reside in the same household with the newly adopted child to be eligible prospective adoptive parent. ~~An~~ Employee may elect to take two-thousand (\$2,000) dollars ~~(\$2,000)~~ for adoption expenses in lieu of ~~taking time off for Adoption/Childbirth Leave~~ the leave benefit. Payment may be requested ~~upon placement of the child in the home~~ when the court has awarded permanent custody of a child to the prospective parents. ~~In the event the child is already residing in the home payment may be requested at the time the adoption is approved~~ Whenever an employee adopts multiple children, the event shall be considered as a single qualifying event, and will not serve to increase either the length of leave for an employee or the two-thousand dollar (\$2,000) limit. In the event an infant child dies while an employee is using Adoption/Childbirth leave for that infant, Adoption/Childbirth leave terminates on the date of the death. Requested bereavement leave may begin on the day following the death of the child, and may be supplemented by other leaves as specified in Section 30.03.

B. Waiting Period

To qualify for paid Adoption/Childbirth leave under this Section, an employee must complete a fourteen (14) day waiting period, which commences on the date eligibility is established. An employee may work at the discretion of the employee's appointing authority and/or may take unpaid leave or may use any form of accrued paid leave or compensatory time for which he/she

is qualified, or any combination thereof, during the fourteen (14) day waiting period. The fourteen (14) day waiting period under this Section shall satisfy the waiting period for disability leave benefits for employees who qualify for additional leave due to disability, provided the employee does not work during the two (2) week waiting period. The remaining four (4) weeks shall be paid at seventy (70%) percent of the employee's regular rate of pay.

C. Leave Benefit

An employee may utilize any other form of paid leave or compensatory time to supplement Adoption/Childbirth leave, up to a maximum of one hundred (100%) percent of the employee's regular bi-weekly rate of pay. Employees using Adoption/Childbirth leave who meet the eligibility requirements of the Family and Medical Leave Act (FMLA) (i.e., twelve (12) months of state service, and one-thousand two-hundred fifty (1,250) hours in state service active pay status during the twelve (12) months immediately before the birth or adoption) shall have the entire non-working period of Adoption/Childbirth leave counted toward the employee's twelve (12) week FMLA entitlement. Adoption/Childbirth leave shall not affect an employee's right to leave under other provisions of this Agreement.

D. Part-Time Employees

The average regular hours worked (including holidays and paid leave) over the preceding three month period shall be used to determine eligibility and benefits under this Section for part-time employees, provided that such benefits shall not exceed forty (40) hours per week. If the employee has not worked a three month period, the number of hours for which the employee has been scheduled per week will be used to determine eligibility and benefits.

E. Coordination with Disability Leave

Employees who are receiving disability leave prior to becoming eligible for Adoption/Childbirth leave shall continue to receive disability leave for the duration of the disabling condition or as otherwise provided under the disability leave program. In the event that the employee's disability leave benefits terminate prior to the expiration of any benefits the employee would have been entitled to under Adoption/Childbirth leave, the employee will receive Adoption/Childbirth leave for such additional time without being required to serve an additional waiting period. In the event an infant child dies while the birth mother is using Adoption/Childbirth leave in lieu of disability leave benefits for that infant the leave shall continue for a period consistent with the appropriate recovery period for disability leave benefits for childbirth.

F. Holidays

Employees shall not be eligible to receive Holiday Pay while on Adoption/Childbirth leave. Holidays shall be counted as one day of Adoption/Childbirth leave and shall be paid as Adoption/Childbirth leave, except that during the waiting period if an employee was in active pay status ~~worked~~ the day before a holiday the employee will be eligible to receive Holiday Pay as normal. Employees who work during a holiday shall be entitled to pay as provided in Article 26.

G. Working During Adoption/Childbirth Leave Period

Appointing authorities may allow employees to work reduced schedule during any portion of the six (6) week period, subject to the needs of the agency. Employees who are permitted to work a reduced schedule during such period shall establish a schedule that is acceptable to the Appointing Authority. Only the time spent in non-work status during the period of Adoption/Childbirth leave may be applied as FMLA leave.

H. Credit for Hours Worked or Supplemented

Employees who work or supplement their pay during the latter four (4) weeks of leave, as described above, shall have their pay for hours worked or supplemented so calculated that working or supplementing thirty (30%) percent of their normally scheduled work hours during the pay period shall result in a bi-weekly pay amount equal to their regular bi-weekly pay. Employees who work more than thirty (30%) percent of their regularly scheduled hours shall forfeit paid Adoption/Childbirth leave on an hour for hour basis for all excess hours.

I. Duration

Under no circumstances shall Adoption/Childbirth leave be taken beyond six (6) weeks from the date of birth or placement a child for adoption. Adoption/Childbirth leave shall not be used to extend the layoff date of employees or to extend a period of employment for Established Term regular or irregular employees.

Explanation: *New language in the Adoption section requires the State to pay the benefit to the parent only when the court has awarded permanent custody of the child(ren) to the parent. When multiple children are adopted, the employee is entitled to only one benefit – either \$2,000 or the leave benefit. The employee cannot take a separate benefit for each child.*

Attention: *Agency Directors; Agency Labor Relations and Personnel Officers; Staff Representatives, Union Officials.*

Instructions: *All supervisors should be made aware of the provisions of this Section. This section specifies the terms and conditions under which this type of leave shall be granted.*

Effective Date: *March 1, 2000 – February 28, 2003*

Once a state physician clears an employee to return to work the Office of Benefits Administration (OBA) in DAS/HRD should be contacted and the employee should be given notice to return. If the employee provides conflicting medical opinion as to his/her ability to return, the OBA should be advised to file a petition to cease benefits.

- B. Actual cost up to a maximum rate of five (\$5.00) dollars per day for an overnight traveler on any day of travel other than the day of departure or day of return, or for a traveler who is not traveling overnight.

32.09 - Payment

The State shall be committed to making reimbursement to employees within thirty (30) days of submission of completed and proper expense reports. The thirty (30) days shall begin when a proper expense report is presented to the employee's supervisor for approval.

If an Agency fails to reimburse an employee within thirty (30) days, the Agency shall pay the employee interest on the amount due in accordance with OBM guidelines on prompt payment, or one (\$1.00) dollar, whichever is greater.

The State is committed to the continuance of the State credit card program. The State shall make credit cards available to all employees who regularly travel.

Explanation:

Reimbursement for other travel-related gratuities is provided, subject to limitations. These limitations provide reimbursement up to a maximum rate of ten dollars (\$10) per day for an overnight traveler, specifically on the arrival and the departure date of travel. Travelers who are not in overnight travel status shall be reimbursed a maximum of five dollars (\$5) per day.

Attention:

Agency Directors; Agency Labor Relations, Personnel and Fiscal Officers.

Instructions:

Confer with agency OBM analyst concerning proper reimbursement procedures. Questions concerning contractual entitlement should be directed to an OCB Labor Relations Specialist.

Effective Date:

March 1, 2000

32.10 - Duty to Report

It is the employee's responsibility to report to his/her immediate supervisor any accident or traffic violation/citation which he/she may have been involved with or received while on state business. Employees shall obey all applicable state laws, ~~executive orders~~ and rules. Failure to do so may result in disciplinary action.

32.11 - Miscellaneous

In all other travel matters not addressed by the agreement, the provisions of OBM's travel regulations or administrative rules will apply.

Explanation: *This language indicates that the parties shall default to OBM regulations in the absence of specific contract language.*

Attention: *Agency Directors; Agency Labor Relations, Personnel Fiscal Officers.*

Instructions: *Consult with OBM concerning proper reimbursement procedures. Contractual issues should be directed to an OCB Labor Relations Specialist.*

ARTICLE 33 - UNIFORMS AND TOOLS

The language in this Article continues unchanged from the previous Contract.

33.01 - Uniforms

When the Employer requires an employee to wear a uniform, the Employer will furnish sized uniforms appropriate to the gender of the wearer on a replacement basis. If the Employer requires an employee to wear a specific type of safety shoe the Employer will provide the shoe or reimburse the employee for the cost of the shoe at the Employer's option. The Employer will keep the uniform in good repair and will replace it when the uniform is ruined through normal wear and tear. If the uniform needs repair or replacement due to the negligence of an employee, the employee will bear the cost of the repair or replacement. In those institutions where cleaning facilities are available, uniforms shall be cleaned by the Employer. However, they shall not be cleaned with the inmates', clients' or residents' clothes. In all other agencies the Employer shall provide one hundred twenty five dollars (\$125) per year for uniform cleaning and repair.

Attention *Agency Directors; Agency Labor Relations, Personnel, Human Resources, and Business Offices.*

Instructions *Employees who receive this payment are responsible for the repair as well as cleaning of uniforms.*

33.02 - Tools

The Agency shall furnish and maintain in good condition the equipment needed by employees to perform their jobs. However, certain employee classifications, e.g., Auto Mechanic, may be required to furnish their own equipment, including but not limited to hand tools.

If employees are required to furnish their own tools or equipment, the Employer shall replace such tools or equipment when they are lost due to fire, wind or theft by forcible entry when in the care or custody of the Employer. The tools or equipment will be replaced with like tools or equipment.

Each employee shall furnish a complete list of his/her tools or equipment, including an accurate description and replacement cost, to his/her immediate supervisor in writing within thirty (30) days from the effective date of this Agreement. An employee shall keep such list current.

ARTICLE 34 - SERVICE-CONNECTED INJURY AND ILLNESS

34.01 - Health Insurance

Employees receiving lost time Workers' Compensation, Occupational Injury Leave or Hostage Leave benefits for a claim arising from employment with the State of Ohio who have health insurance shall continue to be eligible for health insurance at no cost to the employee not to exceed twenty-four (24) months. Further, pending the approval of a Workers' Compensation claim, the Employer shall continue coverage at no cost to the employee, including the employee's share of such costs, for a period not to exceed twenty-four (24) months. The Employer has the right to recover such payments if the Workers' Compensation claim is determined to be non-compensable.

Explanation: Clarifies that payment for wages are on "lost time" claims. Also incorporates the existing practice that such payments are made for bot OIL and Hostage Leave.

Attention: Agency Labor Relations, Personnel and Payroll Officers; Department of Administrative Services, Human Resources Division, Office of Benefits Administration.

Instructions: Employees on leave receiving workers' compensation benefits will need to be monitored to determine if the claim arose from employment with the State of Ohio. If not, the state will not pay the health insurance premiums.
The Employer will pay the insurance premiums for up to 24 months for each absence due to an approved claim, not 24 months total on any one claim nor 24 months total on all claims.

34.02 - Coverage for Workers' Compensation Waiting Period

An employee shall be allowed full pay at regular rate during the first seven (7) consecutive calendar days of absence when he/she suffers a compensable work-related injury, arising from employment with the State of Ohio, or contracts a service-related illness with a duration of more than seven (7) consecutive days. If the injury/illness has a duration of more than fourteen (14) consecutive days and the employee receives Workers' Compensation benefits for the first seven (7) consecutive days, the employee will reimburse the Employer for the payment received under this Article.

An employee may elect to take leave without pay, without exhausting accrued leave balances, pending determination of a Workers' Compensation claim.

If an employee elects to utilize his/her sick leave, personal leave, vacation leave or compensatorytime balances pending determination of a Workers' Compensation claim arising from employment with the State of Ohio, the Employer shall allow the employee, upon execution of a Wage Agreement, to buy back those leave balances within two pay periods after lost time Workers' Compensation benefits are received by the employee, or shall allow the employee to choose an automatic restoration of those leave balances ~~through an assignment of benefits~~ upon execution of a Wage Agreement.

Explanation:

Language was added to clarify that an employee is eligible for full pay during the first seven days of absence only if the seven days are consecutive and only if the employee suffers a compensable injury arising from employment with the State of Ohio.

Language clarifies that wage advancements through use of accrued leave are accomplished through. The old language of "assignment of benefits" is not the proper term.

Attention:

Agency Labor Relations, Personnel and Payroll Officers; Department of Administrative Services, Human Resources Division, Office of Benefits Administration.

Instructions:

A Wage Agreement is the proper term for the agreement between the employee, the state and BWC that commits the employee to assigning BWC payments to state necessary to restore leave balances used pending approval of a Workers' Compensation claim.

34.03 - Other Leave Usage to Supplement Workers' Compensation

Employees may utilize sick leave, personal leave or vacation to supplement Workers' Compensation benefits up to one hundred percent (100%) of the employee's regular rate of pay.

Explanation:

This language allows leave supplementation up to an amount that provides an employee's "regular" rate of pay. This language reflects the current practice.

Attention:

Agency Labor Relations, Personnel and Payroll Officers; Agency Supervisors; Department of Administrative Services, Human Resources Division, Office of Benefits Administration, and Office of Payroll Administration.

Instructions:

Employees may choose in writing the order in which accrued leaves are used. The state payroll system will make the choice when an employee fails to do so.

34.04 - Occupational Injury Leave

Employees of the Department of Mental Health, the Department of Mental Retardation and Developmental Disabilities, the Ohio Veteran's Home, the Schools for the Deaf and Blind, the Department of Rehabilitation and Correction, and the Department of Youth Services shall be entitled to a total of nine hundred sixty (960) hours of occupational injury leave a year with pay at regular rate. (See Appendix K).

34.05 - Transitional Work Programs

Agencies and the Union may mutually develop transitional work programs designed to encourage a return to work by an employee receiving Workers' Compensation benefits or Occupational Injury Leave (OIL). During the time an employee is in a transitional work program, the employee will be assigned duties which the employee is capable of performing based upon the recommendation of the employee's attending physician. Upon request of the Employer employees must participate in the transitional work program unless precluded from participation by their attending physician.

Explanation: *Employees who participate in transitional work programs are more likely to experience improved recovery time and return to work permanently at the earliest opportunity. Agencies may assign limited workload to employees receiving OIL or Workers' Compensation benefits when the Agency and Union mutually agree on a program.*

Attention: *Agency Labor Relations and Personnel Officers; Department of Administrative Services, Human Resources Division, Office of Benefits Administration.*

Instructions: *Following the provisions of Article 15, Agencies will work with the Union to establish transitional worker programs. Once established Agency personnel offices, in conjunction with HRD/OBA and MCO, will monitor the recovery of employees receiving workers' compensation benefits or OIL. Working in conjunction with the employee's attending physician it may be determined if and when the Employer should request that an employee participate in transitional work programs.*

34.06 - Hostage Leave

An employee who has been taken hostage shall be eligible for up to sixty (60) days leave with pay at regular rate which shall not be charged to sick leave, vacation, or any other accrued leave, as determined necessary by a licensed physician or psychiatrist to recover from ~~stress~~ **psychological disability.**

Explanation: *Hostage situations exist beyond institutional agencies. Accordingly, eligibility for hostage leave applies to all employees.*

Attention: *Agency Labor Relations, Personnel Officers and Payroll Officers; Department of Administrative Services, Human Resources Division, Office of Payroll Administration.*

Instructions: *If employees are taken hostage, agency Personnel and Labor Relations Officers should be aware of this provision and assist in establishing appropriate leave for affected employees.*

34.07 - Leave to Attend Industrial Commission District Hearing

An employee shall be granted time off with pay from regularly scheduled work hours, including travel time, **sufficient** to attend ~~a district level~~ **one** hearing conducted by the Ohio Industrial Commission in the determination of the employee's workers' compensation claim. **In addition, an employee will be granted time off with pay from regularly scheduled work hours, including travel time, sufficient to attend any hearing where the Employer contests the employee's workers' compensation claim.**

Explanation:

Many times the Industrial Commission requires a hearing to determine a claim. As a workers' compensation claim arises from employment, it is equitable for employees to receive paid leave to attend one hearing.

*New language clarifies that employees shall be granted time off with pay for only ONE hearing for the life of any claim. **That hearing may occur at any point during the life of the claim.***

However, if the Employer contests the employee's workers' compensation claim, the employee will be granted time off with pay to attend any hearings convened because the Employer contests the Industrial Commission's determination.

Attention:

Agency Labor Relations, Personnel and Payroll Officers; Agency Supervisors; Department of Administrative Services, Human Resources Division, Offices of Personnel Services, Payroll Administration and Benefits Administration.

Instructions:

Supervisors will need assistance from Personnel and Payroll Officers to verify hearing notices and to process leave appropriately.

ARTICLE 35 - DISABILITY BENEFITS

Renumbered from Article 35A

[Renumbering from Article 35A not shown as a change,
only additions or deletions shown as changes]

35.01 - Eligibility

Eligibility shall be pursuant to current Ohio Law and the Administrative Rules of the Department of Administrative Services in effect as of , July 1, ~~1997~~ **2000**, ~~except that~~ **including the following modifications and clarifications:**

- A. Part-time or ~~fixed~~ **established** term regular and **established term** irregular employees who have worked fifteen hundred (1500) or more hours within the twelve (12) calendar months preceding disability shall be entitled to disability benefits based upon the average regular weekly earnings for weeks worked over that twelve (12) month period.

Arbitration Awards:

#953

Arbitrator Bowers: Grievant Laurie Stelts, et al.; Mental Retardation, 2/22/94. The Arbitrator found that the language in Article 35A.01 B is clear and unambiguous. The Arbitrator determined that in order to be eligible for disability benefits, part-time employees must work 1500 hours in the 12 calendar months preceding that disability. The Union provided insufficient evidence to support its claim that a past practice exists by which the 1500 hours work eligibility can be met by using hours in "active pay status". The Arbitrator found that to uphold the Union's interpretation would amend the Agreement by the addition of language in Article 35A.01 B. This would not be within the scope of the Arbitrator's authority under Article 25.03.

Explanation:

This language clarifies that only the OAC in effect as of July 1, 2000, is to be applied to employees covered by the Agreement. Also, as some of the provisions in the Agreement are not exceptions to the rules but simply clarifications that sentence is modified. The title "fixed term" is corrected to "established term."

-
- B. Employees with less than eight (8) years of service shall be entitled to receive disability leave benefits for a maximum of twenty-four (24) months. Employees with eight (8) years of service but less than sixteen (16) years of service, shall be entitled to receive disability leave benefits, up to twenty-four (24) months per disability not to exceed a total of thirty-six (36) months. Employees with sixteen (16) or more years of service shall entitled to receive disability leave benefits up to twenty-four (24) months per disability not to exceed a total of forty-eight (48) months. ~~The disability leave benefit plan will not become effective until July 1, 1998. The hours of paid disability leave benefits prior to the effective date shall be counted toward the lifetime maximum limitation.~~ **[Note: the last two sentences (absent the proposed**

modifications) were inadvertently omitted from the printed version of the 1997-2000 Agreement.]

- C. Employees will participate in transitional work programs mutually agreed to by the parties and as provided for in the applicable administrative rules. The Employer agrees that transitional work programs will not violate the provisions of the Family and Medical Leave Act.

Explanation: *(C) Employees who participate in transitional work programs are more likely to experience improved recovery time and to return to work permanently at the earliest opportunity.*

Following the provisions of Article 15, agencies will work with the Union to establish transitional worker programs. Once established, agency personnel offices in conjunction with HRD/OBA will monitor the recovery of disabled employees in conjunction with the employee's attending physician to determine if and when employees should be requested to participate in transitional work programs.

Attention: *Agency Personnel Officers, Labor Relations Officers; Staff Representatives, Union Officials.*

D. Pursuant to OAC rule 123:1-33-14, employees who have been denied Workers' Compensation lost time benefits for an initial claim, may file an application for disability leave benefits twenty (20) days from the notification by the Bureau of Workers' Compensation of the denial of an initial claim.

Explanation: *This language makes the same provision as OAC rule 123:1-33-14. The Union desired that it be placed into the Agreement so that employee are aware of the provision without having to consult the rules. It does not add to the provisions of the rule.*

Attention: *Agency Personnel Officers, Labor Relations Officers; Staff Representatives, Union Officials.*

35.02 - Disability Review

The Employer shares the concern of the Union and employees over the need to expeditiously and confidentially process disability leave claims.

The Employer and the Union shall review such concerns as time frames, paper flow, and possible refinement of procedural mechanisms for disability claim approval.

35.03 - Information Dissemination

The Employer recognizes the need to standardize the communication of information regarding disability benefits and application procedures. To that end, the Employer and the Department of Administrative Services shall produce explanatory materials which shall be made available to

union representatives, stewards or individual employees upon request.

35.04 - Orientation

The Employer shall develop a disability orientation program for union representatives so that they may train stewards as part of the information dissemination effort.

35.05 - Insurance Providers and Third Party Administrators

In the event that the administration of the disability program is conducted by a private insurance carrier or a third party administrator the administration shall be conducted in accordance with insurance industry underwriting procedures and standards without reducing benefits or eligibility requirements as provided in this Agreement.

ARTICLE 36 – WAGES

36.01 - Definitions

"Classification salary base" is the minimum hourly rate of the pay range for the classification to which the employee is assigned.

"Step rate" is the specific value within the pay range to which the employee is assigned.

"Base rate" is the employee's step rate plus longevity adjustment.

"Regular rate" is the base rate (which includes longevity) plus all applicable supplements.

"Total rate" is the regular rate plus shift differential, where applicable.

Notwithstanding any other provision of this agreement, if these definitions lead to any reduction in pay, the previous application shall apply.

36.02 - General Wage Increase

Effective with the beginning of the pay period which includes July 1, ~~1997~~ 2000, the pay schedules shall be increased by three percent (3%). Effective with the beginning of the pay period which includes July 1, ~~1998~~ 2001, the pay schedules shall be increased by three and one half percent (3.5%), five cents (\$.05) per hour of which shall be directed to the workforce development fund. Effective with the beginning of the pay period which includes July 1, ~~1999~~ 2002, the pay schedules shall be increased by ~~three percent (3%)~~ four percent (4%).

Explanation:

The increases were recommended by Factfinder Graham based on data presented to him at the fact-finding hearing. This data convinced the Factfinder that the economic climate and the condition of State resources would support the above increases.

Attention:

Agency Directors; Agency Divisions of Personnel; Agency Labor Relations, Personnel and Payroll Officers; Department of Administrative Services, Human Resources Division.

Instruction:

Pay increases will automatically be applied during the pay period which includes July 1 of each year of the Agreement.

36.03 - Step Movement

Newly hired employees will move to the next step in their pay range after completion of probation. Subsequent step movement shall occur after one (1) year of successful completion of probation if the employee receives an overall "satisfactory" rating of his/her performance evaluation, satisfactory service following the completion of probation, provided that Correction Officers and Juvenile Correctional Officers shall receive a step increase upon the completion of their probationary period or six (6) months of service as a Correction Officer or Juvenile Correctional Officer which comes first. All employees of the Department of Youth Services and the Department of Rehabilitation and Correction assigned to classifications which required a one hundred twenty (120) day probationary period pursuant to the previous Agreement, which expired on February 28, 1997, which require a one hundred eighty (180) day probationary period, as set forth in Article 6 shall be eligible for a step-increase in the pay period following the successful completion of one hundred twenty (120) days of the probationary period.

Effective July 1, 2001, all non-probationary employees shall be given an employee performance evaluation during the sixty (60) day period immediately preceding the employee's next step increase. Those employees who are at top step shall be evaluated annually, thereafter.

Employee performance evaluations shall be used for all purposes for which employee evaluations are normally used, including but not limited to, merit based incentive programs designed to award employees for specific form of job performance. If the employee's performance evaluation is not completed on time, the employee shall not be denied a step increase.

Explanation: *Factfinder Graham recommended that an employee who does not receive an overall rating of "satisfactory" on his/her performance evaluation be denied a step increase. Step increases, henceforth, shall be granted to reward employees for satisfactory performance. Sub-standard performers shall not be rewarded in the same manner. If the employee's performance evaluation is not completed on time, the Employer may not deny the step increase.*

Attention: *Agency Directors, Managers and Supervisors; Agency Labor Relations, Personnel, Human Resources and Payroll Officers.*

Instructions: *Performance evaluations must be completed on time. Agencies should develop a system for notifying Supervisors of evaluation deadlines.*

Effective Date: *July 1, 2001.*

36.04 - Promotions

Employees who are promoted shall be placed in a step to guarantee an increase of approximately four percent (4%).

36.05 - Classifications and Pay Range Assignments

A. Classifications and Pay Range Changes

The Employer, through the Office of Collective Bargaining, may create classifications, change the pay range of classifications, authorize advance step hiring if needed for recruitment or other legitimate reasons, and issue or modify specifications for each classification as needed. Before proposing changes to the Department of Administrative Services, an agency must discuss them with the Union pursuant to Section 8.02. Additionally, the Office of Collective Bargaining shall notify the Union forty-five (45) days in advance of any change of pay range or specifications. Should the Union dispute the proposed action of the Employer and the parties are unable to resolve their differences, they shall resolve the issue through arbitration pursuant to Section 25.03 of this Agreement. The Union shall appeal the matter to arbitration by providing written notice to the Employer. The matter shall be submitted to a mutually agreed upon arbitrator knowledgeable in classification and compensation matters.

At the request of the Union, but not more frequently than once each four (4) years per classification, the Department of Administrative Services shall review up to eight (8) ~~10~~

designated classifications per year for duties, responsibilities, education and/or experience, certification and/or licensure, and working condition factors. Such review shall be combined with salary survey data to determine appropriate salary range assignment. Absent mutual agreement, said data shall not be used to reduce a classification pay range assignment. Such reviews shall be based upon a position description questionnaire survey of ~~a random sample of all~~ incumbents in the classification, ~~or all incumbents in the case of classifications with fewer than 50 incumbents,~~ and shall be completed within 120 days of the initial request. The timelines in classifications exceeding three hundred (300) incumbents will be mutually set. Each employee shall complete his/her own PDQ. Those employees who not complete an individual PDQ shall be assigned to the appropriate classification and pay range based on the supervisor's review. Employees on disability will be given the option to complete a PDQ, or have their supervisor complete a PDQ.

Prior to the distribution of PDQ's the Union and State shall conduct a joint training on how to complete PDQ's. The content of the training shall be mutually agreed to by DAS and the Union. The scheduling and the training shall be mutually conducted by agency personnel and the Union. The training shall be no more than two (2) hours.

If an employee is found to have been improperly classified as determined from his/her PDQ, the employee shall be allocated to the appropriate classification in accordance with the finding of DAS. If the employee is performing duties of a lower classification, the employee shall be assigned into a lower classification and shall be placed in the step within the pay range that provides the employee with compensation that is equal to his/his current rate or that provides the least amount of increase, but no decrease in pay. Longevity supplements shall not decrease as a result of being placed in step X. If the employees base rate of pay exceeds the maximum rate of pay in the new pay range, the employee shall be placed in step X. If the employee is performing duties of a higher classification, the employee shall be placed in the higher classification at the step in the higher pay range which is approximately four percent (4%) higher than the current step rate of the employee. The back pay award, if any, shall be effective on the effective date of the pay range determination in accordance with this Article. The employee, through the Union, has sixty (60) days from the date the Union receives the findings of DAS to appeal the classification assignment. An employee on disability may appeal a classification assignment under this process within two (2) weeks following reinstatement from the disability.

Classification allocation appeals shall be conducted by the arbitrator selected for the Article 19 grievance reviews. The arbitrator shall determine whether the employee is appropriately allocated to the new classification, and if not, determine the classification assignment that is appropriate. If it is found that the employee is serving in a class not subject to the classification review; the employee shall receive an adjustment effective the date the study was implemented. Employees who do not complete a PDQ shall have no right to appeal the DAS determination. No employee shall be reduced in pay as a result of such review and determination and This appeal process shall also apply to state initiated classification reviews.

Pay adjustments pursuant to the classification review shall not be made effective before the beginning of the next fiscal year unless mutually agreed otherwise. ¶The Union shall have the right to appeal the pay range determination directly to Step Five (5) of Article 25 within 30 days of receipt of written-notice of the Department of Administrative Services determination.

An Arbitrator shall have no authority to award backpay for any period of time prior to the beginning of the fiscal year that begins after the grievance award.

When a classification is reallocated to a higher pay range, employees in the affected class shall be assigned to the step in the new pay range which provides for a wage increase of approximately four percent (4%), except that no employee who has completed probation in that classification will be assigned to step one (1).

B. High Performance Work Systems

The Employer and the Union agree to establish a joint committee to study ways in which the current classification system can be amended for purposes of enhancing employee opportunity and flexibility through the use of concepts such as broadbanding, skill based pay, and similar systems associated with high performance workplaces. The committee shall consist of four persons designated by each party and the state employee members will serve without loss of pay or travel expenses, exclusive of overtime.

The committee will include in its work a study of the relationship between workforce development and high performance systems, including training requirements, career development paths, workplace redesign and the impact of existing provisions of the Collective Bargaining Agreement, and may recommend the implementation of pilot programs within the context of this Section. The parties agree that, except as may be mutually agreed otherwise, no pilot or project initiated as result of this effort will conflict with, amend or abridge any provision of this Agreement. It is further agreed that no pilot or project initiated as a result of this effort will result in loss of pay or benefits, nor shall it result in the layoff of any employee. The joint committee will issue its report and recommendation by January 30, 1998.

Explanation:

The Department of Administrative Services (DAS) shall now review eight (8) designated classifications per year, rather than ten (10). Salary survey data may now be used to determine appropriate salary range assignment. However, salary survey data shall not be used to reduce a classification pay range, absent mutual agreement.

The parties will conduct joint training for employees on how to complete a Position Description Questionnaire (PDQ).

Much of the new language of this section was adopted to describe the classification review process, what happens if employees are improperly classified, and the appeal process. Classification appeals shall be heard by the Arbitrator selected for Article 19 (Working Out Of Classification) reviews.

If the classification review shows that a classification should be assigned to a higher pay range, any pay adjustments shall take place at the beginning of the next fiscal year, unless mutually agreed otherwise. This provision allows Agencies to budget for the pay increase.

If the Union successfully challenges the pay range determination of DAS, the Arbitrator may not award backpay for any period of time prior to the beginning of the fiscal year that begins after the grievance award. Again, this provision allows Agencies to budget for the pay increase.

Attention: *Agency Directors; Agency Labor Relations, Personnel, Personnel and Payroll Officers; Department of Administrative Services, Human Resources Division.*

Instruction: *Each employee is to complete his/her own PDQ. To ensure the integrity of the process, employees shall not jointly prepare their responses on the PDQ.*

36.06 - Roll Call Pay

Correction Officers and Psychiatric Attendants in the Department of Rehabilitation and Correction shall be entitled to thirty (30) minutes of roll call pay for reporting prior to the beginning of their shift. Current practice on reporting time shall continue unless mutually agreed otherwise.

Beginning on the first day of the pay period within which an employee completes five (5) years of total state service, each employee will receive an automatic salary adjustment equivalent to one-half percent (1/2%) times the number of years of service times the first step of the pay rate of the employee's classification up to a total of twenty (20) years. This amount will be added to the step rate of pay.

Longevity adjustments are based solely on length of service. They shall not be affected by promotion, demotion or other changes in classification.

Effective July 1, 1986, only service with state agencies, i.e. agencies whose employees are paid by the Auditor of State, will be computed for the purpose of determining the rate of accrual for new employees. Service time for longevity accrual for current employees will not be modified by the preceding sentence.

36.07 – Longevity Pay

Beginning on the first day of the pay period within which an employee completes five (5) years of total state service, each employee will receive an automatic salary adjustment equivalent to one-half percent (1/2%) times the number of years of service times the first step of the pay rate of the employee's classification up to a total of twenty (20) years. This amount will be added to the step rate of pay.

Longevity adjustments are based solely on length of service. They shall not be affected by promotion, demotion or other changes in classification.

Effective July 1, 1986, only service with state agencies, i.e. agencies whose employees are paid by the Auditor of State, will be computed for the purpose of determining the rate of accrual for new employees. Service time for longevity accrual for ~~current~~ employees will not be modified by the preceding sentence.

Arbitration Awards:

#684

Arbitrator Anna Smith: Grievant Norman Gambill; Health, 9/26/91. This case established that retirees who are rehired are eligible to receive longevity.

36.08 - Shift Differential

Bargaining unit members who are regularly assigned to work shifts shall receive a shift differential of \$.35 per hour for each hour worked in each shift-beginning between the hours of 2:00 p.m. and 3:00 a.m. The shift differential shall be added to the employee's regular rate of pay.

36.09 - Schedule C Employees

Employees formerly covered by Schedule C and identified in Section 13.10 shall continue to be covered by the existing overtime practices, notwithstanding the provisions of Section 13.10.

ARTICLE 37 - WORK FORCE DEVELOPMENT

Explanation:

Based on a joint recognition of the importance of workforce development, this Article establishes a workforce development fund, to provide additional training and educational opportunities for OCSEA employees. The focus will be basic skill, technical and computer skills, and tuition assistance. An eight (8) member labor/management steering committee, co-chaired by the Director of the Department of Administrative Services and the OCSEA Executive Director or their designees, will oversee the fund.

The Employer will contribute ten cents (\$.10) per hour per bargaining unit employee in active pay status. Each bargaining unit employee will contribute five cents (\$.05) for each hour in active pay status.

Attention:

Agency Directors; Agency Labor Relations, Personnel and Training Officers.

37.01 - Training and Development

The Employer and the Union recognize the importance of employee training and development as an element of productivity and quality improvement. Employee training and development is regarded as an investment rather than a cost and the parties seek to expand as well as develop employee skills through training initiatives.

37.02 - Work Force Development Fund

A. Purpose

~~Effective July 1, 1997, the~~ The State shall ~~establish~~ **maintain** a Work Force Development Fund for the purpose of developing and supporting a comprehensive program of work force training initiatives, including but not limited to the following:

1. Basic skills development;
2. Technical and computer skills training;
3. Tuition assistance, reimbursement and vouchers;
4. Workplace redesign and technological change;
5. Labor-Management relationships and problem-solving;
6. Agency-specific projects.

B. Steering Committee

A Steering Committee consisting of eight (8) members shall ~~be established to~~ determine the goals, guidelines and operating principles of the Work Force Development ~~Program~~ **Fund** and to oversee the administration of the programs and the fund established by this Article. The Steering Committee shall include four (4) persons designated by the Employer and four (4) persons designated by the Union, including the OCSEA Executive Director and the Director of DAS or their designees who shall serve as co-chairs. The Steering Committee may select and hire staff, consultants and service providers by majority vote.

C. Funding

The Employer shall maintain the current funding practice whereby the Employer contributes ten (\$.10) cents for each hour in active payroll status, including sick leave, for each bargaining unit employee and whereby each bargaining unit employee contributes five (\$.05) cents for each hour in active payroll status, including sick leave, from the general wage increase, to the Workforce Development Fund for the duration of this Contract. ~~contribute five (\$.05) cents to the fund per hour in active pay status by each bargaining unit employee to the fund commencing with the pay period which includes July 1, 1997. Commencing with the pay period which includes July 1, 1998, five (\$.05) cents for each hour in active payroll status, including sick leave, shall also be contributed to the fund from the general wage increase to be received by bargaining unit employees. Commencing with the pay period which includes July 1, 1999, an additional five (\$.05) cents for each hour in active payroll status, including sick leave, for each bargaining unit employee, shall be contributed to the fund by the Employer, for a total of ten (\$.10) cents per hour being contributed by the Employer.~~ The parties agree that the current assets of the fund shall not be greater than twelve million (\$12,000,000) dollars at any time ~~during the life of this Agreement~~ and that should the fund reach twelve million (\$12,000,000) dollars ~~all contributions, including the employee share,~~ shall cease until reinstated by a majority vote of the Steering Committee. Fund balances unexpended or encumbered in one (1) fiscal year shall be carried forward and be available in subsequent fiscal years, within the limit of the twelve million (\$12,000,000)-dollars cap set forth above. No wage scale shall be increased or decreased as a result of the temporary cessation of contributions or the reinstatement of same. The DAS Human Resources Division shall administer the programs developed by the Committee.

D. Operations

All direct costs associated with the administration and operation of the Work Force Development Fund shall be paid from the fund.

E. General

The purpose of the fund ~~will be~~ is to enhance, but not duplicate, existing State work force training and development except as otherwise agreed by the Steering Committee. Should the Steering Committee determine to assume established programs, e.g., ~~PETE~~, Sterling Institute, existing funding levels for the program(s) will be transferred to the Work Force Development Fund. Additionally, the parties agree that the Steering Committee will, ~~at a minimum,~~ establish a ~~tuition voucher system~~ employee educational financial assistance program providing payment of tuition and fees ~~up to one thousand (\$1,000) dollars annually~~ for each bargaining unit employee who applies for such benefits, in such amounts as established by the Steering Committee, subject to conditions and procedures as established by the Steering Committee.

37.03 - Orientation Training

Every new employee will receive orientation that provides an overview of the role and function of the Agency. Such orientation may also include, but is not limited to, current procedures, forms, methods, techniques, materials and equipment. This may be done on a group basis and shall be given as needed.

Employees who work in Corrections, Youth Services, MH and MR/DD facilities will be provided training in crisis intervention techniques to appropriately respond to client behavior that could result in injury to self or others.

37.04 - In-Service Training

Whenever employees are required to participate in in-service training programs, they shall be given time off from work with pay to attend such programs, including any travel time needed. Any costs incurred in such training shall be paid by the Employer. Every reasonable effort shall be made to notify employees of training opportunities through available channels of communication.

37.05 - Leave for Training/Continuing Education Programs

The Employer may grant permanent employees paid leave during regular work hours to participate in non-Agency training/continuing education programs which are directly related to work in the employee's Agency and will lead to the improvement of the employee's skills and job performance or as a part of an approved career ladder or skill expansion program. Reasonable effort will be made to equitably distribute such training opportunities among employees.

37.06 - Training Records

Except where the Union and the State have otherwise agreed, upon completion of a training/continuing education program, the participant will forward a certificate or other appropriate recognition of course completion to the appropriate Agency designee for placement in the employee's personnel file.

If such evidence is not received, additional requests for release time will not be approved.

37.07 - Pre-Retirement Programs

The Employer shall request the Public Employees Retirement System to conduct pre-retirement programs or it may conduct such programs for employees who are within one (1) year of eligibility for full retirement. Such training, if provided, shall be during regular working hours and eligible employees scheduled to work at that time shall be given time off to attend the training. Employees may attend only one (1) training session.

37.08 - Accreditation, Licensure or Certification Requirements

If accreditation, licensure or certification requirements of a position are changed and an employee serving in such a position does not possess the requirements(s), the affected employee shall meet such requirement(s) as soon as reasonably possible.

If meeting the requirement(s) requires additional in-service training and/or leave for training/continuing education programs, Sections 37.04 and 37.05 may be applied.

If an employee does not meet the requirement(s) within a reasonable period of time, the employee shall be moved into another position. If that position pays less than the employee's present salary, the employee's salary shall be frozen until such time as the employee's new pay schedule catches up with the frozen salary.

ARTICLE 38 - TECHNOLOGICAL CHANGE

The language in this Article continues unchanged from the previous Contract.

Whenever new equipment or technological changes significantly affect operations, the Employer will provide notice to the Union as soon as practicable but not less than sixty (60) days in advance. The Employer, whenever possible, will provide training to employees to acquire the skills and knowledge necessary for the new procedures.

Reasonable notice shall be given in advance of any technological changes that could potentially displace employees so that employees can be retrained. Such training shall be for employees to acquire skills and knowledge necessary to adapt to the technological changes within the agency. Training will be provided on an equal opportunity basis to all employees within the affected classification; where there are limitations of resources, state seniority shall be used to determine the order in which training opportunities are made available. An employee shall be responsible for registering for such training.

The Employer will make every reasonable effort to schedule the training during normal working hours. If the training does occur during normal working hours, then the employee to be trained shall be permitted time off to participate in the training. The training shall be at the Employer's expense.

Should an employee be unable to satisfactorily complete the required training, the Agency will make a good faith effort to place an employee into a similar position within the same geographic jurisdiction (see Appendix J). If that position is at a pay level less than the employee is presently receiving, the employee's salary shall be frozen until such time as the employee's new pay schedule catches up to the frozen salary.

Arbitrator Drotning: Grievant George Stringfellow, et al.; MRDD, 6/10/92. This case provides good language supporting management's lay off rights under Articles 18 and 38 (Technological Change).

ARTICLE 39 - SUB-CONTRACTING

Arbitration Awards:

#850

Arbitrator Graham: Grievant O'Boyle, ODOT, 2/20/93. This case resulted in the creation of the term "passive displacement," and an award against management under Sections 25.08 and Article 39.

39.01 - Contracting Out

The Employer intends to utilize bargaining unit employees to perform work which they normally perform. However, the Employer reserves the right to contract out any work it deems necessary or desirable because of greater efficiency, economy, programmatic benefits or other related factors.

If the Employer considers contracting out a function or service which would result in the layoff of bargaining unit employees, the Employer shall provide not less than 120 days advance written notice to the Union. Upon request the Employer shall meet with the Union to discuss the reasons for the contracting proposal and provide the Union an opportunity to present alternatives.

If the Employer does contract out, any displaced employee will have the opportunity to fill existing equal rated permanent vacancies at his/her work location or other work locations of the Agency. In the event an employee needs additional training to perform the required work in such other position, which can be successfully completed within a reasonable length of time, the Employer shall provide the necessary training during working hours at the Employer's expense.

Except for government employees from other jurisdictions who are part of a state agency's organizational structure, non-state employees will not ordinarily serve as supervisors (as defined by ORC Section 4117.01 F of any bargaining unit employees. Bargaining unit employees will not be responsible for training contract workers, except bargaining unit employees may be required to provide orientation and training related to agency policies, procedures and operations.

39.02 - Contracting-In

A. The Union will be granted a reasonable opportunity to demonstrate that bargaining unit employees can competitively perform work which has been previously contracted out, including access to available information regarding costs and performance audits. In considering the granting, renewal or continuation of competitively bid contracts for work normally performed by bargaining unit employees, to the extent feasible the Employer will examine information provided by the Union regarding whether or not such work can be performed with greater efficiency, economy, programmatic benefit or other related factors through the use of bargaining unit employees rather than through renewal or continuation of the contract or initial contracting out of work.

B. Within thirty (30) days of the effective date of this Agreement the State will furnish to the Union the State agency web site addresses that identify requests for proposals (RFPs) and invitation to bids (ITBS) for work it expects to contract out. The Union will receive additional State web sites within thirty (30) days of when they come on line.

Explanation:

Section 39.02 was proposed by the Union during 1994 negotiations as a result of its concern that bargaining unit jobs will be lost to subcontracting.

It was amended in the 1997 negotiations and the new language provides an opportunity for the Union to demonstrate that bargaining unit employees can competitively perform work for which the Employer is considering the utilization of a subcontractor. In the 2000 contract, the Union added language requiring the Employer to furnish web-site addresses that identify requests for proposals and invitations to bid on work it expects to contract out.

Agencies should take note that any contracting out which will result in the layoff of bargaining unit employees requires that the Union be notified 120 days in advance.

Attention:

Agency Directors; Agency Labor Relations, Personnel and Fiscal Officers.

Instructions:

If the Union approaches an Agency regarding work that has been previously contracted out or which is considering contracting out the provisions of Article 39.02 are applicable. It is important that Agencies follow the language and "to the extent feasible" examine information provided by the Union in its attempt to demonstrate that the work can be performed with greater efficiency, economy, programmatic benefit or other related factors by bargaining unit employees. All subcontracting must be done in accordance with the provisions of this Article.

ARTICLE 40 - INDEMNIFICATION

The language in this Article continues unchanged from the previous Contract.

The Employer agrees to indemnify employees from liability incurred in the performance of their duties in accordance with Ohio Revised Code Section 9.87 and other related ORC provisions. Further the Employer may indemnify employees, under the circumstances and in accordance with the procedures set forth in the Ohio Revised Code under Section 9.87, from liability for compensatory or punitive damages incurred in the performance of their duties by paying any judgment in, or amount negotiated in settlement of, any civil action arising under the law of the State of Ohio, the law of any other state, or under federal law. The actions of the Ohio Attorney General pursuant to the Ohio Revised Code Section 9.87 are not subject to the grievance or arbitration procedures.

Premiums for any bond required by the Employer or law for any employee to carry out his/her assigned duties shall be paid by the Employer.

ARTICLE 41 - NO STRIKE/NO LOCKOUT

The language in this Article continues unchanged from the previous Contract.

There shall be no strike/no lockout during the term of this Agreement pursuant to ORC Chapter 4117.

ARTICLE 42 - SAVINGS

The language in this Article continues unchanged from the previous Contract.

Should any part of this Agreement be declared invalid by operation of law or by a tribunal of competent jurisdiction, the remainder of the Agreement will not be affected thereby but will remain in full force and effect. In the event any provision is thus rendered invalid, upon written request of either party, the Employer and Union will meet promptly and negotiate a mutually satisfactory modification within thirty (30) days.

ARTICLE 43 – DURATION

43.01 - Duration of Agreement

This Agreement shall continue in full force and effect for the period March 1, ~~1997~~ 2000 through February ~~29, 2000~~ 28, 2003, and shall constitute the entire Agreement between the parties. All rights and duties of both parties are specifically expressed in this Agreement. This Agreement concludes the collective bargaining for its term, subject only to a desire by both parties to agree mutually to amend or supplement it at any time. No verbal statements shall supersede any provisions of this Agreement.

Attention: *Agency Labor Relations and Personnel Officers.*

Instructions: *The effective date is March 1, 2000, and the expiration date is February 28, 2003. The implementation dates for various provisions may not coincide with the term of the contract. HRD/OCB will advise agencies of agreed on implementation dates if different from March 1.*

43.02 - Renegotiations

The Union shall designate approximately twenty-one (21) bargaining unit members to serve on the master negotiating team (based upon one (1) member for each 2,000 bargaining unit employees or major fraction thereof, with a minimum of one (1) per unit, plus the three (3) state-wide elected officers). The parties may mutually agree to sub-divide the master teams to negotiate bargaining unit issues. If such unit negotiations cannot be sufficiently staffed by members of the master negotiating teams, the parties may mutually agree to additional members. Members of the Union negotiating team shall be paid by the Employer for the time spent in negotiations with the Employer as well as for the time spent enroute to and from such negotiations, provided that no Union negotiating team member shall receive more than eight (8) hours pay for any single day. At the request of the Union, Union negotiating team members will also be paid for at least three (3) days of negotiations preparations.

An additional forty (40) designated Union representatives shall each be allowed up to a total of twenty-four (24) hours of paid time, as requested by the Union, for purposes of consulting with the negotiating team in the development of proposals and during the final weeks of bargaining.

43.03 - Mid-Term Contractual Changes

The Employer and the Union have the power and authority to enter into amendments of this Agreement during its term constituting an addition, deletion, substitution or modification of this Agreement. Any amendment providing for an addition, deletion, substitution or modification of this Agreement must be in writing and executed by the Executive Director of the Union and the Director of the Department of Administrative Services or designee. Upon its execution, such amendment shall supersede any existing provision of this Agreement in accordance with its terms and shall continue in full force and effect for the duration of this Agreement. All other provisions of this Agreement not affected by the amendment shall continue in full force and effect for the term of this Agreement. **Memoranda of Understanding, amendments and any other mutually agreed to provisions, during the term of this Agreement, become effective**

upon the execution by the Director of the Office of Collective Bargaining and the President of the Union and require ratification not to exceed sixty (60) days.

Explanation: *The Factfinder recommended the addition of this new language to balance the interest of the Union in needing time to ratify mid-term contract provisions, and the Employer's interest in having quick resolution of the negotiation process.*

Attention: *Agency Labor Relations and Personnel Officers.*

Instructions: *If agencies wish to amend the Agreement, they must contact HRD/OCB Labor Relations Specialist for assistance. All amendments must be signed by the Director of DAS or designee to be valid.*

43.04 -

Whenever there is a dispute as to the correct interpretation of a matter resolved through mediation/factfinding, the parties agree that the mediator/factfinder shall be retained to clarify the matter in the dispute. In the event the mediator/factfinder is unable to clarify the matter, it may be resolved pursuant to the Grievance Procedure.

Arbitration Award:

#1413 *Arbitrator Harry Graham; Grievant Jay Agranoff; PUCO, 12/06/99. This grievance involved the issue of how time is calculated for purposes of disability leave benefits. The case hinged on the interpretation of language recommended by the Factfinder for the 1997 – 2000 Agreement. The Arbitrator made the following determination: 1) the case was not yet ripe for arbitration because the Grievant had not been denied disability benefits, and 2) the parties should submit the question to the Factfinder who wrote the language to determine his intent.*

Explanation: *This new section was added to clarify that future disputes regarding interpretation of a Factfinder's recommendation should be heard by the Factfinder who made the recommendation.*

Attention: *Agency Labor Relations and Personnel Officers; Office of Collective Bargaining.*

ARTICLE 44 – MISCELLANEOUS

The language in this Article continues unchanged from the previous Contract.

44.01 - Agreement

To the extent that this Agreement addresses matters covered by conflicting State statutes, administrative rules, regulations or directives in effect at the time of the signing of this Agreement, except for ORC Chapter 4117, this Agreement shall take precedence and supersede all conflicting State laws.

44.02 - Operations of Rules and Law

To the extent that State statutes, regulations or rules promulgated pursuant to ORC Chapter 119 or Appointing Authority directives provide benefits to State employees in areas where this Agreement is silent, such benefits shall be determined by those statutes, regulations, rules or directives.

The Employer will satisfy its collective bargaining obligation before changing a matter which is a mandatory subject of bargaining.

Arbitration Awards:

- #272 *Arbitrator John Drotning: Grievant Constance Leedy; DAS, 4/18/89. The Arbitrator stated that as established under 4117.10, if a contract is silent on an issue then the existing law is governing.*
- #663 *Arbitrator Rhonda Rivera: Grievant Steven Holt; MRDD, 9/10/91. The Arbitrator found that the forum for an appeal for reinstatement after disability separation is the grievance procedure, not SPBR in that the benefit of reinstatement was preserved under 43.02.*
- #684 *Arbitrator Anna Smith: Grievant Norman Gambill; Health, 9/26/91. This case established that retirees who are rehired are eligible to receive longevity.*
- #795 *Arbitrator Drotning: Grievant Lula Smith; Employment Services, 1/31/92. This case involves the Union's assertion that ERI plans are covered by the contract. The Arbitrator determined they are not. This case as well as the cases cited above incorporate arguments and determinations based in the preservation of benefits language.*
-

44.03 - Work Rules

After the effective date of this Agreement, agency work rules or institutional rules and directives must not be in violation of this Agreement. Such work rules shall be reasonable. The Union shall be notified prior to the implementation of any new work rules and shall have the opportunity to

discuss them. Likewise, after the effective date of this Agreement, all past practices and precedents may not be considered as binding authority in any proceeding arising under this Agreement.

44.04 - Successor

In the event that the Employer or any of its Agencies covered by this Agreement sells, leases, transfers or assigns any of its facilities to political subdivisions, corporations or persons, and such sale, lease, transfer or assignment would result in the layoff or termination of employees covered by this Agreement, the Agency and Employer shall attempt in good faith to arrange for the placement of such employees with the new employer or the State.

The Agency shall notify the Union in writing at least thirty (30) days in advance of the final date of any such sale, lease, transfer or assignment.

In the event the Employer plans to close an institution or part thereof it shall give ninety (90) days advance notice to the Union. The Union shall be given the opportunity to discuss the planned closure with the Employer. Should it become necessary to close an institution or part thereof, the following guidelines will be utilized:

- A. Where individual institution(s) or part(s) thereof are closed, the provisions of Article 18 will apply;
- B. The Agency(s) will seek to absorb all affected employees or help displaced workers obtain employment in other areas of the public sector;
- C. A concerted effort will be made to relocate displaced employees within the framework of any new delivery system. The Employer will seek to involve the Union and any newly-created structure in a positive program for the hiring and possible retraining of any displaced employee;
- D. In cooperation with the Union, the Agency(s) will aggressively search for any available program assistance for the purpose of job training and/or placement. The Union and the Employer will closely examine all possible avenues for human resource assistance in both the public and private sectors.

44.05 - Errata

It is the understanding of the parties that any errors in printing or typography will not alter the intent of the parties with respect to any such item.

Attention: *Agency Labor Relations Officers and Legal Counsels.*

Instructions: *If errors are found in this version or the final printed version of the Agreement they should be brought to the attention of HRD/OCB Labor Relations Specialist.*

APPENDIX K - Guidelines for Occupational Injury Leave

1. An employee of the Ohio Department of Mental Health, the Department of Mental Retardation and Developmental Disabilities, the Ohio Veterans Home, and Schools for the Deaf and Blind, Department of Rehabilitation and Correction, and the Department of Youth Services who suffers bodily injury inflicted by an inmate, patient, **resident**, client, youth or student in the ~~facilities of the~~ above agencies, shall be eligible for his/her ~~regular~~ **total** rate of pay during the period he/she is disabled as a result of such injury but in no case to exceed 960 hours. This form of compensation shall be in lieu of Workers' Compensation. The employee ~~may~~ **shall** apply for Workers' Compensation **lost time benefits** while he/she is receiving occupational injury leave. Workers' Compensation **lost time benefits** may be received, if awarded, by the employee after the occupational leave is exhausted. **Employees who have been approved for OIL and are then approved for Workers' Compensation lost time benefits for a psychological illness as a continuation of the same claim for bodily injury, and who have not been paid 960 hours of OIL, shall be permitted to supplement the Workers' Compensation Benefits with OIL up to 100% of the employee's regular rate of pay, not to exceed 60 hours of OIL and with the total limit of 960 hours of OIL.**

Explanation:

- 1) *This language clarifies that as with Workers' Compensation benefits, a qualifying injury need occur only while in the employ of the State Agency, not solely within a "facility."*
- 2) *Employees receiving OIL on or after March 1, 2000, will be paid at their total rate of pay (including shift differential) as defined in §36.01. **There will no retroactive payments prior to March 1, 2000.***
- 3) *An employee must apply for Workers' Compensation benefits to continue receiving OIL. Thus, OIL is truly "in lieu of" Workers' Compensation lost time wage benefits.*
- 4) *An employee with an approved OIL claim and an approved Workers' Compensation psychological illness claim as a continuation for an approved bodily injury claim, may be granted up 60 hours of OIL, provided the employee has not reached the total OIL limit of 960 hours for that claim.*

Attention:

Staff Representatives, Union Officials; Agency Directors; Agency Labor Relations, Personnel and Payroll Officers; Agency Supervisors; Department of Administrative Services, Human Resources Division, Office of Benefits Administration.

Instructions:

Most of this provision will be administered by HRD, Office of Benefits Administration. However, all persons involved in OIL claim processing should be familiar with this language. Payroll Officers should note that OIL is now paid at the total rate.

All responsible sections will need to monitor cases so that OIL is not granted improperly for cases involving psychological injury.

Effective Date:

March 1, 2000 – February 28, 2003

-
2. Pay made regarding this leave shall not be charged to the employee's accumulation of sick leave credit.
 3. Employees who think they are eligible for this type of leave may apply to their Agency Designee within twenty (20) days of the incident giving rise to the injury unless physically unable to do so.
 4. A statement of circumstances of the injury shall be filed with the Director of Administrative Services by the employee's Appointing Authority. This statement shall show conclusively that the injury was sustained in the line of duty and was inflicted by an inmate, patient, **resident**, client, youth or student and did not result from accident or from misbehavior or negligence on the part of the employee. A statement by the injured employee recounting the circumstances of the injury shall accompany the Appointing Authority's statement.
 5. The Appointing Authority may also obtain and file with the Director of Administrative Services the report of a physician designated by the Director of Administrative Services as to the nature and extent of the employee's injury.
 6. The employee shall be obligated to submit documentation from the attending physician indicating extent of the disability to receive necessary medical treatment and to return to active work status at the earliest time permitted by his/her attending physician. Where a medical question is at issue, the Employer shall obtain a medical opinion conducted by a physician of the specialty for which the employee is receiving treatment (~~if~~ **if** any), mutually agreed to by the State and the employee's attending physician. The independent physician shall render a medical opinion within thirty days of the selection and the decision of the independent physician shall be binding.
 7. An employee on Occupation Injury Leave **shall accrue sick leave and personal leave but shall be exempt from the accumulation of not accrue** vacation leave ~~credit and sick credit as set for in Sections 28.01 and 29.01 of this contract.~~
-

Attention: *Agency Directors; Agency Labor Relations, Personnel and Payroll Officers; Agency Supervisors; Department of Administrative Services, Human Resources Division, Office of Benefits Administration; Staff Representatives, Union Officials.*

Instructions: *Employees receiving OIL on or after March 1, 2000, who previously did not accrue sick leave or personal leave while receiving OIL will now accrue those leaves. **There will be no retroactive adjustments to sick leave or personal leave accruals prior to March 1, 2000.***

Effective Date: *March 1, 2000 – February 28, 2003*

8. If an employee's injury or disability as covered by the above guidelines extends beyond 960 hours he/she shall immediately become subject to Article 29, "Sick Leave", of this contract.
9. An employee is disqualified from receipt of benefits if the employee engages in any ~~similar or similarly demanding~~ occupation for wages or profit **as defined in the appropriate Workers' Compensation statute**. If such an employee has already received the benefits, then he/she

must reimburse the State in the amount of the benefits received. The employee may be subject to disciplinary action for violation of this Article.

APPENDIX M - Drug-Free Workplace Policy

Section 1. Statement of Policy

- A. Both the State and the Union desire a workplace that is free from the adverse effects of alcohol and other drugs. As such, both parties acknowledge that substance abuse is a serious and complex, yet treatable, condition/disease that adversely affects the productive, personal and family lives of employees. The parties further acknowledge that substance abuse may lead to safety and health risks in the workplace, for the abusers, their co-workers, and the public-at-large. Accordingly, the State and the Union pledge to work collaboratively in programs designed to reduce and eradicate the abuse of alcohol and drugs.
- B. The Union recognizes the need to address problems associated with having on-duty employees under the influence of alcohol or drugs. The Union also recognizes the State's obligations under the Federal Drug-Free Workplace Act of 1988 and other Federal laws and regulations concerning the controlling of substance abuse in the workplace. At the same time, the State recognizes employees' rights to privacy and other constitutionally guaranteed rights, as well as the due process and just cause obligations of this Agreement. Both parties agree that the emphasis of any drug-free workplace programs shall be to prevent and rehabilitate employees and to abate risks created by employees who are on duty in an impaired condition.
- C. The State will periodically provide information and training programs concerning the impact of alcohol and other drug use on job performance, as well as information concerning the State's Employee Assistance Program and any other resources that an employee or his/her family may contact for assistance in overcoming an alcohol and/or other drug problem. All bargaining unit employees shall be furnished with a copy of the Employer's drug-free workplace policies within thirty (30) days of initial employment with a state agency. Additionally, each employee will similarly be provided with a written description of the Employer's drug testing policy, including the procedures under which a test may be ordered, procedures for obtaining samples for testing, how testing will be conducted and reported to the Employer and employees; and the potential consequences of refusing to submit to testing or of positive test results. In addition, managers and supervisors shall be provided training about the Drug-Free Workplace Policy and alcohol and the drug-testing program in order to ensure that the policy and program are administered consistently, fairly, and within appropriate Constitutional parameters.
- ~~Random testing of employees DR&C and DYS employees shall not be implemented until January 1, 1998. Notice of these procedures will be provided to all employees covered by the testing no later than September 1, 1997. Training will be provided to all covered employees prior to implementation based upon agreement of the parties, joint training by the parties can be provided on an Agency basis. New employees who are covered will be provided notice and training prior to testing.~~ **Testing for new classifications listed in Section 7 will not commence until such time as employees are provided notice and training.**
- D. Any employees suffering from a substance abuse problem shall receive the same careful consideration and offer of treatment that is presently extended under the State's existing benefit plans to those employees having other mental health and substance abuse conditions, as well as under the Employee Assistance Plan established under Article 9 of this Agreement. The same benefits and insurance coverages that are provided for all other illnesses, diseases, and/or physical or psychological conditions, under the State's established health insurance benefit

plan, shall be available for individuals who accept medically approved treatment of alcoholism or drug dependency.

- E. An employee's refusal to accept referral for diagnosis or to follow the prescribed treatment will be handled in accordance with other policies relating to job performance, subject to the contractual grievance/arbitration procedures and other provisions of this Agreement. No person with a substance abuse problem shall have his/her job security or promotional opportunities jeopardized by a request for diagnosis and/or treatment. Continued unacceptable job performance, attendance, and/or behavioral problems will result in disciplinary action, up to and including termination.
- F. The confidential nature of the medical records of employees with substance abuse problems shall be maintained pursuant to both Ohio and Federal laws. Similarly, all records relating to drug tests and their results shall be maintained in accordance with Ohio and Federal laws.
- G. All Department heads, managers, and supervisors are responsible for adherence to, and implementation, enforcement, and monitoring of, this policy.

Explanation: *The changes to this Section eliminate outdated calendar year references. Employees in safety sensitive positions listed in Section 7 shall not be tested until they are provided notice and training on random drug testing procedures.*

Such reasonable suspicion must be based upon objective facts or specific circumstances found to exist that present a reasonable basis to believe that an employee is under the influence of, or is using or abusing, alcohol or drugs. In addition, such reasonable suspicion must be documented in writing and supported by two witnesses, including the person having such suspicion. The immediate supervisor shall be contacted to confirm a test is warranted based upon the circumstances. Such written documentation must be presented, ~~as soon as possible~~, to the employee and the department head, who shall maintain such report in the strictest confidence, except that a copy shall be released to any person designated by the affected employee.

3. The random testing pools for DYS employees and DR&C employees shall be maintained on a State-wide basis that includes all employees in the Agency who are subject to random testing. The random testing pool shall be maintained and administered by the Drug-Free Workplace Services Program of the Department of Administrative Services. The percentage of employees to be tested annually will vary during the first two (2) years of the Agreement, the percentage of the employees to be tested annually at up to 30% of the

random testing pool. During the last year of the agreement, the percentage of the employees to be tested annually can vary from 10% to 30% of the average total of the random testing pool.

4. The Drug-Free Workplace Office of DAS may issue the random testing list to DYS Central Office and DR&C Central Office. The agency Central Office shall issue a list of employees to the appropriate Facilities/Institutions. Any employee included on the list who is subject to a random test shall be tested within ~~72 hours~~ **seven (7) days** after the Facility/Institution has received the random list. Any employee who is not tested within ~~72 hours~~ **seven (7) days** after the Facility/Institution receives the list shall not be tested as a result of that list.

5. A test result which indicates a .04% blood alcohol level will be considered a positive test. No consequences will attach to any result below a .04% level.

6. The employee shall be responsible for the cost of all follow-up alcohol and drug tests that are ordered by the Employer.

Explanation:

The changes in this Section increase the testing window from 72 hours to seven (7) days. This change was made so that the Employer has more time to test those employees listed on the primary list, rather than resorting to the secondary list. This should eliminate some problems with employees being repeatedly tested.

Attention:

Agency Labor Relations Officers; Personnel and Human Resources Officers; Agency Legal Counsels; and Department of Administrative Services, Human Resources Division, Offices of Policy Development and Collective Bargaining.

B. Federal Testing

1. The Employer will comply with all provisions of the Federal Omnibus Transportation Employee Testing Act of 1991 and the Federal Drug Free Workplace Act of 1988 and any other Federal laws and regulations covering the control of substance abuse in the workplace. Any proposed policies or guidelines proposed by the Employer to comply with these regulations will be provided to the Union. The Employer will comply with any bargaining obligations as required by law.

2. The random testing pool shall be maintained and administered by the Drug Free Workplace Services Program of the Department of Administrative Services.

Explanation:

This Section sets forth the testing procedures to be utilized for all types of testing. All testing procedures and protocols shall conform to Federal laws and/or regulations. Employees subject to State reasonable suspicion testing shall have the right to consult with a Union representative if one is available, one hour prior to testing. Additionally, in cases of reasonable suspicion testing a Union representative may accompany an employee to the specimen collection site.

Attention: *Agency Labor Relations Officers; Personnel and Human Resources Officers; Agency Legal Counsels; and Department of Administrative Services, Human Resources Division, Offices of Policy Development and Collective Bargaining.*

Instructions: *Please contact DAS, HRD, Office of Policy Development for information and assistance in administering the program.*

Section 4. General Provisions Applicable To All Testing

- A. Subject to the reasonable requirements of the laboratory, the Union shall have the right, upon reasonable request made to the laboratory, to inspect and observe any aspect of the drug testing program, with the exception of individual test results. The Union may inspect individual test results, if the release of such information is authorized, in writing, by the affected employee.
 - B. Covered employees will be selected from the random selection pool by a computer-driven random number process based upon the position control numbers of all positions for which testing is required. Procedures will be developed by each Agency and work site with the approval of the Drug Free Workplace Services pursuant to state wide policy.
 - C. Periodically, at the Union's discretion, the Union shall have the opportunity to audit the State's sampling and testing procedures.
 - D. An employee may be assigned to non-safety sensitive duties after testing positive. However, no employee may be displaced from a pick-a-post position based on such an assignment.
 - E. If the employee is sent home after notice is received by the Employer that he/she tested positive the Employer shall place the employee on administrative leave with pay pending notice of the pre-disciplinary meeting. If the employee does not waive the 72 hour pre-disciplinary meeting requirement, the employee shall be placed on approved administrative leave without pay and may use any accruals to cover the time off.
 - F. All sample collection shall be conducted off-site by professional non-state personnel subject to the requirements of the testing lab unless the parties on a facility-by-facility basis mutually agree to an alternative sample collection process.
 - G. Travel time and testing are to be considered "time worked" for compensation purposes.
-

Explanation: *This Section sets forth general provisions applicable to all testing. It establishes the selection process for the random testing pool. The language provides the Union with an opportunity to audit the State's sampling and testing procedures. The language provides for reassignment of an employee to non-safety sensitive positions after testing positive, or the right to place an employee on administrative leave with pay. It is recommended that agencies give an employee the pre-disciplinary notice at the time they give the employee notice of a positive test result, and hold the pre-disciplinary meeting immediately or as soon as practicable. If the agency is not able to immediately conduct the pre-disciplinary meeting, the employee is to be placed on administrative leave with pay and must be paid until the pre-*

*disciplinary meeting is conducted. If the employee refuses to waive the right to a seventy-two (72) hour notice of pre-disciplinary meeting, the employee will be placed on an **approved leave without pay.***

Attention: Agency Labor Relations Officers; Personnel and Human Resources Officers; Agency Legal Counsels; and Department of Administrative Services, Human Resources Division, Offices of Policy Development and Collective Bargaining.

Instructions: Please contact DAS, HRD, Office of Policy Development for information and assistance in administering the program.

Section 5. Notice of Drug-Related Convictions

As required by the Federal Drug-Free Workplace Act of 1988, each employee covered by this Agreement is required to notify his/her agency head or his/her designee, within five (5) days after he/she is convicted of a violation of any federal or state criminal drug statute, provided such conviction occurred at the workplace or any location where the employee is working at the time of the incident which led to the conviction. Each agency is required to notify any federal agency with which it has a contract or grant, within ten (10) days after receiving notice from the employee, of the fact of such conviction. Any employee's failure to report such a conviction will subject such employee to disciplinary action, up to and including termination consistent with the just cause standards set forth in Article 24 of this Agreement. An agency head or his/her designee may refer such employees to the Employee Assistance Program for referral and treatment.

Section 6. Disciplinary Action

On the first occasion in which any employee who is determined to be under the influence of, or using, for alcohol or other drugs, while on duty, as confirmed by testing pursuant to this policy, the employee shall be given the opportunity to enter into and successfully complete a substance abuse program certified by the Ohio Department of Alcohol and Drug Addiction Services. No disciplinary action shall be taken against the employee, provided he/she successfully completes the program. Last chance agreements shall not be effective for longer than five (5) years, except if any of the following situations led to the drug or alcohol testing, in which case the last chance agreement shall be of an unlimited duration:

1. Any accident involving a fatality;
2. Any accident in which the driver is cited and there is disabling damage to the vehicle(s) requiring tow-away; or
3. Any accident in which the driver is cited and off site medical treatment was required.

Any last chance agreements entered into during the term of the last contract shall be subject to the above provision.

Employees on their initial probationary period who test positive for drugs or alcohol from either a random or reasonable suspicion test shall not be eligible for a last chance or EAP Agreement. The probationary employee shall be terminated on the first occasion in which they test positive for alcohol or other drugs.

Explanation:

The new language of this Section clarifies that employees who are still on their initial probationary period and test positive for drugs, no matter the reason tested, shall be terminated.

Last chance agreement remain in effect for no longer than five years; however, last change agreements may be for an unlimited duration if certain circumstances exist.

PLEASE NOTE: *A previous factfinder recommended that the language relating to last chance agreements be applied to such agreements executed during the life of the 1994-1997 collective bargaining agreement.*

Please refer to the language for those circumstances.

Attention:

Agency Labor Relations Officers; Personnel and Human Resources Officers; Agency Legal Counsels; and Department of Administrative Services, Human Resources Division, Offices of Policy Development and Collective Bargaining.

Instructions:

Please direct any questions concerning the execution and/or implementation of last chance agreements to DAS, HRD, Offices of Policy Development and Collective Bargaining.

APPENDIX N

Memorandum of Understanding For Implementation of Work Areas For Mental Retardation Department of Youth Services, and Ohio Veterans Home of 8/31/87

A. Work Areas for Mental Health, Mental Retardation, Department of Youth Services, and Ohio Veterans Home

"Work areas," for the purposes of this memorandum, shall be defined as the smallest subdivision of regular work assignment in the physical setting wherein an employee performs his/her assigned work on a regular basis. (Examples include, but are not limited to, a ward, unit, module, cottage or 1/2 a cottage, kitchen, laundry, building or facility.)

B. Selection of Work Area Process

Within thirty (30) days of the completion of the specified work area negotiations (as outlined in G), each institution shall post all the work area assignments as defined in A above) for the positions identified in Appendix N. The postings shall include the classification, exact work area, the regularly scheduled days off pursuant to Article 13, and the shift. The affected employees (in classifications listed in Appendix N) at each institution shall be canvassed jointly by the Employer and the Union in institutional seniority order with the most senior employee person being asked his/her preference first; the next most senior person second, etc. Those employees shall be permitted to select their preferred work area. The work area shall be awarded to the employee with the most institutional seniority unless the agency can show that the skills and abilities of a junior employee who has bid on the work area are demonstrably superior to the senior employee. Successful bidders shall meet any professional needs of the position. When the Employer denies an employee his/her preferred work area assignment because the employee, does not meet the professional needs, it shall be the Employers burden to demonstrate that the employee does not meet the professional needs.

The canvass will be stopped if an individual employee is not available for making the selection unless the Union and the Employer mutually agree to do otherwise. The canvass will continue once this employee is contacted and has made his/her selection. Employees on any approved leave will be canvassed as part of the regular canvass. The employee who fills the work area assignment desired by the employee on approved leave will be informed that the assignment is temporary. Upon the return to work of the employee on leave, the employee who filled that assignment will be assigned to an available opening or may express preference if there are multiple openings. The displaced employee will not have bumping rights in this instance. Every reasonable effort will be made to move the employee to the work area within fourteen (14) days of the completion of the canvass. However, in emergencies or where abnormal work loads exist in the employee's incumbent work area, assignment may be delayed up to forty-five (45) calendar days after the completion of the canvass.

C. Filling of Work Area Openings

Thereafter, employees shall be given the opportunity to bid for work area openings in their job classification in other work areas within their institutions. Work area openings shall be posted for at least ten (10) calendar days, and shall include all the information contained on the postings for the first time canvass with the additional information of the anticipated date by which the work area opening will be filled. The work area shall be awarded to the employee with the most institutional seniority unless the agency can show that the skills and abilities of a junior employee who has bid on the work area are demonstrably superior to the senior employee. Successful bidders shall meet any professional needs of the position. When the employee denies

an employee his/her preferred work area opening because the employee does not meet the professional needs, it shall be the Employer's burden to demonstrate that the employee does not meet the professional needs. Employees are limited to exercising their right to bid on a work area opening to two (2) successful bids a year (excluding the first canvassing described in B above). There shall be no more than two (2) additional work area selections resulting from the filling of a work area opening. Work area openings not filled in this manner shall be considered in accordance with the provisions of Article 17.

D. Integrity of the Work Area

The Employer shall not change the make-up and basic nature of the work areas so as to subvert any rights guaranteed by this memorandum. If, through necessary reorganization of the institution, the nature of the work area changes, such changes shall be discussed in Institutional Labor/Management Committee meetings. If agreement cannot be reached at such meetings, the proposed change shall be discussed at Department level Labor/Management Committee meetings. If agreement cannot be reached, the Union may grieve such work area changes utilizing the applicable provisions outlined in Article 25.07 and Article 25.10 of the Collective Bargaining Agreement.

E. Expansion of MH, MR, DYS, OVH, and Facilities

In the event the Employer expands any of the institutions covered by this memorandum, or constructs new ones, it shall provide timely notice to the local Chapter President and the OCSEA Executive Director. Within thirty (30) days of this notice, the local Labor/Management team will meet to discuss the new work areas at the facility. If agreement cannot be reached, the Union may grieve such work area changes utilizing the applicable provisions outlined in Article 25.07 and Article 25.10 of the Collective Bargaining Agreement.

F. Relief Assignments

Relief positions shall be put up for bid as part of the initial canvass and as they become work area openings. Relief assignment shall be utilized by the Employer as a regular assignment. All employees who work in relief positions shall be allowed to, on a daily basis, by seniority, pick the area they are to serve as relief for that day. This section shall not result in the reduction of currently filled single post assignments unless mutually agreed to by the parties. How the relief position(s) will be utilized shall be the subject of the separate local work area negotiations.

G. Specific Work Area Negotiations

Within thirty (30) days of this agreement, the local Chapter President and up to two (2) additional representatives, along with an OCSEA Staff Representative(s) shall meet with the Employer at each institution in MH, MR, DYS, OVH and to negotiate the specific work areas as defined by this memorandum. It is the goal of the parties to resolve any work area disputes in these local institutional negotiations. However, if agreement cannot be reached at such negotiations, the following procedure shall be used for the resolution of those work areas in dispute. Within forty-five (45) days of the signing of this memorandum, local officials from the appropriate institution and OCSEA Staff will meet with representatives from the appropriate agency and the Office of Collective Bargaining in a good faith effort to resolve the remaining work area disputes.

In the event the parties cannot agree, the Union and the Employer shall submit a final offer stipulating their positions on the disputed work area and the arbitrator will select the "best offer" from the detailed proposals submitted by the parties.

H. Seniority Lists

Within thirty (30) days of this agreement, the employer shall provide to the Chapter President what it believes to be the correct institutional seniority list for all affected employees. Additionally, written notification of each employee's institutional seniority shall be provided to each employee with their paycheck. Employees who believe the institutional seniority date to be in error shall meet with the appropriate management personnel and Union representative in an effort to determine the correct seniority date. If no agreement can be reached as to what is the correct institutional seniority date, the employee may utilize the grievance procedure starting at Step Three (3).

APPENDIX P - UNIT-SPECIFIC AGREEMENTS

UNIT 4

Overtime

4.1- Overtime Roster

Bargaining Unit 4 employees shall be canvassed on a quarterly basis for their willingness to work overtime. Employees who wish to be called back for overtime outside of their regular hours shall have a residence telephone and shall provide their phone number to their supervisor. Overtime rosters by classification shall be established for each facility. Employees shall be listed according to state seniority on the appropriate classification overtime roster. The roster shall include all employees within the classification willing to work overtime regardless of the shift. Such overtime rosters shall be provided to the steward. Overtime rosters shall be posted at the sign-in location or in location(s) at the facility which enable employees to review the roster. This list shall be revised and posted each payroll period. The location(s) of overtime rosters is an appropriate subject for facility Labor/Management discussion.

4.2- Maintenance of the Roster

Overtime rosters shall include the number of voluntary overtime hours worked and refused and shall be updated each payroll period. An employee who is offered but refused overtime assignment shall be credited on the roster with the amount of overtime refused. Following the quarterly canvass for willingness to work overtime, the overtime roster shall be purged of voluntary overtime hours worked and refused, and the procedure for the calling of overtime shall begin anew. With the exception of those who refused voluntary overtime during the quarterly canvass, employees who become available for voluntary overtime shall be placed on the appropriate classification roster by state seniority but shall be credited with the same number of voluntary hours worked and refused as the employee on the roster with the greatest number of voluntary hours worked and refused.

4.3

Should management determine the need for overtime, the following procedure should be applied:

- A. Initial distribution of voluntary overtime shall be based on seniority within the classification regularly assigned the work starting with the most senior employee in the classification.
- B. After the initial distribution, voluntary overtime shall be equitably distributed on a rotating basis to those employees within the classification having the least amount of overtime worked and refused. After the initial distribution, seniority prevails only in cases of ties.
- C. An employee who agrees to work overtime and then fails to report for said overtime shall be credited with double the amount of overtime accepted, unless extenuating circumstances arose which prevented the employee from reporting. In such cases, the employee will be credited as if he/she refused the overtime.

4.4

Overtime shall be assigned by seniority in the position classification regularly assigned the work. The list of employees shall include all employees regardless of shift. If no employee in the position classification regularly assigned the work accepts the overtime assignment, it may be offered to employees on backup overtime rosters in similar direct care classifications. Overtime worked and refused by employees on backup overtime rosters in similar direct care classifications shall be included on the overtime roster described in Section 1 and 2 of this procedure. If no employee on the backup overtime rosters in similar direct care classification accepts the overtime assignment, it may then be offered to employees on a backup roster of individuals capable of performing the duties of the classification needed.

The development of backup overtime rosters is an appropriate subject for facility labor/management discussion. It is understood that backup overtime rosters are for the purpose of reducing or avoiding the need for mandatory overtime.

4.5

Overtime shall not be offered to or required of an employee on an approved leave. Employees returning from an extended leave of twenty-eight (28) days or more shall be credited with the same amount of overtime worked and refused as the employee on the roster with the greatest number of voluntary hours worked and refused.

4.6

Employees shall work no more than two (2) consecutive shifts except as required by Section 13.15.

4.7

Should adequate overtime coverage not be obtained through voluntary overtime, employees within the needed classification may be mandated to work overtime using the following procedures:

- A. After exhausting the voluntary overtime procedure and before calling mandatory overtime, exempt employees may be used to perform the needed overtime.
- B. The least senior employee(s) regularly assigned the work shall be contacted and required to work overtime.
- C. Employees who regularly perform the work shall be contacted and required to work in reverse order of seniority beginning with the least senior until the required number of staff is available.
- D. Mandatory overtime shall not be credited for voluntary overtime equalization.

4.8

An employee who is transferred or promoted to an area with a different overtime roster shall be credited with his/her aggregate overtime hours.

4.9

Specific arrangement for implementation of the overtime provisions shall be discussed at the facility Labor/Management Committee Meetings within forty-five (45) days following the effective date of this Agreement. If these matters remain unresolved in ninety (90) days following the effective date of this Agreement, it shall be discussed in an agency Labor/Management meetings that is established for this purpose.

4.10

The parties may mutually agree at facility Labor/Management meeting to utilize alternate overtime procedures.

UNIT 6

6.1 - Overtime

Overtime worked during the snow and ice season will be determined by the following procedures:

- A. Overtime will be offered to those employees who normally perform the duties in the facility where they work according to Article 13.07 and the April 1988 Joint Labor/Management Agreement.

This procedure establishes the first list of employees eligible for overtime. After this list is exhausted, Management will offer the overtime opportunity to those Unit 6 employees who are qualified and volunteer for the overtime in the county where they live. This will

constitute the second list. These employees are those who normally do not perform snow and ice duties.

- B. Prior to the snow and ice season, Management will canvas those Unit 6 employees who normally do not perform snow and ice duties but are qualified and volunteer for overtime in the county where they live.

After the overtime opportunity is offered to the first list of employees and a sufficient number of employees have not accepted the overtime, the overtime opportunity will be offered to those Unit 6 employees on the second list. The second list will be arranged by seniority of those that volunteer. The overtime opportunity will be offered in rotating order. Management is not required to equalize the overtime opportunity for this list. Management will document all phone calls for call out to employees on the second list.

In the event an employee on the second list has been improperly bypassed, then the employee will be placed at the top of that list.

In the event an employee believes that he/she has been improperly bypassed for two consecutive times, the employee may file a letter of complaint directly to the Deputy Director of Labor Relations or designee who will investigate the complaint and render a decision.

- C. If the overtime requirements are still not filled, Management may call Unit 7 employees who are qualified and volunteer for overtime.
- D. If overtime opportunities are still available after the above process has been followed, Management may offer overtime opportunity to a non-bargaining unit employee.
- E. Only those employees on the first overtime list have the right to grieve under Article 25 of the contract. (Those employees who normally perform the work of snow and ice removal.)

6.2 - Overtime Roster

The Agency agrees to post and maintain overtime rosters in areas where employees work and/or report in and shall make available a copy to a facility steward upon request within a reasonable period of time not to exceed five (5) work days. In the absence of a facility steward, a union staff representative may request this information. Posted overtime rosters shall be updated at least every pay period.

6.3 - Overtime Phone Log

The employer shall establish a phone log procedure to verify phone calls to employees being called out for the purpose of overtime. In the event there is a dispute about which employee(s) was/were called out, the phone log will be used for verification. In locations where there are computer verified phone calls, the computer list may be used.

6.4 - Educational Seminars and Training

Employees shall be notified as soon as reasonably possible in advance when they are to attend training and/or seminars if such training and/or seminars require an overnight stay.

6.5 - Standby

An employee will be on stand-by and entitled to stand-by pay if he/she is required by the Agency or supervisor in writing to be on standby.

If the reason for stand-by is eliminated, management may cancel the stand-by with a telephone call direct to the employee with a follow up letter to the employee verifying the cancellation and the time canceled.

Prorated Salary, Use Of Accrued Leave Between School Calendar Years, And Summer Work Program

The Ohio Civil Service Employees Association (OCSEA) and the Ohio Department of Education both recognize that the Ohio State School For The Blind (OSSB) and the Ohio School For The Deaf (OSD) are unique in state government, in that they operate on a school year work schedule. In the recognition of this fact, both parties also recognize that special provisions in the contract are necessary to enable the schools to attract and keep employees and to provide benefits consistent with employees who work full time.

These provisions apply only to employees who work according to the school year calendar in the following classifications and any other classification that the employer and union mutually agree are appropriate for this provision of the Contract.

<u>Classification Title</u>	<u>Classification Number</u>	<u>Classification Title</u>	<u>Classification Number</u>
<u>Youth Leader</u>	<u>46611</u>	<u>Hospital Aide</u>	<u>44111</u>
<u>Food Service Worker</u>	<u>42341</u>	<u>General Activities Therapist</u>	<u>44211</u>
<u>Teacher Aide</u>	<u>18112</u>	<u>Cook 1, 2</u>	<u>42351</u> <u>42352</u>
<u>Store Clerk</u>	<u>14711</u>	<u>Activity Therapy Specialist</u>	<u>44213</u>

The following options will be available to the employees of OSSB and OSD based upon each employee's choice of one pay option per school year as described herein:

1. Prorated Salary Continuation Program

A. An employee may elect to prorate his/her annual earnings over twenty-six (26) pay periods. The amount that will be reported over 26 pay periods shall include no more than 80 hours of regularly scheduled hours of work calculated at the employee's regular hourly rate of pay. This prorated amount shall also include longevity and supplements, such as bilingual pay. Overtime pay, personal leave, vacation leave, and compensatory time and shift differential are excluded from the amount of pay that will be prorated over 26 pay periods.

An election to participate or not in the Prorated Salary Continuation Program shall be made before August first (1st) of each year and shall be irrevocable for one (1) year.

B. If an employee elects to participate in this program, the employee may supplement the prorated amount with overtime pay earned during that actual pay period or personal leave, vacation leave, or compensatory time that the employee had accrued. Shift differential pay and holiday pay shall be paid the pay period during which it is worked. In accordance with the contract, an employee may elect to take compensatory time rather than overtime pay during the pay period which it is worked.

C. An employee may not use leave not accrued or use more leave than the amount required to provide what the employee's weekly earnings would be on a non-prorated basis. During the summer months, an employee will accrue leave only when the employee is scheduled work. Under these circumstances accrual shall be calculated in accordance with the collective bargaining agreement.

2. Using Accrued Leave Between School Calendar Years

A. An employee who does not elect to participate in the Prorated Salary Continuation Program may elect to maintain active pay status during pay periods between school calendar years for purpose of maintaining contractual benefits. The monthly amount of leave used shall be no less than two hundred fifty dollars (\$250) in each month an employee is not scheduled to work. The employee may not take leave in excess of the amount of the employee's regular weekly earnings. During the summer months, an employee will accrue leaves only when the employee is scheduled to work

3. Summer Work Program

A. The Summer Work Program (SWP) is available as a third option to all employees except Youth Leaders.

B. In order to elect this option, an employee must indicate this desire to the employer not less than 30 days prior to the last day of the school year.

C. Those employees who elect this option but do not complete this commitment will not be eligible, thereafter, to participate in further Summer Work Programs without explicit approval of the appointing authority. Participation in the SWP shall not be unreasonably denied. Management maintains the sole right to dismiss an employee from the SWP. Such dismissal is non-grievable.

D. OSSB will provide employees with 40 hours employment in the month of July. The minimum of hours worked by employees participating in SWP will be based on operational needs and/or funding available. The hours worked by the employees participating in SWP will be a topic for discussion at OSSB labor management meeting scheduled for the third week of May. The employer will communicate to the employees prior to school closing the opening and closing dates for participation in the SWP.

E. OSD agree to provide a minimum of 10 hours per week of work to each employee selecting the SWP option. The minimum of hours worked by employees participating in SWP will be based on operational needs and/or funding available. The hours worked by the employees participating in SWP will be a topic for discussion at OSD labor management meeting scheduled for the third week of May. The employer will communicate to the employees prior to school closing the opening and closing dates for participation in the SWP.

During the summer months, the employer may assign duties outside of the employee's regular position description or classification specifications. Also, the employee shall be paid at the first step of the pay range of the classification of Laborer 1. The performance of work by SWP participants, which is normally performed by other classifications, shall not constitute a violation of Article 13.07 of the agreement and shall not be grievable. If for any reason an employee separates from the Ohio Department of Education, the employer shall compute the actual hours worked and the benefits up through the date of separation. The employer shall pay the employee what he/she is entitled to up through the separation date. The employer has the right to recover any amounts paid the employee in excess of their entitlement at the time of separation.

Any leaves used as time off or as a supplement shall be paid during the pay period used, at full value based on the employee's regular rate of pay, times the hours used. Holidays shall be paid in the pay period they occur and in accordance with the collective bargaining agreement. Employees who are in an active pay status their last scheduled work-day prior to the holiday shall qualify for holiday pay.

Probationary Periods - OSD and OSSB

All employees newly hired, promoted, or laterally transferred into a different classification, working according to a school calendar year and providing direct contact to students shall serve a 120 scheduled workday probationary period. The affected classifications at the Ohio School for the Deaf are Youth Leader, Teacher Aide, and General Activity Therapist. The affected classifications at the Ohio School for the Blind are Youth Leader and Teacher Aide.

DEPARTMENT OF JOBS AND FAMILY SERVICES

The progress of the program shall be a topic for labor/management meetings.

DEPARTMENT OF MENTAL HEALTH

Section I

I. Transportation Reimbursement

The Department of Mental Health agrees to reimburse employees ~~in State Operated~~ Community Services Network (~~S.O.S.~~ C.S.N.) who during the course of their normal duties, are required to and actually transport clients/consumers in their own personal vehicle on a regular basis. The purpose of the payment is to reimburse employees for the cost of an automobile rider to their existing

insurance policy. To be eligible for the reimbursement, the employee must demonstrate the following:

- A. That he/she is normally required to transport clients/consumers in the course of their duties;
- B. That there is no access to or available state vehicles;
- C. That public transportation can not be used;
- D. That their insurance company requires a special rider on their existing automobile policy;
- E. Proof that such a rider has been purchased;
- F. Proof of a valid drivers license and insurance policy.

By receiving such reimbursement, employees acknowledge that they may be required to use their own personal vehicle to transport clients/consumers in the normal course of their duties.

The reimbursement to such employee(s) is the actual cost of the rider not to exceed \$75.00 per year which ever is less. This reimbursement will be paid on a yearly basis beginning with the signing of this Agreement and paid again the following pay period that includes July 1, 2000 for the life of this Agreement. Employees who either resign, retire or have their employment terminated during the year and employees who start during any part of the year will have the reimbursement prorated. In the case of employees who either retire, resign, or have their employment terminated will have that portion of the reimbursement repaid to the state, in the last pay check.

II. ~~S.O.S.~~ C.S.N. Problem-Solving Group

A. Training - which means both training of hospital employees which will enable them to move into ~~S.O.S.~~ C.S.N. programs and ongoing training of ~~S.O.S.~~ C.S.N. employees currently in ~~S.O.S.~~ C.S.N. programs.

1. Training shall be developed on a local level. Each hospital shall develop ~~S.O.S.~~ C.S.N. training that is designed to reflect the particular needs of that area. This will be developed with input from OCSEA and the hospital as well as certain particular requirements that may be set forth by central office or the accreditation bodies. In certain instances, it may be in conjunction with the other unions in a particular hospital due to the needs of the ~~S.O.S.~~ C.S.N. program(s).

2. Areas to be decided at the local level are:
- a. types of training programs to be offered;
 - b. class size;
 - c. frequency of offerings of the training;
 - d. amount of class time and field experience;
 - e. the amount of time any specific training is valid (good for).

If there are disputes that can not be resolved regarding issues in A2, they will be taken to the agency statewide labor-management committee.

3. Training for inpatient staff will be offered to all employees who volunteer. Priority will be given to direct care staff in order of seniority of those who volunteer. The amount of training that can be offered must fit into budgetary constraints.

4. Additional training will be offered, if necessary, after the announcement of a proposed layoff, abolishment, or in the case of the establishment of a new ~~S.O.S.~~ C.S.N. program(s).

5. Employees must successfully complete the training before they are eligible to move into ~~S.O.S.~~ C.S.N.

6. Successful completion is defined by the local/individual areas as determined in A1 and A2, which includes standards set by central office and any accrediting bodies.

7. ~~S.O.S.~~ C.S.N. training is mandated as follows:

- a. in all hospitals that have ~~S.O.S.~~ C.S.N. programs or are starting ~~S.O.S.~~ C.S.N. programs;
- b. in all existing ~~S.O.S.~~ C.S.N. programs.

The frequency will be determined in the local labor-management committees.

B. Performance Appraisal

1. An additional performance appraisal instrument will be used to supplement the Department of Administrative Services form. Its purpose is two fold; to better document for the requirements of JCAHO and Medicaid and to further supplement the specific categories on the "DAS" form.
2. Both forms will be kept in the employee's personnel file.
3. The employee will get a copy of both forms.

C. Evaluation period

All employees that go into an ~~S.O.S.~~ C.S.N. program(s) will serve an evaluation period of 120 calendar days irrespective of classification and ~~S.O.S.~~ C.S.N. program.

D. Re-entry from ~~S.O.S.~~ C.S.N.

Within the 120-calendar day evaluation period, the employee or the Employer may re-enter or be returned to the hospital from ~~S.O.S.~~ C.S.N. program(s). ~~Due to the fact that the hospitals are "right sizing" and that the Department in conjunction with the Union are engaged in a process to develop the future of the inpatient hospitals; employees generally have no place to go back to in the hospital. Therefore, a~~ After the evaluation period, employees will not have the right to re-enter the hospital. Further, existing employees who are currently in ~~S.O.S.~~ C.S.N. programs and were once covered by re-entry agreements will no longer have the right to re-enter the hospital.

Employees in ~~S.O.S.~~ C.S.N. programs shall only be returned to the hospital if there is a work area opening/vacancy that the Department agrees to fill with that employee.

If the Department initiates returning an employee from ~~S.O.S.~~ C.S.N. to the hospital outside of the evaluation period, it must show just cause that the employee can not perform the duties of that position.

Prior to the re-entry of an employee back into the hospital, a meeting shall be held to discuss with the employee and the union, the reason(s) for the re-entry and other alternatives to re-entry. If discipline is contemplated with the re-entry, the Pre-disciplinary meeting will serve as the meeting to discuss re-entry (excluding any allegations of patient abuse). If discipline is not contemplated, then a separate meeting will be held for discussion of reasons and the Employer must show just cause. In the event just cause is not substantiated then the employee is to remain at his/her current C.S.N. position unless there is mutual agreement to re-entry. If the request for re-entry is initiated by another party other than the Ohio Department of Mental Health, then the Department will make every effort to have the initiating party to attend the meeting to discuss the re-entry. The re-entry of an employee from C.S.N. to the hospital is not a disciplinary action.

FOR THE PURPOSE OF RE-ENTRY, MILLCREEK SOS IS ATTACHED TO THE PAULINE WARFIELD LEWIS CENTER AND WOODSIDE/SAGAMORE IS ATTACHED TO MASSILLON PSYCHIATRIC CENTER.

III. Work Area Openings Within C.S.N.

Bumping into ~~S.O.S.~~ C.S.N.

Mutual Understanding:

The Department of Mental Health affirms its intent, on a permanent basis, to be a substantial provider of services as specified in the Mental Health Act of 1988. The substantial provider role will include the delivery of inpatient services and/or state operated community services. Substantial

provider shall mean as the current inpatient service capacity decreases, that the existing direct service capacity will be shifted to the community side, without supplanting locally provided community services, and subject to locally planned and managed systems of care.

Direct care state employees will be utilized where possible in newly created ~~State-Operated~~ Community Support Network Service (S.O.S. C.S.N.) Programs provided that the new programs do not supplant locally provided community services and subject to locally planned and managed systems of care.

IV. Bumping:

Employees in the Department of Mental Health have the right to bump within the hospital in accordance with Article 18 of the collective bargaining Agreement. However, if the employee chooses not to bump within the hospital or can not bump another employee in the hospital, the following provisions apply and supersede any conflicting provision(s)/section(s) of Article 18, ORC 124.321, and OAC 123:1-41-1 through 22.

1. In the case(s) of layoff(s)/abolishment(s); employees shall only have the right to bump into vacant position(s) in either a newly created ~~S.O.S.~~ C.S.N. program(s) or a vacant position(s) in an existing ~~S.O.S.~~ C.S.N. program(s) as long as the positions are in an equal or lower position in the same, similar or related class series (see Appendix I) provided that the affected employee is qualified to perform the duties. In no case shall the bump be to a position in a higher classification or one that constitutes a promotion. If these vacancy bumping opportunities exist, employees shall make their bumping selection to such positions first, beginning with the most senior and progressing to least senior. If the employee does not or fails to select a bump to such a vacancy, the employee will have exhausted all of their bumping rights under Article 18 of the contract and they will be laid off.

Vacancies established in ~~S.O.S.~~ C.S.N. whether due to the creation of new ~~S.O.S.~~ C.S.N. programs or due to vacancies in existing ~~S.O.S.~~ C.S.N. programs are not subject to the recall and/or reemployment section of Article 18. Employees targeted for a layoff/abolishment(s) have first right to all vacancies in ~~S.O.S.~~ C.S.N. programs.

Employees do retain their five-year rule right to bump into the same classification(s) they held in the previous five years. However this right to bump is also confined to those vacancies in newly created ~~S.O.S.~~ C.S.N. programs or vacancies in existing ~~S.O.S.~~ C.S.N. programs. At no time shall an employee have the right to bump into occupied ~~S.O.S.~~ C.S.N. positions under this provision.

Employees retain their rights to bump lesser appointment types such as intermittents, interims, ~~and~~ seasonal appointments, or ETI's. Employees also retain their right to accept the proposed layoff/abolishment.

2. The parties agree that the establishment of ~~S.O.S.~~ C.S.N. programs is a collaborative effort between the ODMH and the community mental health boards. In the event that ODMH is prevented from establishing new ~~S.O.S.~~ C.S.N. program(s)/position(s) which do not supplant locally provided community services or are subject to locally planned and managed systems of care as stated above in the mutual understanding, then the following additional bumping rights apply:

In the case(s) of lay off(s)/abolishment(s); employees have the right to bump into existing occupied ~~S.O.S.~~ C.S.N. positions in the same manner as stated in Article 18.

These bumping provisions in number one (1) and two (2) apply to "direct care employees" only.

3. Further, no newly hired employee or transferred, promoted, laid off or displaced employee, in the hospital or the geographic district (see Appendix J), have the right to bump into **any** occupied ~~S.O.S.~~ **C.S.N.** position(s) as of the signing of this Agreement.

All other non-direct care classifications have contractual rights under Article 18 except as modified in this agency specific agreement.

4. All employees who exercise the right to bump into ~~S.O.S.~~ **C.S.N.** positions under number one (1) and/or number two (2), must successfully complete the training **before** bumping into ~~S.O.S.~~ **C.S.N.** position(s) and must also serve a 120 calendar day evaluation period as agreed to by the parties.

5. If layoffs or abolishments occur within ~~S.O.S.~~ **C.S.N.** programs, the affected employees have bumping rights:

- a. first within ~~S.O.S.~~ **C.S.N.** programs operated by that facility;
- b. second within that hospital;
- c. third within the geographic district within the hospital only.

Employees in ~~S.O.S.~~ **C.S.N.** programs of one hospital do not have the right to bump into occupied positions in ~~S.O.S.~~ **C.S.N.** in another hospital inside or outside of the geographic district (see Appendix J).

6. Any or all of these bumping rights may be changed by mutual agreement of the parties and/or by the provisions of Section 18.11.

7. In the Department of Mental Health, any employee who was laid off from a C.S.N. program and has no other option to displace, has the first right per Article 18.12 to bid on other vacant positions in C.S.N. programs in their own bumping jurisdiction per Article 18.12. If no one is/was laid off or if no one bids that was laid off, then an employee whose position was abolished from a C.S.N. program and displaced to another position in a hospital site, has the right to a vacancy in their own bumping jurisdiction per Article 18.12.

V. C.S.N Schedule Changes

The present practice of flextime scheduling shall continue and will be an appropriate topic for Labor/Management meetings.

VI. Holiday Observance

All employees that work in Community Support Network (C.S.N.) may have the observance of any one of the following holidays changed based on the observance by another Mental Health Board, Agency, or another entity. The holidays are:

- 1. Presidents' Day**
- 2. Columbus Day**
- 3. Veterans' Day**

These employees will still maintain the same number of holidays in the collective bargaining agreement, however they may be observed on alternative days. The alternative dates shall be determined in advance and employees shall have prior notice. The observance of these alternative days shall be an appropriate topic for the hospital labor/management committee.

If another alternative holiday observance is requested, the local Chapter President or designee will be notified as soon as possible. This request is an appropriate topic for local labor/management. The alternative observance shall be by mutual agreement.

VII. C.S.N. Report-In/Work Location Closure Local Weather Emergency

Due to numerous unforeseen as well as foreseen reasons, an individual C.S.N. program site may be closed. If a work location closure or local weather emergency occurs, the following are options that both Management and the C.S.N. employee may jointly agree to use. These options are spelled out and listed below so that when such situation occurs, there will be some level of predictability. All of these options will be made available and must have prior approval by the program supervisor.

Options:

1. The employee may take appropriate leave for the day.
2. If appropriate to the program, the employee may reschedule the day for another day during that week only.
3. The employee may report to an alternative site that is approved by their supervisor. They must call in and notify the supervisor of the alternative site option. They may then perform C.S.N. related work such as Contact Logs and phone contacts to clients. The employee may use a combination of work at an alternative site and leave time to fill the day's schedule.
4. The employee may report to an alternative site and perform duties that they are qualified to perform on a unit. This also must be approved in advance by the C.S.N. supervisors and the alternative site administrator.
5. Any other arrangement that can be mutually agreed to locally as long as it does not violate the collective bargaining agreement, ODMH policy, and/or State or Federal law.

If any of these options are used, the goal is to facilitate the least disruptions of the program as well as maintaining services to the client as prescribed by the individual C.S.N. program. Accountability must be built in to any one of the options that are utilized. If one of the options are approved but later become problematic, the C.S.N. supervisor shall notify the employee as soon as possible identifying that option as no longer available.

Each C.S.N. supervisor shall meet and discuss these options as soon as possible so that employee will understand the options available to them. Each C.S.N. program options(s) will be reduced to writing. Any problems will be taken to the Agency C.S.N. problem-solving group.

That is to say Established

Term employees shall be laid off prior to permanent employees. End of an identified employment period (as noted in the appointment/interruption) is not a layoff.

C. Limited duration non-bargaining unit employees working in the Division of Parks and Recreation cannot exceed 720 hours in a fiscal year. All other limited duration non-bargaining unit employees of ODNR cannot exceed 1000 hours in a fiscal year.

D. ODNR will create a new classification of Natural Resource Worker (NRW) which will include the duties of the attached classification specification. The operation of the NRW position shall be like existing ODNR established term employees and shall include the following.

1. The NRW position will include an assignment that is of a duration of at least 720 hours per year in the Division of Parks and Recreation and 1000 hours in other divisions per fiscal year. Such positions can be created by converting natural resource Aide (NRA) and Natural Resource Specialist (NRS) assignments which have the potential to exceed the 720/1000 hour duration in a fiscal year. The position is seasonal in nature and does not function year round. The hours of each position can vary from year to year depending upon weather and/or operational needs.
2. The pay range for the NRW will be the pay range shown in Table A and shall increase at the same rate and times pursuant to the collective bargaining agreement.

Table A

Pay Range		Step 1	Step 2	Step 3	Step 4	Step 5
1999	Hourly	6.87	7.09	7.34	7.58	7.85

3. The NRW is an established term (fixed term) position and shall be entitled to all the rights and benefits of the contract, (examples include seniority credits, accruals and use of leaves, health and safety provisions and grievance rights) except as specified in the section.

E. No existing bargaining unit position, which includes part-time and established term employees will be reduced or replaced by the creation or placement of an NRW position or limited duration, non-bargaining unit positions. This does not preclude ODNR from adjusting hours for other operational reasons. Where work is performed by NRA/S and NRW positions in a work area and ODNR wishes to reduce persons performing such work then the NRA/S will be interrupted/terminated first, based on operation considerations ODNR will make a reasonable effort to interrupt/terminate NRAs in a work area before NRWs and utilize NRWs to perform needed work provided they are qualified and/or experienced as available for the duty assignment.

F. When a division/office intends to fill and NRW position or convert and existing NRA/NRS assignment to a NRW, the following process shall be applied:

1. When the ODNR labor relations section receives a division/office request to fill an NRW opening or convert an NRA/NRS assignment such intended posting request will be forwarded to the ODNR assembly president five (5) days prior to the posting date where applicable. This notice where applicable shall include the name or the person(s) proposed,

employee history on computer (EHOC), the expected work area and assignment, and projected number of hours.

2. If the number of proposed conversions are fewer than ten (10), then the OCSEA/ODNR assembly president shall have five (5) business days from the date of the receipt to concur or reject. In cases when the conversions total ten (10) or more the assembly president shall have ten (10) business days from the date of the receipt to concur or reject. All proposed conversions shall be submitted to the Union for concurrence. A diligent effort will be made to resolve any outstanding problems with the ODNR labor relations section before any disputed positions are offered or filed.
 3. In the event the Union does not concur with a request to convert or no conversion is readily available to fill the job needs required, the division/office will have the option to post the position pursuant to the labor agreement. If the NRW position is posted, it shall be considered entry level and filled accordingly, except that NRA/NRS from the division/office requesting the posting, may be given first consideration to the posted NRW position. Such designation for consideration must be clearly delineated in the posting.
 4. When an NRA/NRS exceeds the 720/1000 hour threshold for a fiscal year, the division/office through the ODNR labor relations section shall notify the Union and convert the position that has exceeded the hour threshold. If the Union notifies the Department of positions(s) who have verifiably exceeded the threshold, the Department will take the necessary steps to convert the positions(s) in an expeditious manner.
 5. Where ODNR chooses to fill by temporary working level assignment it is committed to giving priority to NRWs over NRA/NRS where these employees are qualified and are available for the duty assignment at that work facility.
- G. ODNR agrees to limit the number of hours that can be assigned to NRA and NRS employees to 339,000 hours for the Division of Parks and Recreation in a fiscal year. In the event this section is not complied with, the Union's remedy through the grievance procedure may include the allocation of excess hours to affected bargaining unit members.
- H. ODNR agrees to limit the hours that can be assigned to NRA and NRS, up to 111,000 hours for the remainder of ODNR excluding the Division of Parks and Recreation in a fiscal year. In the event this section is not complied with, the Union's remedy through the grievance procedure may include the allocation of excess hours to affected bargaining unit members.
- I. ODNR agrees to provide OCSEA employee rosters that will assist the parties in the continued monitoring of this agreement. The rosters shall include the following:
1. On a monthly basis ODNR will provide reports on NRA/S and NRW positions. On a quarterly basis ODNR will provide reports on limited duration part-time and other less than full-time positions. The reports will show the name, cumulative hours and work location of each position.
 2. The parties shall meet on a quarterly basis to resolve outstanding issues that include but not limited to NRAs and NRW assignment, NRW conversions, avoidance of excess hours and information and discussion regarding the administration of this agreement.
- J. The parties have agreed to a side letter providing technical interpretation of matters pertaining to this Agreement.

Labor/Management Committee

For the purposes of applying Articles/Sections 8.01 and 11.00 of the labor agreement, ODNR shall have one statewide Department Labor/Management (L/M) committee, as well as our Central Office, Fountain Square L/M exclusively. This does not preclude the development and

utilization of local work area L/M committees where the parties mutually agree or the development and utilization of district L/M committee as provided in Article 8 and Article 11.

Tools and Equipment

If employees are required or receive written permission from their supervisors to furnish their own tools or equipment, the Employer shall replace such tools or equipment, when they are lost due to fire, wind or theft by forcible entry when in the care or custody of the Employer or when damaged to the extent they are unusable due to no negligence by the employee. The tools or equipment will be replaced with like tools or equipment on an exchange basis, where practicable or feasible.

When it is demonstrated by the management of the Ohio Penal Industries that a reduction in force is necessary due to the loss of business in a particular OPI shop, the following procedure shall be put into effect.

The provisions of Section 18.14 of the collective bargaining agreement between the State of Ohio and OCSEA/AFSCME, Local 11 shall be put into place. If this is not possible, an existing vacancy within the institution for which the Penal Workshop Specialist is qualified will be made available. Such selection shall be based upon first offering the position to the most senior Penal Workshop Specialist who desires the opening. If no one volunteers for such a move, the least senior Penal Workshop Specialist shall be placed in the position.

When business conditions in the OPI change which allow the re-establishment of the positions(s), the individual displaced by the above procedure shall be the first to be returned to the position of Penal Workshop Specialist.

A. Inclement Weather Gear

~~The Department of Rehabilitation and Correction agrees to direct local Health and Safety Committees to develop policies and procedures to address the distribution of clothing for those employees regularly and intermittently exposed to conditions of inclement weather. Such procedures may include provisions for the issuance of (i.e. Carhartt, boots, hooded sweat shirt, gloves and rain gear) clothing or adjustments to uniform policies to provide allowances to deal with such conditions.~~

~~Within sixty (60) days of this Agreement, each Local Health and Safety Committee will meet to develop a plan as to what post or jobs need inclement weather gear. If no agreement is reached at the Local meeting, those issues will be moved on to the Agency Health and Safety Committee for resolution.~~

DR&C agrees to provide a winter coat of sufficient warmth and quality. The selection of the winter coat will be the responsibility of the Statewide Health and Safety Committee, and be made in the first six (6) months of the Agreement.

DR&C and the Union agree that the Local Health and Safety Committees will determine the appropriate inclement weather gear, in the event that the Local Committees cannot reach an agreement on the appropriate gear for that institution, then the Agency Health and Safety Committee will resolve the issue. The guidelines for the Local Committees are as follows:

- a) DR&C agrees to provide the following inclement weather gear, to include but not limited to, cold weather gear, e.g., carharts, rain gear, rain shoes, sweaters, knit caps.
- b) DR&C and the Union agree that the need for inclement weather gear will be based on the post or job duties of the CO, and the physical structure, and location of the institution.
- c) DR&C agrees to allow the use of inclement weather gear that is purchased by the employee with the proviso that restrictions may be imposed on the nature and color of

the inclement weather gear. The personal inclement weather gear includes but is not limited to, gloves, scarves, earmuffs, hooded sweatshirts and long underwear.

The Agency Labor-Management Committee shall conduct a study of uniform cleaning services in the DR&C and shall make appropriate recommendations to the Director of the Department.

F. Overtime Policy

~~During the first year of this Agreement the Department and the Union (OCSEA/AFSCME) shall finalize an Agency overtime policy. This policy shall contain the following principles insofar as practicable:~~

- ~~1. The DR&C shall distribute overtime opportunities equitably on a rotating basis by seniority.~~
- ~~2. Overtime rosters shall be made available for review by all affected employees on a regular and frequent basis.~~
- ~~3. A representative from the Management and Union shall meet on a bi-weekly basis to reconcile overtime rosters and to maintain equalization.~~
- ~~4. The remedy for missed overtime opportunities during the purge period shall be equalization.~~
- ~~5. The Employer and the Union shall address issues involving those employees who are consistently unavailable or who regularly refuse overtime opportunities.~~
- ~~6. Equalization is hereby defined as the average overtime available during a purge period, or, in other words, the total hours worked divided by the number of employees on the voluntary overtime roster.~~
- ~~7. Relative equalization shall be maintained on the various good day rosters.~~
- ~~8. Overtime rosters shall be purged on a regular basis.~~
- ~~9. Computerized phone systems shall be explored as a possible means of confirmation of phone calls for overtime.~~

DR&C and the Union agree to incorporate by reference the Statewide Overtime Policy that was agreed to during the 1997-2000 agreement. For the purposes of the Statewide Overtime Policy, equalization shall mean that all employees who have elected to be eligible for overtime during the canvass period have an equal opportunity to sign on the daily rosters. In the event an eligible employee is missed for an overtime opportunity, the remedy shall be that the employee will be paid.

G. Classification Committee

During the first year of the contract, the Union and DR&C agree to establish a joint committee to explore the use of a pool of employees to be utilized in classifications where vacancy has been a continual problem. These classifications include but are not limited to, Correctional Food Service Coordinator, Hospital Aide, Licensed Practical Nurses, and Psychiatric Attendant.

H. Vacation Allotments

The Union and DR&C agree that all institutions will update their vacation allotments at least a yearly basis. The institution will make available for bid the

number of days equal to the total vacation accrual by the Correction Officers workforce in that year. Annual vacation bids shall be selected on a weekly basis, i.e.; 40 hour blocks but for weeks in which a holiday falls, 32 hours may be bid for the week, unless otherwise mutually agreed to at the local level. After the annual canvass, any remaining vacation slots may be bid in less than 40 hour increments.

G. **CDL Testing**

DR&C agrees to reimburse for the cost of testing for a Commercial Drivers License (CDL). DR&C will reimburse for the cost of the initial or one test. The employees eligible for reimbursement are those whose assignments are either transportation or their duties require the use of a CDL.

OHIO DEPARTMENT OF TRANSPORTATION

A. **13.06 - Report-In Locations**

The report-in location(s) for ODOT field employees shall be the particular project to which they are assigned or thirty (30) miles, whichever is less, year-round. Field employees who reside outside of the district to which they are assigned shall start the above mileage figures at the district line.

Field employees for purposes of this Section shall be defined as **Project Inspectors** or other construction personnel assigned to construction projects who do not have the district office as a normal report-in location.

B. **13.07 - Overtime**

Management has the sole and exclusive right to determine the need for overtime.

Insofar as practicable, overtime opportunity hours shall be equitably distributed on a rotating basis by seniority among those who normally perform the work as defined in the classification specification and/or position description. In the event the Employer has determined the need for overtime, and if a sufficient number of employees is not secured through the above provisions, the Employer shall have the right to require the least senior employee(s) who normally performs the work to perform said overtime. The overtime policy shall not apply to overtime work which is specific to a particular employee's classification and/or position description or specialized work assignment or when the incumbent is required to finish a work assignment.

In Construction, Unit 7 employees will have preference for overtime assignments over non-Unit 7 employees on the project to which they are assigned.

The Agency agrees to post overtime rosters which shall be provided to the facility steward, within a reasonable time, if so requested. The rosters shall be updated every pay period in which any affected employee had overtime offered.

Employees shall be canvassed ~~quarterly~~ **semi-annually** as to whether they would like to be offered overtime and placed on the appropriate overtime roster by classification for that facility, work unit, or project. **All Highway Maintenance Workers with CDL's will be automatically placed on the appropriate overtime roster for snow and ice control.** Overtime work which contains duties that are common to a classification series shall be equitably distributed among those employees within the appropriate series on that particular roster. Overtime opportunity hours shall be carried from project to project and assignment to assignment. Overtime opportunities ~~worked outside an employee's position description and/or classification specifications shall not~~ **charged while on 1000 hour assignment will** be carried back to the employee's regular roster. Employees **on an overtime roster** ~~who wish to be offered overtime~~

shall provide a telephone number to their supervisor where they may be contacted by their supervisor.

Project Inspectors, whose classification specifications include snow and ice removal duties, will be placed on a snow and ice removal overtime roster, and will be called in rotation immediately following calls to all main list and first auxiliary list employees for snow and ice removal for that facility.

In situations where shifts are utilized, the Employer and Union may agree to alternative call-out procedures to work non-shift hours.

Employees who accept overtime following their regular shift shall be granted a ten (10) minute rest period between the shift and the overtime or as soon as operationally possible. In addition, the Employer will make every reasonable effort to furnish a meal to those employees who work four (4) or more hours of mandatory or emergency overtime and cannot be released from their jobs to obtain a meal.

An employee who is offered but refuses an overtime assignment shall be credited on the roster with the amount of overtime refused. An employee who agrees to work overtime and then fails to report for said overtime shall be credited with the amount of overtime offered, and shall be liable for discipline unless extenuating circumstances arose which prevented him/her from reporting.

Any "no contact" with an employee shall be charged as overtime refused on the overtime roster. Contact with an answering machine or person other than the employee, without reply from the employee while the need still exists, shall be considered as overtime refused.

During snow and ice operations employees are expected to work overtime. Consistent charged refusals to work overtime may be grounds for discipline.

For equitable distribution purposes only ~~A~~ an employee on leave shall be considered as refusing all overtime opportunities until their next scheduled shift unless he/she has informed the supervisor as to his/her availability prior to their departure for the leave. **This type of refusal shall be coded as RL and shall not be included as refusals subject to discipline in the preceding paragraph.**

Newly hired, promoted, demoted, or lateral transferred employees under the provisions of Article 17 of this Agreement who are qualified to perform the work shall be charged on the roster with one hour more than the highest amount on the appropriate roster in their new work location. Those employees electing, in a prior canvass period, not to be placed on an overtime roster shall be placed on the new roster with one hour more than the employee with the highest amount of hours on the roster.

Overtime rosters shall be ~~revised~~ **rolled-back annually semi-annually on April 1 and October 1,** in order to diminish accumulated hour totals. An employee within a classification series with the lowest number of hours on a specific roster shall be reduced to zero and all other employees within that classification series on the same roster shall be reduced that same amount of hours.

Except as otherwise established by the Employer an employee's posted regular schedule shall not be established in such a manner to require the Employer to pay overtime. An employee's posted regular schedule shall not be changed **solely** to avoid the payment of overtime **within a single work week or pay period.**

Any dispute regarding overtime shall be raised in accordance with the timelines established under Article 25 of this contract. The timelines for filing a grievance begins the first day following the posting of the overtime roster in which the alleged violation is first shown.

In construction, reasonable effort will be made to equalize overtime opportunity hours. If there is reason to believe construction assignments were made for reasons other than operational needs, proximity to project, and/or employee qualifications/experience, the employee may write a letter of complaint to his/her immediate Deputy Director. If the complaint is substantiated, the Deputy Director shall take appropriate corrective action. If the employee is not satisfied with the response of the immediate Deputy Director he/she may appeal to the ~~Deputy Director of Labor Relations~~ **Labor Relations Administrator**. Employee assignments shall not be grievable.

The Department further commits to provide increased construction training and schooling to improve job knowledge of employees.

In October of each year, management shall canvass employees who do not normally perform snow and ice removal duties to volunteer for overtime opportunities to do this work when regular overtime rosters are exhausted. These employees shall be placed on auxiliary rosters in counties to where they volunteer. The first auxiliary roster is composed of qualified Unit 6 employees and overtime shall be offered in rotation by seniority order. The second auxiliary roster is composed of all other qualified employees. Management is not required to equalize overtime on auxiliary rosters. Employees on auxiliary lists have no right to grieve overtime opportunities for snow and ice removal.

If an employee on the first auxiliary list believes he/she was improperly bypassed two consecutive times, the employee may file a complaint with supporting documentation to the ~~Deputy Director of Labor Relations~~ **Labor Relations Administrator** in ODOT. If their complaint is substantiated, the employee shall be placed at the top of their auxiliary list.

The agency shall establish a phone log procedure to verify phone calls to employees who are being contacted for overtime. In the event there is a dispute as to an employee having been contacted, or which employee(s) were contacted, the phone log will be used for verification. In locations where there are computer verified phone systems, the computer log may be used for verification.

When employees are scheduled for at least two (2) hours of overtime, arrive at the job site to perform such overtime, and the work is cancelled due to inclement weather or contractor's or employer's decision, those employees scheduled to work are entitled to two (2) hours of overtime that day.

The Unit 6 agreements 6.01, 6.02 and 6.03 are deleted by this Agreement, as those Agreements pertain to ODOT, however, paragraphs 6.4 and 6.5 are retained.

C. 13.08 - Call Back Pay

In ODOT, employees who are called back to work and do report outside their regularly scheduled shift will be paid a minimum of two and one-half (2 ½) hours at the overtime rate of pay **providing such time does not abut the employees regular shift** and will be put on the appropriate overtime roster.

However, an employee called-in for snow and ice removal to work for a time period abutting his/her shift will be paid a minimum of one (1) hour at the overtime rate of pay.

D. 1000 Hour Assignment

When fluctuations in workload or weather conditions necessitate the temporary transfer of employees, the Director of the Ohio Department of Transportation or designee may temporarily assign such personnel to duties other than those specified by their classification.

When an employee is temporarily transferred, the transfer will be to a classification for which the employee is qualified. An employee(s) shall suffer no loss of pay, benefits or seniority as the result of a temporary transfer. Where such temporary transfers will be to a higher paying

classification, the employee will receive the pay of the higher paying classification, **but not limited to four percent (4%) above his/her current step rate of compensation.**

An employee temporarily transferred by this Section shall be notified in writing at least one (1) week in advance of the transfer.

Prior to the implementation of the 1000 hour assignment, a full list of positions to which transferred employees may be assigned shall be posted in the appropriate district and a copy of such shall be given to the ~~Chief~~ **District** Steward, if requested.

Employees shall volunteer for the positions by state seniority after being notified of their transfer. An employee must possess the minimum qualifications for the position for which he/she is volunteering.

If positions are added to the position list after its initial posting and after some employees have already been transferred, those previously transferred shall have first opportunity to volunteer for those positions.

The Employer may designate positions on the list as "priority" positions in that these are jobs which need to be accomplished during the time period in question. If these "priority" positions are not filled by volunteers, the Employer shall fill these positions by inverse seniority among qualified transferees. Inverse selection shall be done after transferees have had the opportunity to volunteer unless there is an operational need to expedite the work of that priority position (a date may be placed on priority positions to indicate the desired starting time).

If the work of an 1000 hour position is completed, the employee may first volunteer or be assigned to a remaining 1000 hour position on the original list until the employee is needed in his/her regular position.

Employees assigned as field employees shall have the field employee report-in location during the assignment. Employees who volunteer for a position which is farther than their normal report-in location shall not have their additional travel time counted as hours worked. Employees who are required to accept assignments which are farther than their normal report-in location shall have their additional travel time counted as hours worked.

The duties of a temporarily transferred employee(s) shall not unduly alter the regularly scheduled assignments of permanently assigned employees. Any employee who is on a temporary transfer shall not be considered for an overtime assignment until all appropriate permanently assigned employees have been asked to work the overtime pursuant to this Agreement.

No employee temporarily transferred by this Section will be transferred in excess of one thousand (1000) hours within a twelve (12) month period, unless mutually agreed to by the employee and the Agency Head or designee. **Extensions beyond 2,080 hours must be agreed to by the Union.**

Unit 7 employees on 1000 hour assignment shall have the right to request in writing to be assigned project work which becomes available prior to the completion of the 1000 hour assignment. **In any event, Highway Maintenance Workers will not be placed on 1000 hour construction assignments while Project Inspectors are on 1000 hour Highway Maintenance Worker assignments.**

E. Step Three (3) Grievance Meetings

Step Three (3) grievance meetings will normally be held at the work site of the grievant. If the meeting is held at the district headquarters, the ~~chief~~ **district** steward will be permitted to participate in the meeting.

F. Tool Allowance

Auto Mechanics, Automotive Technicians and Auto Body Repair Workers shall receive an annual tool allowance of \$250.00 payable not later than the second pay period of ~~February, 1994~~ April, 2000, and each year of the contract thereafter.

G. Uniforms Allowance
