2023 Resource Guide
COMBINED CHARITABLE CAMPAIGN

Message from Governor Mike DeWine

Dear Colleague,

State of Ohio employees demonstrate their incredible compassion year after year by giving generously to the annual Combined Charitable Campaign (CCC). The CCC consolidates more than 1,000 charitable campaigns into one, offering employees an opportunity to support meaningful causes in their communities through payroll deductions or a one-time gift. Last year, the campaign brought more than \$2.2 million to participating charities that operate throughout our state, our nation, and around the world.

The 2023 CCC is another opportunity to support what matters most to you. Whether you want to support our men and women in uniform, help feed the hungry, aid in medical research, protect the environment, or educate our youth, there are many opportunities to support our neighbors close to home and globally.

Thank you for considering a gift to the CCC this year. We have the power to make a real difference for the people and causes we care about when we come together to give.

Very respectfully yours,

Message from Paul Keels State Honorary Chair

It truly is an honor to serve as the 2023 Honorary Chair for the State of Ohio Combined Charitable Campaign (CCC). What an incredible opportunity to come together for the common goal of helping our community.

Last year, State of Ohio employees stepped up to help their community by once again donating more than \$2 million dollars to the CCC. Your generosity has helped so many people at a time when the need was at its greatest. We hope you'll open your hearts again this year. Your continued support will help the campaign's charities provide vital services to those in need in our communities.

Please take this opportunity to make your donation to any of the more than 1,000 charities in the CCC Resource Guide. With so many options, there's no doubt you'll find charities that support a mission near and dear to your heart.

When we work together, we can make a difference in the lives of many.

Message from Christopher Mabe President of OCSEA/AFSCME Local 11

The Combined Charitable Campaign (CCC) has been a special partnership between labor and management in the State of Ohio since its inception in 1989. Year after year, the campaign has demonstrated the incredible generosity of State of Ohio employees.

By their individual gifts either through payroll deduction or one-time payments to the charities of their choice, state employees have made a big impact on our communities. Whether it's helping lift up individual families or donating to large organizations conducting important research, state employees always find it in their hearts to help others less fortunate than themselves.

Despite essential state employees being on the frontlines of the pandemic for the last several years, they made extra efforts to give back and help others less fortunate than themselves.

This spirit of generosity has not only helped shine a light through the darkness for those in need, these efforts lifted us all up. They remind us we are not alone, and that giving to others helps us all. It's this same spirit that I know will continue this year as we build support for and heal our local communities.

By supporting the Combined Charitable Campaign, our state employee members make it possible to find solutions to social justice issues, protect the environment, advance medical research, provide educational opportunities, house the underserved, and feed the hungry. The mission of the CCC is just as urgent now, as ever.

Simply put, the Combined Charitable Campaign brings out the good in all of us. I hope you'll join me and other state employees in making a contribution to a charitable organization of your choice.

Sincerely,

Christopher Mabe

IMPORTANT CAMPAIGN INFORMATION

What is the Combined Charitable Campaign (CCC)?

The CCC is an effort to consolidate many charitable campaigns into one, asking State of Ohio employees for voluntary donations through payroll deductions or one-time gifts. A combined campaign results in minimal workplace disruptions and lower administrative costs. There are multiple participating federations and hundreds of member charities that you may choose to support.

The State of Ohio Combined Charitable Campaign is codified in the Ohio Administrative Code, Chapter 123:1-28-01.

The charity resource guide:

This resource guide displays listings of all eligible charitable federations and member charities that have met CCC eligibility requirements. A sample charity listing is shown below. Key elements include the organization's five-digit code, a 25-word or less statement of purpose and its administrative and fundraising expense rate (AFR).

SAMPLE CHARITY LISTING

12345 ABC Charity

Provides emergency and transitional housing.

EIN: 12-1234567- 18.0%

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). Please note that some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The EIN and AFR are included to help you identify organizations that meet your interests and performance standards.

Additional federation and member charity information can be found in this guide and on [GuideStar.org](https://www.guidestar.org), a national database of nonprofit organizations. When searching in GuideStar, it is best to utilize EINs. You will find the EIN in the federation or member charity description. There is no cost to access GuideStar for this information.

The 2023 campaign goal for the State of Ohio is \$2.1 million. Each agency also has its own goal, which will be shared with its staff by the agency director and/or agency campaign coordinator.

What are the dates of the campaign?

The campaign begins Tuesday, Aug. 22 and ends Friday, Oct. 20.

Who is my agency campaign coordinator?

Go to [Ohio.gov/OhioCCC](https://ohio.gov/OhioCCC) to find the list of agency campaign coordinators.

How do I give to the CCC?

- * Make your pledge online.
- * Submit a paper pledge form.

Online pledging:

The CCC offers an online giving system, ePledge, which allows donors to make donations to the CCC without using paper pledge forms. The online system is a secure and efficient method of viewing and making contributions to the campaign. You may choose to make a payroll deduction or a one-time donation via credit card or electronic check. A minimum donation of \$26 is required for credit card payments and electronic checks. It's fast and easy!

You can access the ePledge site in several ways:

- Through myOhio.gov (visit the State News and Events page and click on the myCCC Click to Donate tile).
- Through online pledging notifications you will receive via your work email address. These emails are safe to open and provide important campaign information. Emails will be sent to employees on Aug. 2, 9, and 16. The campaign will officially begin on Aug. 22. Emails will continue throughout the campaign. Once you complete your pledge online, you will no longer receive CCC email messages. You also may log in to ePledge to affirm that you have made a paper pledge or want to opt out of future messaging.

The online system will walk you through the process and allow you to donate by payroll deduction, credit card, or electronic check. If you are unsure how to proceed once accessing the link, step-by-step directions are available at Ohio.gov/OhioCCC. After your pledge is complete, you will receive an email confirmation, which can be printed and saved. Please complete the online survey after you have completed your pledge.

2023 paper pledge form:

While online giving is an efficient and safe method of making donations to the campaign, paper pledge forms and fillable electronic pledge forms also are available from agency campaign coordinators or online at Ohio.gov/OhioCCC. **Employees hired on or after July 31 must make their pledge using a paper pledge form.**

When completing a paper pledge form:

- Use a black pen and write legibly.
- Do not staple the pledge form.
- Sign and date the pledge form.
- Fill in the appropriate bubble(s) if you want your contribution to be anonymous.
- Forms may be photocopied for your records or your agency campaign coordinator's records.
- When you have completed your paper pledge form, please return it to your agency campaign coordinator.

Cash/Check donations:

If you wish to make a one-time check or cash donation, or do not have a work email address, you should complete a paper pledge form. Paper pledge forms may be obtained from and turned in to your agency campaign coordinator. Please note the online option is only for pledging by payroll deduction, credit card, and electronic check.

What if my favorite charity isn't included in the CCC?

All charities participating in the State of Ohio Combined Charitable Campaign have completed a thorough application and review process and are members of a federation (please see the definition below). If your favorite charity is not listed, they may not have applied or may not be a member of a federation listed in this resource guide. You may wish to suggest that officials representing that charity contact one of the participating federations to inquire about membership. Contact information for each federation is listed on pages 75 - 77.

What is a federation?

Federations are organizations that have multiple independent charitable agencies as members. They serve as “umbrella” organizations for a wide range of member charities that play a major role in delivering health, human, environmental, and educational services. Participating federations are carefully selected. Federations wishing to participate in the CCC submit applications to the CCC Statewide Steering Committee each year. To be approved for participation, federations must meet specified criteria which include, but are not limited to, the standards listed below.

Key standards for federations and charitable agencies:

- Must be a 501(c)(3), not-for-profit, tax-exempt, charitable federation with at least three member charities.
- Must provide direct health, human, environmental or educational services.
- Must be incorporated or authorized to do business in Ohio.
- Must adhere to standard accounting procedures.
- Must be in existence for at least two years prior to the date the campaign begins.
- Must have a stated policy of nondiscrimination and comply with Equal Employment Opportunity laws.

For a full list of eligibility criteria, see the CCC policies and procedures online at [Ohio.gov/OhioCCC](https://ohio.gov/OhioCCC).

This year's participating federations are:

A Special Wish Foundation	EarthShare
America's Best Charities	Global Impact
America's Best Local Charities	Habitat for Humanity of Ohio
America's Charities	Local United Ways and Community Federations
CHC: Creating Healthier Communities	United Negro College Fund
Community Shares	

To ensure equal representation in the resource guide, the order in which federations and their member charities are listed rotates each year. You may also find charities using the alphabetical index on pages 9 - 21.

What are the payment options available to me?

Payroll deduction, the easiest method of giving, has several advantages. It's simple and you can make your gift over a period of time. If you select the payroll deduction option, deductions will be made from your paychecks during calendar year 2024. Each year employees must submit a new pledge as donations do not automatically continue from year to year. If you select the payroll deduction option, you must complete an online pledge **or** sign a paper pledge form to authorize the deduction to begin in January. Your CCC deduction will be reflected on your pay statements as “Combined Charitable Campaign.”

One-time gifts of cash or check(s) also may be made during the campaign. Any monetary contribution must be accompanied by a pledge form. **Contributions by check must be made payable to the Combined Charitable Campaign (CCC)**. Be sure to securely enclose cash or checks with your completed paper pledge form. Do not staple cash or checks to pledge forms. If you choose to donate by electronic check or credit card, this option is available online.

How do I designate my gift?

Through the CCC, you may designate your gift to as many as eight (8) federations or member charities by indicating your choices on the paper or online pledge form. Each charity's gift must be \$3 or more for a one-time gift, or \$1 or more per charity per pay for a payroll deduction. A minimum total donation of \$26 is required for credit card payments and electronic checks.

Each federation and charity are listed separately, with an assigned five-digit charity code (e.g., 12345) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name and description. To support an individual charity within a federation, select that charity's code as it appears preceding the charity name and description.

Should I designate my contribution?

Designating your contribution increases your charity's ability to capture a greater portion of the undesignated dollars. If you don't designate, some of your money may go to charities you do not support, so you are strongly encouraged to carefully choose your designations. Charities that receive no direct contributions will not receive any undesignated contributions. Pledge forms returned with donations but without charity codes will be counted as undesignated donations.

“00000” Undesignated Code:

If you choose not to designate your contributions to a specific charity, but want to donate to the campaign as a whole, you should enter “00000” where the charity code is needed on the paper pledge form. A “00000” contribution will go into an “undesignated” category and will be divided among the federations by the percentage of dollars that were pledged out of the total campaign dollars. In ePledge, simply do not add any designated charities to make an undesignated pledge.

What portion of my gift funds administrative costs?

Included in each charity's description is a percentage reflecting the portion of contributions that charity uses for administrative costs, such as management and fundraising. The CCC Review Committee approved these charities for this year's campaign based on their individual circumstances and documentation provided. Each charity has provided a description of their work to help you make an informed choice in designating your gift.

What is the administrative rate for the CCC?

Administrative costs for the 2022 campaign were 7.4% of funds received. These funds provide for the creation and printing of the resource guide, newsletters, video, coordinator training, professional staff, campaign audit, IT support, postage, and supplies. All of the federations share in the administrative costs proportionate to their designations in the campaign.

How can I show my support of CCC?

If you would like to share why you support the CCC or how it has positively impacted you or someone you know, we encourage you to provide a short written or video testimonial to be shared with your fellow state employees. To submit a written testimonial, you have two options:

- * Use the Jotform link: <https://form.jotform.com/230675374641156>
- * Visit [Ohio.gov/OhioCCC](https://ohio.gov/OhioCCC) to download the testimonial and waiver forms, or request them from your agency campaign coordinator. Once you complete the forms, return them to your coordinator.

These testimonials may be used in the charity resource guide, brochures, posted to social media, or in CCC emails.

To submit a video testimonial, please work with your agency campaign coordinator to record a video no longer than 30-seconds explaining why the CCC is important to you. Your coordinator will then share the video with agency employees via email and/or post it on your agency's social media using the hashtag #OhioCCC. You also can post your own CCC videos directly to your agency's social media using #OhioCCC.

Giving back to those who helped me!

I choose to donate to the Myasthenia Gravis Foundation and the Muscular Dystrophy Associations to show my appreciation for all these two organizations have done for me when I needed assistance. Knowing my donation goes to help others has been meaningful on a personal level. I hope someday to be able to fully repay these organizations for their assistance to me. Having the ability to donate through CCC has been a great start and one I look forward to yearly.

Parkinson's Research helped my dad!

I donate to Parkinson's Research through CCC because my dad has Parkinson's. The knowledge, resources, and treatments that have come about because of their research helps my dad enjoy a better life. He's able to travel, live with fewer symptoms, and enjoy family time. He loves to enjoy America's favorite pastime with his grandson, watching the Toledo MudHens baseball as often as possible. These programs improve the quality of life for many.

They had a program called Family to Family that gave information on the many different mental illnesses and resources so we could find help and mostly know we WERE NOT ALONE!

Supporting Veterans to honor family members!

I come from a long line of veterans in my family that I'm very proud to call my heroes in life, from WWII to Korea. I lost a close childhood friend to cancer after 20 years of service in the Marines which included two tours in Iraq. Knowing some of the struggles our veterans face, I felt it was important to try and give back in some way, yet, will never be enough.
