Development

An aerial photograph of a suburban neighborhood in Ohio during autumn. The houses are mostly single-story with light-colored siding and dark roofs. The trees are in various stages of fall color, ranging from bright yellow to deep orange and red. A multi-lane road with a double yellow line runs through the bottom right of the frame. In the background, a dense line of trees separates the neighborhood from a more industrial or commercial area with buildings and parking lots under a cloudy sky.
