**Welcome to the DODD Assessments app and the online Waiting List Assessment (WLA)** created by the Ohio Department of Developmental Disabilities (DODD)! The online Waiting List Assessment is ready to connect you with our DD support community and resources. In this tip sheet, we'll work through three major steps in getting started with the DODD online Waiting List Assessment:

1. [Creating an OHID Account](#)
  - You'll need the [DUO authentication mobile app](#) to complete your login.
2. [Adding the DODD Assessments App to Your OHID Account](#)
3. [Launching the DODD Assessments Application and Viewing Assessments](#)

When you receive your OHID information, enter it here for easy access.

**OHID user name:**  
(example: taylortestuser)

**OHID #:** (8-digit number)

Password hint:

### Person Served-Family Guardians:

As of July 2025, the WLA assessment is not yet available for viewing-only access. When the online assessment is available, you will need an OHID to access the online WLA and use other DODD applications.

**In the meantime, your SSA contact will provide a copy of your WLA assessment via email.**

### 1. Creating an OHID Account

An OHID account enables you to work with and access resources from State of Ohio agencies, including DODD. OHID accounts have a user number of eight digits and access the domain ohio.id.gov.

- **I have an OHID:** Log in to the OHID Portal ([ohid.ohio.gov](https://ohid.ohio.gov)) and proceed to [step 2](#).
- **I don't have an OHID:** You'll need to create an account. Create an account at <https://ohid.ohio.gov/create-account>. You will receive a confirmation email after your account is created for you.
- **I don't remember my username or password:** If you've forgotten your login credentials, contact the Department of Administrative Services (DAS) support line at (614) 644-6860.

**Duo Authentication App** – While you're waiting for your OHID account, download and install the Duo Authentication mobile app to your mobile phone. You'll need this later to log into the DODD portal.

The DODD digital environment requires two-part authentication (2FA) for access. This means that in addition to 1) providing your username and password, you'll need to 2) confirm your access with the DUO authentication app.

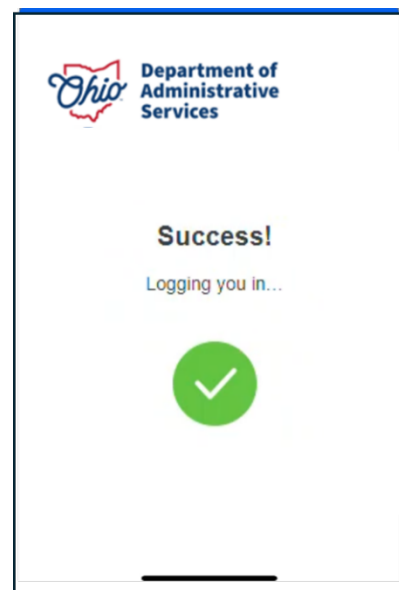

*On computer:*

*Duo Push: Prompt from OHID to approve login notification.*

*On phone:*

*Prompt in Duo mobile app: Press Approve to approve login.*

*On phone:*

*Confirmation of successful authentication.*

**Duo app first, then login.** Unlock your phone and open your Duo app before you login to OHID. This gives you more time to approve the login before the Duo Push times out.

## 2. Adding DODD Assessments App to Your OHID Account

- In the left menu panel of the My Apps page, click **App Store**.
