Introduction

Where Do Veterans Go to Get Help?

Since 1886, Ohio has provided help for veterans, their spouses and children, and surviving family members of deceased veterans. These services are provided through County Veterans Service Offices in each county. Each office is funded by a portion of the assessed local property taxes to ensure these services are available.

These offices are staffed by certified and accredited service officers to help Ohio's veterans apply for all benefits earned by active military service, which are described in this publication. These benefits include:

- FEDERAL** Disability Compensation, Pension, Healthcare, Education, Home Loans, Burial and Survivor Benefits.
- STATE** Veterans Bonus, Education, Employment, Healthcare, Home Loans, Ohio Veterans Homes and Military Injury Relief Fund.
- LOCAL** Claim Preparation & Assistance, Financial Assistance, Transportation to VA medical appointments and Indigent Burials.

Veterans' spouses and other survivors may be eligible for federal and state benefits. County Veterans Service Offices can provide information and advocacy concerning these benefits and will assist with the application process.

Introduction

Where Do Veterans Go to Get Help?

Each County Veterans Service Office will assist veterans or their families with financial emergencies. This short-term assistance varies with the individual abilities of each county.

Such assistance may include payment of rent, mortgage, food, utilities, car payment or insurance.

An application process is required in all counties.

For details concerning the level of financial assistance and transportation available in a specific county, check with your local County Veterans Service Office.

Veterans are also encouraged to record their discharges (DD-214s) at their County Recorder's office.

This provides a duplicate record if a certified copy is needed as verification for veterans benefits.

Many County Veterans Service and County Recorders offices make Veteran ID cards.

Veterans can reach their local office by calling

Crisis Counseling

Veterans Crisis Line

Call 988 & press 1

The U.S. Department of Veterans Affairs (VA) has established a national Veterans Crisis Line to ensure that veterans have free, 24/7 access to trained counselors. To operate the hotline, the VA partnered with the Substance Abuse and Mental Health Services Administration (SAMHSA) and the National Suicide Prevention Lifeline. Veterans, family members and friends can call the lifeline number by simply dialing 988 and then pressing 1. The old number, 800-273-TALK (8255), also will remain available for use. All calls are confidential and are routed to the hotline where callers can speak to counselors (familiar with military experience) about any issue that is creating a life crisis situation. The Crisis Line also can be accessed via text or chat.

Each provides up to 36 months of education benefits. You must have received an honorable discharge to be eligible. This benefit may be used for degree and certificate programs, flight training, apprenticeship/on-the-job training and correspondence courses. PACT Act

The PACT Act is a federal law that expands VA healthcare and benefits for veterans exposed to burn pits, Agent Orange and other toxic substances.

The full name of the law is The Sergeant First Class (SFC) Heath Robinson Honoring our Promise to Address Comprehensive Toxics (PACT) Act, and is named after a former Ohio Army National Guard veteran who passed away on May 6, 2020.

The PACT Act provides well-deserved aid to generations of veterans and their survivors. It was expanded in March 2024, making benefits available to millions of veterans, including those from the Vietnam, Gulf War and Post-9/11 eras. It also includes the Camp Lejeune Justice Act, which can provide compensation to veterans who experienced water contamination on that base.

However, there is some confusion and misinformation in the veteran community with regard to PACT Act benefits. Veterans have options, but are strongly encouraged to reach out to either your local County Veterans Service Office (see listing beginning on page 5) or directly contact a VA representative.
