Department of Veterans Services

Ohio Veterans Homes

Admission Application

The Ohio Veterans Homes (OVH) are two long-term care campuses which operate under the direction of the Ohio Department of Veterans Services. OVH is dedicated to assisting Ohio combat veterans as they age. At both the Sandusky campus (approximately 60 miles west of Cleveland) and Georgetown campus (approximately 45 miles east of Cincinnati) residents are offered a quality of life which emphasizes privacy and encourages independence. All residents have the freedom and convenience of a small community as well as the comforts of a home-like setting.

Both campuses house a licensed nursing home providing Standard Care, Memory Care (Dementia/Alzheimer), and Skilled Care. OVH-Sandusky also offers an independent living/limited supervised care facility (Domiciliary).

To be eligible for admission into the Ohio Veterans Homes, the applicant must meet the following criteria:

1. The applicant must have been a citizen of Ohio for at least one year.
2. The applicant's most recent discharge must show that they were honorably discharged or separated-under-honorable-conditions from the United States Armed Forces.
3. The applicant must have served on active duty (other than for training) during a period of war or declared armed conflict OR have been a recipient of the Armed Forces Expeditionary Medal or the Vietnam Service Medal.
4. The applicant must have a disability due to disease, wounds or otherwise and, by reason of such disability, be incapable of earning a living.

Please note, applicants meeting the above criteria for admission shall not be admitted if:

1. In the opinion of the Home's Medical Director, the Ohio Veterans Home cannot provide care adequate to meet the physical, mental, or psychosocial needs of the applicant; or
2. Pursuant to Ohio Administrative Code 5907-3-01, a veteran applying for admission to one of the Ohio Veterans Homes who otherwise meets all criteria for admission shall not be admitted if by virtue of one or more criminal convictions, the veteran represents a substantial risk of harm to the health, safety, or well-being of residents, their families, visitors, volunteers, or Ohio Veterans Homes staff.

OVH conducts a comprehensive public records search, including sex offender registry in accordance to Ohio Revised Code section 3721.122, on all applicants prior to admission.

Facility Options
