Grantees agree to abide by the Ohio Ethics Law as set forth in R.C. chapter 102, especially section 102.04, and chapter 2921 sections 2921.42, and 2921.43.

Board, Committee, and Work Group members whose *employers* wish to apply for funding must disclose this fact to the Executive Director of EMS as soon as they become aware or at the time of application, whichever is earlier. Such members must not participate (e.g., discuss, deliberate, and / or vote) on the topics and / or topics involving Priority 1 grants, participate in any way in the application process, or advise the individuals who are applying for the grant. Board, Committee, and Work Group members must abstain from discussing, deliberating, or voting in any situation where there is a conflict of interest, where their employer or another associate is the grant applicant, or if there is an appearance of impropriety.

Board, Committee, and Work Group members are prohibited from receiving funding from the grant, nor can they perform work in furtherance of, or act as a consultant on the grant; recusal from discussing, deliberating, and / or voting on the grant will NOT overcome this prohibition.

Applicants are responsible for knowing and understanding the Ohio Ethics Law. Violations can result in a grant application being rejected, terminated, and / or in criminal prosecution.

If you have any questions regarding your obligations under the Ohio Ethics Law, you should contact the Ohio Ethics Commission for advice.

10. **EXECUTIVE ORDER 2011 - 12K, BANNING THE EXPENDITURE OF PUBLIC FUNDS FOR OFFSHORE SERVICES:** The Grantee affirms to have read and understands Executive Order 2011-12K and shall abide by those requirements in the performance of this Agreement, and shall perform no services required under this Contract outside of the United States.

The Grantee also affirms, understands, and agrees to immediately notify the State of any change or shift in the location(s) of services performed by the Grantee or its subcontractors under this Agreement, and no services shall be changed or shifted to a location(s) that are outside of the United States.

A. Termination, Sanction, Damages:

If the Grantee or any of its subcontractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. The State is not obligated to pay and shall not pay for such services.

If the Grantee or any of its subcontractors perform any such services, the Grantee shall immediately return to the State all funds paid for those services. The State may also recover from the Grantee all costs associated with any corrective action the State may undertake, including but not limited to an audit or a risk analysis, as a result of the Grantee performing services outside the United States.

The State may, at any time after the breach, terminate the Contract, upon written notice to the Grantee. The State may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

If the State determines that actual and direct damages are uncertain or difficult to ascertain, the State in its sole discretion may recover a payment of liquidated damages in the amount of one percent (1%) of the value of the Contract.

The State, in its sole discretion, may provide written notice to Grantee of a breach and permit the Grantee to cure the breach. Such cure period shall be no longer than twenty-one (21) calendar days. During the cure period, the State may buy substitute services from a third party and recover from the Grantee any costs associated with acquiring those substitute services.

Notwithstanding the State permitting a period of time to cure the breach or the Grantee's cure of the breach, the State does not waive any of its rights and remedies provided the State in this Contract, including but not limited to recovery of funds paid for services the Grantee performed outside of the United States, costs associated with corrective action, or liquidated damages.

B. Assignment / Delegation:

The Grantee will not assign any of its rights, nor delegate any of its duties and responsibilities under this Contract, without prior written consent of the State. Any assignment or delegation not consented to may be deemed void by the State.

11. RESPONSIBILITY FOR CLAIMS: The Grantee agrees to indemnify and hold the Division harmless from any and all claims for personal injury or property damage resulting from the fault or negligence of the Grantee and from claims for wages or overtime compensation due its employees in rendering services under this Agreement, including payment of all costs in defense of any claim made under the Fair Labor Standards Act or any other federal or state law. In no event shall either party be liable to the other party for indirect, consequential, incidental, special, or punitive damages, or lost profits

12. OWNERSHIP:

- A. Any and all written, electronic, or multimedia documents, presentations, reports, studies, deliverables, and / or software developed under this Agreement (hereinafter referred to under this Section as "Deliverables") shall become the property of the Division. The Division, and any person, agency, or instrumentality providing financial assistance for the work performed under this Agreement shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. The Grantee shall not obtain copyright, patent, or other proprietary protection for the Deliverables without the written approval of the Division, except that the Grantee shall reserve its rights in all methods, pre-existing work, software, and data used to prepare the Deliverables. The Grantee shall not include in any Deliverables any copyrighted matter, unless the copyright owner and any person, agency, or instrumentality providing financial assistance for the work performed under this Agreement gives prior written approval to use such copyrighted matter in the manner provided under this Agreement. The Grantee must identify in writing, prior to the start of work under this Agreement, any and all proprietary, copyrighted, and / or patented materials it intends to use.
- B. The Grantee agrees that all Deliverables may be made freely available to the general public to the extent required by law.
- C. This Section shall survive the termination of this Agreement and may be enforced by the Division in any court of competent jurisdiction.

13. AVAILABILITY OF FUNDS: The obligations of the Division under this Agreement are subject to the determination by the Director of Budget and Management that sufficient funds have been appropriated by the General Assembly to the Division for the purposes of this Agreement and to the certification of the availability of such funds by the Director as required by R.C. Section 126.07. The Division may suspend or terminate this Agreement if the General Assembly fails to appropriate funds or if federal grant funds are not available for any part of the work under this Agreement.

14. AUDITOR RECOVERY FINDING - R.C. Section 9.24: The Grantee affirmatively represents and warrants to the Division that the Grantee is not subject to a finding for recovery under R.C. section 9.24, or that the Grantee has taken the appropriate remedial steps required under R.C. section 9.24 or otherwise qualifies under that section. The Grantee agrees that if this representation and warranty is false, the Agreement shall be void *ab initio* as between the parties to this Agreement, and any funds paid by the Division hereunder shall be immediately repaid to the Division, or an action for recovery may be immediately commenced by the Division for recovery of said funds.

15. **GOVERNING CLAUSE:** This Agreement and any claims arising out of this Agreement shall be governed by the laws of the State of Ohio. If any provision under this Agreement is later determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected by such determination.
16. **SUSPENSION AND TERMINATION:**
- A. The Grantee or the Division may suspend or terminate this Agreement, with or without cause, by providing thirty (30) days written notice to the other party.
 - B. Any violations or breach of the terms stated herein, by the Grantee, shall provide the Division with the option of canceling this Agreement in its entirety, or withholding payment until such time as the violation or breach is remedied. Such option shall in no way limit or exclude any other remedies available to the Division.
 - C. If either party fails to perform any of the requirements of this Agreement, or is in violation of a specific provision of this Agreement, then the non-breaching party may suspend or terminate this Agreement if the breaching party fails to cure its non-performance or violation within ten (10) business days following delivery of written notice of the breach. In the case of late payment by the Division, however, the Grantee may not suspend or terminate this Agreement unless the payment is more than sixty (60) days past due, and R.C. Section 126.30 shall apply.
 - D. If this Agreement is suspended or terminated, the Grantee shall cease work on the suspended or terminated activities, suspend or terminate all subcontractors relating to the suspended or terminated activities, take all necessary or appropriate steps to limit disbursement and minimize cost, and, if requested by the Division, furnish a report describing the status of all work under this Agreement, including results and conclusions accomplished, and such other matters as the Division may require.

The requirements in this paragraph shall occur in accordance with the following:

- 1. If the Agreement is suspended or terminated by the Division, the requirements in paragraph 16. D. of this Agreement shall commence upon the date the Grantee receives notice of suspension or termination.
 - 2. If the Agreement is suspended or terminated by the Grantee, the requirements in paragraph 16. D. of this Agreement shall commence upon the date the Grantee sends notice of suspension or termination.
- E. If this Agreement is suspended or terminated, the Grantee, upon submission of a proper invoice, shall be entitled to compensation which shall be calculated by the Division according to Paragraph 3 of this Agreement for the work performed prior to the date on which the Grantee either receives notice of termination or suspension or sends notice of suspension or termination, whichever is applicable, less any funds previously paid by, or on behalf of, the Division.

Regardless of which party terminates the Agreement, any payments made by the Division in which services have not been rendered by the Grantee shall be prorated and returned to the Division. Such payment(s) must be sent to the Division within thirty (30) days of the date on which the Grantee either receives notice of termination or suspension or sends notice of suspension or termination, whichever is applicable. The Division shall not be liable for any further claims.

17. **ANTITRUST ASSIGNMENT:** The Grantee assigns to the Division all State and Federal antitrust claims and causes of action that relate to all goods and services provided for in this Agreement. Additionally, the State of Ohio will not pay excess charges resulting from antitrust violations by the Grantee's suppliers and subcontractors.
18. **RECORD KEEPING:** During the performance of this Agreement and for a period of three (3) years after its completion, the Grantee shall maintain auditable records of all charges pertaining to this Agreement and shall make such records available to the Division, upon request.
19. **CHANGE OR MODIFICATION:** This Agreement constitutes the entire agreement between the parties on the subject matter of this Agreement. This Agreement supersedes all prior agreements, understandings, or representations, whether oral or written, concerning the subject matter of this Agreement. Any changes or

modifications of this Agreement shall be made and agreed to in writing. The provisions outlined in these Terms and Conditions shall take priority over any inconsistent or conflicting provisions included in the Grantee's offer or quote, or any other provisions applicable to or incorporated into this Agreement.

20. **DEBARMENT:** The Grantee warrants that it is not currently subject to a finding by the Ohio Department of Administrative Services debaring the Grantee from consideration for contract awards, and that Grantee does not currently appear on any federal or State of Ohio debarment list. In the event that, during the course of this Agreement, the Grantee is debarred from consideration for the contract awards by the Ohio Department of Administrative Services, or otherwise appears on any federal or State of Ohio debarment list, then the Division may terminate this Agreement immediately.
21. **FORCE MAJEURE:** If the State or Grantee is unable to perform any part of its obligations under this Agreement by reason of force majeure, the party will be excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Agreement. The term "force majeure" means without limitation: acts of God, such as epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, any other severe weather, or explosions; restraint of government and people; war; strikes; and other like events or any other cause that could be not reasonably foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.

Exhibit 1

SCOPE OF WORK

WHEREAS, the Division has indicated a desire to improve emergency medical services in Ohio by providing monetary resources to assist organizations in training, equipping, and improving the availability, accessibility and quality of such services, and the Grantee has indicated a desire to improve emergency medical services in this area and has expressed a need for monetary assistance to accomplish this goal; and WHEREAS, the Grantee represents that it is capable of performing the activities listed in the Agreement; and WHEREAS, the Division desires the Grantee to perform such activities in order to fulfill the above listed needs, NOW THEREFORE, it is agreed that the Grantee shall perform the following activities for the Division, in exchange for grant funding, in accordance with the following terms and conditions:

The Grantee agrees to secure training, or purchase goods, services, or equipment for personnel. The Grantee may only use funds to purchase training and equipment listed on the EMFTS Board-approved "Training and Equipment List / Expenditures" form. The Division is responsible only for the portion of the Grantee's grant request that the Board has approved or ratified.

All funding amounts will be disclosed through an EMS Division award letter. The Grantee understands that grant money will be issued as reimbursement only, unless the Grantee has been granted an advanced disbursement through a Division Financial Hardship Application. Funds can only be used for training and equipment listed in the Approved Training and Equipment List / Expenditures Form, and as specified and approved in the grant application. Grant recipients awarded during the Primary Funding Period must expend all funds by December 31st and submit final invoices for reimbursement no later than 30 days (January 31st), of the grant cycle. Secondary Funding Period award recipients must expend all funds by June 30th and submit final invoices for reimbursement no later than 30 days (July 31st), of the grant cycle. If the Grantee fails to reconcile the awarded funding in its entirety by the grant funding period cycle, the Grantee will forfeit any remaining award amount. Failure to reconcile all awarded funds with the Division within such time period may result in a reduction, or ineligibility, in the subsequent award year.

Effective January 1, 2013, if an EMS organization's medical director fails to meet the minimum qualifications established in rule 4765-3-05 of the O.A.C., the EMS organization may be ineligible for the grant program established under section 4765.07 of the R.C. and as provided in this chapter.

For the purpose of this Agreement, the Grantee acknowledges that all rules as promulgated by the Board shall be followed, including those in Chapter 4765-5 of the O.A.C.

DEPARTMENT OF LIAISON:

For the purpose of this Agreement, the Grantee shall report, accept direction from, and make inquiries to the Executive Director of the Division of EMS, or the Executive Director's designee.
