4) Reciprocity

Jason Wells has held Class D Water Collections Operator licenses with the State of South Carolina since 8/12/2022. South Carolina's lowest licensure is a Class D and their highest is a Class A. Mr. Wells took a standardized WPI Class 1 collections exam. WPI's standardized class 2 collections exam is equivalent to Ohio's Class 1 collections exam, so there is no Ohio equivalency for the exam he took. Mr. Wells has 55 months of operating experience.

Steven Baytos motioned to approve reject Jason Wells application. Robert Ostendorf seconded the motion. Motion carried.
