IMMEDIATELY

# Do you create waste?

Every business must determine  
if their waste is hazardous:

If non-hazardous → recycle or put in dumpster.

If hazardous → recycle or store for pickup by  
hazardous waste transporter.

Ohio EPA commonly cites businesses for failing to  
determine if wastes are hazardous – automatic  
enforcement referral if found in trash.

# Do you generate hazardous waste?

May need a U.S. EPA identification number

- Assigned by Ohio EPA
- Must complete and submit RCRA Subtitle C Site ID Form (Ohio EPA 9029)
- Submit electronically using myRCRAid

# Are you managing Universal Waste?

- Lamps
- Suspended or Recalled Pesticides
- Mercury Containing Devices
- Batteries
- Aerosol Cans
- Antifreeze
- Paint and Paint-related Waste

# Do you discharge air pollutants?

# Four Rules of Thumb for Air Permits

- 1** Something with a stack, vent, or dust collector
- 2** Something that uses solvents, paints, inks, or adhesives
- 3** Something that burns fuel
- 4** Something that causes smoke, dust, or odors
