Ohio Environmental **Education Fund**

Supporting environmental education projects that increase the public's awareness and understanding of environmental issues.

Ohio Environmental Education Fund (OEEF) grants provide up to $50,000 for programs that:

- Help small businesses and farmers understand environmental regulations;

- Teach Ohio residents what they can do to protect Ohio's air, water and land;

- Provide science supplies and opportunities for Ohio students to monitor air and water quality, explore careers in the environmental sciences and engineering.

Education funding priority topics:

- Innovative storm water management

- Reducing air emissions

- Encouraging habitat restoration

- Reducing nutrient pollution in rivers and streams

- Explore careers in the environmental sciences and engineering

Grant Amounts and Duration:

General Grants
$500 - $50,000
24 months to complete

Mini Grants
$500 - $5,000
12 months to complete
