

Program Number Naming Convention

Program numbers are labeled based on location of the program and category (Ethics, Preneed, and Laws & Rules). The first number of the program number indicates the location of In Person programs based on the above map.

- Program numbers beginning with O- are online programs.
- Program numbers beginning with W- are webinar programs.
- Program numbers beginning with 6- are out-of-state programs.

After the beginning number or letter the Required Categories are labeled, if applicable, as:

e – ETHICS, p – PRENEED, L – LAWS & RULES

PROGRAM TYPE DEFINITIONS for OHIO

In Person means instruction occurs when the instructors and participants are face to face, in the same location.

Webinar means instruction occurs simultaneously between the instructors and participants who are not located in the same place using a format in which participants are able to interact with the instructor through a question and answer format in real time. Webinar continuing education adds technology to live instruction through the use of an electronic, cyber, or a digital medium. Ex: Zoom

Online means instruction occurs when the instructors and participants are not located in the same place. Online continuing education adds technology to instruction through the use of an electronic, cyber, or digital medium. The learner can go at their own pace. Ex: On Demand programs
