Program Fees 2025-2026

College program fees are assessed based on the college tied to the student's primary academic program, except in cases where a program fee has been approved for a particular program or major. In those cases, students will be assessed the college program fee and the program fee approved for their particular program or major. Example, entrepreneurship majors are assessed \$63 in program fees for their major and the \$100 for the Ambassador Crawford College of Business and Entrepreneurship program fee, see below under "Ambassador Crawford College of Business and Entrepreneurship" program fees. All program fees are non-refundable.

Special Course/Purpose Fees 2025-2026

The special course/purpose fees listed below and on the following pages are computed on a per-hour basis. Each fee is assessed per semester unless otherwise noted. The total cost per semester for each special fee is listed unless the course hours are variable. Fees listed as “ACB” are fees that are based on the actual costs associated with a particular fee, such as, but not limited to, the cost to a student for travel, practicum requirements, books, etc.
