

2021

Ohio Educator Preparation Provider Performance Report

Ashland University

Institution Profile

(Data Source: Ashland University)

Ashland University is a mid-sized, private, comprehensive university that offers undergraduate, graduate, doctoral and theological programs to nearly 6,000 students attending classes at the Ashland campus, as well as centers in Cleveland, Columbus, Elyria, Mansfield, Massillon, Medina, Westlake, Cincinnati and Detroit. A number of online programs also are available. AU has been recognized as the top private college for teacher education in Ohio by the Online College Database, "Top Colleges in Ohio Shaping the Next Generation."

Dwight Schar College of Education

NCATE accredited since 1973, the Dwight Schar College of Education is a leader in educator preparation within the state of Ohio. With more than 15 undergraduate degree programs that lead to teacher licensure and strong articulation agreements with 2-year colleges, students throughout Ohio are able to complete their degrees at Ashland. The College's extensive graduate offerings of doctoral, master, post-baccalaureate initial teacher preparation, endorsement and administrative programs are available online, at the Ashland campus, and locations in Cleveland, Columbus, Elyria, and Massillon.

Report Overview

The Ohio Department of Higher Education gathers data annually from multiple sources to report the following performance metrics in the Educator Preparation Provider Performance Reports:

- Ohio Teacher Evaluation System Results for Ohio Teachers Prepared by an Ohio Educator Preparation Provider
- Ohio Principal Evaluation System Results for Ohio Principals Prepared by an Ohio Educator Preparation Provider
- Field and Clinical Experiences Required by Ohio Educator Preparation Provider Candidates
- Licensure Test Results for Ohio Educator Preparation Provider Program Completers
- Value-added Data for K-12 Students Taught by Ohio Teachers Prepared by an Ohio Educator Preparation Provider
- Demographic Information for Schools in Which Ohio Educator Preparation Provider-Prepared Teachers with Value-Added Data Serve
- Academic Measures Used to Inform Admissions Decisions at Ohio Educator Preparation Provider Programs
- Survey Results of Pre-Service Teacher Candidates Enrolled in Ohio Educator Preparation Provider Programs
- Survey Results of Ohio Resident Educators Who Were Prepared by Ohio Educator Preparation Providers
- Survey Results of Ohio Principal Interns Enrolled in Ohio Educator Preparation Provider Programs
- Survey Results of Mentors Serving Principal Interns Enrolled in Ohio Educator Preparation Provider Programs
- Ohio Educator Preparation Provider National Accreditation Status
- Persistence in the Ohio Resident Educator Program of Teachers Who Were Prepared by Ohio Educator Preparation Providers
- Ohio Educator Preparation Provider Excellence and Innovation Initiatives

2021

Ohio Educator Preparation Provider Performance Report

Ashland University

Ohio Teacher Evaluation System (OTES) Results for Ohio Teachers

Prepared by an Ohio Educator Preparation Provider at Ashland University

Reporting Period from Sept 1, 2020 to Aug 31, 2021
(Data Source: Ohio Department of Education)

Description of Data:

Ohio's system for evaluating teachers (Ohio's Teacher Evaluation System) provides educators with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement. The system is research-based and designed to be transparent, fair, and adaptable to the specific contexts of Ohio's school districts. Furthermore, it builds on what educators know about the importance of ongoing assessment and feedback as a powerful vehicle to support improved practice. Teacher performance and student academic growth are the two key components of Ohio's evaluation system.

An apparent dip in evaluations for the most recent "Initial License Effective Year" cohort comes from the perception that any given year's evaluation results are actually a chronological view of evaluations. Rather, it's a view of the evaluations from that school year, showing four different cohorts of licensed educators. The most recently licensed cohort will eventually have more evaluation results in its second year as more educators find employment as teachers or principals.

Limitations of the Ohio Teacher Evaluation System (OTES) Data:

1. The information in the report is for those individuals receiving their licenses with effective years of 2018, 2019, 2020 and 2021.
2. The teacher evaluation data in this report are provided by the Ohio Department of Education.
3. Due to ORC 3333.041(B), annual results must be masked for institutions with fewer than 10 completers with OTES data.

Associated Teacher Evaluation Classifications				
Initial Licensure Effective Year	# Accomplished	# Skilled	# Developing	# Ineffective
2017	58	76	N<10	N<10
2018	44	73	N<10	N<10
2019	19	94	N<10	N<10
2020	N<10	32	N<10	N<10

2021
Ohio Educator Preparation Provider Performance Report
Ashland University

**Ohio Principal Evaluation System (OPES) Results for Individuals
Completing Principal Preparation Programs at Ashland University**

Reporting Period from Sept 1, 2020 to Aug 31, 2021
(Data Source: Ohio Department of Education)

Description of Data:

Ohio's system for evaluating principals (Ohio's Principal Evaluation System) provides building leaders with a detailed view of their performance, with a focus on specific strengths and opportunities for improvement.

The Ohio Principal Evaluation System (OPES) data reported here are limited in that the information in the report is for those individuals receiving their licenses with effective years of 2017, 2018, 2019 and 2020.

An apparent dip in evaluations for the most recent "Initial License Effective Year" cohort comes from the perception that any given year's evaluation results are actually a chronological view of evaluations. Rather, it's a view of the evaluations from that school year, showing four different cohorts of licensed educators. The most recently licensed cohort will eventually have more evaluation results in its second year as more educators find employment as teachers or principals.

Associated Principal Evaluation Classifications				
Initial Licensure Effective Year	# Accomplished	# Skilled	# Developing	# Ineffective
2017	N<10	N<10	N<10	N<10
2018	10	N<10	N<10	N<10
2019	18	N<10	N<10	N<10
2020	18	11	N<10	N<10

Ohio Educator Preparation Provider Performance Report
Ashland University

Field and Clinical Experiences for Candidates at Ashland University

Reporting Period from Sept 1, 2020 to Aug 31, 2021

(Data Source: Ashland University)

Description of Data:

Ohio requires that educator candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements beyond the requisite statewide minimums for these placements vary by institution and by program. The information below is calculated based on data reported by Ohio Educator Preparation Providers.

Teacher Preparation Programs	
Field/Clinical Experience Element	Requirements
Require edTPA National Scoring from candidates in teacher preparation programs at the institution	N
Minimum number of field/clinical hours required of candidates in teacher preparation programs at the institution	180
Maximum number of field/clinical hours required of candidates in teacher preparation programs at the institution	315
Average number of weeks required to teach full-time within the student teaching experience at the institution	14
Percentage of teacher candidates who satisfactorily completed student teaching	98.58%

Principal Preparation Programs	
Field/Clinical Experience Element	Requirements
Total number of field/clinical weeks required of principal candidates in internship	32
Number of candidates who started internship	72
Number of candidates who completed internship	66
Percentage of principal candidates who satisfactorily completed internship	91.67%

Ohio Educator Preparation Provider Performance Report
Ashland University

Ohio Educator Licensure Examination Pass Rates at Ashland University

Reporting Period from Sept 1, 2019 to Aug 31, 2020
(Data Source: USDOE Title II Report)

Description of Data:

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely for initial licenses. Further, because the data are gathered from the Title II reports, there is a one-year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the reporting year 2020-2021.

As of 2013, the Ohio Assessments for Educators replaced the Praxis subject assessments for initial licensure. Some Praxis II assessments are still being reported because recent program completers took those tests in or before 2013.

Teacher Licensure Tests	
Summary Rating: EFFECTIVE	
Completers Tested	Pass Rate
84	82%

Ohio Principal Licensure Examination Pass Rates at Ashland University

Reporting Period from Sept 1, 2020 to Aug 31, 2021
(Data Source: Ashland University)

Description of Data:

Ohio requires that principal candidates pass the requisite state examination to be recommended for licensure. The 2019-2020 program completer pass rates are reported by each Ohio educator preparation provider.

Principal Licensure Tests	
Completers Tested	Pass Rate
98	93%

2021
Ohio Educator Preparation Provider Performance Report
Ashland University

**Value-Added Data for Students Taught by Teachers Prepared
by Ohio Educator Preparation Providers at Ashland University**

Reporting Period from Sept 1, 2020 to Aug 31, 2021

Description of Data:

Ohio's value-added data system provides information on student academic gains. As a vital component of Ohio's accountability system, districts and educators have access to an extensive array of diagnostic data through the Education Value-Added Assessment System (EVAAS). Schools can demonstrate through value-added data that many of their students are achieving significant progress. Student growth measures also provide students and parents with evidence of the impact of their efforts. Educators and schools further use value-added data to inform instructional practices.

Limitations of the Value-Added Data:

1. The information in the report is for those individuals receiving their licenses with effective years of 2017, 2018, 2019 and 2020.
2. The value-added data in this report are those reported by Ohio's Education Value-Added Assessment System (EVAAS) based on Elementary and Middle School Tests (Grades 4-8) and End-of-Course Tests for high school credit.
3. For Educator Preparation Providers with fewer than 10 linked teachers or principals with value-added data, only the number (N) is reported.

Principal Program Admission Requirements

Applicants seeking candidacy in the Masters level Building Principal licensure program are required to have a previous degree minimum GPA of 2.75. Applicants must hold an active Ohio Initial Teaching license. Candidates must complete advanced course work that includes a solid foundation in Educational Administration and a two-semester internship focusing on building principal experiences. Building Principal licensure applicants must have taught 2 years with a professional or provisional teacher

Pre-Service Teacher Survey Results

Reporting Period from Sept 1, 2020 to Aug 31, 2021

Description of Data:

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio candidates receive an invitation to complete the survey during their professional internship (student teaching). The results of this survey are reflected here. A total of 2,514 respondents completed the survey statewide for a response rate of 51.6 percent.

Ashland University Survey Response Rate = 405.71%

Total Survey Responses = 142

1=Strongly Disagree 2=Disagree 3=Agree 4=Strongly Agree

No.	Question	Institution Average	State Average
1	My teacher licensure program prepared me with knowledge of research on how students learn.	3.34	3.56
2	My teacher licensure program prepared me to recognize characteristics of gifted students, students with disabilities, and at-risk students in order to plan and deliver appropriate instruction.	3.34	3.40
3	My teacher licensure program prepared me with high levels of knowledge and the academic content I plan to teach.	3.37	3.42

Statewide Survey of Ohio Resident Educators' Reflections on their Educator Preparation Program

Reporting Period from Sept 1, 2020 to Aug 31, 2021

Description of Data:

To gather information on alumni satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio Resident Educators who completed their preparation in Ohio receive an invitation to complete the survey in the fall semester as they enter Year 2 of the Resident Educator program. A total of 456 respondents completed the survey statewide for a response rate of 12.5 percent.

Ohio Educator Preparation Provider Performance Report
Ashland University

National Accreditation Status

Reporting Period from Sept 1, 2020 to Aug 31, 2021
(Data Source: Ohio Department of Higher Education)

Description of Data:

All educator preparation programs (EPPs) in Ohio are required to be accredited by either the National Council for Accreditation of Teacher Education (NCATE), the Teacher Education Accreditation Council (TEAC), or their successor agency, the Council for Accreditation of Educator Preparation (CAEP). Accreditation is a mechanism to ensure the quality of an institution and its programs. The accreditation of an institution and/or program helps employers evaluate the professional preparation of job applicants.

Accrediting Agency	CAEP
Date of Last Review	Apr-18
Accreditation Status	Accredited

Ohio Educator Preparation Provider Performance Report

Ashland University

Excellence and Innovation Initiatives

Reporting Period from Sept 1, 2020 to Aug 31, 2021
(Data Source: Ashland University)

Description of Data:

This section reflects self-reported information from Ohio Educator Preparation Providers on a maximum of three initiatives geared to increase excellence and support innovation in the preparation of Ohio educators.

Teacher Preparation Programs

Initiative:	eSchools Teaching Experience
Purpose:	To increase candidate's comfort with new modalities and increase their access to a wider range of populations and needs
Goal:	To build candidate's competence in online teaching modalities and prepare them for racial, ethnic, cultural, religious, and neural diversity in their classroom
Number of Participants:	6
Strategy:	This initiative is still within its exploratory stages. Faculty members are working to identify district-run eSchools in Ohio with whom to partner. Work is being done to determine the possibility of incorporating this experience into the program as part of the field requirement or whether to include it as a project-like experience within a course or set of courses.
Demonstration of Impact:	We expect to have data to review on this initiative in Fall of 2023
External Recognition:	Partner Districts

Initiative:	Initial Licensure MEd Programs
Purpose:	Combination Initial License and Master's Degree Programs
Goal:	Adjust our proposed condensed programs that replace the need for alternative licensure programs in Ohio
Number of Participants:	8
Strategy:	Originally Master of Arts in Teaching (MAT) degrees, these programs are now being revised as MEds. These programs provide a graduate route to teacher licensure for individuals who have earned a baccalaureate degree in an applicable field. Those admitted to the initial licensure MEd program will have already passed the relevant content area Ohio Assessment for Educators test. The initial licensure MEd program is focused on pedagogy, field experiences, professionalism, and research- and data-informed instruction. The program is designed to take 1½ to 2 years, with licensure at the end of the first year, and the MAT degree at the end of the second (depending on summer semester inclusion). The second year is designed to be completed during a student's first year of teaching or in a long-term sub position. Students may take longer in each segment depending on their personal circumstances. The following areas of specialty will be available at the AYA level: Integrated Language Arts, Integrated Math, Integrated Science, and Integrated Social Studies. Middle Grades consist of a choice of two of the following four content areas: English/Language Arts, Social Studies, Math, and Science.
Demonstration of Impact:	We will have data to analyze the impact of this initiative in Fall of 2023, a year after the projected start date for these new initial licensure MEd programs.
External Recognition:	Programs will begin in Fall 2022
Programs:	College of Arts and Sciences can provide appropriate courses for content OAE tests

2021

Ohio Educator Preparation Provider Performance Report

Ashland University

Principal Preparation Programs

Initiative:	Equity-Centered Leadership Pipeline(Wallace Grant)
Purpose:	Pilot an Equity-centered Leadership Tool Designed for School Districts Across the State
Goal:	To collaborate with Columbus City Schools, OSU, Batelle for Kids, and ODE to improve equity in Ohio schools
Number of Participants:	6
Strategy:	We are still in the planning stages, but intend to work with our partners to help empower school leaders as figures of change within their communities. A planning session is scheduled for November to establish a plan for the forthcoming years and identify the role that Ashland University will take as a partner in this work.
Demonstration of Impact:	The first data to demonstrate the impact of this initiative will likely be available in the Fall of 2023.
External Recognition:	Wallace Foundation award of \$8.2 million grant, Columbus City Schools selection of Ashland University as a partner
