SAT Reading test	90	0.10	573.11	84.37	450	2012 state standards
Total	100158	100.00				

¹Data as of 11/3/16; Institutions with all missing college readiness records as of that date were: Cleveland State University, Lake Erie College, Terra State Community College, and Urbana University.

²The total "number of students with assessment reported" represents the total number of test scores for accepted college readiness assessments provided for students in the CCP College Readiness data file.

³Scores outside the possible range of an assessment's scores were excluded from analysis.
