Honorable Members of the Controlling Board,

As required in Section 126.14 of the Ohio Revised Code, I have attached a report identifying those capital appropriations in H.B. 687 that have been determined to be for specific projects and those that have been determined to be for general projects. The Director of Budget and Management is authorized to release appropriations for specific projects, while only the Controlling Board may release appropriations for general projects.

Should you have questions, please do not hesitate to contact me.

Very respectfully yours,

Kimberly A. Murnieks

Director
