

The Safety Services Education and Training Services Center offers a wide variety of continuing education courses that emphasize the practical application of safety principles, development of a safety culture, current and proposed standards for regulatory compliance, risk reduction, and BWC programs.

## VIRTUAL TRAINING CLASSES (VTC)\*

As an alternative to in-person classes, BWC provides virtual, instructor-led classes to meet more in-depth learning needs. Virtual training classes provide the opportunity for participation and interaction consistent with the BWC classroom experience. All BWC program credits associated with a normal classroom are available with virtual class completion.

### Webinar Recording Replays

If you miss a webinar, just search “replay” in the [BWC Learning Management System](#).

1. Go to [www.bwclearningcenter.com](http://www.bwclearningcenter.com).
2. Log in or create a new account.
3. Type “replay” in the “Search Catalog” field and click the magnifying glass to search.
4. Review recordings of past webinars (no credits provided).

**PLEASE NOTE:** To obtain BWC program credit, participants must complete a short knowledge assessment within the BWC Learning Management System after the webinar and earn a passing score. If the webinar provides credits, the host will provide further details regarding requirements for those seeking BWC program credit or Continuing Education Units (CEU)s during each webinar.
