

OFFICE OF FAMILIES AND CHILDREN
Families and Children Letter FCL #099

TO: Directors and Administrators, Public Agencies
Directors and Administrators, Private Agencies

FROM: Jeffery Van Deusen, Deputy Director
Office of Families and Children

DATE: May 19, 2023

SUBJECT: Ohio Certification for Agencies and Families (OCAF) Phase 2 Implementation

Background

The Ohio Department of Job and Family Services (ODJFS) in partnership with the Lieutenant Governor's Office and Innovate Ohio, developed Ohio Certification for Agencies and Families (OCAF) with the goal to make Ohio one of the easiest states to become a foster or adoptive parent. OCAF was developed with the goals of:

- Streamlining the certification process for foster and/or adoptive caregivers
- Streamlining the certification process for agencies and ODJFS
- Improving the accessibility for families to learn about and request to begin the certification process
- Increasing the number of Ohio's foster and/or adoptive caregivers
- Improving agencies' access to potential foster and/or adoptive caregivers.

OCAF is being implemented in phases through 2024. Phase 1 went live on November 7, 2022, with 10 pilot agencies. Phase 1 allowed agencies to enter submitted inquiries into OCAF and prospective caregivers to submit their JFS 01691 "Application for Child Placement" electronically. The Pilot Agencies and Automated Systems Review Committee members, consisting of public and private agencies, have participated in demos of Phase 1 and 2 and provided valuable feedback which the Automated Systems team was able to incorporate with the Phase 2 design. We appreciate the time spent by these agencies to assist in the design of OCAF.

Public and Private Agency Responsibilities

All recommending agencies are encouraged to complete the following activities to avoid any potential delay in accessing the inquiries submitted by prospective caregivers:

- Review the attached document, "OCAF Notification Email List", to ensure your agency's correct email address is listed. Email notifications containing all inquiry information will

30 East Broad Street
Columbus, OH 43215
Jfs.ohio.gov

be sent to this email address when a prospective caregiver submits an inquiry. This email address will also receive notifications for applications submitted in OCAF to your agency. It is best to use an agency or shared mailbox instead of an individual mailbox to ensure more than one person has access to the information.

- If the email listed is not correct, please send the correct email address to SACWIS_HELP_DESK@jfs.ohio.gov.
- Submit a JFS 07078 for workers from your agency who need access to OCAF when an inquiry or JFS 01691 is submitted to your agency.

Role Name	Agency Type Access
EIDMX_JFS_S - OFC – OCAF Private Agency Worker	Private Agency
EIDMX_JFS_C - OFC – OCAF County Agency Worker	Public Agency

If your agency’s contact for inquiries changes, agencies will have the ability to update the email address and add a secondary email address for notifications within OCAF. Both the primary and secondary email addresses are modifiable and should be maintained by each agency, as applicable.

Implementation

With Phase 2, the inquiry form on [It Takes Heart Ohio](#) will be the new OCAF Inquiry form. Prospective caregivers will be able to inquire with any agency in Ohio. Upon submission of a prospective caregiver’s inquiry, they will receive an automated registration email for OCAF, and the selected agency will receive an email notification with the inquiry information. If the prospective caregiver does not select an agency on the inquiry, Ohio Child Care Resource & Referral Association (OCCRRA) will receive the inquiry and will assist the prospective caregiver in finding a foster and/or adoptive certifying agency. Once an account is created in OCAF, prospective caregivers will be able to complete the JFS 01691 “Application for Child Placement” electronically and submit it through OCAF to any recommending agency.

OCAF Phase 2 will also include live chat support for prospective caregivers who need assistance with the system during business hours. Phase 2 also includes messaging capabilities between prospective caregivers and recommending agencies and document upload functionality which will allow prospective caregivers to upload requested documentation directly into OCAF to submit to the agency. OCAF Phase 2 will be deployed into production on May 24, 2023.
