Re Announcement of Planned Action

Dear Breeyn,

We are writing to give you notice that there will be a total closure of the Honeywell Fairfield facility located at 9290 Le Saint Drive in Fairfield, OH, 45014 on April 30, 2024. The entire facility will be closed and all employees at the facility will be impacted. This closure is expected to be permanent. The expected date of the first separation will be Dec. 15, 2023.

All affected employees have been notified of their separation dates and that their separation from employment will be permanent. Those employees are expected to be separated from employment beginning on Dec. 15, 2023, with all separations accomplished by April 30, 2024.

Attached is a list of the job positions and number of individuals who will be affected by the mass layoff along with the anticipated schedule for job losses.

There will be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of this closure. There is no union representing affected employees.

If you have any questions or want additional information concerning this matter, please contact Manish Zade, HR Manager, at 1-877-258-3699.

Sincerely,

Kevin Vann
