Ohio Department of Job & Family Services
Office of Workforce Development
Rapid Response Unit

Worker Adjustment Retraining Notification (WARN) Act
P.O. Box 1618
Columbus, OH 43216-1618

Dear Ms. Handberg:

Pursuant to the requirements of the Worker Adjustment and Retraining Notification (WARN) Act, this letter serves to inform you of permanent employment terminations which meet the WARN Act definition of a plant closing. Specifically, York Street Fresh Foods, LLC (the "Company") is ceasing business operations, which will result in the permanent closure of its offices located at 3465 Hauck Road, Sharonville, OH 45241.

The closure of the business is expected to result in the permanent elimination of 150 positions. A list of affected job titles and number of employees is attached to this communication as Exhibit 1.

All affected employees are receiving notice today, October 23, 2023, of their separation date and that their separation of employment will be permanent. The Company requests that the recipient of this letter refrain from making the contents of this notice public or from contacting employees until after this date. Employees are expected to be separated on or about December 22, 2023, with all separations complete by December 22, 2023. The affected employees are not part of a union, and no bumping rights exist.

Formal notice was provided on this date to the City of Sharonville. These letters are intended to satisfy the Company's obligation under federal law to provide notice to the local government unit where the site of employment is located.

If you need additional information, please contact me at 513-864-4323 or Jeff.Burt@carusousa.com.

Sincerely,

Jeff Burt 
President and COO, Caruso USA & York
Street Fresh Foods
