Re: Pixelle Specialty Solutions, LLC – WARN Notice, Plant Closing (Revised Separation Date)

Dear Ms. Handberg:

Please be advised that on April 15, 2025, Pixelle Specialty Solutions, LLC (the “Company”) provided notice of its intent to permanently cease manufacturing operations at the Chillicothe Mill, located at 232 E. 8th Street, Chillicothe, OH 45601.

This letter serves as a revision to that notice to reflect a change in the anticipated date of the first separation. The first separation date, originally expected on June 13, 2025, is now expected to occur on August 10, 2025.

Since the issuance of the original WARN notice, there has been meaningful engagement from both local and state government officials who have actively partnered with Pixelle Specialty Solutions in an effort to identify a viable buyer for the Chillicothe facility. Despite these collective efforts, a buyer has not been secured. Additionally, we have experienced a significant decline in order volume and a sharp increase in employee departures. As a result, we will be unable to continue operations at the facility.

Attached is the list of job titles and the number of affected employees in each classification. Union employees will retain bumping rights consistent with the applicable collective bargaining agreements. Non-union employees will not have bumping rights.

We have also provided this revised notice to the chief elected officials of the following unions: Office and Professional Employees International Union, AFL-CIO, Local No. 422 – Delores Smith, United Steelworkers, Local Union No. 731 – Jeff Allen, United Steelworkers, Local Union No. 988 – Nicholas DePugh.

Notices were sent to the following address:  
USW 731 and 988 – 553 W. 4th Street, Chillicothe, OH 45601  
OPEIU 422 – 249 St. Anns Lane, Waverly, OH 45690

Should you have any questions or need further information, please contact: Mike Swaim, Senior Manager of Human Resources, Pixelle Specialty Solutions, (740) 772-0482
