Re: Announcement of Site Closure

Dear Administrator Tarr,

I write to inform you that the Bridgeway Pointe facility located at 165 West Galbraith, Cincinnati, Ohio 45216 is expected to close on October 31, 2026. The entire facility will be closed and the employment of all employees is expected to terminate on October 31, 2026. This closure is expected to be permanent. Because this is a facility-wide permanent closure, there are no bumping rights for any affected employees. Approximately 49 employees are expected to have their employment terminated with this closure. The job titles of the positions affected and the number of employees in each job classification is provided with this letter. None of the affected employees are represented by a union.

If you have any questions or want additional information concerning this matter, please contact Dan Brock, System Director, Operations at (513) 584-4420.

Sincerely,

A handwritten signature in black ink that reads 'Dan Brock'.
