RE: WARN Act Notice

To whom it may concern:

We were recently notified by our customer, Hometown Food Company, that they had awarded their business to another provider. The customer anticipates this transition being completed on April 28, 2021. As a result, DSC must reduce the workforce at the Toledo facility located at 1260 West Laskey Road, Toledo, Ohio 43612. 93 permanent layoffs associated with this reduction will take place on April 28, 2021. There are no bumping rights for these positions and they are not represented by a union.

Page 2 of this notice includes a list of the job positions and number of individuals in each position who will be affected by the reduction. All affected employees have been notified and this notice is based on the information currently available to us. If you have any questions about this matter or desire additional information you may contact Ed Novak, Director of Human Resources at 815-886-8149.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ed Novak', written over a faint, large, irregular scribble.

Ed Novak
Director, Human Resources
