Dear Mr. Handberg,

Regrettably, due to our current business circumstances, Magna Seating Cam-Slide South, will cease production on September 30, 2022, and has found it necessary to layoff employees from their positions located at 19911 County Road T, Ridgeville Corners, Ohio 43555.

The exact date of the layoffs has not been determined, but they will commence on or about August 1, 2022. At present, the total number of potential affected employees is believed to be 141. These employees may have the opportunity to move to new positions at other locations, but based on the information of which we are currently aware the layoffs are expected to be permanent.

Due to the number of employees affected and that the facility will cease production, this may be a "plant closing" as defined under the Worker Adjustment and Retraining Notification Act.

To the extent that notice is required under the Worker Adjustment and Retraining Notification Act, this letter is intended to fulfill the Act's requirements. By providing this letter, Magna Seating Cam-Slide South, does not concede that the Act applies or that the notices are otherwise required.

If you would like further information, please contact me at (269) 425-8885.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dale Greer', written over a horizontal line.

Dale Greer
Plant Manager
