RE: WARN Notice

Dear Ms. Handberg and Mayor Horrigan:

PlusOne Communications, LLC (“PlusOne”) is providing this notice pursuant to the Worker Adjustment and Retraining Notification Act and Ohio Revised Code Section 4141.28(C) (collectively the “WARN Act”). PlusOne intends to cease operations and close its facility located at 1115 S. Main St., Akron, OH 44301 (the “Facility”) as a result of being notified by its client of its intent to terminate their services agreement with PlusOne. As a consequence of permanently closing the entire Facility, and based on the best available information, the employment of all employees at the Facility will be terminated on May 1, 2021.

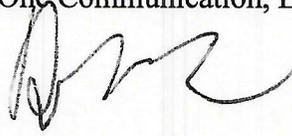

All positions and jobs at the Facility (approximately 155) will be eliminated as of May 1, 2021, with the exception that less than six (6) employees will be retained beyond May 1, 2021 for approximately 3 weeks to perform wind-up duties. Attached is a list of the job titles of positions to be affected and the number of employees holding each position. Bumping rights, the right of an employee to take the position of another employee who was not selected for termination, do not exist because this action affects all employees at the Facility. Further the employees of PlusOne are not covered under a collective bargaining agreement or represented by a union.

Received March 1, 2021 at 3:00 pm

This announcement, timetable, and number of affected employees set forth above are based on the best information available as of the date of this notice. Should you have any questions, please contact Robert Madden, President and Chief Executive Officer at (330) 255-4500.
