NOTICE

This Notice, provided to you in accordance with the provisions of the Worker Adjustment and Retraining Notification Act, 29 U.S.C. 2101, et seq. (“WARN”) and any applicable state law, is to inform you of a plant closing and/or mass layoff as defined by WARN.

Specifically, St Vincent Charity Medical Center and St. Vincent Medical Group (“St. Vincent”) are transitioning from traditional acute care hospital operations to ambulatory health services. This transition will result in the discontinuation of all inpatient services, as well as all other services (except for those anticipated services listed below), at the campus located at and around 2351 E. 22nd Street, Cleveland, Ohio 44115.

Once the transition is complete, the remaining ambulatory services at St. Vincent are currently expected to include Outpatient Behavioral Health, including mental health and addiction treatment through Rosary Hall. It is also expected that Urgent Care and Primary Care will continue

to be provided, although in a more limited scope. All other services are expected to be discontinued.

We expect that this action will be permanent and that affected positions will be eliminated effective November 15, 2022. Attached to this Notice are the job titles of the positions to be affected and the number of affected employees in each job classification. Bumping rights are set forth in the applicable collective bargaining agreements.

Some of the affected employees are represented by SEIU 1199. The chief elected officer of the SEIU 1199 is Samara Knight, Phone: (216) 246-8772; Address: 13000 Shaker Blvd., Cleveland, Ohio 44120. Some of the affected employees are represented by the Ohio Nurses Association (“ONA”). The chief elected officer of the ONA is Brandon Marlow, Phone: (614) 352-4713; Address: 3760 Ridge Mill Dr. Hilliard, OH 43026.

This extremely difficult decision is being made with deep respect and gratitude for our caregivers, and we regret the direct impact this decision will have on those individuals. Significant efforts were made to find a sustainable model. Unfortunately, the COVID pandemic, the changing health care landscape, and declining inpatient volumes have led to significant financial challenges that became impossible to overcome.

For further information, please contact Ted Monczewski, Chief Human Resources Officer, at 216-592-2827 or Ted.Monczewski@stvincentcharity.com.
