Re: NOTICE OF FACILITY CLOSURE

To Whom It May Concern:

This is to notify you that Walmart is closing its Store #5083 located at 6594 Mayfield Road, Mayfield Heights, Ohio, 44124-3218.

There are 178 employees who are being impacted at this location. The entire facility will close. Employees were notified regarding the facility's closure on April 19, 2022. The store will close to the public on May 20, 2022. All employees who do not otherwise accept positions at other Walmart facilities will be terminated effective July 29, 2022.

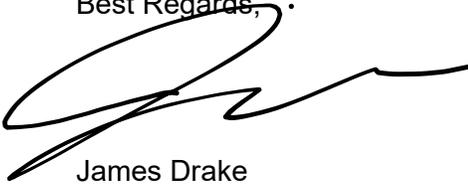

We expect the employment separations to be permanent. There is no union representative, recall or bumping rights. However, all separated employees can apply for open positions at other Walmart or Sam's Club locations. We are providing employees with support options; an Associate Support Center staffed to answer Walmart policy/practice questions regarding exiting Walmart; continued access to our career portal, benefits information, a detailed FAQ on internal intranet sites; and onsite services through Resources for Living; and a job fair during which they have access to transfer opportunities within the company.

As permitted by 20 C.F.R. § 639.7(f) and any applicable state law, the following additional information is available to you upon request (it is maintained on site and is readily accessible): The job titles of positions to be affected and the number of affected employees in each job classification.
