Re: Notification of Plant Closure and Layoffs pursuant to the Worker Adjustment and Retraining Notification Act

Dear Breeyn Handberg,

The purpose of this letter is to notify you, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988 (the "WARN Act"), that iMFLUX, Inc., a wholly owned subsidiary of the Procter & Gamble Company, will be permanently closing its plant located at 3550 Symmes Rd, Hamilton, OH 45015.

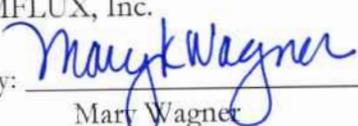

As a result, one hundred and twenty-two (122) employees employed at this location will be separated from employment. All affected employees have been notified of their separation dates and that their separation from employment will be on June 30, 2023. Attached is a list of job titles of positions we expect to be affected and the number of affected employees in each of those job classifications. The affected employees are not represented by any union, so no bumping rights exist.

If you have any questions or would like further information, please feel free to contact me via the below-listed phone number or e-mail address.

Sincerely,

iMFLUX, Inc.
