PROPOSED FINDINGS AND PROPOSED ORDER

Basis for Action:

Notice of Opportunity for Hearing: In a Notice of Opportunity for Hearing dated January 8, 2025 (“Notice”), the State Medical Board of Ohio (“Board”) notified Scott G. Glickman, D.O., that it proposed to take disciplinary action against his license to practice osteopathic medicine and surgery in Ohio. The Board based its proposed action on allegations that, in the summer of 2021, he entered into a settlement agreement with the Nevada Board of Osteopathic Medicine to resolve complaints regarding his failure to provide records when requested by that Board. Further, the Notice alleged that, on or about May 29, 2024, Dr. Glickman entered into a Consent Agreement with the New York Department of Health, State Board for Professional Medical Conduct (“New York Board”), which was adopted by the New York Board in an order issued on or about June 10, 2024, and which resulted in a censure and a reprimand and also required a ninety-day advance notice to the New York Board before resuming practice in New York.

The Board further alleged that the New York Consent Agreement and its subsequent order, individually or collectively, constitute “[a]ny of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand” as that clause is used in Section 4731.22(B)(22), Ohio Revised Code. (Ex. 1, 1.A).

No Request for Hearing: On January 9, 2025, the Board sent a registered email with the Notice attached to Dr. Glickman’s email address of record: sgglickman@cnsamerica.com. The email was also sent to two other email addresses of record listed with the Board. The same day, Dr. Glickman opened the Board’s registered email containing the Notice. The Notice was deemed delivered to Dr. Glickman on January 9, 2025, the date the registered email was opened. Pursuant to R.C.

119.07, Dr. Glickman had thirty days from the date of delivery of the Notice to submit a written request for hearing. In an affidavit dated May 21, 2025, the Board's Chief Legal Counsel attested that the thirtieth and final day upon which Dr. Glickman could submit a written hearing request was February 10, 2025, and that, as of the date of the affidavit, no hearing request had been received. (Exs. 1, 1.A, 1.B).

Request for Proposed Findings and Proposed Order: In a memorandum dated May 29, 2025, the Assistant Legal Counsel requested that a hearing examiner review the evidence as provided and prepare a report of Proposed Findings and Proposed Order. (Ex. 5).

Evidence Examined:

Exhibit 1: May 21, 2025 Affidavit of Kimberly C. Anderson, Chief Legal Counsel, regarding registered email service of the Notice on Dr. Glickman and attesting that the final day to request a hearing was February 10, 2025, and that no request for hearing had been received as of the date of the affidavit. Ms. Anderson further authenticated the following documents:

Exhibit 1.A: Copy of the January 9, 2025 registered email containing the Notice sent by the Board to Dr. Glickman at his email addresses of record along with RMail proof of sending.

Exhibit 1.B: Copy of the January 9, 2025 RMail registered delivery email dated January 9, 2025 showing that the email with the Notice was delivered and opened.

Exhibit 2: April 29, 2025, Affidavit of Brandon Morant, Chief of Licensure, who attested to Dr. Glickman's address of record, email addresses of record, and the status of his osteopathic medical license. The Chief of Licensure further attested that that Dr. Glickman's email of record was sgglickman@cnsamerica.com, sgglickman@gmail.com, sgg7204@gmail.com. His address of record was 11603 Sheldon Rd., Tampa, FL 3362-4306.

Exhibit 3: April 30, 2025, Affidavit of Cheryl D. Pokorny, Enforcement Attorney, attesting to her role in the investigation of Dr. Glickman.

Exhibit 4: April 30, 2025, Certification by Brandon W. Puckett, Chief Enforcement Attorney, of the State Medical Board of Ohio's records, pertaining to Respondent, for the following:

- A copy of a Settlement Agreement and Order issued on or about August 11, 2021, by the Nevada State Board of Osteopathic Medicine, being nine pages in length, sanctioning Dr. Glickman for violating one or more provisions of Nevada law.
- A copy of the Consent Order issued by the New York Department of Health, State Board of Professional Medical Conduct on or about June 10, 2024, being twelve pages in length, sanctioning Dr. Glickman for violation of one or more provisions of New York law.

Exhibit 5: May 29, 2025 Memorandum from Colin G. De Pew, Assistant Legal Counsel, attaching the above-referenced exhibits and requesting a report of Proposed Findings and Proposed Order.

PROPOSED FINDINGS

1. Scott G. Glickman, D.O., was first licensed to practice osteopathic medicine and surgery in Ohio on September 8, 2010. His license was currently active as of October 27, 2025.

This proposed finding is supported by the following evidence: Ex. 2; Ohio eLicense Center, <<https://elicense.ohio.gov/>>, search terms “Scott” and “Glickman,” accessed October 27, 2025.

2. Based on a Settlement Agreement and Order previously imposed by the Nevada Board of Osteopathic Medicine (“Nevada Board”) (see below), the New York Board took reciprocal action against Dr. Glickman’s New York osteopathic medical license. On May 29, 2024, a Consent Agreement and Order was reached between Dr. Glickman and the New York Board, which resulted in a censure and reprimand on his license. Furthermore, Dr. Glickman agreed to provide the New York Board written notice within ninety-days if he intended to practice medicine in New York. The Order that adopted the agreement was issued on June 10, 2024.

This proposed finding is supported by the following evidence: Exs. 1.A, 4.

3. In the Nevada Settlement Agreement and Order, there is a chronological listing of activities by the staff of the Nevada Board attempting to obtain medical records from Dr. Glickman in its investigation of two complaints. For approximately six months, the Nevada Board repeatedly attempted to contact Dr. Glickman in their effort to obtain medical records that was pivotal in their investigation of two complaints lodged against him. Essentially, Dr. Glickman deliberately ignored and obstructed the Board’s legitimate investigation. The details of the Board’s efforts, and Dr. Glickman’s obstruction, are detailed in the Nevada Settlement Agreement.. (Ex. 4, p. 2). The Nevada Board “expended considerable efforts over the period of six months in its attempt to obtain routine records and explanations from Dr. Glickman involving two complaints involving his practice of osteopathic medicine... and still had no medical records to evaluate and by which to assess the merits or lack of merits of the two complaints.” (Ex. 4, p. 3). Per the Agreement, dated July 30, 2021, between Dr. Glickman and the Nevada Board, Dr. Glickman admitted to his failure to provide the records and agreed to pay the costs of the investigation (\$480.00) and a fine of \$5,000.00 (or a reduced amount of \$500.00 if he provided the requested medical records). (Ex. 4, p. 4-5).

This proposed finding is supported by the following evidence: Ex. 4.

4. The Consent Agreement and order of the New York Board as set forth in Proposed Finding of Fact 2, individually and/or collectively, constitutes “[a]ny of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand” as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

Pursuant to R.C. 4731.225, the Board is authorized to impose a civil penalty for this violation. The Board’s fining guidelines provide as follows:

Maximum Fine: \$5,000

Minimum Fine: \$3,000

RATIONALE FOR THE PROPOSED ORDER

Dr. Glickman’s troubles stem from when he completely ignored repeated attempts by the Nevada Board to obtain medical records during an investigation of complaints lodged against him. Ultimately, Dr. Glickman reached an agreement with the Nevada Board where he was fined and assessed fees. Based on his troubles in Nevada, the New York Board brought a reciprocal action against him. The New York Board issued him a censure and reprimand as well as a minor restriction on practicing in New York. This Board brought an action against Dr. Glickman based on the New York Board’s Consent Agreement and Consent Order—not the Nevada agreement. Although the Notice in this case speaks to the Nevada case, the charges are based exclusively on his New York censure, reprimand, and practice restriction. Because Dr. Glickman did not request a hearing, there is little mitigation in this case. However, none of the actions that led to his troubles occurred in Ohio. Dr. Glickman has already been disciplined in both Nevada and New York. Therefore, the Hearing Examiner recommends a similar sanction imposed in New York—a reprimand. As a matter of routine, the Hearing Examiner recommends a minimum fine. However, given fines and sanctions already imposed by other states, the Board may decide a fine is unnecessary in this case.

PROPOSED ORDER

It is hereby ORDERED that:

- A. **REPRIMAND:** The license of Scott G. Glickman, D.O., to practice osteopathic surgery and medicine in the State of Ohio is REPRIMANDED.
- B. **FINE:** Within thirty days of the effective date of this Order, Dr. Glickman shall remit payment in full of a fine of three thousand dollars (\$3,000). Such payment shall be made via credit card in the manner specified by the Board through its online portal, or by other manner as specified by the Board.

This Order shall become effective immediately upon the date of service of the notification of approval by the Board.

Dear Doctor Glickman:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio [Board] intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice osteopathic medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) You were the subject of one or more complaints submitted to the Nevada Board of Osteopathic Medicine [Nevada Board]. As part of the investigation, on approximately fifteen occasions, the Nevada Board requested documents from you, but you failed to provide the requested documents. In or around July 2021, you entered into a settlement agreement with the Nevada Board, in which you acknowledged your failure to provide the requested documents. You also agreed to pay a \$5,000 fine and costs of \$480.00 to the Nevada Board. The Nevada Board adopted the settlement in or around August 2021 [Nevada Order].
- (2) On or about May 29, 2024, you entered into a Consent Agreement [New York Agreement] with the New York Department of Health, State Board for Professional Medical Conduct [New York Board]. The New York Agreement was based on the Nevada Order. The New York Agreement imposed a Censure and Reprimand. Further, because you did not practice in New York, the New York Agreement required you to provide 90 days advance written notice to the New York Board before resuming practice in New York. The New York Board adopted the New York Agreement in an order issued on or about June 10, 2024 [New York Order]. A copy of the New York Order is attached hereto and incorporated herein.

The New York Agreement and Order, as alleged in paragraph (2) above, constitutes “[a]ny of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation,

or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. The civil penalty may be in addition to any other action the Board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of service of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice osteopathic medicine and surgery, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."

CONSENT
AGREEMENT

SCOTT GLICKMAN, D.O., represents that all of the following statements are true:

That on or about August 11, 2008, I was licensed to practice as a physician in the State of New York, and issued License No. 249936 by the New York State Education Department.

My current address is [REDACTED]

and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I shall agree not to contest the allegations in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(1), I shall be subject to a Censure and Reprimand.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

Respondent, by making this application, asserts that Respondent does not currently practice medicine in New York State or in any setting or jurisdiction where that practice is predicated upon Respondent's New York State medical license ("New York Practice"). As a Condition of this Order, should Respondent decide to resume practicing medicine in New York, Respondent shall, before beginning such practice, provide 90 days advance written notice to the Director of OPMC. Respondent may not begin practicing medicine in New York until after Respondent receives the Director's written acknowledgment that this Condition has been satisfied, and shall be subject to any further Conditions the Director may impose upon Respondent's New York Practice based on matters underlying this Consent Agreement and/or any circumstances or information known to the Director at the time of Respondent's proposed return to New York Practice. Respondent, by making this Application, stipulates that the Director shall be authorized in the Director's sole discretion to impose whatever further Conditions the Director deems appropriate upon Respondent's return to practice in New York, and Respondent further stipulates that Respondent's failure to comply with these Conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the Department all information required by the Department to develop a public physician profile for the licensee; continue to notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update the Licensee's profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to the Licensee's physician profile information either electronically using the Department's secure web site or on forms prescribed by the Department, and

licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the Department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law § 230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required

information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities or other confidential information, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
