Dear Doctor Chernick:

The Secretary and the Supervising Member of the State Medical Board of Ohio [Board] have determined that there is clear and convincing evidence that you have violated Section 4731.22(B)(26), Ohio Revised Code, and have further determined that your continued practice presents a danger of immediate and serious harm to the public, as set forth in paragraphs (1) through (3), below.

Therefore, pursuant to Section 4731.22(G), Ohio Revised Code, and upon recommendation of Kim G. Rothermel, M.D., Secretary, and Harish Kakarala, M.D., Supervising Member, you are hereby notified that, as set forth in the attached Entry of Order, your license or certificate to practice medicine and surgery in the State of Ohio is summarily suspended. Accordingly, at this time, you are no longer authorized to practice medicine and surgery in Ohio.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the Board intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) In or around October 2024 the Board referred you the Ohio Physicians Health Program [Ohio PHP]. Despite several attempts by Ohio PHP to contact you and/or arrange for an examination, you failed to respond to the contacts and/or otherwise cooperate with Ohio PHP.
- (2) By letter dated November 22, 2024, the Board notified you of its determination that it had reason to believe that you may be in violation of Section 4731.22(B)(26), Ohio Revised Code, and ordered you to undergo a 72-hour inpatient examination to determine if you are in violation of Section 4731.22(B)(26), Ohio Revised Code. The Board's

determination was based upon one or more of the reasons outlined in such letter, a copy of which is attached hereto and incorporated herein. Such facts included that you have previously been convicted three times of Operating Vehicle Under the Influence of Drugs or Alcohol [OVI] in 2005, 2014, and 2018. Recently you were involved in a fatal motor vehicle accident and suspected to be under the influence of alcohol.

- (3) On or about December 1, 2024, you underwent a 72-hour inpatient examination at Glenbeigh Hospital and were determined to be actively impaired. You were also found to be unfit to continue the practice of medicine and surgery.

Your acts, conduct, and/or omissions as alleged in paragraphs (1) through (3) above, individually and/or collectively, constitute "[i]mpairment of ability to practice according to acceptable and prevailing standards of care because of substance use disorder or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," as that clause is used in Section 4731.22(B)(26), Ohio Revised Code.

Further, Rule 4731-16-02(B)(1), Ohio Administrative Code, provides that if an examination discloses impairment, or if the Board has other reliable, substantial and probative evidence demonstrating impairment, the Board shall initiate proceedings to suspend the license, and may issue an order of summary suspension as provided in Section 4731.22(G), Ohio Revised Code.

Further, Section 4731.22(B)(26), Ohio Revised Code, provides that, if the Board determines that an individual's ability to practice is impaired, the Board shall suspend the individual's license or certificate and shall require the individual, as a condition for continued, reinstated, or renewed certification to practice, to submit to treatment and, before being eligible to apply for reinstatement, to demonstrate to the Board the ability to resume practice in compliance with acceptable and prevailing standards of care, including completing required treatment, providing evidence of compliance with an aftercare contract or written consent agreement, and providing written reports indicating that the individual's ability to practice has been assessed by individuals or providers approved by the Board and that the individual has been found capable of practicing according to acceptable and prevailing standards of care.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. The civil penalty may be in addition to any other action the Board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, and Chapter 4731., Ohio Revised Code, you are hereby advised that you are entitled to a hearing concerning these matters. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of service of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."

Copies of the applicable sections are enclosed for your information.

The Secretary and the Supervising Member of the State Medical Board of Ohio [Board] have determined that there is clear and convincing evidence that you have violated Section 4731.22(B)(26), Ohio Revised Code, and have further determined that your continued practice presents a danger of immediate and serious harm to the public, as set forth in paragraphs (1) through (3), below.

Therefore, pursuant to Section 4731.22(G), Ohio Revised Code, and upon recommendation of Kim G. Rothermel, M.D., Secretary, and Harish Kakarala, M.D., Supervising Member, you are hereby notified that, as set forth in the attached Entry of Order, your license or certificate to practice medicine and surgery in the State of Ohio is summarily suspended. Accordingly, at this time, you are no longer authorized to practice medicine and surgery in Ohio.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the Board intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) In or around October 2024 the Board referred you the Ohio Physicians Health Program [Ohio PHP]. Despite several attempts by Ohio PHP to contact you and/or arrange for an examination, you failed to respond to the contacts and/or otherwise cooperate with Ohio PHP.

Further, Rule 4731-16-02(B)(1), Ohio Administrative Code, provides that if an examination discloses impairment, or if the Board has other reliable, substantial and probative evidence demonstrating impairment, the Board shall initiate proceedings to suspend the license, and may issue an order of summary suspension as provided in Section 4731.22(G), Ohio Revised Code.

Further, Section 4731.22(B)(26), Ohio Revised Code, provides that, if the Board determines that an individual's ability to practice is impaired, the Board shall suspend the individual's license or certificate and shall require the individual, as a condition for continued, reinstated, or renewed certification to practice, to submit to treatment and, before being eligible to apply for reinstatement, to demonstrate to the Board the ability to resume practice in compliance with acceptable and prevailing standards of care, including completing required treatment, providing evidence of compliance with an aftercare contract or written consent agreement, and providing written reports indicating that the individual's ability to practice has been assessed by individuals or providers approved by the Board and that the individual has been found capable of practicing according to acceptable and prevailing standards of care.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice, or to reprimand you or place you on probation.

AND
OPPORTUNITY FOR HEARING**

Case number: 24-CRF-0221

Edward Michael Chernick, M.D.
5739 Rushwood Dr.
Dublin, OH 43017
dred1331@att.net

Dear Doctor Chernick:

The Secretary and the Supervising Member of the State Medical Board of Ohio [Board] have determined that there is clear and convincing evidence that you have violated Section 4731.22(B)(26), Ohio Revised Code, and have further determined that your continued practice presents a danger of immediate and serious harm to the public, as set forth in paragraphs (1) through (3), below.

Therefore, pursuant to Section 4731.22(G), Ohio Revised Code, and upon recommendation of Kim G. Rothermel, M.D., Secretary, and Harish Kakarala, M.D., Supervising Member, you are hereby notified that, as set forth in the attached Entry of Order, your license or certificate to practice medicine and surgery in the State of Ohio is summarily suspended. Accordingly, at this time, you are no longer authorized to practice medicine and surgery in Ohio.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the Board intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) In or around October 2024 the Board referred you the Ohio Physicians Health Program [Ohio PHP]. Despite several attempts by Ohio PHP to contact you and/or arrange for an examination, you failed to respond to the contacts and/or otherwise cooperate with Ohio PHP.
 - (2) By letter dated November 22, 2024, the Board notified you of its determination that it had reason to believe that you may be in violation of Section 4731.22(B)(26), Ohio Revised Code, and ordered you to undergo a 72-hour inpatient examination to determine if you are in violation of Section 4731.22(B)(26), Ohio Revised Code. The Board's
-

determination was based upon one or more of the reasons outlined in such letter, a copy of which is attached hereto and incorporated herein. Such facts included that you have previously been convicted three times of Operating Vehicle Under the Influence of Drugs or Alcohol [OVI] in 2005, 2014, and 2018. Recently you were involved in a fatal motor vehicle accident and suspected to be under the influence of alcohol.

- (3) On or about December 1, 2024, you underwent a 72-hour inpatient examination at Glenbeigh Hospital and were determined to be actively impaired. You were also found to be unfit to continue the practice of medicine and surgery.

Your acts, conduct, and/or omissions as alleged in paragraphs (1) through (3) above, individually and/or collectively, constitute "[i]mpairment of ability to practice according to acceptable and prevailing standards of care because of substance use disorder or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice," as that clause is used in Section 4731.22(B)(26), Ohio Revised Code.

Further, Rule 4731-16-02(B)(1), Ohio Administrative Code, provides that if an examination discloses impairment, or if the Board has other reliable, substantial and probative evidence demonstrating impairment, the Board shall initiate proceedings to suspend the license, and may issue an order of summary suspension as provided in Section 4731.22(G), Ohio Revised Code.

Further, Section 4731.22(B)(26), Ohio Revised Code, provides that, if the Board determines that an individual's ability to practice is impaired, the Board shall suspend the individual's license or certificate and shall require the individual, as a condition for continued, reinstated, or renewed certification to practice, to submit to treatment and, before being eligible to apply for reinstatement, to demonstrate to the Board the ability to resume practice in compliance with acceptable and prevailing standards of care, including completing required treatment, providing evidence of compliance with an aftercare contract or written consent agreement, and providing written reports indicating that the individual's ability to practice has been assessed by individuals or providers approved by the Board and that the individual has been found capable of practicing according to acceptable and prevailing standards of care.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. The civil penalty may be in addition to any other action the Board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, and Chapter 4731., Ohio Revised Code, you are hereby advised that you are entitled to a hearing concerning these matters. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of service of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."
