AND
OPPORTUNITY FOR HEARING**

January 19, 2022

Case number: 22-CRF- *8017*

Donald Alexander Gronbeck, M.D.
1594 Dayton Yellow Springs Rd.
Xenia, OH 45385

Dear Doctor Gronbeck:

The Secretary and the Supervising Member of the State Medical Board of Ohio [Board] have determined that there is clear and convincing evidence that you have violated Section 4731.22(B) (3), 4731.22(B) (6), 4731.22(B) (10) and 4731.22(B) (20), Ohio Revised Code, and have further determined that your continued practice presents a danger of immediate and serious harm to the public, as set forth in paragraphs (1) through (6), below.

Therefore, pursuant to Section 4731.22(G), Ohio Revised Code, and upon recommendation of Kim G. Rothermel, M.D., Secretary, and Bruce R. Saferin, D.P.M., Supervising Member, you are hereby notified that, as set forth in the attached Entry of Order, your certificate/license to practice medicine and surgery in the State of Ohio is summarily suspended. Accordingly, at this time, you are no longer authorized to practice medicine and surgery in Ohio.

Furthermore, in accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the Board intends to determine whether or not to limit, revoke, permanently revoke, or suspend your license or certificate, or refuse to grant or register or issue the license/certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

During or about January 2013 through January 2022, in the course of your medical practice, you undertook the care of Patients 1-8, identified in the attached patient key.

1. On or between the 1st of January 2013 and the 18th of January 2022, you digitally penetrated female patients 1, 6, 7, and 8, vaginally and/or anally, for sexual gratification and/or for a sexual purpose.
2. On or between the 1st of March 2018 and the 18th day of January 2022, you were/are engaged in a romantic relationship (sexual) with Patient 2. You were also treating patient 2 as a patient during this time frame.

3. On or between the 1st of June 2021 and 30th day of June 2021, you wrote a prescription for Rivastigmine patches to an employee/patient (Patient 2) and gave instructions to her to hand the patches out to other employees of your office staff. Patient 3 and Patient 4 both received Rivastigmine patches from Patient 2 in this way.
4. On or between the 1st of January 2013 and the 18th day of January 2022, you had sexual contact with patients 1, 3, and 5 by touching their breasts in a sexual manner.
5. On or between the 1st of January 2017 and the 18th day of January 2022, during medical appointments, you rubbed your erect penis against the body of patients 1, 5, and 8.
6. On or between the 1st of January 2018 and the 18th day of January 2022, you created a private email account and requested Patient 1 to message you on a messaging app called Cover Me, where the messages disappear rapidly and are not saved, and used this message app in order to engage in sexually explicit conversation with her.

Your acts, conduct, and/or omissions as alleged in paragraph (1) above, individually and/or collectively, constitute "[c]ommission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed," as that clause is used in Section 4731.22(B)(10), Ohio Revised Code, to wit: Sexual Battery, Ohio Revised Code 2907.03.

Your acts, conduct, and/or omissions as alleged in paragraphs (1), (2), (4), (5), and (6) above, individually and/or collectively, constitute "violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board," as that clause is used in Section 4731.22(B)(20), Ohio Revised Code, to-wit Prohibitions, Rule 4731-26-02, Ohio Administrative Code, regarding sexual misconduct, as currently in effect.

Pursuant to Rule 4731-26-03, Ohio Administrative Code, a violation of Rule 4731-26-02, Ohio Administrative Code, also constitutes a violation of Section 4731.22(B)(6), Ohio Revised Code, "departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established."

Your acts, conduct, and/or omissions as alleged in paragraph (3) above, individually and/or collectively, constitute "[s]elling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug," as that clause is used in Section 4731.22(B)(3), Ohio Revised Code.

Furthermore, for any violations that occurred on or after September 29, 2015, the board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. The civil penalty may be in addition to any other action the board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, and Chapter 4731., Ohio Revised Code, you are hereby advised that you are entitled to a hearing concerning these matters. If you wish to

request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of mailing of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of mailing of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke, or suspend your license or certificate, or refuse to grant or register or issue the license/certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."
