Dear Doctor Hemmert:

In accordance with Chapter 119., Ohio Revised Code, you are hereby notified that the State Medical Board of Ohio [Board] intends to determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation for one or more of the following reasons:

- (1) On or about July 10, 2024, the State of Washington Medical Commission [Washington Commission] issued a Statement of Allegations and Summary of Evidence against your license [Washington Allegations]. The Washington Allegations alleged that, in your role as medical director for Restore Hyper Wellness [Restore], you failed to provide supervision to estheticians using a Cryoskin device on Washington patients and you failed to obtain FDA approval or clearance for the Cryoskin device. On or about July 11, 2024, you entered into a Stipulation to Informal Disposition with the Washington Commission [Washington Stipulation]. As a part of the Washington Stipulation, you agreed not to serve as medical director of any clinic or facility in which the Cryoskin device is being used on patients unless or until it has been approved or cleared by the FDA. Additionally, you were ordered to conduct a medical literature review and submit a summary to the Washington Commission on the responsibilities of a medical director, to submit to a compliance audit from the Washington Commission, and reimburse the Washington Commission for the cost of investigation, totaling \$5,000.00. The Washington Stipulation is attached hereto and incorporated herein.

The Washington Stipulation as alleged in paragraph (1) above, constitutes "[a]ny of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand," as that clause is used in Section 4731.22(B)(22), Ohio Revised Code.

Furthermore, for any violations that occurred on or after September 29, 2015, the Board may impose a civil penalty in an amount that shall not exceed twenty thousand dollars, pursuant to Section 4731.225, Ohio Revised Code. The civil penalty may be in addition to any other action the Board may take under section 4731.22, Ohio Revised Code.

Pursuant to Chapter 119., Ohio Revised Code, you are hereby advised that you are entitled to a hearing in this matter. If you wish to request such hearing, the request must be made in writing and must be received in the offices of the State Medical Board within thirty days of the time of service of this notice.

You are further advised that, if you timely request a hearing, you are entitled to appear at such hearing in person, or by your attorney, or by such other representative as is permitted to practice before this agency, or you may present your position, arguments, or contentions in writing, and that at the hearing you may present evidence and examine witnesses appearing for or against you.

In the event that there is no request for such hearing received within thirty days of the time of service of this notice, the State Medical Board may, in your absence and upon consideration of this matter, determine whether or not to limit, revoke, permanently revoke or suspend your license or certificate, or refuse to grant or register or issue the license or certificate for which you have a pending application in accordance with Section 9.79 of the Ohio Revised Code, or refuse to renew or reinstate your license or certificate to practice medicine and surgery, or to reprimand you or place you on probation.

Please note that, whether or not you request a hearing, Section 4731.22(L), Ohio Revised Code, provides that "[w]hen the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate."

Copies of the applicable sections are enclosed for your information.
