Please note that revocation and suspension Orders are not always effective immediately. If you have questions about effective dates or conditions governing a doctor’s practice before a Board Order takes effect, please contact the office.

Ohio law permits appeal of a Board Order to the Franklin County Court of Common Pleas. Due to this possibility and the potential for a stay that might delay the imposition of a Board action, you may wish to contact us periodically to verify a given practitioner's licensure status.

Most current citation letters, Board Orders, consent agreements and voluntary surrenders or retirements are available on the Medical Board's website under "Lookup a License." If you have questions or need additional details about Citations, Board Orders, or Court Actions, please contact the Case Control Office. If you have questions regarding a Consent Agreements, probationary modification or a probationary request, please contact the Compliance Office. Our offices may be reached at (614) 466-3934.
