

Updated Behavioral Health Provider Manual Available

A new version of the [Behavioral Health Provider Manual](https://bh.medicaid.ohio.gov/) is now available on <https://bh.medicaid.ohio.gov/>. This version of the manual incorporates prolonged services code updates effective January 1, 2022 for community behavioral health providers. Ohio Medicaid communicated these updates via [MITS Bits](#) in November 2021.

Additional updates to version 1.19 of the Provider Manual include:

COVID –19 Vaccine Administration

Due to the fast changing nature of the COVID-19 Pandemic, the Provider Manual now refers all questions to the [ODM COVID-19 resource page](#) for COVID-19 vaccine administration guidance.

Report of Pregnancy Billing Code

The Provider Manual now includes HCPCS code T1023 to be used for a “Report of Pregnancy” (ROP) for dates of service on or after 7/1/2021. Ohio Medicaid communicated this update via [MITS Bits](#) in July 2021. The manual now provides additional information for providers utilizing this code.

Other updates were made to update outdated links, clarify language, and remove outdated codes.
