Access, Inclusion, and Reasonable Accommodation

The Ohio Department of Medicaid (ODM) is committed to providing access, inclusion, and reasonable accommodation in its services, activities, programs, and employment opportunities in accordance with the Americans with Disabilities Act (ADA), Title VI of the Civil Rights Act, and other applicable laws. To request an interpreter, written information in a language other than English or in other formats (large print, audio, accessible electronic formats, other formats), or a reasonable accommodation due to a disability, please contact ODM's Civil Rights/ADA Coordinator at 614-446-1948/TTY 711, fax 614-644-1434, or email: ODM_EEO_EmployeeRelations@medicaid.ohio.gov. Requests should be made at least three business days prior to the scheduled event.

If you believe ODM has failed to provide these services or discriminated in another way, you can file a grievance with ODM's Civil Rights Coordinator and/or file a civil rights complaint with the U.S. Department of Health and Human Services (HHS) Office for Civil Rights. Further information on these processes and ODM's compliance with civil rights and other applicable laws can be found in our [Notice of Nondiscrimination](#).

Unless ODM's Civil Rights/ADA Coordinator approves in advance, individuals may not record the meeting using the recording function in Teams, GoToMeeting, Zoom, or any virtual meeting platform used by the department, nor may individuals utilize artificial intelligence (AI) technologies to transcribe meetings.

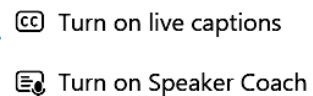

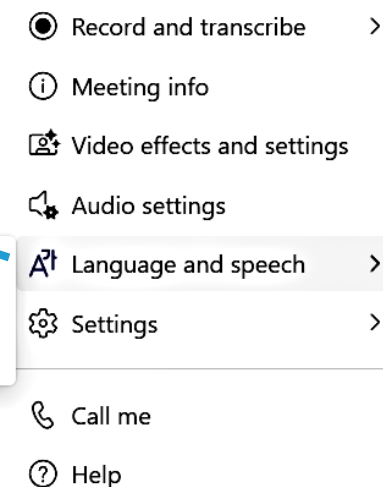

Accessibility (1 of 3)

You can turn on closed captioning for this webinar by following the steps below in Microsoft Teams.

Zendesk Support to Client Support Portal

Zendesk to Client Support Portal

You'll still be able to submit support tickets just as you do today; the only change is that ticket submission will now live in a new location. Previously, Sandata On-Demand and the Zendesk Support Portal were part of the same platform. With this update, they will be available as two separate sites to provide a clearer, more streamlined experience.

Alternate Electronic Visit Verification

Alternate Electronic Visit Verification: Vendors

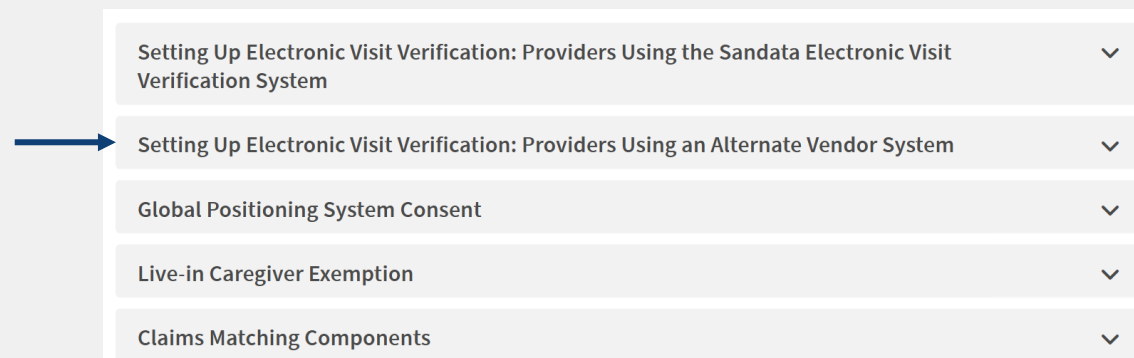

Providers can choose to use the Sandata EVV solution, available at no cost, or an ODM-certified alternate (alt) EVV solution that collects the required EVV data elements and submits the data to the Sandata Aggregator.

There are currently **73** ODM-approved alt EVV vendors. To view a full list of these vendors, visit medicaid.ohio.gov/evv.

- 1 Scroll down and click on the “Information for Providers” tile.

- 2 Expand the “Setting Up Electronic Visit Verification: Providers Using an Alternate Vendor System” drop down to view the list.

Please note: ODM will begin looking at alt EVV data more closely for compliance.

What has your experience been like working with alt EVV vendors?

Type your answer in the chat or raise your hand using the features in Teams.

Fraud, Waste, and Abuse

Fraud, Waste, and Abuse: Background

The federal government is prioritizing efforts to stop fraud in Medicare and Medicaid, with the goal of lowering costs for patients and taxpayers.

CMS launched an initiative to invite ideas and collaboration from stakeholders to strengthen anti-fraud rules and detection across federal health programs.

For more information and to read the full CMS announcement, [click here](#).

What can ODM do differently to avoid potential fraud, waste, and abuse in EVV?
