Sandata EVV Training Registration Non-Agency Quick Reference

Welcome to Sandata EVV training! To start the training process, follow the steps below.

- Sign up in Sandata's Learning Management System (LMS) and complete initial self-paced training requirement.
 - Go to: https://www.sandatalearn.com?keyname=ODMEVVnonagencyphase3
 - Enter the required Sign Up information to create a profile
 - Click My Courses > Program folder
 - Click the online course "Overview" to begin
 - Complete all lessons of the course

7

- Upon completing the online course, you will receive an email containing information on how to:
 - Download a certificate of completion
 - Access the Non-Agency Welcome Kit, containing the account credentials

3

 Log into Sandata EVV with the credentials provided in the Welcome Kit

4

 Use webinar and video training details from the email in step 2 to register for training

- EVV contact has both options available for training:
 - Review recorded videos in Sandata's video library
