Individualized Placement and Support – Supported Employment (IPS-SE): allows individuals to obtain and maintain integrated competitive meaningful employment by providing training, ongoing individualized support, and skill development that honor client choice.

Recovery Management includes coordinating all services received by an individual and assisting the individual in gaining access to needed Medicaid State Plan and 1915(i) services, as well as medical, social, educational, and other resources, regardless of funding source. Recovery Managers are responsible for monitoring the provision of services included in the person-centered care plan to ensure that the individual’s needs, preferences, health, and welfare are promoted.
